Interest shall be computed on the basis of a three hundred sixty (360) day year consisting of twelve (12) thirty (30) day months.

(e) Interest on Bonds shall be paid to the owners of such Bonds determined as of the close of business of the Record Date next preceding each Interest Payment Date at the registered addresses of such owners as they shall appear on the registration books of the Trustee, as registrar for the Bonds, notwithstanding the cancellation of any such Bonds upon any exchange or transfer thereof subsequent to the Record Date and prior to such Interest Payment Date. Payment of interest to the holders of all Bonds shall be by check mailed to such holder of the Bonds on each Interest Payment Date. The Bonds shall be dated as of the date of their delivery.

Section 2.3. Payment on the Bonds. The principal of and interest on the Bonds shall be payable in any coin or currency of the United States of America which, at the respective dates of payment thereof, is legal tender for the payment of public and private debts. The principal of the Bonds shall be payable upon surrender thereof at the principal corporate trust office of the Trustee. Principal payments in connection with mandatory sinking fund redemption hereunder shall not require presentation for payment. All payments of interest on the Bonds shall be made

to the person appearing on the Bond registration books of the Trustee as the registered owner of the Bonds by check mailed to the Registered Owner thereof as shown on the registration books of the Trustee, as registrar for the Bonds. Each registered owner of [\$500,000][\$1,000,000] or more in principal amount of Bonds shall be entitled to receive interest payments by wire transfer [by providing written wire instructions to the Trustee at least thirty (30) days before the Record Date for such payment.] [The Trustee shall be instructed to wire transfer payments by 1:00 p.m. (New York City time) so that such payments are received at the depository by 2:30 p.m. (New York City time).] If the payment date occurs on a date when financial institutions are not open for business, the wire transfer shall be made on the next succeeding business day.

Section 2.4. Execution: Limited Obligation. The Bonds shall be executed on behalf of the City with the manual or facsimile signature of its Mayor and attested with the manual or the facsimile signature of its Clerk, and shall have impressed or printed thereon the corporate seal of the City. Such facsimiles shall have the same force and effect as if such officer had manually signed each of said Bonds. In case any officer whose signature or facsimile signature shall appear on the Bonds shall cease to be such officer before the delivery of such Bonds, such signature or such facsimile shall, nevertheless, be valid and sufficient for all purposes, the same as if he had remained in office until delivery.

The Bonds, and the interest payable thereon, do not and shall not represent or constitute a debt of the Issuer, the State of Indiana or any political subdivision or taxing authority thereof within the meaning of the provisions of the constitution or statutes of the State of Indiana or a pledge of the faith and credit of the Issuer, the State of Indiana or any political subdivision or taxing authority thereof. The Bonds, as to both principal and interest, are not an obligation or liability of the Issuer, the State of Indiana, or of any political subdivision or taxing authority thereof, but are a special limited obligation of the Issuer and are payable solely and only from the Trust Estate consisting of the funds and accounts held under the Indenture, the TIF Revenues and the Taxpayer Payments, pledged and assigned for their payment in accordance with the Indenture. Neither the faith and credit nor the taxing power of the Issuer, the State of Indiana or any political subdivision or taxing authority thereof is pledged to the payment of the principal of or the interest on the Bonds. The Bonds do not grant the owners or holders thereof any right to have the Issuer, the State of Indiana or its General Assembly, or any political subdivision or taxing authority of the State of Indiana, levy any taxes or appropriate any funds for the payment of the principal of or interest on the Bonds. The Issuer has no taxing power with respect to the Bonds. No covenant or agreement contained in the Bonds or the Indenture shall be deemed to be a covenant or agreement of any member, director, officer, agent, attorney or employee of the Economic Development Commission, the Redevelopment Commission or the Issuer in his or her individual capacity, and no member, director, officer, agent, attorney or employee of the Economic Development Commission, the Redevelopment Commission, or the Issuer executing the Bonds shall be liable personally on the Bonds or be subject to any personal liability or accountability by reason of the issuance of the Bonds.

Section 2.5. Authentication. No Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under this Indenture unless and until the certificate of authentication on such Bond substantially in the form hereinafter set forth shall have been duly executed by the Trustee, and such executed certificate of the Trustee upon any such Bond shall be conclusive evidence that such Bond has been authenticated and delivered under this

Indenture. The Trustee's certificate of authentication on any Bond shall be deemed to have been executed by it if signed by an authorized officer of the Trustee, but it shall not be necessary that the same officer sign the certificate of authentication on all of the Bonds issued hereunder.

Section 2.6. Form of the Bonds. The Bonds issued under this Indenture shall be substantially in the form set forth below with such appropriate variations, omissions and insertions as are permitted or required by this Indenture or deemed necessary by the Trustee:

(Form of Bond)

[Unless this bond is presented by an authorized representative of The Depository Trust Company, a New York corporation ("DTC"), to the City of Lafayette, Indiana or its agent for registration of transfer, exchange, or payment, and any certificate issued is registered in the name of Cede & Co. or in such other name as is requested by an authorized representative of DTC (and any payment is made to Cede & Co. or to such other entity as is requested by an authorized representative of DTC), ANY TRANSFER, PLEDGE, OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL inasmuch as the registered owner hereof, Cede & Co., has an interest herein.]

The City of Lafayette, Indiana (the "Issuer"), a municipal corporation organized and existing under the laws of the State of Indiana, for value received, hereby promises to pay in lawful money of the United States of America to the Registered Owner listed above, but solely from the payments of TIF Revenues hereinafter referred to pledged and assigned for the payment hereof, the Principal Amount set forth above on the Maturity Date, unless this Bond shall have previously been called for redemption and payment of the redemption price made or provided for, and to pay interest on the unpaid principal amount hereof in like money, but solely from said payments, at the Interest Rate specified above per annum payable on _____1, 20____, and on each February 1 and August 1 thereafter (each an "Interest

Payment Date”) until the Principal Amount is paid in full. Interest shall be calculated on the basis of a 360-day year consisting of twelve 30-day months.

Pursuant to its Resolution No. _____, the Lafayette Redevelopment Commission (“Redevelopment Commission”), has irrevocably pledged to the payment of the Bonds the TIF Revenues (as defined in the hereinafter defined Indenture) collected within the Consolidated Central Allocation Area and the Consolidated Creasy Lane Allocation Area, as established by the Redevelopment Commission and more particularly described in the Indenture.

The principal of this Bond is payable upon surrender thereof at the corporate trust office of _____, as trustee (the “Trustee”), in _____, or at the principal corporate trust office of any successor trustee. Principal payments in connection with mandatory sinking fund redemption hereunder shall not require presentation for payment. All payments of interest hereon will be made by the Trustee by check mailed on each Interest Payment Date to the Registered Owner hereof at the address shown on the registration books of the Trustee as maintained by the Trustee, as registrar, determined on the Record Date next preceding such Interest Payment Date. Each registered owner of \$1,000,000 or more in principal amount of Bonds shall be entitled to receive interest payments by wire transfer by providing written wire instructions to the Trustee before the Record Date for such payment.

This Bond is [one of] [the only one] of the Issuer’s Taxable Economic Development Subordinate Revenue Bonds of 20____ (Nova Tower Project) (hereinbefore and hereinafter the “Bonds”) which are being issued under the hereinafter described Indenture in the aggregate principal amount of \$_____. The Bonds are being issued for the purpose of providing funds to (i) finance a portion of the costs of construction of a mixed-use development consisting of approximately seventy-six (76) apartments, six thousand (6,000) square feet of retail/office space and structured parking, together with any necessary appurtenances, related improvements and equipment, to be located at 200 South Fourth Street in the City, in or physically connected to the Consolidated Creasy/Central Economic Development Area, to be constructed by Nova Lafayette, LLC (the “Company”), (ii) pay capitalized interest, if any, (iii) fund a debt service reserve, if necessary and (iv) pay costs of issuance related to the financing (collectively, the “Project”), by providing such funds to the Company pursuant to the Financing Agreement, dated as of _____ 1, 2020 (the “Financing Agreement”) between the Company and the Issuer, which prescribes the terms and conditions under which the Company shall use such proceeds for the Project.

The Bonds are issued under and entitled to the security of a Trust Indenture dated as of _____ 1, 2020 (hereinafter referred to as the “Indenture”) duly executed and delivered by the Issuer to _____, as trustee (the term “Trustee” where used herein referring to said Trustee or its successors), pursuant to which Indenture the (i) TIF Revenues, on a parity with the Outstanding Parity Obligations and junior and subordinate to the Outstanding Senior Obligations, (ii) funds and accounts created under the Indenture and (iii) Taxpayer Payments (each as defined in the Indenture), and all rights of the Issuer under the Financing Agreement, except certain rights to payment for expenses and indemnity rights and rights to perform certain discretionary acts set forth in the Financing Agreement, are pledged and assigned by the Issuer to the Trustee as security for the Bonds. The Bonds are issued pursuant to and in full compliance with the Constitution and laws of the State of Indiana, particularly Indiana Code, Title 36, Article 7, Chapters 11.9 and 12 (the “Act”), and by appropriate action duly taken by the Issuer which authorizes the execution and delivery of the Indenture. The Bonds have been issued in conformity with the provisions, restrictions and limitations of the Act. REFERENCE IS HEREBY MADE TO THE

INDENTURE FOR A DESCRIPTION OF THE REVENUES SECURITY THE BONDS, THE RIGHTS UNDER THE INDENTURE OF THE ISSUER, THE OWNERS OF THE BONDS AND THE TRUSTEE, TO ALL OF WHICH THE OWNERS OF THIS BOND, BY THE ACCEPTANCE OF THIS BOND, AGREE.

