WHEREAS, the City of Lafayette, Indiana ("City") is a municipal corporation and political subdivision of the State of Indiana and by virtue of Indiana Code 36-7-11.9 and Indiana Code 36-7-12 (collectively, the "Act"), is authorized and empowered to adopt this ordinance (the "Bond Ordinance") and to carry out its provisions; and

WHEREAS, Rebar Companies, LLC d/b/a Rebar Development (together with any affiliate or designee thereof, the "Company") has advised the Lafayette Economic Development Commission (the "Commission") and the City that it proposes that the City issue certain taxable economic development subordinate revenue bonds, as further described herein, in an amount not to exceed Four Million Five Hundred Thousand Dollars (\$4,500,000) (the "Bonds") under the Act for the purpose of financing a portion of the costs of the construction of a mixed-use facility with 97 market-rate residential units and 2,000 square feet of office and retail space, together with any necessary appurtenances, related improvements and equipment, to be located at approximately 450 - 499 South Street in the City, in, physically connected to or benefiting the Consolidated Creasy/Central Economic Development Area, capitalized interest, if any, a debt service reserve, if necessary, and costs of issuance related to the financing (collectively, the "Project"); and

WHEREAS, the financing of a portion of the Project results in the diversification of industry, the creation and retention of jobs, the creation and retention of business opportunities in the City, and will be of public benefit to the health, safety and general welfare of the City and its citizens; and

WHEREAS, on May 21, 2020, the Commission conducted a public hearing in accordance with Act and Indiana Code 5-3-1, and adopted its resolution finding that the financing of a portion of the Project complies with the purposes and provisions of the Act and that such financing will be of benefit to the health and general welfare of the City; and

WHEREAS, the Commission has heretofore approved and recommended the adoption of this form of ordinance by this Council, has considered the issue of adverse competitive effect and has approved the forms of and has transmitted for approval by the Council, the forms of (i) a Financing Agreement, between the City and the Company; (ii) a Trust Indenture, with respect to the Bonds (the "Indenture"), between the City and a trustee to be selected by the City (the "Trustee") (clauses (i) and (ii), the "Financing Documents"); and (iii) this Bond Ordinance; and

NOW, THEREFORE, BE IT ORDAINED BY THE COMMON COUNCIL OF THE CITY OF LAFAYETTE, INDIANA, THAT:

Section 1. The Council hereby finds and determines that the Project involves the acquisition, construction and equipping of an "economic development facility" as that phrase is used in the Act; that the Project will create employment opportunities and diversification of economic development in the City, will improve and promote the economic stability, development and welfare in the City, will encourage and promote the expansion of industry, trade and commerce in the City and the location of other new industries in the City; that the public benefits to be accomplished by this Bond Ordinance, intending to overcome insufficient employment opportunities and insufficient diversification of industry, are greater than the cost of public services (as that phrase is used in the Act) which will be required by the Project; and, therefore, that the financing of the Project by the issue of the Bonds under the Act: (i) will be of benefit to the health and general welfare of the City and (ii) complies with the Act.

Section 2. The proposed financing of a portion of the Project, and the financing of certain costs related to the issuance of the Bonds, including capitalized interest, if any, and the funding of a debt service reserve, if necessary, as further described in the Financing Documents, by the issuance of the Bonds under the Act, in the form that such financing was approved by the Commission, is hereby approved. A debt service reserve funded by bond proceeds, cash on hand or future revenues, a debt service reserve surety, or other types of credit enhancement necessary to market the bonds, as determined by the Controller of the City based upon the advice of the City's municipal advisor, is hereby approved.

Section 3. The issuance of the Bonds, payable solely from the revenues and receipts derived from the Financing Documents, is hereby authorized.

Section 4. The Mayor and the Controller of the City are hereby authorized and directed, in the name and on behalf of the City, to sell the Bonds to a purchaser or purchasers selected by such officers (the "Purchaser") at such prices and on such terms as may be determined at the time of sale and approved by the Mayor and the Controller of the City. The Mayor and the Controller of the City are hereby authorized to approve and execute a bond purchase agreement for the Bonds with the Purchaser, in a form approved by such officers, such approval to be conclusively evidenced by the execution thereof. The Bonds may be sold through either a competitive, negotiated or private placement sale.

Section 5. The Bonds in the aggregate principal amount not to exceed Four Million Five Hundred Thousand Dollars (\$4,500,000), shall (i) be designated as "Taxable Economic Development Subordinate Revenue Bonds of 20_ (Ellsworth Project)" (with such further designation as may be necessary or appropriate, including such designation to indicate the year in which the bonds are issued); (ii) be executed at or prior to the closing date by the manual or facsimile signatures of the Mayor, the Controller and the Clerk of the City; (iii) be dated as of the date of issuance; (iv) mature on a date not later than twenty (20) years following the date of issuance; (v) bear interest at a rate not to exceed six and five tenths (6.5%) (exact rates as determined through bidding or negotiation with the purchaser thereof), with such interest to be payable as provided in the Financing Documents; (vi) be issuable in such denominations as set

forth in the Financing Documents; (vii) be issuable only in fully registered form; (viii) be payable as to principal and interest on February 1 and August 1; (ix) be subject to registration on the bond register as provided in the Indenture; (x) not be sold at below ninety-eight percent (99.0%) of the principal amount thereof; (xi) be payable in lawful money of the United States of America; (xii) be payable at an office of the Trustee as provided in the Indenture; (xiii) be subject to optional and mandatory sinking fund redemption with payments structured to maximize the amount of Bond proceeds paid from TIF Revenues, taking into account reasonable coverage needed to market the Bonds, as determined by the Controller based upon the advice of the City's municipal advisor, and as otherwise provided in the Financing Documents; and (xiv) contain such other terms and provisions as may be provided in the Financing Documents.

The Bonds shall be payable solely from the TIF Revenues (as defined in the Trust Indenture), on a parity with the Outstanding Parity Obligations and junior and subordinate to the Outstanding Senior Obligations and Taxpayer Payments (each as defined in the Trust Indenture). The Bonds and the interest thereon do not and shall never constitute an indebtedness of, or a charge against the general credit or taxing power of, the City, but shall be special and limited obligations of the City, payable solely from the TIF Revenues.

Forms of the Financing Documents are before this meeting and are by this reference incorporated in this Bond Ordinance, and the Clerk of the City is hereby directed, in the name and on behalf of the City, to insert them into the minutes of the Council and to keep them on file.

Section 6. The Mayor, the Controller and the Clerk of the City are hereby authorized and directed, in the name and on behalf of the City, to execute or endorse and deliver the Financing Documents, submitted to the Council, which are hereby approved in all respects. The Mayor and the Controller of the City are hereby authorized and directed, to select a financial institution to serve as the Trustee.

Section 7. The Mayor and the Controller of the City are hereby authorized, in the name and on behalf of the City, without further approval of the Council or the Commission, to approve such changes in the Financing Documents as may be permitted by the Act, such approval to be conclusively evidenced by their execution thereof.

Section 8. The Mayor, the Controller and the Clerk of the City, and each of them, are hereby authorized and directed, in the name and on behalf of the City, to execute or endorse any and all agreements, documents and instruments, perform any and all acts, approve any and all matters, and do any and all other things deemed by them, or either of them, to be necessary or desirable in order to carry out and comply with the intent, conditions and purposes of this Bond Ordinance (including the preambles hereto and the documents mentioned herein), the Project, the issuance and sale of the Bonds, and the securing of the Bonds under the Financing Document, including, and any such execution, endorsement, performance or doing of other things heretofore effected be, and hereby is, ratified and approved.

Section 9. The provisions of this Bond Ordinance and the Financing Documents

shall constitute a binding contract between the City and the holders of the Bonds, and after issuance of the Bonds this Bond Ordinance shall not be repealed or amended in any respect which would adversely affect the rights of the holders of the Bonds as long as the Bonds or interest thereon remains unpaid.

Section 10. All ordinance or parts of ordinances in conflict herewith are hereby repealed.

Section 11. This Bond Ordinance shall be in full force and effect immediately upon adoption.

Section 12. Two copies of the Financing Agreements incorporated into this Bond Ordinance were duly filed in the office of the Controller of the City, and are available for public inspection in accordance with Indiana Code § 36-1-5-4.

This TAXPAYER AGREEMENT (the "Taxpayer Agreement") is made as of this _____ day of _____, 2020, by and between the City of Lafayette, Indiana (the "City"), the Lafayette Redevelopment Commission (the "Commission") and Rebar Companies, LLC d/b/a Rebar Development (the "Taxpayer") (collectively, the "Parties").

WHEREAS, the Commission, being the governing body of the Redevelopment District of Lafayette, Indiana pursuant to the provisions of IC 36-7-14 and IC 36-7-25 (collectively, the "Act"), established, expanded and consolidated the Consolidated Creasy/Central Economic Development Area as an economic development area (the "Area") and designated the Consolidated Central Allocation Area and the Consolidated Creasy Lane Allocation Area as allocation areas (collectively, the "Allocation Areas") in accordance with IC 36-7-14-39;

[WHEREAS, the Taxpayer is the owner of real estate and, upon issuance of the Bonds (as hereinafter defined), will be the owner of the improved real estate as set forth in the legal description attached hereto as Exhibit A ("Real Estate");]

WHEREAS, the Real Estate is in the Area;

WHEREAS, to provide financing for the Project (as set forth in Exhibit B attached hereto), the Common Council of the City (the "Council") adopted Ordinance No. _____ on _____, 20__ (the "Bond Ordinance"), and will issue its Taxable Economic Development Subordinate Revenue Bonds of 2020 (Ellsworth Project) (the "Bonds") pursuant to the provisions of the Bond Ordinance and a Trust Indenture dated _____ 1, 2020 between the City and _____, as Trustee (the "Indenture");

WHEREAS, the Bonds will be paid from a pledge of all property tax proceeds attributable to the assessed valuation of real property in the Allocation Areas in excess of the assessed valuation described in IC 36-7-14-39(b)(1), as such statutory provision exists on the date of issuance of the Bonds, on a parity with the Outstanding Parity Obligations and junior and subordinate to the Outstanding Senior Obligations, minus Annual Fees (each as defined in the Indenture), for so long as the Bonds remain outstanding (the "TIF Revenues");

