Whereas, the Standard Specifications for this contract provides for such work to be performed, the following change is recommended.
General or Standard Change Order Explanation

The surface on which the temporary pavement markings are to be installed still has one lift of surface to be paved so it is not necessary to use removeable temporary pavement markings. This item is to allow Temporary Pavement Marking, PAINT, 4 inch to be used. The unit price was compared per INDOT Memo 17-16 Utilizing Unit Price Summary in SMs Reports page and was found to be acceptable. A Change Order Request was received from the contractor and a Work Order was issued. The PM was notified. The work was requested by the contractor and approved the PS. This change will result in a net deduction to the contract. This change will result in zero days being added to the contract.