The Bonds are issuable in registered form without coupons in the denominations of [\$1,000 and any integral multiple thereof][\$100,000 and any \$1,000 integral multiples thereof] [\$5,000 and any integral multiple thereof]. This Bond is transferable by the registered holder hereof in person or by his attorney duly authorized in writing at the corporate trust office of the Trustee, but only in the manner, subject to the limitations and upon payment of the charges provided in the Indenture and upon surrender and cancellation of this Bond. Upon such transfer a new registered Bond will be issued to the transferee in exchange therefor.

The Issuer and the Trustee may deem and treat the Registered Owner hereof as the absolute owner hereof for the purpose of receiving payment of or on account of principal hereof and interest due hereon and for all other purposes and neither the Issuer nor the Trustee shall be affected by any notice to the contrary.

[The Bonds of this issue maturing on or after _____, 20__ may be redeemed prior to maturity at the option of the Issuer, in whole or in part, in such order of maturity as the Issuer shall direct and by lot within maturities, on _____, 20__, or any date thereafter from any moneys made available for that purpose, at face value, plus in each case accrued interest to the date fixed for redemption, with no premium.]

[The Bonds maturing on are subject to mandatory sinking fund redemption prior to maturity at a redemption price equal to the principal amount thereof plus accrued interest, on the dates and in the amounts set forth below:

<u>Date</u>	<u>Amount</u>
-------------	---------------

*Final Maturity]

[The Trustee shall credit against the mandatory sinking fund requirement for the Term Bonds, and corresponding mandatory redemption obligation, in the order determined by the Issuer, any Term Bonds which have previously been redeemed (otherwise than as a result of a previous mandatory redemption requirement) or delivered to the Trustee for cancellation or purchased for cancellation by the Trustee and not theretofore applied as a credit against any redemption obligation. Each Term Bond so delivered or canceled shall be credited by the Trustee at 100% of the principal amount thereof against the mandatory sinking fund obligation on such mandatory redemption date, and any excess of such amount shall be credited on future redemption obligations, and the principal amount of bonds to be redeemed by operation of the mandatory sinking fund requirement shall be accordingly reduced; provided, however, the Trustee shall only credit such Term Bonds to the extent received on or before forty-five (45) days preceding the applicable mandatory redemption date and stated above.]

Each _____ Thousand Dollars (\$ __,000) principal amount shall be considered a separate bond for purposes of optional and mandatory redemption. If not less than an entire maturity is called for redemption, the bonds to be redeemed shall be selected by lot by the Registrar. If some bonds are to be redeemed by optional redemption and mandatory sinking fund redemption on the same date, the Registrar shall select by lot the bonds for optional redemption before selecting the bonds by lot for the mandatory sinking fund redemption.

If fewer than all of the Bonds at the time outstanding are to be called for redemption, the maturities of Bonds or portions thereof to be redeemed shall be selected by the Trustee at the direction of the Issuer. If fewer than all of the Bonds within a maturity are to be redeemed, the Trustee shall apply moneys available for redemption on a pro rata basis, based on the respective portion of the principal amount of Bonds held by the respective owners of the Bonds within such maturity that shall be redeemed.

In the event any of the Bonds are called for redemption as aforesaid, notice thereof identifying the Bonds to be redeemed will be given by mailing a copy of the redemption notice by first class mail not less than [thirty (30) days nor more than forty-five (45) days prior to the date fixed for redemption to the Registered Owner of the Bonds to be redeemed at the address shown on the registration books; provided, however, that failure to give such notice by mailing, or any defect therein with respect to any registered Bond, shall not affect the validity of any proceedings for the redemption of other Bonds.

All Bonds so called for redemption will cease to bear interest on the specified redemption date, provided funds for their redemption are on deposit at the place of payment at that time, and shall no longer be protected by the Indenture and shall not be deemed to be outstanding under the provisions of the Indenture.

The Bonds, and the interest payable thereon, do not and shall not represent or constitute a debt of the Issuer, the State of Indiana or any political subdivision or taxing authority thereof within the meaning of the provisions of the constitution or statutes of the State of Indiana or a pledge of the faith and credit of the Issuer, the State of Indiana or any political subdivision or taxing authority thereof. The Bonds, as to both principal and interest, are not an obligation or liability of the Issuer, the State of Indiana, or of any political subdivision or taxing authority thereof, but are a special limited obligation of the Issuer and are payable solely and only from the TIF Revenues, on a parity with the Outstanding Parity Obligations and junior and subordinate to the Outstanding Senior Obligations, the funds and accounts created under the Indenture and the Taxpayer Payments, pledged and assigned for their payment in accordance with the Indenture. Neither the faith and credit nor the taxing power of the Issuer, the State of Indiana or any political subdivision or taxing authority thereof is pledged to the payment of the principal of or the interest on the Bonds. The Bonds do not grant the owners or holders thereof any right to have the Issuer, the State of Indiana or its General Assembly, or any political subdivision or taxing authority of the State of Indiana, levy any taxes or appropriate any funds for the payment of the principal of or interest on the Bonds. The Issuer has no taxing power with respect to the Bonds. No covenant or agreement contained in the Bonds or the Indenture shall be deemed to be a covenant or agreement of the Lafayette Economic Development Commission, the Redevelopment Commission, the Issuer or of any member, director, officer, agent, attorney or employee of the Lafayette Economic Development Commission, the Redevelopment Commission or the Issuer in his or her individual capacity, and neither the Lafayette Economic Development Commission, the Redevelopment Commission, the Issuer nor any member, director, officer, agent, attorney or employee of the Lafayette Economic Development Commission, the Redevelopment Commission, or the Issuer executing the Bonds shall be liable personally for the Bonds or be subject to any personal liability or accountability by reason of the issuance of the Bonds.

The holder of this Bond shall have no right to enforce the provisions of the Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any event of default under the Indenture, or to institute, appear in or defend any suit or other proceedings with respect thereto, except as provided in the Indenture. Modifications or alterations of the Indenture, or of any supplements thereto, may be made to the extent and in the circumstances permitted by the Indenture.

This Bond is transferable [in accordance with the Book-Entry System or, if no such system is in effect,] [by the Registered Owner hereof] at the principal corporate trust office of the Trustee upon surrender and cancellation of this bond and on presentation of a duly executed written instrument of transfer and thereupon a new bond or bonds of the same aggregate principal amount and maturity and in authorized denominations will be issued to the transferee or transferees in exchange therefor.

It is hereby certified that all conditions, acts and things required to exist, happen and be performed under the laws of the State of Indiana and under the Indenture precedent to and in the issuance of this Bond exist, have happened and have been performed, and that the issuance, authentication and delivery of this Bond have been duly authorized by the Issuer.

This Bond shall not be valid or become obligatory for any purpose or be entitled to any security or benefit under the Indenture until the certificate of authentication hereon shall have been duly executed by the Trustee.

IN WITNESS WHEREOF, the City of Lafayette, Indiana, has caused this Bond to be executed in its name and on its behalf by the manual or facsimile signature of the Mayor and its corporate seal to be hereunto affixed manually or by facsimile and attested to by the manual or facsimile signature of its Clerk.

Section 2.7. Delivery of Bonds. The Trustee shall authenticate the Bonds and deliver them to the purchasers thereof upon receipt of a copy, duly certified by the Clerk of the Issuer, of the Bond Ordinance authorizing the execution and delivery of the Financing Agreement and this Indenture and the issuance of the Bonds, and delivery of the following.

- (1) An executed counterpart of the Financing Agreement and this Indenture.
- (2) A written request of the Issuer to the Trustee requesting the Trustee to authenticate, or cause to be authenticated, and deliver the Bonds in the Authorized Amount to the purchasers thereof.
- (3) A copy of (a) the ordinance adopted by the Common Council of the Issuer approving the execution and delivery of the Financing Agreement and the Indenture, (b) the

Pledge Resolution and (c) such other documents as the Trustee shall be notified in writing by bond counsel or the Issuer to be required to be delivered to the Trustee.

The proceeds of the Bonds shall be paid over to the Trustee and deposited as hereinafter provided under Section 3.1 hereof.

Section 2.8. Additional Bonds. Additional bonds may be issued on a parity with the original bonds subject to the terms and limitations of this section. Additional bonds may be issued: (i) to refund all or a portion of one or more series of bonds outstanding hereunder, if such bonds may otherwise be refunded and (ii) financing the cost or estimated cost of completing the Project or of acquiring and/or constructing additional improvements to the Project, and, in each case, obtaining additional funds to pay the costs to be incurred in connection with the issuance of such Additional Bonds, to establish reserves with respect thereto and to pay interest during the estimated construction period of completing the additional improvements, if any.