WHEREAS, bonds and leases payable from TIF Revenues may be issued in the future;

WHEREAS, to induce the City to issue the Bonds by providing additional security for the payment of debt service on the Bonds, the Taxpayer is willing to pay the hereinafter defined Deficiency Payments; and

[WHEREAS, to further induce the City to issue the Bonds to provide funds to construct and complete the Project, the Taxpayer has agreed to develop the Project in accordance with certain conceptual plans and renderings depicting the elevations of the Project and describing the exterior building materials to be used in constructing the Project];

WHEREAS, the Bond Ordinance, resolutions of the Commission and the Act authorize the City and the Commission to enter into this Agreement; and

WHEREAS, the Taxpayer has the authority to enter into this Agreement;

WHEREAS, the Taxpayer acknowledges that holders of bonds or other obligations payable from TIF Revenues or from leases payable from TIF Revenues (such bonds or other obligations, "Bonds" and such holders, "Bondholders") will receive a copy of this Taxpayer Agreement;

NOW, THEREFORE, in consideration of the foregoing recitals and the agreements contained below, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the City, the Commission and the Taxpayer agree as follows:

Section 1. Determination of Deficiency Payment, If Any. (a) Beginning with the January 1, 2023 assessment for taxes payable in 2024, to the extent the actual semiannual installment of real property taxes paid on the Project ("Actual Semiannual Taxes Paid") is less than \$150,000 ("Semiannual Minimum Tax Payment"), the Taxpayer shall pay to the Controller the difference between the Semiannual Minimum Tax Payment and the Actual Semiannual Taxes Paid, excluding any special assessment fees and charges, penalties or interest, and property taxes paid that are applicable to a tax levy applied as a result of a successful referendum project (the "Deficiency Amount"). If a Deficiency Amount is calculated, Baker Tilly Municipal Advisors, LLC shall notify both the City and the Commission who shall in turn notify the Controller and the Taxpayer on or before the next January 5 and July 5, respectively, of the Deficiency Amount. The Taxpayer shall be liable for and pay the entire amount of each and every Deficiency Amount until payment in full of all Deficiency Amounts in accordance with Section 2 and the other provisions of this Agreement. The notice shall be in the form set forth in Exhibit C.

Section 2. Payment of Deficiency Payment, If Any; Upon receipt of the notice described in Section 1, the Taxpayer shall pay the Deficiency Amount to the Controller by the next January 10 or July 10, respectively; provided, however, if the notice is not received by January 5 or July 5, respectively, the Deficiency Amount shall be due within three (3) business days of receipt, but in no event later than the later of (i) one business day after receipt or (ii) the immediately succeeding July 31 or January 31, respectively. The obligation of the Taxpayer to pay the Deficiency Amounts shall be absolute and unconditional and shall not be subject to diminution by setoff, counterclaim, abatement or otherwise.

Section 3. City and Commission Representations. (a) The City and the Commission have the authority to execute, deliver and perform this Taxpayer Agreement.

(b) The City and the Commission agree to follow the provisions of the Bond Ordinance and this Taxpayer Agreement.

Section 4. Taxpayer Covenants, Warranties and Representations. (a) The Taxpayer is a limited liability company duly qualified to do business in the State of Indiana and has the authority to execute, deliver and perform this Agreement.

(b) This Agreement is duly authorized, has been validly executed and delivered, and is legal, valid, binding and enforceable against the Taxpayer in accordance with its terms.

(c) The Taxpayer will pay all property tax bills for the real and personal property in the Allocation Areas owned by the Taxpayer, its affiliates and its subsidiaries before the tax bills are delinquent.

(d) The Taxpayer expressly acknowledges that this Taxpayer Agreement touches and concerns the Real Estate and that this Taxpayer Agreement is intended to be and shall be a covenant running with the Real Estate, binding upon and enforceable against the Taxpayer, its successors and assigns and all persons claiming under or through Taxpayer.

(e) Taxpayer acknowledges that the projections prepared by the Commission have been used as the basis for determining the property taxes and assessments to be collected in the Allocation Areas. The Taxpayer shall not have the right to contest or appeal any such tax or assessment.

(f) Taxpayer acknowledges that Bondholders will rely on these covenants, warranties and representations.

(g) The Taxpayer expressly agrees that its obligation to pay each Deficiency Payment under this Taxpayer Agreement includes its obligations to pay interest on delinquent payments and costs of collection, including all expenses which may be paid or incurred by or on behalf of the Commission in connection with the foreclosure of any lien for unpaid property taxes, such as reasonable attorneys' fees, appraisers' fees, outlays for documentary and expert evidence, stenographers' charges, publication costs and costs of procuring all title searches, policies and examinations and similar data and assurances with respect to title as the Commission reasonably may deem necessary to prosecute such suit. As permitted by IC 36-7-25-6, any Deficiency Payment shall constitute a lien against the Real Estate in the same priority as the real estate property tax lien and shall be treated in the same manner as property taxes for purposes of IC 6-1.1-22-13.

(h) [The Taxpayer further agrees to complete the Project in accordance with the elevation drawings and renderings (the "Concept Plan"), attached as Exhibit A to the Financing Agreement, dated as of [_____], 2020, between the Taxpayer and the City (the "Financing Agreement"). As provided in the Financing Agreement, the proceeds of the Bonds shall serve as the last tranche of financing for the Project and shall not be disbursed until all other funds made available to the Taxpayer, whether in the form of third party financing, equity or otherwise, have been applied to pay the costs of the Project. In addition, proceeds of the bonds shall only be disbursed so long as the Project is constructed in accordance with the Concept Plan.]

Section 5. Termination. The Taxpayer's limitations and obligations under this Taxpayer Agreement shall terminate and be deemed fully performed and all liability hereunder shall cease after the first to occur of: (a) payment in full of the Bonds; or (b) a period of twenty-five (25) years ("Maximum Term"), beginning on the date of issuance of the Bonds. This Taxpayer Agreement shall run with the Real Estate; accordingly, the limitations and obligations under this Taxpayer Agreement shall continue and remain enforceable against subsequent owners of the Real Estate if the Taxpayer, sells or otherwise conveys all or any portion of the Real Estate.

Section 6. Defaults and Remedies. The Taxpayer's failure to comply the covenants herein and/or the Taxpayer's failure to pay when due any Deficiency Payment that the Taxpayer is obligated to pay hereunder, shall constitute an event of default by the Taxpayer under this Taxpayer Agreement. The Commission and the City may pursue any available remedy at law or in equity to enforce this Agreement and to enforce payment of such Deficiency Payment.

(a) The Commission may place a property tax lien in the amount of any unpaid Deficiency Payment on the Real Estate to the extent permitted by law.

(b) If any Deficiency Amount owed by the Taxpayer is not paid in full by the Taxpayer when due, any unpaid amount shall bear interest at the rate of twelve percent (12%) per annum from its due date until paid.

(c) The remedies of the Commission under this Taxpayer Agreement are cumulative and the exercise of any one or more of the remedies shall not be construed as a waiver of any of the other remedies of such party unless specifically so provided.

(d) All payments due by the Taxpayer hereunder shall be due without relief from valuation and appraisal laws and subject to collection fees and reasonable attorneys' fees and expenses in the event of default.

(e) The Taxpayer waives presentment for payment, protest, notice of protest and notice of nonpayment of the Deficiency Payment due under this Agreement.

Section 7. Amendment. Subject to the following sentence, this Taxpayer Agreement may be amended only after the adoption of a resolution of the Commission and the Common Council of the City approving the amendment, as provided by law, and upon the execution of the amendment by the Parties or their successors in interest.

Section 8. No Other Agreements. Except as otherwise expressly provided herein, this Agreement supersedes all prior agreements, negotiations and discussions relative to the subject matter of this Agreement and is a full integration of the agreement of the Parties.

Section 9. Mutual Assistance. The Parties agree to take such actions, including the execution and delivery of such documents, instruments, petitions and certifications, as may be necessary or appropriate to carry out the terms, provisions and intent of this Agreement. The Parties have entered into this Agreement in reliance upon their respective representations and agreements herein, the performance by the Parties of their respective obligations hereunder, both as of the date hereof and as of the date of issuance and sale of the Bonds issued by the City to finance the Project ("Closing"), and the opinions of counsel to the City, the Commission and the Taxpayer.

Section 10. Closing Requirements. At or prior to the Closing, the City shall receive the following documents, in each case satisfactory in form and substance to it and its counsel ("Redevelopment Counsel"):

Section 14. Counterparts. This Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same agreement.

Section 15. Successors and Assignees. The terms and conditions of this Agreement are to apply to and bind the successors and assigns of the City and the Commission and the successors and assigns of the Taxpayer. However, neither the City nor the Commission may assign this Agreement to any party without the prior written consent of the Taxpayer, and the Taxpayer may not assign this Agreement to any party without the prior written consent of the City and the Commission; provided that: (a) the foregoing is not intended to limit the ability of Taxpayer to sell or otherwise convey the Real Estate to another party; and (b) no assignment of this Agreement shall be deemed to have occurred if the Taxpayer sells or otherwise conveys the Real Estate to another party, notwithstanding that the party acquiring the Real Estate will be bound by the terms

and conditions of this Agreement by virtue of the fact that this Agreement runs with the Real Estate.

Section 16. Severability. If any provision of this Agreement, or any paragraph, sentence, clause, phrase or word, or the application thereof, in any circumstance, is held invalid, the remainder of the Agreement shall be construed as if such invalid part were never included herein and the Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

Section 17. Applicable Law and Venue. This Agreement shall be governed by the laws of the State of Indiana. Any action to enforce or remedy a breach of this Agreement shall be brought in or venued to a court of competent jurisdiction in the State of Indiana, and the Parties, on their behalf and on behalf of their successors and assigns, consent to personal jurisdiction in the State of Indiana.

Upon such transfer a new registered Bond will be issued to the transferee in exchange therefor.

