Demolition of an Historic Structure Memo

To: Lafayette Board of Public Works and Safety
From: John D. Collier, Assistant Director of Economic Development *jdcc*
Re: 1108 S 4th Street – Demolition of Garage Only
Date: February 10, 2020

The property owner of 1108 S. 4th Street, has applied for an improvement location permit to demolish the garage at this address. Because the property is listed as Contributing in the Tippecanoe County Interim Report of Historic Sites and Structures, this demolition request has been reviewed by Dann Keiser, Lafayette Historic Preservation Officer, who determined that because the garage is not the same age and style as the house, the garage does not add to the historic character of the house so demolition of the structure would not adversely affect that property. Consequently, Mr. Keiser recommends that the 60-day waiting period be waived.

Determination of the Board of Works:

The 60 day public notice period has been:

_____ Waived, Demolition may begin immediately.

_____ Upheld, Demolition may begin on November 30, 2019.