Prior to the delivery by the Issuer of any such Additional Bonds there shall be filed with the Trustee:

(a) A supplement to this Indenture executed by the Issuer and the Trustee authorizing the issuance of such Additional Bonds, specifying the terms thereof, pledging and assigning the Additional Note being then currently issued as security therefor and providing for the disposition of the proceeds of the sale thereof.

(b) Any supplement or amendment to the Financing Agreement.

(c) If Additional Bonds are payable from TIF Revenues, a report or a certificate prepared by an independent certified public accountant or an independent financial advisor selected by the Issuer, supported by appropriate calculations, stating that the requirements for such additional obligations contained in any resolution or ordinance pledging the TIF Revenues shall have been met.

(d) A copy, duly certified by the Controller of the Issuer, of the Bond Ordinance theretofore adopted and approved by the Issuer authorizing the execution and delivery of such supplemental indenture and the issuance of such Additional Bonds.

(e) A written request of the Issuer to the Trustee to authenticate and deliver such Additional Bonds.

(f) An opinion of bond counsel selected by the Issuer to the effect that (i) such supplement to this Indenture has been duly executed by the Issuer and constitutes the valid and binding obligation of the Issuer enforceable against the Issuer in accordance with its terms; and (ii) the Additional Bonds have been duly and validly authorized and issued by the Issuer and constitute the valid and binding limited obligations of the Issuer enforceable against the Issuer in accordance with their terms. The opinion of bond counsel may be qualified as to such matters as are acceptable to the Issuer, and include, without limitation, customary exceptions as to bankruptcy, insolvency and other laws affecting creditors' rights generally and customary exceptions as to principles of equity.

Any Additional Bonds issued in accordance with the terms of this Section 2.8 shall be secured by this Indenture, but such Additional Bonds may bear such date or dates, such interest rate or rates, and with such maturities, redemption dates and premiums as may be agreed upon by the Issuer and the purchaser of such Additional Bonds.

Section 2.9. Mutilated, Lost, Stolen or Destroyed Bonds. In the event any Bond is mutilated, lost, stolen or destroyed, then, in the absence of notice to the Trustee that such Certificate has been acquired by a bona fide purchaser, the Issuer, through the Trustee, may execute and the Trustee may authenticate a new Bond of like date, maturity and denomination as that mutilated, lost, stolen or destroyed; provided that, in the case of any mutilated Bond, such mutilated Bond shall first be surrendered to the Issuer, and in the case of any lost, stolen or destroyed Bond, there shall be first furnished to the Trustee evidence of such loss, theft or destruction satisfactory to the Trustee, together with indemnity satisfactory to it.

In the event any such Bond shall have matured, instead of issuing a duplicate Bond the Issuer may pay the same without surrender thereof; provided, however, that in the case of a lost, stolen or destroyed Bond, there shall be first furnished to the Trustee evidence of such loss, theft or destruction satisfactory to the Trustee; together with indemnity satisfactory to it. The Trustee may charge the holder or owner of such Bond with their reasonable fees and expenses in this connection. Any Bond issued pursuant to this Section 2.9 shall be deemed part of the original series of Bonds in respect of which it was issued and an original additional contractual obligation of the Issuer.

Section 2.10. Registration and Exchange of Bonds: Persons Treated as Owners. The Issuer shall cause books for the registration and for the transfer of the Bonds as provided in this Indenture to be kept by the Trustee which is hereby constituted and appointed the registrar of the Issuer. Upon surrender for transfer of any fully registered Bond at the corporate trust office of the Trustee, duly endorsed by, or accompanied by a written instrument or instruments of transfer in form satisfactory to the Trustee and duly executed by the registered owner or his attorney duly authorized in writing, the Issuer shall execute and the Trustee shall authenticate and deliver in the name of the transferee or transferees a new fully registered Bond or Bonds of the same series and the same maturity for a like aggregate principal amount. The execution by the Issuer of any fully registered Bond without coupons of any denomination shall constitute full and due authorization of such denomination, and the Trustee shall thereby be authorized to authenticate and deliver such registered Bond. The costs of such transfer or exchange shall be borne by the Issuer. The Trustee shall not be required to transfer or exchange any fully registered Bond during the period between the Record Date and any interest payment date of such Bond, nor to transfer or exchange any Bond after the mailing of notice calling such Bond for redemption has been made, nor during a period of fifteen (15) days next preceding mailing of a notice of redemption of any Bonds.

Section 2.11. Registered Owners of Bonds; Book-Entry. As to any fully registered Bond without coupons, the person in whose name the same shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of principal or interest thereon, shall be made only to or upon the order of the registered owner thereof or his legal representative, but such registration may be changed as hereinabove provided. All such payments

shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

[In the event the Issuer determines that it is beneficial to have the Bonds held by a central depository system pursuant to an agreement between the Issuer and The Depository Trust Company and have transfers of the bonds affected by book-entry on the books of the central depository system, then the bonds shall be initially issued in the form of a separate single authenticated fully registered bond for the aggregate principal amount of each separate maturity of the bonds. Upon initial issuance, the ownership of such bonds shall be registered in the register kept by the Registrar in the name of CEDE & CO., as nominee of The Depository Trust Company.

With respect to the bonds registered in the register kept by the Paying Agent in the name of CEDE & CO., as nominee of The Depository Trust Company, the Issuer and the Paying Agent shall have no responsibility or obligation to any other holders or owners (including any beneficial owner ("Beneficial Owner") of the bond with respect to (i) the accuracy of the records of The Depository Trust Company, CEDE & CO., or any Beneficial Owner with respect to ownership questions, (ii) the delivery to any bondholder (including any Beneficial Owner) or any other person, other than The Depository Trust Company, of any notice with respect to the bond including any notice of redemption, or (iii) the payment to any bondholder (including any Beneficial Owner) or any other person, other than The Depository Trust Company, of any amount with respect to the principal of, or premium, if any, or interest on the bond except as otherwise provided herein.

No person other than The Depository Trust Company shall receive an authenticated bond evidencing an obligation of the Issuer to make payments of the principal of and premium, if any, and interest on the bond pursuant to the Indenture. The Issuer and the Registrar and Paying Agent may treat as and deem The Depository Trust Company or CEDE & CO. to be the absolute bondholder of each of the bonds for the purpose of (i) payment of the principal of and premium, if any, and interest on such bond; (ii) giving notices of redemption and other notices permitted to be given to bondholders with respect to such bond; (iii) registering transfers with respect to such bond; (iv) obtaining any consent or other action required or permitted to be taken of or by bondholders; (v) voting; and (vi) for all other purposes whatsoever. The Paying Agent shall pay all principal of and premium, if any, and interest on the bond only to or upon the order of The Depository Trust Company, and all such payments shall be valid and effective fully to satisfy and discharge the Issuer's and the Paying Agent's obligations with respect to principal of and premium, if any, and interest on the bond to the extent of the sum or sums so paid. Upon delivery by The Depository Trust Company to the Issuer of written notice to the effect that The Depository Trust Company has determined to substitute a new nominee in place of CEDE & CO., and subject to the provisions herein with respect to consents, the words "CEDE & CO." in this Indenture shall refer to such new nominee of The Depository Trust Company. Notwithstanding any other provision hereof to the contrary, so long as any bond is registered in the name of CEDE & CO as nominee of The Depository Trust Company, all payments with respect to the principal of and premium, if any, and interest on such bond and all notices with respect to such bond shall be made and given, respectively, to The Depository Trust Company as provided in a representation letter from the Issuer to The Depository Trust Company.

Upon receipt by the Issuer of written notice from The Depository Trust Company to the effect that The Depository Trust Company is unable or unwilling to discharge its responsibilities and no substitute depository willing to undertake the functions of The Depository Trust Company hereunder can be found which is willing and able to undertake such functions upon reasonable and customary terms, then the bond shall no longer be restricted to being registered in the register of the Issuer kept by the Registrar in the name of CEDE & CO., as nominee of The Depository Trust Company, but may be registered in whatever name or names the bondholders transferring or exchanging bond shall designate, in accordance with the provisions of the Indenture.

If the Issuer determines that it is in the best interest of the bondholders that they be able to obtain certificates for the fully registered bond, the Issuer may notify The Depository Trust Company and the Registrar, whereupon The Depository Trust Company will notify the Beneficial Owners of the availability through The Depository Trust Company of certificates for the bond. In such event, the Registrar shall prepare, authenticate, transfer and exchange certificates for the bond as requested by The Depository Trust Company and any Beneficial Owners in appropriate amounts, and whenever The Depository Trust Company requests the Issuer and the Registrar to do so, the Registrar and the Issuer will cooperate with The Depository Trust Company by taking appropriate action after reasonable notice (i) to make available one or more separate certificates evidencing the fully registered bond of any Beneficial Owner's Depository Trust Company account or (ii) to arrange for another securities depository to maintain custody of certificates for and evidencing the bond.