The Issuer and the Trustee may deem and treat the Registered Owner hereof as the absolute owner hereof for the purpose of receiving payment of or on account of principal hereof and interest due hereon and for all other purposes and neither the Issuer nor the Trustee shall be affected by any notice to the contrary.

[The Bonds of this issue maturing on or after February 1, 2031 may be redeemed prior to maturity at the option of the Issuer, in whole or in part, in such order of maturity as the Issuer shall direct and by lot within maturities, on August 1, 2030, or any date thereafter from any moneys made available for that purpose, at face value, plus in each case accrued interest to the date fixed for redemption, with no premium.]

[The Bonds maturing on are subject to mandatory sinking fund redemption prior to maturity at a redemption price equal to the principal amount thereof plus accrued interest, on the dates and in the amounts set forth below:

<u>Date</u>	<u>Amount</u>
-------------	---------------

*Final Maturity]

[The Trustee shall credit against the mandatory sinking fund requirement for the Term Bonds, and corresponding mandatory redemption obligation, in the order determined by the Issuer, any Term Bonds which have previously been redeemed (otherwise than as a result of a previous mandatory redemption requirement) or delivered to the Trustee for cancellation or purchased for cancellation by the Trustee and not theretofore applied as a credit against any redemption obligation. Each Term Bond so delivered or canceled shall be credited by the Trustee at 100% of the principal amount thereof against the mandatory sinking fund obligation on such mandatory redemption date, and any excess of such amount shall be credited on future redemption obligations, and the principal amount of bonds to be redeemed by operation of the mandatory sinking fund requirement shall be accordingly reduced; provided, however, the Trustee shall only credit such Term Bonds to the extent received on or before forty-five (45) days preceding the applicable mandatory redemption date and stated above.]

Each _____ Thousand Dollars (\$ __,000) principal amount shall be considered a separate bond for purposes of optional and mandatory redemption. If not less than an entire maturity is called for redemption, the bonds to be redeemed shall be selected by lot by the Registrar. If some bonds are to be redeemed by optional redemption and mandatory sinking fund redemption on the same date, the Registrar shall select by lot the bonds for optional redemption before selecting the bonds by lot for the mandatory sinking fund redemption.

If fewer than all of the Bonds at the time outstanding are to be called for redemption, the maturities of Bonds or portions thereof to be redeemed shall be selected by the Trustee at the direction of the Issuer. If fewer than all of the Bonds within a maturity are to be redeemed, the Trustee shall apply moneys available for redemption on a pro rata basis, based on the respective portion of the principal amount of Bonds held by the respective owners of the Bonds within such maturity that shall be redeemed.

In the event any of the Bonds are called for redemption as aforesaid, notice thereof identifying the Bonds to be redeemed will be given by mailing a copy of the redemption notice by first class mail not less than [thirty (30) days nor more than forty-five (45) days prior to the date fixed for redemption to the Registered Owner of the Bonds to be redeemed at the address shown on the registration books; provided, however, that failure to give such notice by mailing, or any defect therein with respect to any registered Bond, shall not affect the validity of any proceedings for the redemption of other Bonds.

All Bonds so called for redemption will cease to bear interest on the specified redemption date, provided funds for their redemption are on deposit at the place of payment at that time, and shall no longer be protected by the Indenture and shall not be deemed to be outstanding under the provisions of the Indenture.

The Bonds, and the interest payable thereon, do not and shall not represent or constitute a debt of the Issuer, the State of Indiana or any political subdivision or taxing authority thereof within the meaning of the provisions of the constitution or statutes of the State of Indiana or a pledge of the faith and credit of the Issuer, the State of Indiana or any political subdivision or taxing authority thereof. The Bonds, as to both principal and interest, are not an obligation or liability of the Issuer, the State of Indiana, or of any political subdivision or taxing authority thereof, but are a special limited obligation of the Issuer and are payable solely and only from the TIF Revenues, on a parity with the Outstanding Parity Obligations and junior and subordinate to the Outstanding Senior Obligations, the funds and accounts created under the Indenture and the Taxpayer Payments, pledged and assigned for their payment in accordance with the Indenture. Neither the faith and credit nor the taxing power of the Issuer, the State of Indiana or any political subdivision or taxing authority thereof is pledged to the payment of the principal of or the interest on the Bonds. The Bonds do not grant the owners or holders thereof any right to have the Issuer, the State of Indiana or its General Assembly, or any political subdivision or taxing authority of the State of Indiana, levy any taxes or appropriate any funds for the payment of the principal of or interest on the Bonds. The Issuer has no taxing power with respect to the Bonds. No covenant or agreement contained in the Bonds or the Indenture shall be deemed to be a covenant or agreement of the Lafayette Economic Development Commission, the Redevelopment Commission, the Issuer or of any member, director, officer, agent, attorney or employee of the Lafayette Economic Development Commission, the Redevelopment Commission or the Issuer in his or her individual capacity, and neither the Lafayette Economic Development Commission, the Redevelopment Commission, the Issuer nor any member, director, officer, agent, attorney or employee of the Lafayette Economic Development Commission, the Redevelopment Commission, or the Issuer executing the Bonds shall be liable personally for the Bonds or be subject to any personal liability or accountability by reason of the issuance of the Bonds.

The holder of this Bond shall have no right to enforce the provisions of the Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any event of default under the Indenture, or to institute, appear in or defend any suit or other proceedings with respect thereto, except as

provided in the Indenture. Modifications or alterations of the Indenture, or of any supplements thereto, may be made to the extent and in the circumstances permitted by the Indenture.

This Bond is transferable [in accordance with the Book-Entry System or, if no such system is in effect,] [by the Registered Owner hereof] at the principal corporate trust office of the Trustee upon surrender and cancellation of this bond and on presentation of a duly executed written instrument of transfer and thereupon a new bond or bonds of the same aggregate principal amount and maturity and in authorized denominations will be issued to the transferee or transferees in exchange therefor.

It is hereby certified that all conditions, acts and things required to exist, happen and be performed under the laws of the State of Indiana and under the Indenture precedent to and in the issuance of this Bond exist, have happened and have been performed, and that the issuance, authentication and delivery of this Bond have been duly authorized by the Issuer.

This Bond shall not be valid or become obligatory for any purpose or be entitled to any security or benefit under the Indenture until the certificate of authentication hereon shall have been duly executed by the Trustee.

Section 2.7. Delivery of Bonds

. The Trustee shall authenticate the Bonds and deliver them to the purchasers thereof upon
receipt of a copy, duly certified by the Clerk of the Issuer, of the Bond Ordinance authorizing the
execution and delivery of the Financing Agreement and this Indenture and the issuance of the
Bonds, and delivery of the following.

- (1) An executed counterpart of the Financing Agreement and this Indenture.
- (2) A written request of the Issuer to the Trustee requesting the Trustee to authenticate,
or cause to be authenticated, and deliver the Bonds in the Authorized Amount to the purchasers
thereof.

(3) A copy of (a) the ordinance adopted by the Common Council of the Issuer approving the execution and delivery of the Financing Agreement and the Indenture, (b) the Pledge Resolution and (c) such other documents as the Trustee shall be notified in writing by bond counsel or the Issuer to be required to be delivered to the Trustee.

The proceeds of the Bonds shall be paid over to the Trustee and deposited as hereinafter provided under Section 3.1 hereof.

Section 2.8. Additional Bonds. Additional bonds may be issued on a parity with the original bonds subject to the terms and limitations of this section. Additional bonds may be issued: (i) to refund all or a portion of one or more series of bonds outstanding hereunder, if such bonds may otherwise be refunded and (ii) financing the cost or estimated cost of completing the Project or of acquiring and/or constructing additional improvements to the Project, and, in each case, obtaining additional funds to pay the costs to be incurred in connection with the issuance of such Additional Bonds, to establish reserves with respect thereto and to pay interest during the estimated construction period of completing the additional improvements, if any.

Prior to the delivery by the Issuer of any such Additional Bonds there shall be filed with the Trustee:

(a) A supplement to this Indenture executed by the Issuer and the Trustee authorizing the issuance of such Additional Bonds, specifying the terms thereof, pledging and assigning the Additional Note being then currently issued as security therefor and providing for the disposition of the proceeds of the sale thereof.

(b) Any supplement or amendment to the Financing Agreement.

(c) If Additional Bonds are payable from TIF Revenues, a report or a certificate prepared by an independent certified public accountant or an independent financial advisor selected by the Issuer, supported by appropriate calculations, stating that the requirements for such additional obligations contained in any resolution or ordinance pledging the TIF Revenues shall have been met.

(d) A copy, duly certified by the Controller of the Issuer, of the Bond Ordinance theretofore adopted and approved by the Issuer authorizing the execution and delivery of such supplemental indenture and the issuance of such Additional Bonds.

(e) A written request of the Issuer to the Trustee to authenticate and deliver such Additional Bonds.

(f) An opinion of bond counsel selected by the Issuer to the effect that (i) such supplement to this Indenture has been duly executed by the Issuer and constitutes the valid and binding obligation of the Issuer enforceable against the Issuer in accordance with its terms; and (ii) the Additional Bonds have been duly and validly authorized and issued by the Issuer and constitute the valid and binding limited obligations of the Issuer enforceable against the Issuer in accordance with their terms. The opinion of bond counsel may be qualified as to such matters as are acceptable to the Issuer, and include, without limitation, customary exceptions as to

bankruptcy, insolvency and other laws affecting creditors' rights generally and customary exceptions as to principles of equity.

Any Additional Bonds issued in accordance with the terms of this Section 2.8 shall be secured by this Indenture, but such Additional Bonds may bear such date or dates, such interest rate or rates, and with such maturities, redemption dates and premiums as may be agreed upon by the Issuer and the purchaser of such Additional Bonds.

Section 2.9. Mutilated, Lost, Stolen or Destroyed Bonds

. In the event any Bond is mutilated, lost, stolen or destroyed, then, in the absence of notice to the Trustee that such Certificate has been acquired by a bona fide purchaser, the Issuer, through the Trustee, may execute and the Trustee may authenticate a new Bond of like date, maturity and denomination as that mutilated, lost, stolen or destroyed; provided that, in the case of any mutilated Bond, such mutilated Bond shall first be surrendered to the Issuer, and in the case of any lost, stolen or destroyed Bond, there shall be first furnished to the Trustee evidence of such loss, theft or destruction satisfactory to the Trustee, together with indemnity satisfactory to it.