If the bond shall no longer be restricted to being registered in the name of a depository trust company, the Registrar shall cause the bond to be printed in blank in such number as the Registrar shall determine to be necessary or customary; provided, however, that the Registrar shall not be required to have such bond printed until it shall have received from the Issuer indemnification for all costs and expenses associated with such printing.

In connection with any notice or other communication to be provided to bondholders by the Issuer or the Registrar with respect to any consent or other action to be taken by bondholders, the Issuer or the Registrar, as the case may be, shall establish a record date for such consent or other action and give The Depository Trust Company notice of such record date not less than fifteen (15) calendar days in advance of such record date to the extent possible.

So long as the bonds are registered in the name of The Depository Trust Company or CEDE & CO. or any substitute nominee, the Issuer and the Registrar and Paying Agent shall be entitled to request and to rely upon a certificate or other written representation from the Beneficial Owners of the bond or from The Depository Trust Company on behalf of such Beneficial Owners stating the amount of their respective beneficial ownership interests in the bond and setting forth the consent, advice, direction, demand or vote of the Beneficial Owners as of a record date selected by the Registrar and The Depository Trust Company, to the same extent as if such consent, advice, direction, demand or vote were made by the bondholders for purposes of this Indenture and the Issuer and the Registrar and Paying Agent shall for such purposes treat the Beneficial Owners as the bondholders. Along with any such certificate or representation, the Registrar may request The Depository Trust Company to deliver, or cause to be delivered, to the

Registrar a list of all Beneficial Owners of the bond, together with the dollar amount of each Beneficial Owner's interest in the bond and the current addresses of such Beneficial Owners.

If the Book-Entry System is no longer in effect, registered owners of bonds may, upon surrender thereof at the principal corporate trust office of the Trustee with a written instrument of transfer satisfactory to the Trustee, exchange a bond or bonds for a bond or Bonds of equal aggregate principal amount of the same maturity and interest rate of any authorized denominations. For every exchange or transfer of bonds, the Trustee may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer, which shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer. The cost of preparing each new bond upon each exchange or transfer, and any other expenses of the Trustee incurred in connection therewith (except any applicable tax, fee or other governmental charge) shall be paid by the Issuer. (c) The Controller of the Issuer shall set aside immediately upon receipt the TIF Revenues into the Allocation Fund created under Indiana Code 36-7-14 and the Taxpayer Payments and transfer the TIF Revenues and Taxpayer Payments in the amount thereof specified in subsection (b) above to the Trustee for application in accordance with this Indenture. Any amounts of principal and interest on the Bonds not paid due to insufficient TIF Revenues shall not be deemed an Event of Default.

Section 4.3. Project Fund. The Issuer shall establish and maintain a separate fund to be known as the “Nova Tower Project Fund” (the “Project Fund”) in the custody of the Trustee, to the credit of which deposits are to be made as required by the provisions of Section 3.1 hereof. If such certificate shall state that there is a claim or claims in controversy which create or might ripen into a lien, there shall be filed with the Issuer and the Trustee a certificate of the Company or Issuer when and as such claim or claims shall have been fully paid.

If, after payment of all costs of the Project requested by the Company, there shall remain any balance of moneys in the Project Fund, the Issuer shall transfer all moneys then in such Project Fund to the Bond Fund. The Company shall provide the Trustee with written notice when all costs of the Project payable from the Project Fund have been paid.

The Bonds are redeemable at the option of the Issuer, but no sooner than one (1) year after the date of their issuance, and thereafter on any date, upon thirty (30) days' notice, in whole or in part, in order of maturity determined by Issuer and by lot within maturities, at face value, plus accrued interest to the date fixed for redemption, and without any premium, plus in each case accrued interest to the date fixed for redemption. The exact redemption dates shall be established by the City, with the advice of the City's municipal advisor, prior to the sale of the Bonds.

If fewer than all of the Bonds at the time outstanding are to be called for redemption, the maturities of Bonds or portions thereof to be redeemed shall be selected by the Trustee at the direction of the Issuer. If fewer than all of the Bonds within a maturity are to be redeemed, the Trustee shall apply moneys available for redemption on a pro rata basis, based on the respective portion of the principal amount of Bonds held by the respective owners of the Bonds within such maturity that shall be redeemed.

[The Bonds maturing on _____ are subject to mandatory sinking fund redemption prior to maturity as set forth in Section 2.2 hereof.]

Section 5.2. Notice of Redemption. Such notice of redemption shall specify, in the event of a partial redemption, the Bond numbers and called amounts of each Bond, the redemption date, redemption price, interest rate, maturity date and the name and address of the Trustee; provided, however, that failure to give such notice by mailing, or any defect therein, with respect to any such registered Bond shall not affect the validity of any proceedings for the redemption of other Bonds. With respect to any notice provided in accordance with this Section 5.2, such notice may state that such redemption shall be conditional upon the receipt by the Trustee, on or prior to the date fixed for such redemption, of moneys sufficient to pay the principal of, and premium, if any, and interest on, such Bonds to be redeemed, and that if such moneys shall not have been so received said notice shall be of no further force and effect and the Issuer shall not be required to redeem such Bonds. In the event that such notice of redemption contains such a condition and such moneys are not so received, the redemption shall not be made and the Trustee shall promptly thereafter give notice to such holders, in the manner in which the notice of redemption was given, that such moneys were not so received.

On and after the redemption date specified in the aforesaid notice, such Bonds, or portions thereof, thus called shall not bear interest, shall no longer be protected by this Indenture and shall not be deemed to be outstanding under the provisions of this Indenture, and the holders

Upon the giving of notice and the deposit of funds for redemption, interest on the Bonds thus called shall no longer accrue after the date fixed for redemption. No payment shall be made by the Trustee upon any Bond until such Bond shall have been delivered for payment or cancellation or the Trustee shall have received the items required by Section 2.8 hereof with respect to any mutilated, lost, stolen or destroyed Bond.

Section 5.5. Partial Redemption of Bonds. If fewer than all of the Bonds at the time outstanding are to be called for redemption, the maturities of Bonds or portions thereof to be redeemed shall be selected by the Trustee at the direction of the Issuer. If fewer than all of the Bonds within a maturity are to be redeemed, the Trustee shall apply moneys available for redemption on a pro rata basis, based on the respective portion of the principal amount of Bonds held by the respective owners of the Bonds within such maturity that shall be redeemed. The Trustee shall call for redemption in accordance with the foregoing provisions as many Bonds or portions thereof as will, as nearly as practicable; exhaust the moneys available therefor.

If less than the entire principal amount of any registered Bond then outstanding is called for redemption, then upon notice of redemption given as provided in Section 5.2 hereof, the owner of such registered Bond shall forthwith surrender such Bond to the Trustee in exchange for (a) payment of the redemption price of, plus accrued interest on the principal amount called for redemption and (b) a new Bond or Bonds of like series in an aggregate principal amount equal to the unredeemed balance of the principal amount of such registered Bond, which shall be issued without charge therefor.

Section 6.7. Investment of Funds. With respect to any moneys held by the Trustee under any Fund established hereunder, the funds may be invested in Qualified Investments at the written direction of the Issuer. In the absence of such direction from the Issuer, the Trustee shall hold such amounts uninvested in cash, with no liability for interest. The Trustee may conclusively rely upon the Issuer's written instructions as to both the suitability and legality of the directed investments and such written direction shall be deemed to be a certification that such directed investments constitute Qualified Investments. The Trustee has no investment discretion. Ratings of Qualified Investments shall be determined at the time of initial purchase of such Qualified Investments and without regard to ratings subcategories and the Trustee shall have no shall have no responsibility to monitor the ratings of Qualified Investments after the initial purchase of such Qualified Investments, including at the time of reinvestment of earnings thereof. Neither the Trustee nor the Issuer shall be liable or responsible for any loss resulting from any investment. All such investments shall be held by or under the control of the Trustee or the Issuer, as applicable, and any income resulting therefrom shall be applied in the manner specified in this Indenture.

Although the Company and the Issuer each recognize that they may obtain a broker confirmation or written statement containing comparable information at no additional cost, the Company and the Issuer each hereby agree that confirmations of investments are not required to be issued by the Trustee for each month in which a monthly statement is rendered. Unless otherwise requested by the Company or the Issuer, as the case may be, no statement need be rendered for any fund or account if no activity occurred in such fund or account during such month

The Trustee may elect, but shall not be obligated, to credit the funds and accounts held by it with moneys representing income or principal payments due on, or sales proceeds due in respect of, Qualified Investments in such funds and accounts, or to credit to Qualified Investments intended to be purchased with such moneys, in each case before actually receiving the requisite moneys from the payment source, or to otherwise advance funds for account transactions. The Company and the Issuer each acknowledge that the legal obligation to pay the purchase price of any Qualified Investments arises immediately at the time of the purchase. Notwithstanding anything else in this Indenture, (i) any such crediting of funds or assets shall be provisional in nature, and the Trustee shall be authorized to reverse any such transactions or advances of funds in the event that it does not receive good funds with respect thereto, and (ii) nothing in this Indenture shall constitute a waiver of any of the Trustee's rights as a securities intermediary under Uniform Commercial Code §9-206.

Section 6.8. Non-presentment of Bonds. In the event any Bond shall not be presented for payment when the principal thereof becomes due, either at maturity, or at the date fixed for redemption thereof (other than in connection with a mandatory sinking fund payment), or otherwise, if funds sufficient to pay any such Bond shall have been made available to Trustee for the benefit of the holder or holders thereof, all liability of Issuer to the holder thereof for the payment of such Bond shall forthwith cease, determine and be completely discharged, and thereupon it shall be the duty of Trustee to hold such funds for four (4) years without liability for interest thereon; for the benefit of the holder of such Bond, who shall thereafter be restricted exclusively to such funds, for any claim of whatever nature on his part under this Indenture or on, or with respect to, such Bond.

Section 7.8. Waivers of Events of Default. The Trustee may in its discretion waive any event of default hereunder and its consequences and rescind any declaration of maturity of principal of and interest on the Bonds, and shall do so upon the written request of the holders of (1) all the Bonds then outstanding in respect of which default in the payment of principal or

interest exists, or (2) all Bonds then outstanding in the case of any other default; provided, however, that there shall not be waived without the consent of all Bondholders (a) any event of default in the payment of the principal of any outstanding Bonds at the date of maturity specified therein, or (b) any default in the payment when due of the interest on any such Bonds unless prior to such waiver or rescission, arrears of interest, with interest (to the extent permitted by law) at the rate borne by the Bonds in respect of which such default shall have occurred on overdue installments of interest or all arrears of payments of principal when due, as the case may be, and all expenses of the Trustee in connection with such default (including extraordinary services) shall have been paid or provided for, and in case of any such waiver or rescission, or in case any proceeding taken by the Trustee on account of any such default shall have been discontinued or abandoned or determined adversely, then and in every such case the Issuer, the Trustee and the Bondholders shall be restored to their former positions and rights hereunder, respectively, but no such waiver or rescission shall extend to any subsequent or other default, or impair any right consequent thereon.

ARTICLE VIII.

THE TRUSTEE

Section 8.1. Acceptance of the Trusts. The Trustee hereby accepts the trusts imposed upon it by this Indenture, and agrees to perform such duties and only such duties as are specifically set forth in this Indenture and no implied covenants or obligation shall be read into this Indenture against the Trustee. If any event of default under this Indenture shall have occurred and be continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture and shall use the same degree of care as a prudent person would exercise or use in the circumstance in the conduct of such person's own affairs.

(a) The Trustee may execute any of the trusts or powers hereof and perform any of its duties by or if appointed through attorneys, agents, receivers or employees but shall not be answerable for the conduct of the same in accordance with the standard specified above, and shall be entitled to advice of counsel concerning all matters of trusts hereof and the duties hereunder, and may in all cases pay such reasonable compensation to all such attorneys, agents, receivers and employees as may reasonably be employed in connection with the trusts hereof. The Trustee may act upon the opinion or advice of any attorney (who may be the attorney or attorneys for the Issuer or the Company). The Trustee shall not be responsible for any loss or damage resulting from any action or non-action in good faith in reliance upon such opinion or advice.

(b) The Trustee shall not be responsible for any recital herein, or in the Bonds (except in respect to the certificate of the Trustee endorsed on the Bonds), or for insuring the property herein conveyed or collecting any insurance moneys, or for the validity of the execution by the Issuer of this Indenture or of any supplements thereto or instruments of further assurance, or for the sufficiency of the security for the Bonds issued hereunder or intended to be secured hereby, or for the value or title of the property herein conveyed or otherwise as to the maintenance of the security hereof; and the Trustee shall not be bound to ascertain or inquire as to the performance or observance of any covenants, conditions or agreements on the part of the Issuer or on the part of the Company under the Financing Agreement; but the Trustee may require of the Issuer or the Company full information and advice as to the performance of the covenants, conditions and agreements aforesaid as to the condition of the property herein conveyed. The Trustee shall have no obligation to perform any of the duties of the Issuer under the Financing Agreement, and the Trustee shall not be responsible or liable for any loss suffered in connection with any investment of funds made by it in accordance with the provisions of this Indenture.

(c) The Trustee shall not be accountable for the use of any Bonds authenticated by it or delivered hereunder. The Trustee may become the owner of Bonds secured hereby with the same rights which it would have if not Trustee.

(d) The Trustee shall be protected in acting upon any notice, request, consent, certificate, order, affidavit, letter, telegram or other paper or document believed to be genuine and correct and to have been signed or sent by the proper person or persons. Any action taken by the Trustee pursuant to this Indenture upon the request or authority or consent of any person who

at the time of making such request or giving such authority or consent is the owner of any Bonds, shall be conclusive and binding upon all future owners of the same Bond and upon Bonds issued in exchange therefor or in place thereof.

(e) As to the existence or non-existence of any fact or as to the sufficiency or validity of any instrument, paper or proceeding, the Trustee shall be entitled to rely upon a certificate signed on behalf of the Issuer or the Company by its duly authorized officers as sufficient evidence of the facts therein contained and prior to the occurrence of a default of which the Trustee has been notified as provided in subsection (g) of this Section, or of which said subsection it is deemed to have notice, shall also be at liberty to accept a similar certificate to the effect that any particular dealing, transaction or action is necessary or expedient, but may at its discretion secure such further evidence deemed necessary or advisable, but shall in no case be bound to secure the same. The Trustee may accept a certificate of the Issuer or the Company under its seal to the effect that an ordinance or resolution in the form therein set forth has been adopted by the Issuer or the Company as conclusive evidence that such ordinance or resolution has been duly adopted, and is in full force and effect.

(f) The duties and obligations of the Trustee shall be determined solely by the express provisions of this Indenture, and the Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee.

(g) The Trustee shall not be required to take notice or be deemed to have notice of any event of default hereunder (other than payment of the principal and interest on the Bonds) unless a Responsible Officer of the Trustee shall be specifically notified in writing of such default by the Issuer or by the holders of at least [twenty-five percent (25%)] in aggregate principal amount of all Bonds then outstanding and all notices or other instruments required by this Indenture to be delivered to the Trustee must, in order to be effective, be delivered at the principal corporate trust office of the Trustee, and in the absence of such notice so delivered, the Trustee may conclusively assume there is no default except as aforesaid.

(h) At any and all reasonable times and upon reasonable prior written notice, the Trustee, and its duly authorized agents, attorneys, experts, engineers, accountants and representatives, shall have the right fully to inspect the Project, and to take such memoranda from and in regard thereto as may be desired.

(i) The Trustee shall not be required to give any Bonds or surety in respect of the execution of the said trusts and powers or otherwise in respect of the premises.

(j) Notwithstanding anything elsewhere in this Indenture contained, the Trustee shall have the right, but shall not be required, to demand, in respect of the authentication of any Bonds, the withdrawal of any cash, the release of any property, or any action whatsoever within the purview of this Indenture, any showings, certificates, opinions, appraisals or other information, or corporate action or evidence thereof, in addition to that by the terms hereof required as a condition of such action by the Trustee, deemed desirable for the authentication of any Bonds, the withdrawal of any cash, or the taking of any other action by the Trustee.

(k) Before taking any action under this Section 8.1 the Trustee may require that a satisfactory indemnity bond be furnished for the reimbursement of all expenses to which it may be put and to protect it against all liability, except liability which is adjudicated to have resulted from its gross negligence or willful misconduct in connection with any action so taken. Such indemnity shall survive the termination of this Indenture.

(l) All moneys received by the Trustee shall, until used or applied or invested as herein provided, be held in trust for the purposes for which they were received but need not be segregated from other funds except to the extent required by law. The Trustee shall not be under any liability for interest on any moneys received hereunder.

Section 8.2. Fees, Charges and Expenses of the Trustee. The Trustee shall be entitled to payment and/or reimbursement for reasonable fees for its services rendered hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust) and all advances, counsel fees and other expenses reasonably and necessarily made or incurred by the Trustee in connection with such services and, in the event that it should become necessary for the Trustee to perform extraordinary services, the Trustee shall be entitled to reasonable additional compensation therefor and to reimbursement for reasonable and necessary extraordinary expenses in connection therewith (including without limitation attorney's fees and expenses); provided that if such extraordinary services or extraordinary expenses are occasioned by the gross negligence or willful misconduct of the Trustee it shall not be entitled to compensation or reimbursement therefor. Upon an event of default, but only upon an event of default, the Trustee shall have a right of payment prior to payment on account of interest on or principal of any Bond for the foregoing advances, fees, costs and expenses incurred.