In the event any such Bond shall have matured, instead of issuing a duplicate Bond the Issuer may pay the same without surrender thereof; provided, however, that in the case of a lost, stolen or destroyed Bond, there shall be first furnished to the Trustee evidence of such loss, theft or destruction satisfactory to the Trustee; together with indemnity satisfactory to it. The Trustee may charge the holder or owner of such Bond with their reasonable fees and expenses in this connection. Any Bond issued pursuant to this Section 2.9 shall be deemed part of the original series of Bonds in respect of which it was issued and an original additional contractual obligation of the Issuer.

Section 2.10. Registration and Exchange of Bonds: Persons Treated as Owners

. The Issuer shall cause books for the registration and for the transfer of the Bonds as provided in this Indenture to be kept by the Trustee which is hereby constituted and appointed the registrar of the Issuer. Upon surrender for transfer of any fully registered Bond at the corporate trust office of the Trustee, duly endorsed by, or accompanied by a written instrument or instruments of transfer in form satisfactory to the Trustee and duly executed by the registered owner or his attorney duly authorized in writing, the Issuer shall execute and the Trustee shall authenticate and deliver in the name of the transferee or transferees a new fully registered Bond or Bonds of the same series and the same maturity for a like aggregate principal amount. The execution by the Issuer of any fully registered Bond without coupons of any denomination shall constitute full and due authorization of such denomination, and the Trustee shall thereby be authorized to authenticate and deliver such registered Bond. The costs of such transfer or exchange shall be borne by the Issuer. The Trustee shall not be required to transfer or exchange any fully registered Bond during the period between the Record Date and any interest payment date of such Bond, nor to transfer or exchange any Bond after the mailing of notice calling such Bond for redemption has been made, nor during a period of fifteen (15) days next preceding mailing of a notice of redemption of any Bonds.

Section 2.11. Registered Owners of Bonds; Book-Entry. As to any fully registered Bond without coupons, the person in whose name the same shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of principal or interest thereon, shall be made only to or upon the order of the registered owner thereof or his legal representative, but such registration may be changed as hereinabove provided. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

[In the event the Issuer determines that it is beneficial to have the Bonds held by a central depository system pursuant to an agreement between the Issuer and The Depository Trust Company and have transfers of the bonds affected by book-entry on the books of the central depository system, then the bonds shall be initially issued in the form of a separate single authenticated fully registered bond for the aggregate principal amount of each separate maturity of the bonds. Upon initial issuance, the ownership of such bonds shall be registered in the register kept by the Registrar in the name of CEDE & CO., as nominee of The Depository Trust Company.

With respect to the bonds registered in the register kept by the Paying Agent in the name of CEDE & CO., as nominee of The Depository Trust Company, the Issuer and the Paying Agent shall have no responsibility or obligation to any other holders or owners (including any beneficial owner (“Beneficial Owner”) of the bond with respect to (i) the accuracy of the records of The Depository Trust Company, CEDE & CO., or any Beneficial Owner with respect to ownership questions, (ii) the delivery to any bondholder (including any Beneficial Owner) or any other person, other than The Depository Trust Company, of any notice with respect to the bond including any notice of redemption, or (iii) the payment to any bondholder (including any Beneficial Owner) or any other person, other than The Depository Trust Company, of any amount with respect to the principal of, or premium, if any, or interest on the bond except as otherwise provided herein.

No person other than The Depository Trust Company shall receive an authenticated bond evidencing an obligation of the Issuer to make payments of the principal of and premium, if any, and interest on the bond pursuant to the Indenture. The Issuer and the Registrar and Paying Agent may treat as and deem The Depository Trust Company or CEDE & CO. to be the absolute bondholder of each of the bonds for the purpose of (i) payment of the principal of and premium, if any, and interest on such bond; (ii) giving notices of redemption and other notices permitted to be given to bondholders with respect to such bond; (iii) registering transfers with respect to such bond; (iv) obtaining any consent or other action required or permitted to be taken of or by bondholders; (v) voting; and (vi) for all other purposes whatsoever. The Paying Agent shall pay all principal of and premium, if any, and interest on the bond only to or upon the order of The Depository Trust Company, and all such payments shall be valid and effective fully to satisfy and discharge the Issuer’s and the Paying Agent’s obligations with respect to principal of and premium, if any, and interest on the bond to the extent of the sum or sums so paid. Upon delivery by The Depository Trust Company to the Issuer of written notice to the effect that The Depository Trust Company has determined to substitute a new nominee in place of CEDE & CO., and subject to the provisions herein with respect to consents, the words “CEDE & CO.” in this Indenture shall refer to such new nominee of The Depository Trust Company. Notwithstanding any other provision hereof to the contrary, so long as any bond is registered in the name of CEDE & CO as nominee of The Depository Trust Company, all payments with respect to the principal of and premium, if any, and interest on such bond and all notices with respect to such bond shall be made and given,

respectively, to The Depository Trust Company as provided in a representation letter from the Issuer to The Depository Trust Company.

Upon receipt by the Issuer of written notice from The Depository Trust Company to the effect that The Depository Trust Company is unable or unwilling to discharge its responsibilities and no substitute depository willing to undertake the functions of The Depository Trust Company hereunder can be found which is willing and able to undertake such functions upon reasonable and customary terms, then the bond shall no longer be restricted to being registered in the register of the Issuer kept by the Registrar in the name of CEDE & CO., as nominee of The Depository Trust Company, but may be registered in whatever name or names the bondholders transferring or exchanging bond shall designate, in accordance with the provisions of the Indenture.

If the Issuer determines that it is in the best interest of the bondholders that they be able to obtain certificates for the fully registered bond, the Issuer may notify The Depository Trust Company and the Registrar, whereupon The Depository Trust Company will notify the Beneficial Owners of the availability through The Depository Trust Company of certificates for the bond. In such event, the Registrar shall prepare, authenticate, transfer and exchange certificates for the bond as requested by The Depository Trust Company and any Beneficial Owners in appropriate amounts, and whenever The Depository Trust Company requests the Issuer and the Registrar to do so, the Registrar and the Issuer will cooperate with The Depository Trust Company by taking appropriate action after reasonable notice (i) to make available one or more separate certificates evidencing the fully registered bond of any Beneficial Owner's Depository Trust Company account or (ii) to arrange for another securities depository to maintain custody of certificates for and evidencing the bond.

If the bond shall no longer be restricted to being registered in the name of a depository trust company, the Registrar shall cause the bond to be printed in blank in such number as the Registrar shall determine to be necessary or customary; provided, however, that the Registrar shall not be required to have such bond printed until it shall have received from the Issuer indemnification for all costs and expenses associated with such printing.

In connection with any notice or other communication to be provided to bondholders by the Issuer or the Registrar with respect to any consent or other action to be taken by bondholders, the Issuer or the Registrar, as the case may be, shall establish a record date for such consent or other action and give The Depository Trust Company notice of such record date not less than fifteen (15) calendar days in advance of such record date to the extent possible.

So long as the bonds are registered in the name of The Depository Trust Company or CEDE & CO. or any substitute nominee, the Issuer and the Registrar and Paying Agent shall be entitled to request and to rely upon a certificate or other written representation from the Beneficial Owners of the bond or from The Depository Trust Company on behalf of such Beneficial Owners stating the amount of their respective beneficial ownership interests in the bond and setting forth the consent, advice, direction, demand or vote of the Beneficial Owners as of a record date selected by the Registrar and The Depository Trust Company, to the same extent as if such consent, advice, direction, demand or vote were made by the bondholders for purposes of this Indenture and the Issuer and the Registrar and Paying Agent shall for such purposes treat the Beneficial Owners as the bondholders. Along with any such certificate or representation, the Registrar may request The

Depository Trust Company to deliver, or cause to be delivered, to the Registrar a list of all Beneficial Owners of the bond, together with the dollar amount of each Beneficial Owner's interest in the bond and the current addresses of such Beneficial Owners.

If the Book-Entry System is no longer in effect, registered owners of bonds may, upon surrender thereof at the principal corporate trust office of the Trustee with a written instrument of transfer satisfactory to the Trustee, exchange a bond or bonds for a bond or Bonds of equal aggregate principal amount of the same maturity and interest rate of any authorized denominations. For every exchange or transfer of bonds, the Trustee may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer, which shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer. The cost of preparing each new bond upon each exchange or transfer, and any other expenses of the Trustee incurred in connection therewith (except any applicable tax, fee or other governmental charge) shall be paid by the Issuer. The Trustee shall not be obliged to make any transfer or exchange of any bond called for redemption within thirty days of the redemption date.]

The Issuer hereby covenants and agrees that so long as any of the Bonds issued hereunder are outstanding it will deposit, or cause to be paid to the Trustee for deposit in the Bond Fund for its account, sufficient sums from revenues and receipts derived from the TIF Revenues, on a parity with the Outstanding Parity Obligations and junior and subordinate to the Outstanding Senior Obligations, and Taxpayer Payments, promptly to meet and pay the principal of and interest on the Bonds as the same become due and payable together with such Trustee fees. Nothing herein should be construed as requiring the Issuer to deposit or cause to be paid to Trustee for deposit in the Bond Fund funds from any source other than receipts derived from the TIF Revenues and Taxpayer Payments.

(c) The Controller of the Issuer shall set aside immediately upon receipt the TIF Revenues into the Allocation Fund created under Indiana Code 36-7-14 and the Taxpayer Payments and transfer the TIF Revenues and Taxpayer Payments in the amount thereof specified in subsection (b) above to the Trustee for application in accordance with this Indenture. Moneys in the Bond Fund shall be used by the Trustee to pay the interest on and principal of the Bonds as the same becomes due together with the Trustee fees described in subsection (a). Taxpayer Payments shall be applied to the payment of debt service due on the Bonds on the next payment date. Any amounts of

principal and interest on the Bonds not paid due to insufficient TIF Revenues shall not be deemed an Event of Default.