Section 8.3. Notice to Bondholders if Default Occurs. If an event of default occurs of which the Trustee is by subsection (g) of Section 8.1 hereof required to take notice or if notice of an event of default be given as in said subsection (g) provided, then the Trustee shall give written notice thereof by registered or certified mail to the last known holders of all Bonds then outstanding shown by the list of Bondholders required by the terms of this Indenture to be kept at the office of the Trustee.

Section 8.4. Intervention by Trustee. In any judicial proceeding to which the Issuer is a party and which in the reasonable judgment of the Trustee and its counsel has a substantial bearing on the interests of holders of the Bonds, the Trustee may intervene on behalf of Bondholders and, subject to the provisions of Section 8.1(k), shall do so if requested in writing by the Requisite Bondholders. The rights and obligations of the Trustee under this Section are subject to the approval of a court of competent jurisdiction.

Section 8.5. Successor Trustee. Any corporation or association into which the Trustee may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer its municipal corporate trust business and assets as a whole or substantially as a whole, or any corporation or association resulting from any such conversion, sale, merger, consolidation or transfer to which it is a party, ipso facto, shall be and become successor Trustee hereunder and vested with all of the title to the whole property or trust estate and all the trusts, powers, discretions, immunities, privileges and all other matters as was its predecessor, without the

execution or filing of any instrument or any further act, deed or conveyance on the part of any of the parties hereto, anything herein to the contrary notwithstanding.

Section 8.6. Resignation by the Trustee. The Trustee and any successor Trustee may at any time resign from the trusts hereby created by giving thirty days' written notice to the Issuer and the Company and by registered or certified mail to each registered owner of Bonds then outstanding and to each holder of Bonds as shown by the list of Bondholders required by this Indenture to be kept at the office of the Trustee, and such resignation shall take effect at the end of such thirty (30) days, or upon the earlier appointment of a successor Trustee by the Bondholders or by the Issuer. Such notice to the Issuer and the Company may be served personally or sent by registered or certified mail.

Section 8.7. Removal of the Trustee. The Trustee may be removed at any time upon thirty days' written notice by an instrument or concurrent instruments in writing delivered to the Trustee and to the Issuer and signed by all the Bondholders.

Section 8.8. Appointment of Successor Trustee by the Bondholders; Temporary Trustee. In case the Trustee hereunder shall resign or be removed, or be dissolved, or shall be in course of dissolution or liquidation, or otherwise become incapable of acting hereunder, or in case it shall be taken under control of any public officer or officers, or of a receiver appointed by a court, a successor may be appointed by the owners of a majority in aggregate principal amount of Bonds then outstanding, by an instrument or concurrent instruments in writing signed by such owners, or by their attorneys-in-fact, duly authorized; provided, nevertheless, that in case of such vacancy, the Issuer, by an instrument executed by one of its duly authorized officers, may appoint a temporary Trustee to fill such vacancy until a successor Trustee shall be appointed by the Bondholders in the manner above provided; and any such temporary Trustee so appointed by the Issuer shall immediately and without further act be superseded by the Trustee so appointed by such Bondholders. Every such Trustee appointed pursuant to the provisions of this Section shall be a trust company or Bank, having a reported capital and surplus of not less than Fifty Million Dollars (\$50,000,000) if there be such an institution willing, qualified and able to accept the trust upon reasonable or customary terms.

Section 8.9. Concerning Any Successor Trustees. Every successor Trustee appointed hereunder shall execute, acknowledge and deliver to its predecessor and also to the Issuer and the Company an instrument in writing accepting such appointment hereunder, and thereupon such successor, without any further act, deed or conveyance, shall become fully vested with all the estates, properties, rights, powers, trusts, duties and obligations of its predecessor; but such predecessor shall, nevertheless, on the written request of the Issuer, or of its successor, execute and deliver an instrument transferring to such successor Trustee all the estates, properties, rights, powers and trusts of such predecessor hereunder; and every predecessor Trustee shall deliver all securities and moneys held by it as Trustee hereunder to its successor. Should any instrument in writing from the Issuer be required by any successor Trustee for more fully and certainly vesting in such successor the estate, rights, powers and duties hereby vested or intended to be vested in the predecessor any and all such instruments in writing shall, on request, be executed, acknowledged and delivered by the Issuer. The resignation of any Trustee and the instrument or instruments removing any Trustee and appointing a successor hereunder, together with all other

instruments provided for in this Article shall be filed by the successor Trustee in each office, if any, where the Indenture shall have been filed.

Section 8.10. Trustee Protected in Relying Upon Resolutions, etc. Subject to the conditions contained herein, the resolutions, ordinances, opinions, certificates and other instruments provided for in this Indenture may be accepted by the Trustee as conclusive evidence of the facts and conclusions stated therein and shall be full warrant, protection and authority to the Trustee for the release of property and the withdrawal of cash hereunder.

SUPPLEMENTAL INDENTURES

Section 9.1. Supplemental Indentures Not Requiring Consent of Bondholders. The Issuer and the Trustee may without the consent of, or notice to, any of the Bondholders, enter into an indenture or indentures supplemental to this Indenture; as shall not be inconsistent with the terms and provisions hereof, for any one or more of the following purposes:

- (a) To cure any ambiguity or formal defect or omission in this Indenture;
- (b) To grant to or confer upon the Trustee for the benefit of the Bondholders any additional rights, remedies, powers or authority that may lawfully be granted to or conferred upon the Bondholders or the Trustee or any of them;
- (c) To subject to this Indenture additional revenues, properties or collateral;
- (d) To make any other change in this Indenture which is not to the prejudice of the Issuer or the holders of the Bonds or, in the judgment of the Trustee, is not to the prejudice of the Trustee;
- (e) To modify, amend or supplement the Indenture in such manner as required to permit the qualification thereof under the Trust Indenture Act of 1939, as amended, or any similar Federal statute hereafter in effect, and, if they so determine, to add to the Indenture such other terms, conditions and provisions as may be required by said Trust Indenture Act of 1939, as amended, or similar federal statute; or
- (f) To issue Additional Bonds in accordance with the provisions of Section 2.8 hereof.

Section 9.2. Supplemental Indentures Requiring Consent of Bondholders. Exclusive of supplemental indentures covered by Section 9.1 hereof, and subject to the terms and provisions contained in this Section, and not otherwise, the Requisite Bondholders shall have the right, from time to time, anything contained in this Indenture to the contrary notwithstanding, to consent to and approve the execution by the Issuer and the Trustee of such other indenture or indentures supplemental hereto as shall be deemed necessary and desirable by the Issuer for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in this Indenture or in any supplemental indenture; provided however, that nothing in this section contained shall permit or be construed as permitting (except as otherwise permitted in this Indenture) (a) an extension of the stated maturity or reduction in the principal amount of, or reduction in the rate or extension of the time of paying of interest on, any Bonds, without the consent of the holder of such Bond, or (b) a reduction in the amount or extension of the time of any payment required by any sinking fund applicable to any Bonds without the consent of the holders of all the Bonds which would be affected by the action to be taken, or (c) a reduction in the aforesaid aggregate principal amount of Bonds the holders of which are required to consent to any such supplemental indenture, without the consent of the holders of all the Bonds at the time outstanding which would be affected by the action to be taken, or (d) a

modification of the rights, duties or immunities of the Trustee, without the written consent of the Trustee, or (e) a privilege or priority of any Bond over any other Bonds, or (f) deprive the owners of any Bonds then outstanding of the lien thereby created.

Anything herein to the contrary notwithstanding, a supplemental indenture under this Article which affects any rights of the Company shall not become effective unless and until the Company shall have consented in writing to the execution and delivery of such supplemental indenture. In this regard, the Trustee shall cause notice of the proposed execution and delivery of any such supplemental indenture together with a copy of the proposed supplemental indenture to be mailed by certified or registered mail to the Company at least fifteen (15) days prior to the proposed date of execution and delivery of any such supplemental indenture.

Section 9.3. Opinion with Respect to Supplemental Indentures. The Trustee shall be provided with, and shall be fully protected in relying upon, the opinion of any counsel approved by it who may be counsel for the Company, as conclusive evidence that any proposed supplemental indenture complies with the provisions of this Indenture, and that it is proper for the Trustee, under the provisions of this Article, to join in the execution of such supplemental indenture.

ARTICLE XI.

MISCELLANEOUS

Section 11.1. Satisfaction and Discharge. All rights and obligations of the Issuer and the Company under this Indenture shall terminate, and such instruments shall cease to be of further effect, and the Trustee shall execute and deliver all appropriate instruments evidencing and acknowledging the satisfaction of this Indenture, and shall assign and deliver to the Company any moneys and investments in the Project Fund and shall assign and deliver to the Issuer any moneys and investments held in any other Fund under this Indenture when:

- (a) all fees and expenses of the Trustee shall have been paid;
 - (b) the Issuer shall have performed all of its covenants and promises in this Indenture;
- and

(c) all Bonds theretofore authenticated and delivered (i) have become due and payable, or (ii) are to be retired or called for redemption under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee at the expense of the Issuer, or (iii) have been delivered to the Trustee canceled or for cancellation; and, in the case of (i) and (ii) above, there shall have been deposited with the Trustee either cash in an amount which shall be sufficient, or investments (but only to the extent that the full faith and credit of the United States of America are pledged to the timely payment thereof) the principal of and the interest on which when due will provide moneys which, together with the moneys, if any, deposited with the Trustee, shall be sufficient, to pay when due the principal or redemption price, if applicable, and interest due and to become due on the Bonds and prior to the redemption date or maturity date thereof, as the case may be.