Section 4.3. Project Fund

. The Issuer shall establish and maintain a separate fund to be known as the “Ellsworth Project Fund” (the “Project Fund”) in the custody of the Trustee, to the credit of which deposits are to be made as required by the provisions of Section 3.1 hereof. If such certificate shall state that there is a claim or claims in controversy which create or might ripen into a lien, there shall be filed with the Issuer and the Trustee a certificate of the Company or Issuer when and as such claim or claims shall have been fully paid.

If, after payment of all costs of the Project requested by the Company, there shall remain any balance of moneys in the Project Fund, the Issuer shall transfer all moneys then in such Project Fund to the Bond Fund. Section 5.2. Notice of Redemption

. In the case of redemption of Bonds pursuant to Section 5.1 hereof, notice of the call for any such redemption identifying the Bonds, or portions of fully registered Bonds, to be redeemed shall be given by mailing a copy of the redemption notice by first class mail not less than thirty (30) days nor more than forty-five (45) days prior to the date fixed for redemption to the registered owner of each Bond to be redeemed at the address shown on the registration books. Such notice of redemption shall specify, in the event of a partial redemption, the Bond numbers and called amounts of each Bond, the redemption date, redemption price, interest rate, maturity date and the name and address of the Trustee; provided, however, that failure to give such notice by mailing, or any defect therein, with respect to any such registered Bond shall not affect the validity of any proceedings for the redemption of other Bonds. With respect to any notice provided in accordance with this Section 5.2, such notice may state that such redemption shall be conditional upon the receipt by the Trustee, on or prior to the date fixed for such redemption, of moneys sufficient to pay the principal of, and premium, if any, and interest on, such Bonds to be redeemed, and that if such moneys shall not have been so received said notice shall be of no further force and effect and the Issuer shall not be required to redeem such Bonds. In the event that such notice of redemption contains such a condition and such moneys are not so received, the redemption shall not be made and the Trustee shall promptly thereafter give notice to such holders, in the manner in which the notice of redemption was given, that such moneys were not so received.

On and after the redemption date specified in the aforesaid notice, such Bonds, or portions thereof, thus called shall not bear interest, shall no longer be protected by this Indenture and shall

not be deemed to be outstanding under the provisions of this Indenture, and the holders thereof shall have the right only to receive the redemption price thereof plus accrued interest thereon to the date fixed for redemption.

Section 5.3. Cancellation

. All Bonds which have been redeemed in whole shall be canceled and cremated or otherwise destroyed by the Trustee and shall not be reissued and a counterpart of the certificate of cremation or other destruction evidencing such cremation or other destruction shall, upon request, be furnished by the Trustee to the Issuer.

Section 5.4. Redemption Payments

. Prior to the date fixed for redemption in whole, funds shall be deposited with Trustee to pay, and Trustee is hereby authorized and directed to apply such funds to the payment of the Bonds or portions thereof called, together with accrued interest thereon to the redemption date. Upon the giving of notice and the deposit of funds for redemption, interest on the Bonds thus called shall no longer accrue after the date fixed for redemption. No payment shall be made by the Trustee upon any Bond until such Bond shall have been delivered for payment or cancellation or the Trustee shall have received the items required by Section 2.8 hereof with respect to any mutilated, lost, stolen or destroyed Bond.

Section 5.5. Partial Redemption of Bonds

. If fewer than all of the Bonds at the time outstanding are to be called for redemption, the maturities of Bonds or portions thereof to be redeemed shall be selected by the Trustee at the direction of the Issuer. If fewer than all of the Bonds within a maturity are to be redeemed, the Trustee shall apply moneys available for redemption on a pro rata basis, based on the respective portion of the principal amount of Bonds held by the respective owners of the Bonds within such maturity that shall be redeemed. The Trustee shall call for redemption in accordance with the foregoing provisions as many Bonds or portions thereof as will, as nearly as practicable; exhaust the moneys available therefor.

If less than the entire principal amount of any registered Bond then outstanding is called for redemption, then upon notice of redemption given as provided in Section 5.2 hereof, the owner of such registered Bond shall forthwith surrender such Bond to the Trustee in exchange for (a) payment of the redemption price of, plus accrued interest on the principal amount called for redemption and (b) a new Bond or Bonds of like series in an aggregate principal amount equal to the unredeemed balance of the principal amount of such registered Bond, which shall be issued without charge therefor.

ARTICLE VI.

GENERAL COVENANTS

Section 6.1. Payment of Principal and Interest

. The Issuer covenants that it will promptly pay the principal of and interest on every Bond issued under this Indenture at the place, on the dates and in the manner provided herein and in said Bonds according to the true intent and meaning thereof. The principal of and interest on the Bonds are payable solely and only from the TIF Revenues, on a parity with the Outstanding Parity Obligations and junior and subordinate to the Outstanding Senior Obligation and Taxpayer Payments, which payments are specifically pledged and assigned to the payment thereof in the manner and to the extent herein specified, and nothing in the Bonds or in this Indenture should be considered as pledging any other funds or assets of the Issuer. The Bonds, and the interest payable thereon, do not and shall not represent or constitute a debt of the Issuer, the State of Indiana, or any political subdivision or taxing authority thereof within the meaning of the provisions of the constitution or statutes of the State of Indiana or a pledge of the faith and credit of the Issuer, the State of Indiana, or any political subdivision or taxing authority thereof. The Bonds, as to both principal and interest, are not an obligation or liability of the Issuer, the State of Indiana, or of any political subdivision or taxing authority thereof, but are special limited obligations of the Issuer and are payable solely and only from the Trust Estate consisting of funds and accounts held under the Indenture, the TIF Revenues, on a parity with the Outstanding Parity Obligations and junior and subordinate to the Outstanding Senior Obligations, and the Taxpayer Payments. Neither the faith and credit nor the taxing power of the Issuer, the State of Indiana or any political subdivision or taxing authority thereof is pledged to the payment of the principal of or the interest on the Bonds. The Bonds do not grant the owners or holders thereof any right to have the Issuer, the State of Indiana or its General Assembly, or any political subdivision or taxing authority of the State of Indiana, levy any taxes or appropriate any funds for the payment of the principal of or interest on the Bonds. The Issuer has no taxing power with respect to the Bonds. No covenant or agreement contained in the Bonds, Company Notes or the Indenture shall be deemed to be a covenant or agreement of any member, director, officer, agent, attorney or employee of the Economic Development Commission, the Redevelopment Commission or the Issuer in his or her individual capacity, and no member, director, officer, agent, attorney or employee of the Economic Development Commission, the Redevelopment Commission or the Issuer executing the Bonds shall be liable personally on the Bonds or be subject to any personal liability or accountability by reason of the issuance of the Bonds.

Section 6.2. Performance of Covenants

. The Issuer covenants that it will faithfully perform at all times any and all covenants, undertakings, stipulations and provisions contained in this Indenture, in any and every Bond executed, authenticated and delivered hereunder and in all proceedings of its members pertaining thereto. The Issuer represents that it is duly authorized under the constitution and laws of the State of Indiana to issue the Bonds authorized hereby and to execute this Indenture, pledge the TIF Revenues, on a parity with the Outstanding Parity Obligations and junior and subordinate to the Outstanding Senior Obligations, and the Taxpayer Payments in the manner and to the extent herein

set forth; that all action on its part for the issuance of the Bonds and the execution and delivery of this Indenture has been duly and effectively taken, and that the Bonds in the hands of the holders and owners thereof are and will be valid and enforceable obligations of the Issuer according to the import thereof.

Section 6.3. Filing of Indenture and Security Instruments

. The Issuer shall cause this Indenture and all supplements thereto as well as such other security instruments, financing statements and all supplements thereto and other instruments as may be required from time to time to be filed in such manner and in such places as may be required by law in order to fully preserve and protect the lien hereof and the security of the holders and owners of the Bonds and the rights of the Trustee hereunder. This Section 6.3 shall impose no duty to record or file the instruments noted above where filing or recordation is not required by law in order to perfect a security interest. Continuation of financing statements may be filed without consent of the debtor parties thereto.

Section 6.4. Inspection of Books. The Issuer covenants and agrees that all books and documents in its possession relating to the Project shall at all times be open to inspection by such accountants or other agents as the Trustee may from time to time designate.

Section 6.5. List of Bondholders

. The Trustee will keep on file at the principal office of the Trustee a list of names and addresses of the holders of all Bonds. At reasonable times and under reasonable regulations established by the Trustee, said list may be inspected and copied by the holders and/or owners (or a designated representative thereof) of [25%] or more in principal amount of Bonds then outstanding, such ownership and the authority of any such designated representative to be evidenced to the satisfaction of the Trustee.

Section 6.6. Rights Under Financing Agreement

. The Issuer agrees that the Trustee in its name or in the name of the Issuer may enforce all rights of the Issuer and all obligations of the Company under and pursuant to the Financing Agreement (except the rights reserved to the Issuer therein) for and on behalf of the Bondholders, whether or not the Issuer is in default hereunder.

Section 6.7. Investment of Funds

. With respect to any moneys held by the Trustee under any Fund established hereunder, the funds may be invested in Qualified Investments at the written direction of the Issuer. In the absence of such direction from the Issuer, the Trustee shall hold such amounts uninvested in cash, with no liability for interest. The Trustee may conclusively rely upon the Issuer's written instructions as to both the suitability and legality of the directed investments and such written direction shall be deemed to be a certification that such directed investments constitute Qualified Investments. The Trustee has no investment discretion. Ratings of Qualified Investments shall be determined at the time of initial purchase of such Qualified Investments and without regard to ratings subcategories and the Trustee shall have no shall have no responsibility to monitor the ratings of Qualified Investments after the initial purchase of such Qualified Investments, including

at the time of reinvestment of earnings thereof. With respect to any moneys held by the Issuer under any Fund established by this Indenture, the Issuer may invest such moneys in Qualified Investments as it deems appropriate. Investments of moneys in the Bond Fund shall mature or be redeemable at the option of the Trustee at the times and in the amounts necessary to provide moneys to pay the principal of and interest on the Bonds by redemption or otherwise. All income derived from the investment of moneys on deposit in such Fund shall be deposited in or credited to and any loss resulting from such investment will be charged to the corresponding Fund from which such investment was made.