Section 11.2. Defeasance. Any bond shall be deemed to be paid and no longer outstanding within the meaning of this Article and for all purposes of this Indenture when (a) payment of the principal and interest of and premium, if any, on such Bond either (i) shall have been made or caused to be made in accordance with the terms thereof, or (ii) shall have been provided for by irrevocably depositing with the Trustee in trust and irrevocably set aside exclusively for such payment, (1) cash sufficient to make such payment, (2) Government Obligations, maturing as to principal and interest in such amounts and at such times as will insure the availability of sufficient moneys to make such payment, or (3) a combination of cash and such Government Obligations, and (b) all necessary and proper fees, compensation, indemnities and expenses of the Trustee and the Issuer pertaining to the Bonds with respect to which such deposit is made shall have been paid or the payment thereof provided for. At such time as a Bond shall be deemed to be paid hereunder, as aforesaid, such Bond shall no longer be secured by or entitled to the benefits of this Indenture, except for the purposes of any such payment from such moneys or Government Obligations.

Notwithstanding the foregoing, no deposit under clause (a)(ii) of the immediately preceding paragraph shall be deemed payment of such bonds as aforesaid until (a) proper notice of redemption of such bonds shall have been previously given in accordance with Section 4.4 of

this Indenture, or if the Bonds are not by their terms subject to redemption within the next succeeding sixty (60) days, until the Issuer shall have given the Trustee in form satisfactory to the Trustee irrevocable instructions to notify, as soon as practicable, the owners of the bonds then outstanding, that the deposit required by the preceding paragraph has been made with the Trustee and that the Bonds are deemed to have been paid in accordance with this Section 11.2 and stating the maturity or redemption date upon which moneys are to be available for the payment of the principal of and the applicable redemption premium, if any, on said Bonds, plus interest thereon to the due date thereof; or (b) the maturity of such Bonds.

All moneys so deposited with the Trustee as provided in this Section 11.2 may also be invested and reinvested, at the written direction of the Issuer, in Government Obligations, maturing in the amounts and at the times as hereinbefore set forth, and all income from all Government Obligations in the hands of the Trustee pursuant to this Section 11.2 which is not required for the payment of principal of the Bonds and interest and premium, if any, thereon with respect to which such moneys shall have been so deposited shall be deposited in the Bond Fund as and when realized and collected for use and application as are other moneys deposited in the Bond Fund.

Notwithstanding any provision of any other Article of this Indenture which may be contrary to the provisions of this Section 11.2, all moneys or Government Obligations set aside and held in trust pursuant to the provisions of this Section 11.2 for the payment of Bonds (including premium thereon, if any) shall be applied to and used solely for the payment of the particular Bonds (including the premium thereon, if any) with respect to which such moneys or Government Obligations have been so set aside in trust.

Anything in Article 9 hereof to the contrary notwithstanding, if moneys or Government Obligations have been deposited or set aside with the Trustee pursuant to this Section 11.2 for the payment of Bonds and such Bonds shall not have in fact been actually paid in full, no amendment to the provisions of this Section 11.2 shall be made without the consent of the owner of each Bond affected thereby.

The right to register the transfer of or to exchange Bonds shall survive the discharge of this Indenture.

Section 11.3. Application of Trust Money. All money or investments deposited with or held by the Trustee pursuant to Section 11.1 shall be held in trust for the holders of the Bonds, and applied by it, in accordance with the provisions of the Bonds and this Indenture, to the payment, either directly or through the Trustee, to the persons entitled thereto, of the principal and interest for whose payment such money has been deposited with the Trustee; but such money or obligations need not be segregated from other funds except to the extent required by law.

Section 11.4. Consents, etc., of Bondholders. Any consent, request, direction, approval, objection or other instrument required by this Indenture to be executed by the Bondholders may be in any number of concurrent writings of similar tenor and may be executed by such Bondholders in person or by agent appointed in writing. Provided, however, that wherever this Indenture requires that any such consent or other action be taken by the holders of a specified

percentage, fraction or majority of the Bonds outstanding, any such Bonds held by or for the account of the Issuer shall not be deemed to be outstanding hereunder for the purpose of determining whether such requirement has been met. Proof of the execution of any such consent, request, direction, approval, objection or other instrument or of the writing appointing any such agent and of the ownership of Bonds; if made in the following manner, shall be sufficient for any of the purposes of this Indenture, and shall be conclusive in favor of the Trustee with regard to any action taken under such request or other instrument, namely:

(a) The fact and date of the execution by any person of any such writing may be proved by the certificate of any officer in any jurisdiction who by law has power to take acknowledgments within such jurisdiction that the person signing such writing acknowledged before him the execution thereof, or by affidavit of any witness to such execution.

(b) The fact of the holding by any person of Bonds transferable by delivery and the amounts and numbers of such Bonds, and the date of the holding of the same, may be proved by a certificate executed by any trust company, Bank or Bankers, wherever situated, stating that at the date thereof the party named therein did exhibit to an officer of such trust company or Bank or to such Banker, as the property of such party, the Bonds therein mentioned if such certificate shall be deemed by the Trustee to be satisfactory. The Trustee may, in its discretion, require evidence that such Bonds have been deposited with a Bank, Bankers or trust company, before taking any action based on such ownership. In lieu of the foregoing, the Trustee may accept other proofs of the foregoing as it shall deem appropriate.

For all purposes of this Indenture and of the proceedings for the enforcement hereof, such person shall be deemed to continue to be the holder of such Bonds until the Trustee shall have received notice in writing to the contrary.

Section 11.5. Limitation of Rights. With the exception of rights herein expressly conferred, nothing expressed or mentioned in or to be implied from this Indenture, or the Bonds is intended or shall be construed to give to any person other than the parties hereto, and the Company, and the holders of the Bonds, any legal or equitable right, remedy or claim under or in respect to this Indenture or any covenants, conditions and provisions herein contained, this Indenture and all of the covenants, conditions and provisions hereof being intended to be and being for the sole and exclusive benefit of the parties hereto and the Company and the holders of the Bonds as herein provided.

Section 11.6. Severability. If any provision of this Indenture shall be held or deemed to be or shall, in fact, be inoperative or unenforceable as applied in any particular case in any jurisdiction or jurisdictions or in all jurisdictions, or in all cases because it conflicts with any other provision or provisions hereof or any constitution or statute or rule of public policy, or for any other reason, such circumstances shall not have the effect of rendering the provision in question inoperative or unenforceable in any other case or circumstance, or of rendering any other provision or provisions herein contained invalid, inoperative, or unenforceable to any extent whatever.

The invalidity of any one or more phrases, sentences, clauses or Sections in this Indenture contained, shall not affect the remaining portions of this Indenture, or any part thereof.

Section 11.7. Notices. All notices, demands, certificates or other communications hereunder shall be sufficiently given and shall be deemed given when mailed by registered or certified mail, postage prepaid, with proper address as indicated below. The Issuer, the Company, and the Trustee may, by written notice given by each to the others, designate any address or addresses to which notices, demands, certificates or other communications to them shall be sent when required as contemplated by this Indenture. Until otherwise provided by the respective parties, all notices, demands, certificates and communications to each of them shall be addressed as follows:

To the Issuer: City of Lafayette, Indiana
20 North 6th Street
Lafayette, IN 47901

To the Trustee:

Section 11.8. Counterparts. This Indenture may be simultaneously executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

Section 11.9. Applicable Law. This Indenture shall be governed exclusively by the applicable laws of the State of Indiana.

Section 11.10. Immunity of Officers and Directors. No recourse shall be had for the payment of the principal of or interest on any of the Bonds or for any claim based thereon or upon any obligation, covenant or agreement in this Indenture contained against any past, present or future members, officer, directors, agents, attorneys or employees of the Issuer, or any incorporator, member, officer, director, agents, attorneys, employees or trustee of any successor corporation, as such, either directly or through the Issuer or any successor corporation, under any rule of law or equity, statute or constitution or by the enforcement of any assessment or penalty or otherwise, and all such liability of any such incorporator, members, officers, directors, agents, attorneys; employees or trustees as such is hereby expressly waived and released as a condition of and consideration for the execution of this Indenture and issuance of such Bonds.