The Trustee is hereby authorized to trade with itself in the purchase and sale of securities for investments. Neither the Trustee nor the Issuer shall be liable or responsible for any loss resulting from any investment. All such investments shall be held by or under the control of the Trustee or the Issuer, as applicable, and any income resulting therefrom shall be applied in the manner specified in this Indenture.

Although the Company and the Issuer each recognize that they may obtain a broker confirmation or written statement containing comparable information at no additional cost, the Company and the Issuer each hereby agree that confirmations of investments are not required to be issued by the Trustee for each month in which a monthly statement is rendered. Unless otherwise requested by the Company or the Issuer, as the case may be, no statement need be rendered for any fund or account if no activity occurred in such fund or account during such month

The Trustee may elect, but shall not be obligated, to credit the funds and accounts held by it with moneys representing income or principal payments due on, or sales proceeds due in respect of, Qualified Investments in such funds and accounts, or to credit to Qualified Investments intended to be purchased with such moneys, in each case before actually receiving the requisite moneys from the payment source, or to otherwise advance funds for account transactions. The Company and the Issuer each acknowledge that the legal obligation to pay the purchase price of any Qualified Investments arises immediately at the time of the purchase. Notwithstanding anything else in this Indenture, (i) any such crediting of funds or assets shall be provisional in nature, and the Trustee shall be authorized to reverse any such transactions or advances of funds in the event that it does not receive good funds with respect thereto, and (ii) nothing in this Indenture shall constitute a waiver of any of the Trustee's rights as a securities intermediary under Uniform Commercial Code §9-206.

Section 6.8. Non-presentment of Bonds

. In the event any Bond shall not be presented for payment when the principal thereof becomes due, either at maturity, or at the date fixed for redemption thereof (other than in connection with a mandatory sinking fund payment), or otherwise, if funds sufficient to pay any such Bond shall have been made available to Trustee for the benefit of the holder or holders thereof, all liability of Issuer to the holder thereof for the payment of such Bond shall forthwith cease, determine and be completely discharged, and thereupon it shall be the duty of Trustee to hold such funds for four (4) years without liability for interest thereon; for the benefit of the holder of such Bond, who shall thereafter be restricted exclusively to such funds, for any claim of whatever nature on his part under this Indenture or on, or with respect to, such Bond.

Any moneys so deposited with and held by the Trustee not so applied to the payment of Bonds within four (4) years after the date on which the same shall become due shall be repaid by Trustee to the Issuer and thereafter Bondholders shall be entitled to look only to the Issuer for payment, and then only to the extent of the amount so repaid.

(ii) any event of default as defined in the Financing Agreement shall occur and be continuing; or

(iii) the Issuer shall default in the due and punctual performance of any other of the covenants, conditions, agreements and provisions contained in the Bonds or in this Indenture or any agreement supplemental hereof on the part of the Issuer to be performed, and such default shall continue for thirty (30) days after written notice specifying such default and requiring the same to be remedied shall have been given to the Issuer and the Company by the Trustee, which may give such notice in its discretion and shall give such notice at the written request of the holders of all of the Bonds then outstanding hereunder; or

(iv) the Issuer shall fail to apply collected TIF Revenues as required by Article IV of this Indenture.

Section 7.2. Remedies: Rights of Bondholders

(ii) Upon the occurrence of an event of default, and if directed so to do by the Requisite Bondholders and indemnified as provided in Section 8.1 hereof, the Trustee shall be obliged to exercise one or more of the rights and powers conferred by this Article as the Trustee, being advised by counsel, shall deem most expedient in the interests of the Bondholders.

(iii) No remedy by the terms of this Indenture conferred upon or reserved to the Trustee (or to the Bondholders) is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Trustee or to the Bondholders hereunder or now or hereafter existing at law or in equity or by statute.

(iv) No delay or omission to exercise any right or power accruing upon any event of default shall impair any such right or power or shall be construed to be a waiver of any event of default or acquiescence therein, and every such right and power may be exercised from time to time as may be deemed expedient.

(v) No waiver of any event of default hereunder, whether by the Trustee or by the Bondholders, shall extend to or shall affect any subsequent event of default or shall impair any rights or remedies consequent thereon.

Section 7.3. Right of Bondholders to Direct Proceedings

. The Requisite Bondholders shall have the right, at any time, by an instrument or instruments in writing executed and delivered to the Trustee, to direct the time, the method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of this Indenture, or for the appointment of a receiver or any other proceedings hereunder; provided, that such direction shall not be otherwise than in accordance with the provisions of law and of this Indenture.

Section 7.4. Application of Moneys

. All moneys received by the Trustee pursuant to any right given or action taken under the provisions of this Article and any other moneys held as part of the Trust Estate shall, after payment of the cost and expenses of the proceedings resulting in the collection of such moneys and of the expenses, liabilities and advances incurred or made by the Trustee or the Issuer, and the creation of a reasonable reserve for anticipated fees, costs and expenses, be deposited in the Bond Fund and all moneys in the Bond Fund shall be applied as follows:

First: To the payment to the persons entitled thereto of all installments of interest then due on the Bonds, in the order of the maturity of the installments of such interest, and if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installment, to the persons entitled thereof, without any discriminations or privilege; and

Second: To the payment to the persons entitled thereto of the unpaid principal of the Bonds which shall have become due (other than Bonds called for redemption for the payment of which moneys are held pursuant to the provisions of this Indenture), in the order of their due dates, with interest on such Bonds from the respective dates upon which they become due, and if the amount available shall not be sufficient to pay in full Bonds due on any particular date, together with such interest, then to the payment ratably, according to the amount of principal due on such date, to the persons entitled thereto without any discrimination or privilege.

Third: To the payment of the balance, if any, to the Issuer or to whomsoever may be lawfully entitled to receive the same upon its written request, or as any court of competent jurisdiction may direct.

Whenever moneys are to be applied pursuant to the provisions of this Section, such moneys shall be applied at such times, and from time to time, as the Trustee shall determine, having due regard to the amount of such moneys available for application and the likelihood of additional moneys becoming available for such application in the future. Whenever the Trustee shall apply such funds, it shall fix the date (which shall be an interest payment date unless it shall deem another date more suitable) upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such dates shall cease to accrue. The Trustee shall give such notice as it may deem appropriate of the deposit with it of any such moneys and of the fixing of

any such date and shall not be required to make payment to the holder of any Bond until such Bond shall be presented to the Trustee for appropriate endorsement or for cancellation if fully paid.

Section 7.5. Remedies Vested In Trustee

. All rights of action (including the right to file proof of claims) under this Indenture or under any of the Bonds may be enforced by the Trustee without the possession of any of the Bonds or the production thereof in any trial or other proceedings relating thereto, and any such suit or proceeding instituted by the Trustee shall be brought in its name as Trustee without the necessity of joining as plaintiffs or defendants any holders of the Bonds, and any recovery of judgment shall, subject to the provisions of Section 7.4 hereof, be for the equal benefit of the holders of the outstanding Bonds.

Section 7.6. Rights and Remedies of Bondholders

. No holder of any Bond shall have any right to institute any suit, action or proceeding in equity or at law for the enforcement of this Indenture or for the execution of any trust thereof or for the appointment of a receiver or any other remedy hereunder, unless a default has occurred of which the Trustee has been notified as provided in subsection (g) of Section 8.1, or of which by said subsection it is deemed to have notice, nor unless also such default shall have become an event of default and the Requisite Bondholders shall have made written request to the Trustee and shall have offered reasonable opportunity either to proceed to exercise the powers hereinbefore granted or to institute such action, suit or proceeding in its own name, nor unless also they have offered to the Trustee indemnity as provided in Section 8.1 hereof, nor unless the Trustee shall thereafter fail or refuse to exercise the powers hereinbefore granted, or to institute such action, suit or proceeding in its, his, or their own name or names. Such notification, request and offer of indemnity are hereby declared in every case at the option of the Trustee to be conditions precedent to the execution of the powers and trusts of this Indenture, and to any action or cause of action for the enforcement of this Indenture, or for the appointment of a receiver or for any other remedy hereunder; it being understood and intended that no one or more holders of the Bonds shall have any right in any manner whatsoever to affect, disturb or prejudice the lien of this Indenture by its, his or their action or to enforce any right hereunder except in the manner herein provided, and that all proceedings at law or in equity shall be instituted, had and maintained in the manner herein provided and for the equal benefit of the holders of all Bonds then outstanding. Nothing in this Indenture contained shall, however, affect or impair the right of any Bondholder to enforce the covenants of the Issuer to pay the principal of and interest on each of the Bonds issued hereunder to the respective holders thereof at the time, place, from the source and in the manner in said Bonds expressed.

Section 7.7. Termination of Proceedings

. In case the Trustee shall have proceeded to enforce any right under this Indenture by the appointment of a receiver, or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case the Issuer, the Company and the Trustee shall be restored to their former positions and rights hereunder, and all rights, remedies and powers of the Trustee shall continue as if no such proceedings had been taken.

Section 7.8. Waivers of Events of Default

. The Trustee may in its discretion waive any event of default hereunder and its consequences and rescind any declaration of maturity of principal of and interest on the Bonds, and shall do so upon the written request of the holders of (1) all the Bonds then outstanding in respect of which default in the payment of principal or interest exists, or (2) all Bonds then outstanding in the case of any other default; provided, however, that there shall not be waived without the consent of all Bondholders (a) any event of default in the payment of the principal of any outstanding Bonds at the date of maturity specified therein, or (b) any default in the payment when due of the interest on any such Bonds unless prior to such waiver or rescission, arrears of interest, with interest (to the extent permitted by law) at the rate borne by the Bonds in respect of which such default shall have occurred on overdue installments of interest or all arrears of payments of principal when due, as the case may be, and all expenses of the Trustee in connection with such default (including extraordinary services) shall have been paid or provided for, and in case of any such waiver or rescission, or in case any proceeding taken by the Trustee on account of any such default shall have been discontinued or abandoned or determined adversely, then and in every such case the Issuer, the Trustee and the Bondholders shall be restored to their former positions and rights hereunder, respectively, but no such waiver or rescission shall extend to any subsequent or other default, or impair any right consequent thereon.