WHEREAS, a representative of Glick Briarwood Lafayette, LP, an Indiana limited partnership (the "Borrower") has requested that the City of Lafayette, Indiana (the "Issuer") issue bonds and lend the proceeds thereof to the Borrower in order to finance the acquisition, construction, renovation, improvement and equipping of a multifamily housing facility known as Briarwood of Lafayette Apartments, containing approximately 100 apartment units, together with functionally related and subordinate facilities such as parking areas, located at 1750 Windemere Drive, in Lafayette, Indiana and funding costs of issuance and any necessary reserves in connection therewith (the "Project"); and

WHEREAS, the Commission after a public hearing held on February 27, 2020, pursuant to Section 147(f) of the Internal Revenue Code of 1986, as amended (the "Code") found that the acquisition, construction, renovation, improvement and equipping of the Project complies with the purposes and provisions of the Act, that such acquisition, construction, renovation, improvement and equipping will be of benefit to the health and welfare of the Issuer and its citizens through the requirement that the Project serve persons and families of low and moderate income, that the amount of tax credits to be allocated to the Project under Section 42 of the Internal Revenue Code of 1986, as amended, does not exceed the amount necessary for the financial feasibility of the project and its viability as a qualified housing project throughout the credit period for the Project and that the Project satisfies the requirements for the allocation of a housing credit dollar amount under the Indiana Housing and Community Development Authority's qualified allocation plan; and

WHEREAS, the Commission has considered whether the acquisition, construction, renovation, improvement and equipping of the Project will have an adverse competitive effect or impact on any similar facility or facilities of the same kind already constructed or operating in the same market area or in or about Lafayette, Indiana; and

WHEREAS, pursuant to and in accordance with the Act, the Issuer desires to provide funds to acquire, construct, renovate, improve and equip the Project and to pay costs related to issuing the Bonds by issuing not to exceed \$8,000,000 aggregate principal amount of the Bonds; and

SECTION 3. The Issuer shall issue its Bonds in one or more series, as described above, in the aggregate principal amount not to exceed \$8,000,000, for the purpose of procuring funds to loan to the Borrower in order to finance the acquisition, construction, renovation, improvement and equipping of the Project which Bonds will be payable as to principal and interest solely from the payments made by the Borrower pursuant to the Financing Documents to evidence and secure said loan and as otherwise provided in the above-described Financing Documents. The Bonds shall never constitute a general obligation of, an indebtedness of, or charge against the general credit of the Issuer.

SECTION 4. The Clerk is authorized and directed to sell such Bonds to the purchasers thereof at a price not less than 97% of the aggregate principal amount thereof (excluding any original issue premium or discount) plus accrued interest, if any, and at a fixed or initial variable rate of interest not to exceed 12% percent per annum. The provisions of this ordinance and the Financing Documents shall constitute a contract binding between the Issuer and the holder or holders of the Bonds and after the issuance of said Bonds, this ordinance shall not be repealed or amended in any respect which would adversely affect the right of such holder or holders so long as said Bonds or the interest thereon remains unpaid.

SECTION 7. SECTION 10. It is hereby determined that the amount of tax credits to be allocated to the Project under Section 42 of the Code does not exceed the amount necessary for the financial feasibility of the Project and its viability as a qualified housing project throughout the credit period for the Project. In making the foregoing determination, the Common Council has solely relied upon representations of the Borrower. The foregoing determinations shall not be construed to be a representation or warranty by the Issuer as to the feasibility or viability of the Project. The Common Council hereby authorizes and directs the Clerk to review and make the foregoing determination again for and on behalf of the Issuer at the request of the Borrower, following receipt of supporting materials submitted by the Borrower to the Indiana Housing and Community Development Authority ("IHCDA") and either written representations of the Borrower or of IHCDA to the effect that (i) the amount of tax credits to be allocated to the Project under Section 42 of the Code does not exceed the amount necessary for the financial feasibility of the Project and its viability as a qualified housing project throughout the credit period for the Project and (ii) the Project satisfies the requirements for the allocation of a housing credit dollar amount under IHCDA's qualified allocation plan. Such determinations shall occur on or about the date of the sale of the Bonds to the purchasers thereof and on or about the date that each building of the Project is placed in service. In reliance upon the representations of the Borrower, it is hereby found and determined that the Project satisfies the requirements for the allocation of a housing credit dollar amount under IHCDA's qualified allocation plan.

SECTION 11. If any section, paragraph or provision of this Ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph or provision shall not affect any of the remaining provisions of this Ordinance.

PRINCIPLES

FOR CONSIDERATION OF PROPERTY TAX ABATEMENT IN LAFAYETTE, INDIANA

These principles are used in determining the guidelines and considerations for each category of project, and will also be used in determining the length of an abatement within each category.

1. Firms receiving tax abatement are expected to give local construction firms and local suppliers of goods and services the opportunity to do business.
2. Existing industry will be considered for tax abatement on the same basis as firms being recruited to the community.
3. Preference will be given to firms that diversify and fill gaps in our local economy rather than those that compete for business in the local economy with existing firms.
4. Products that are sold outside our local community and bring value to the local economy will be given a high priority.
5. Abatement will be used to recruit and assist firms that create a technology based product or service or use advanced technology in manufacturing.
6. Location in the downtown, the urban enterprise zone, or declining area designated as an economic development area will be given a higher priority.
7. Projects that involve retail or are primarily office operations will be considered only in the locations described in #6 above unless the office operations are technology related.
8. The number of jobs created per dollar of investment will be an important consideration for the warehouse distribution and manufacturing areas.
9. The level of wages and benefits will be an important consideration for all applications.
10. Housing will be evaluated in terms of percentage of units available to lower income families, mix of income levels, distance from other projects serving a similar clientele, availability of services, potential displacement of existing housing, and compatibility of design.
11. Projects will not be considered that will require variances or special exceptions unless primary review indicates that no problems will be encountered.
12. Adverse environmental impacts will negatively affect the consideration of abatement.
13. Any need for additional public infrastructure or other additional public support in the project will be considered in determining the length of the abatement.
14. Major development projects will be individually evaluated.
15. The time period of depreciation of equipment will be considered in the length of abatement for equipment.
16. Economic Revitalization Areas (ERAs) designated by the Common Council for new manufacturing equipment will include a Memorandum of Understanding that will provide for the repayment to the City of all or a portion of the tax savings realized through the designation in event that the ERA is terminated because the new manufacturing equipment is removed from the City.

GUIDELINES

FOR CONSIDERATION OF PROPERTY TAX ABATEMENT IN LAFAYETTE, INDIANA

Projects will be considered for abatement only if the proposed investment is at least \$250,000 and development has not begun and/or equipment has not been ordered. In addition, if the applicant is not the owner, authorization of the application must be obtained from the owner.

The length of the abatement period for real estate and equipment will be considered by the guidelines in the categories below:

6-10 Years

Real Estate Improvements

Manufacturing

Technology Based

3-6 Years

Equipment and Machinery

Warehouse/Distribution

Office

PRINCIPLES

FOR CONSIDERATION OF PROPERTY TAX ABATEMENT IN LAFAYETTE, INDIANA

These principles are used in determining the guidelines and considerations for each category of project, and will also be used in determining the length of an abatement within each category.

1. Firms receiving tax abatement are expected to give local construction firms and local suppliers of goods and services the opportunity to do business.
2. Existing industry will be considered for tax abatement on the same basis as firms being recruited to the community.
3. Preference will be given to firms that diversify and fill gaps in our local economy rather than those that compete for business in the local economy with existing firms.
4. Products that are sold outside our local community and bring value to the local economy will be given a high priority.
5. Abatement will be used to recruit and assist firms that create a technology based product or service or use advanced technology in manufacturing.
6. Location in the downtown, the urban enterprise zone, or declining area designated as an economic development area will be given a higher priority.
7. Projects that involve retail or are primarily office operations will be considered only in the locations described in #6 above unless the office operations are technology related.
8. The number of jobs created per dollar of investment will be an important consideration for the warehouse distribution and manufacturing areas.
9. The level of wages and benefits will be an important consideration for all applications.
10. Housing will be evaluated in terms of percentage of units available to lower income families, mix of income levels, distance from other projects serving a similar clientele, availability of services, potential displacement of existing housing, and compatibility of design.
11. Projects will not be considered that will require variances or special exceptions unless primary review indicates that no problems will be encountered.
12. Adverse environmental impacts will negatively affect the consideration of abatement.
13. Any need for additional public infrastructure or other additional public support in the project will be considered in determining the length of the abatement.
14. Major development projects will be individually evaluated.
15. The time period of depreciation of equipment will be considered in the length of abatement for equipment.
16. Economic Revitalization Areas (ERAs) designated by the Common Council for new manufacturing equipment will include a Memorandum of Understanding that will provide for the repayment to the City of all or a portion of the tax savings realized through the designation in event that the ERA is terminated because the new manufacturing equipment is removed from the City.

GUIDELINES

FOR CONSIDERATION OF PROPERTY TAX ABATEMENT IN LAFAYETTE, INDIANA

Projects will be considered for abatement only if the proposed investment is at least \$250,000 and development has not begun and/or equipment has not been ordered. In addition, if the applicant is not the owner, authorization of the application must be obtained from the owner.

The length of the abatement period for real estate and equipment will be considered by the guidelines in the categories below:

6-10 Years

Real Estate Improvements

Manufacturing

Technology Based

3-6 Years

Equipment and Machinery

Warehouse/Distribution