ARTICLE VIII.

THE TRUSTEE

Section 8.1. Acceptance of the Trusts

. The Trustee hereby accepts the trusts imposed upon it by this Indenture, and agrees to perform such duties and only such duties as are specifically set forth in this Indenture and no implied covenants or obligation shall be read into this Indenture against the Trustee. If any event of default under this Indenture shall have occurred and be continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture and shall use the same degree of care as a prudent person would exercise or use in the circumstance in the conduct of such person's own affairs.

(a) The Trustee may execute any of the trusts or powers hereof and perform any of its duties by or if appointed through attorneys, agents, receivers or employees but shall not be answerable for the conduct of the same in accordance with the standard specified above, and shall be entitled to advice of counsel concerning all matters of trusts hereof and the duties hereunder, and may in all cases pay such reasonable compensation to all such attorneys, agents, receivers and employees as may reasonably be employed in connection with the trusts hereof. The Trustee may act upon the opinion or advice of any attorney (who may be the attorney or attorneys for the Issuer or the Company). The Trustee shall not be responsible for any loss or damage resulting from any action or non-action in good faith in reliance upon such opinion or advice.

(b) The Trustee shall not be responsible for any recital herein, or in the Bonds (except in respect to the certificate of the Trustee endorsed on the Bonds), or for insuring the property herein conveyed or collecting any insurance moneys, or for the validity of the execution by the Issuer of this Indenture or of any supplements thereto or instruments of further assurance, or for the sufficiency of the security for the Bonds issued hereunder or intended to be secured hereby, or for the value or title of the property herein conveyed or otherwise as to the maintenance of the security hereof; and the Trustee shall not be bound to ascertain or inquire as to the performance or observance of any covenants, conditions or agreements on the part of the Issuer or on the part of the Company under the Financing Agreement; but the Trustee may require of the Issuer or the Company full information and advice as to the performance of the covenants, conditions and agreements aforesaid as to the condition of the property herein conveyed. The Trustee shall have no obligation to perform any of the duties of the Issuer under the Financing Agreement, and the Trustee shall not be responsible or liable for any loss suffered in connection with any investment of funds made by it in accordance with the provisions of this Indenture.

(c) The Trustee shall not be accountable for the use of any Bonds authenticated by it or delivered hereunder. The Trustee may become the owner of Bonds secured hereby with the same rights which it would have if not Trustee.

(d) The Trustee shall be protected in acting upon any notice, request, consent, certificate, order, affidavit, letter, telegram or other paper or document believed to be genuine and correct and to have been signed or sent by the proper person or persons. Any action taken by the

Trustee pursuant to this Indenture upon the request or authority or consent of any person who at the time of making such request or giving such authority or consent is the owner of any Bonds, shall be conclusive and binding upon all future owners of the same Bond and upon Bonds issued in exchange therefor or in place thereof.

(e) As to the existence or non-existence of any fact or as to the sufficiency or validity of any instrument, paper or proceeding, the Trustee shall be entitled to rely upon a certificate signed on behalf of the Issuer or the Company by its duly authorized officers as sufficient evidence of the facts therein contained and prior to the occurrence of a default of which the Trustee has been notified as provided in subsection (g) of this Section, or of which said subsection it is deemed to have notice, shall also be at liberty to accept a similar certificate to the effect that any particular dealing, transaction or action is necessary or expedient, but may at its discretion secure such further evidence deemed necessary or advisable, but shall in no case be bound to secure the same. The Trustee may accept a certificate of the Issuer or the Company under its seal to the effect that an ordinance or resolution in the form therein set forth has been adopted by the Issuer or the Company as conclusive evidence that such ordinance or resolution has been duly adopted, and is in full force and effect.

(f) The duties and obligations of the Trustee shall be determined solely by the express provisions of this Indenture, and the Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee.

(g) The Trustee shall not be required to take notice or be deemed to have notice of any event of default hereunder (other than payment of the principal and interest on the Bonds) unless a Responsible Officer of the Trustee shall be specifically notified in writing of such default by the Issuer or by the holders of at least [twenty-five percent (25%)] in aggregate principal amount of all Bonds then outstanding and all notices or other instruments required by this Indenture to be delivered to the Trustee must, in order to be effective, be delivered at the principal corporate trust office of the Trustee, and in the absence of such notice so delivered, the Trustee may conclusively assume there is no default except as aforesaid.

(h) At any and all reasonable times and upon reasonable prior written notice, the Trustee, and its duly authorized agents, attorneys, experts, engineers, accountants and representatives, shall have the right fully to inspect the Project, and to take such memoranda from and in regard thereto as may be desired.

(i) The Trustee shall not be required to give any Bonds or surety in respect of the execution of the said trusts and powers or otherwise in respect of the premises.

(j) Notwithstanding anything elsewhere in this Indenture contained, the Trustee shall have the right, but shall not be required, to demand, in respect of the authentication of any Bonds, the withdrawal of any cash, the release of any property, or any action whatsoever within the purview of this Indenture, any showings, certificates, opinions, appraisals or other information, or corporate action or evidence thereof, in addition to that by the terms hereof required as a condition of such action by the Trustee, deemed desirable for the authentication of any Bonds, the withdrawal of any cash, or the taking of any other action by the Trustee.

(k) Before taking any action under this Section 8.1 the Trustee may require that a satisfactory indemnity bond be furnished for the reimbursement of all expenses to which it may be put and to protect it against all liability, except liability which is adjudicated to have resulted from its gross negligence or willful misconduct in connection with any action so taken. Such indemnity shall survive the termination of this Indenture.

(l) All moneys received by the Trustee shall, until used or applied or invested as herein provided, be held in trust for the purposes for which they were received but need not be segregated from other funds except to the extent required by law. The Trustee shall not be under any liability for interest on any moneys received hereunder.

Section 8.2. Fees, Charges and Expenses of the Trustee

. The Trustee shall be entitled to payment and/or reimbursement for reasonable fees for its services rendered hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust) and all advances, counsel fees and other expenses reasonably and necessarily made or incurred by the Trustee in connection with such services and, in the event that it should become necessary for the Trustee to perform extraordinary services, the Trustee shall be entitled to reasonable additional compensation therefor and to reimbursement for reasonable and necessary extraordinary expenses in connection therewith (including without limitation attorney's fees and expenses); provided that if such extraordinary services or extraordinary expenses are occasioned by the gross negligence or willful misconduct of the Trustee it shall not be entitled to compensation or reimbursement therefor. Upon an event of default, but only upon an event of default, the Trustee shall have a right of payment prior to payment on account of interest on or principal of any Bond for the foregoing advances, fees, costs and expenses incurred.

Section 8.3. Notice to Bondholders if Default Occurs

. If an event of default occurs of which the Trustee is by subsection (g) of Section 8.1 hereof required to take notice or if notice of an event of default be given as in said subsection (g) provided, then the Trustee shall give written notice thereof by registered or certified mail to the last known holders of all Bonds then outstanding shown by the list of Bondholders required by the terms of this Indenture to be kept at the office of the Trustee.

Section 8.4. Intervention by Trustee

. In any judicial proceeding to which the Issuer is a party and which in the reasonable judgment of the Trustee and its counsel has a substantial bearing on the interests of holders of the Bonds, the Trustee may intervene on behalf of Bondholders and, subject to the provisions of Section 8.1(k), shall do so if requested in writing by the Requisite Bondholders. The rights and obligations of the Trustee under this Section are subject to the approval of a court of competent jurisdiction.

Section 8.5. Successor Trustee

. Any corporation or association into which the Trustee may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer its municipal corporate trust

business and assets as a whole or substantially as a whole, or any corporation or association resulting from any such conversion, sale, merger, consolidation or transfer to which it is a party, ipso facto, shall be and become successor Trustee hereunder and vested with all of the title to the whole property or trust estate and all the trusts, powers, discretions, immunities, privileges and all other matters as was its predecessor, without the execution or filing of any instrument or any further act, deed or conveyance on the part of any of the parties hereto, anything herein to the contrary notwithstanding.

Section 8.6. Resignation by the Trustee

. The Trustee and any successor Trustee may at any time resign from the trusts hereby created by giving thirty days' written notice to the Issuer and the Company and by registered or certified mail to each registered owner of Bonds then outstanding and to each holder of Bonds as shown by the list of Bondholders required by this Indenture to be kept at the office of the Trustee, and such resignation shall take effect at the end of such thirty (30) days, or upon the earlier appointment of a successor Trustee by the Bondholders or by the Issuer. Such notice to the Issuer and the Company may be served personally or sent by registered or certified mail.

Section 8.7. Removal of the Trustee

. The Trustee may be removed at any time upon thirty days' written notice by an instrument or concurrent instruments in writing delivered to the Trustee and to the Issuer and signed by all the Bondholders.

Section 8.8. Appointment of Successor Trustee by the Bondholders; Temporary Trustee

. In case the Trustee hereunder shall resign or be removed, or be dissolved, or shall be in course of dissolution or liquidation, or otherwise become incapable of acting hereunder, or in case it shall be taken under control of any public officer or officers, or of a receiver appointed by a court, a successor may be appointed by the owners of a majority in aggregate principal amount of Bonds then outstanding, by an instrument or concurrent instruments in writing signed by such owners, or by their attorneys-in-fact, duly authorized; provided, nevertheless, that in case of such vacancy, the Issuer, by an instrument executed by one of its duly authorized officers, may appoint a temporary Trustee to fill such vacancy until a successor Trustee shall be appointed by the Bondholders in the manner above provided; and any such temporary Trustee so appointed by the Issuer shall immediately and without further act be superseded by the Trustee so appointed by such Bondholders. Every such Trustee appointed pursuant to the provisions of this Section shall be a trust company or Bank, having a reported capital and surplus of not less than Fifty Million Dollars (\$50,000,000) if there be such an institution willing, qualified and able to accept the trust upon reasonable or customary terms.

Section 8.9. Concerning Any Successor Trustees

. (b) The fact of the holding by any person of Bonds transferable by delivery and the amounts and numbers of such Bonds, and the date of the holding of the same, may be proved by a certificate executed by any trust company, Bank or Bankers, wherever situated, stating that at the date thereof the party named therein did exhibit to an officer of such trust company or Bank or to such Banker, as the property of such party, the Bonds therein mentioned if such certificate shall be deemed by the Trustee to be satisfactory. The Trustee may, in its discretion, require evidence that such Bonds have been deposited with a Bank, Bankers or trust company, before taking any action based on such ownership. In lieu of the foregoing, the Trustee may accept other proofs of the foregoing as it shall deem appropriate.

For all purposes of this Indenture and of the proceedings for the enforcement hereof, such person shall be deemed to continue to be the holder of such Bonds until the Trustee shall have received notice in writing to the contrary.

(j) The Company agrees to perform all matters provided by the Taxpayer Agreement to be performed by the Company and to comply with all provisions of the Taxpayer Agreement to be complied with by the Company, including, but not limited to, payment of the Taxpayer Payments

(l) This Financing Agreement has been duly executed and delivered by Company and constitutes the legal, valid and binding agreement of Company, enforceable against the Company in accordance with its terms, except as may be limited by bankruptcy, insolvency or other similar laws affecting the enforcement of creditors' rights in general. ARTICLE III

PARTICULAR COVENANTS OF THE ISSUER AND COMPANY

Section 3.1. Consents to Assignments to Trustee. The Company acknowledges and consents to the pledge and assignment of the Issuer's rights hereunder to the Trustee pursuant to the Indenture and agrees that the Trustee may enforce the rights, remedies and privileges granted to the Issuer hereunder, to receive payments under Section 3.5, 3.7 and 3.8 hereof and to execute and deliver supplements and amendments to this Financing agreement pursuant to Section 7.1 hereof.

Section 3.2. Payment of Principal and Interest. (a) Payment of all principal of, premium, if any and interest on the Bonds are payable solely from the TIF Revenues, the Taxpayer Payments and the funds and accounts created under the Indenture. The Issuer covenants to apply the TIF Revenues and the Taxpayer Payments in the manner required by Section 4.2 of the Indenture. The Issuer covenants that it will timely pay, or cause the Redevelopment Commission to timely pay, the TIF Revenues, on a parity with the Outstanding Parity Obligations and junior and subordinate to the Outstanding Senior Obligations, and Taxpayer Payments, to the Trustee as provided in Section 4.4 of the Indenture, except that the Issuer shall have no other obligation with respect to the Bonds other than as set forth in this Financing Agreement or the Indenture.

(b) The Company covenants and agrees with and for the express benefit of the Issuer, the Trustee and the owners of the Bonds, that the Company shall perform all of its other obligations, covenants and agreements hereunder, without notice or demand (except as provided herein), and without abatement, deduction, reduction, diminution, waiver, abrogation, set-off, counterclaim, recoupment, defense or other modification or any right of termination or cancellation arising from any circumstance whatsoever, whether now existing or hereafter arising, and regardless of any act of God, contingency, event or cause whatsoever, and irrespective (without limitation) of whether the Project or the Company's title to the Project or any part thereof is defective or nonexistent, or whether the Company's revenues are sufficient to make such payments, and notwithstanding any damage to, or loss, theft or destruction of, the Project or any part thereof, expiration of this Financing Agreement, any failure of consideration or frustration of purpose, the taking by eminent domain or otherwise of title to or of the right of temporary use of, all or any part of the Project, legal curtailment of the Company's use thereof, or whether with or without the approval of the Issuer, any change in the tax or other laws of the United States of America, the State, or any political subdivision of either thereof, any change in the Issuer's legal organization or status, or any default of the Issuer hereunder, and regardless of the invalidity of any portion of this Financing Agreement; and the Company hereby waives the provisions of any statute or other law now or hereafter in effect impairing or conflicting with any of its obligations, covenants or agreements under this Financing Agreement or which releases or purports to release the Company therefrom. Nothing in this Financing Agreement shall be construed as a waiver by the Company of any rights or claims the Company may have against the Issuer under this Financing Agreement or otherwise, but any recovery upon such rights and claims shall be had from the Issuer separately, it being the intent of this Financing Agreement that the Company shall be unconditionally and absolutely obligated without right of set-off or

abatement, to perform fully all of its obligations, agreements and covenants under this Financing Agreement for the benefit of the holders of the Bonds.

(c) The obligations of the Company to perform and observe its obligations set forth in any agreement relating to the Bonds or the Project shall be absolute and unconditional, irrespective of any defense or any rights of set-off, recoupment or counterclaim it might otherwise have against the Issuer, and the Company shall pay absolutely during the term of this Financing Agreement all payments required thereunder free of any deductions and without abatement, diminution or set-off; and until such time as the principal of and interest on the Bonds shall have been fully paid, or provision for the payment thereof shall have been made in accordance with the Indenture, the Company: (i) will perform and observe all of its agreements contained in this Financing Agreement; and (ii) will not terminate this Financing Agreement for any cause, including, without limiting the generality of the foregoing, failure of the Company to complete the Project, the occurrence of any acts or circumstances that may constitute failure of consideration, eviction or constructive eviction, destruction of or damage to the Project, commercial frustration of purpose, any change in the tax laws of the United States of America or of the State or any political subdivision of either thereof, or any failure of the Issuer or the Trustee to perform and observe any agreement, whether express or implied, or any duty, liability or obligation arising out of or connected with this Financing Agreement or the Indenture.

Section 3.3. Maintenance of Corporate Existence. The Company agrees that it will maintain its existence as an Indiana limited liability company, will not, prior to the completion of the Project, dissolve or otherwise dispose of all or substantially all of its assets, will not consolidate with or merge into another entity, or permit one or more other entities to consolidate or merge with it, and will not sell or transfer any ownership interests in the Company in any manner that would result in a change of control of the Company, without the express written consent of the Issuer, which consent may not be unreasonably withheld; except that, the Company agrees that it shall be reasonable for the City to withhold such consent if, after reviewing the financial resources of the entity which proposes to acquire a controlling ownership interests in the Company and the experience and results of the proposed entity with respect to projects substantially similar to the Project, the City concludes that the assumption of the Company's rights and obligations under this Financing Agreement by the proposed entity poses a substantial risk of delay or non-completion of the Project. For purposes of this section, "control" (including the terms "controlling") means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of the Company, whether through the ownership of voting securities, by contract, or by other means.

Section 3.4. Company Duties Under Indenture. Company agrees to perform all matters provided by the Indenture to be performed by the Company and to comply with all provisions of the Indenture applicable to the Company.

Section 3.5. Indemnity. The Company will pay, and protect, indemnify and save the Issuer (including members, directors, officials, officers, agents, attorneys and employees thereof), the holders of the Bonds and the Trustee harmless from and against, all liabilities, losses, damages, costs, expenses (including attorneys' fees and expenses of the Issuer and the

Trustee), causes of actions, suits, claims, demands and judgments of any nature arising from or relating to:

(a) Violation by the Company of any agreement or condition of this Financing Agreement;

(b) Violation of any contract, agreement or restriction by the Company relating to the Project, or a part thereof;

(c) Violation of any law, ordinance or regulation by the Company arising out of the ownership, occupancy or use of the Project, or a part thereof;

(d) Any act, failure to act, or misrepresentation by the Company, or any of the Company's agents, contractors, servants, employees or licensees; and

(e) The provision of any information or certification furnished by the Company to the holders of the Bonds in connection with the issuance and sale of the Bonds or the Project.

The Company hereby further agrees to indemnify and hold harmless the Trustee from and against any and all costs, claims, liabilities, losses or damages whatsoever (including reasonable costs and fees of counsel, auditors or other asserted), asserted or arising out of or in connection with the acceptance or administration of the trusts established pursuant to the Indenture, except costs, claims, liabilities, losses or damages resulting from the gross negligence or willful misconduct of the Trustee, including the reasonable costs and expenses (including the reasonable fees and expenses of its counsel) of defending itself against any such claim or liability in connection with its exercise or performance of any of its duties hereunder and of enforcing this indemnification provision. The indemnifications set forth herein shall survive the termination of the Indenture and/or the resignation or removal of the trustee for so long as the Bonds are outstanding.

The foregoing shall not be construed to prohibit the Company from pursuing its remedies against either the Issuer or the Trustee for damages to the Company resulting from personal injury or property damage caused by the intentional misrepresentation or misconduct of either the Issuer or the Trustee.

Section 3.6. Payment of Costs of Issuance of Bonds, Other Fees and Expenses. The Issuer shall pay from the proceeds of the sale of the Bonds, as necessary, the costs of issuance of the Bonds. The Company is not obligated to pay any costs of issuance of the Bonds or any related costs, fees or expenses in connection with the issuance, sale or offering of the Bonds; nor is the Company obligated to pay any fees, charges or expenses in connection with or related to the Bonds after the Bonds have been issued, which fees, charges and expenses include financial advisory and/or accounting fees, charges and expenses, Trustee and other fiduciary fees and expenses and Issuer fees and expenses (including in each instance legal fees and expenses), all of which are obligations of the Issuer.

Section 3.7. Completion and Use of Project.

(a) The Company agrees that it will make, execute, acknowledge and deliver (or cause to be made, executed, acknowledged and delivered) any contracts, orders, receipts, writings and instructions with any other persons, firms or corporations and in general do all things reasonably within its power which may be requisite or proper for the substantial completion (as certified by the Company) of the construction of the Project by _____, 20____. In the event the Company does not proceed with due diligence to complete the Project or refuses to complete the Project on the terms and conditions described in the Agreement, it shall be considered an event of default under Article V of this Agreement. Upon failure to complete the Project, the Issuer may contract for and expend funds in the Project Fund to complete the Project.

(b) The Issuer shall deposit all proceeds from the sale of the Bonds in the manner specified in Section 3.1 of the Indenture, and the Trustee shall maintain such proceeds and funds in the manner specified in Article IV of the Indenture. Under the Indenture, the Trustee, on behalf of the Issuer, is authorized and directed to make payments from the Project Fund to pay for Project Costs or to reimburse the Company for any Project Costs, with any such disbursements to be made by the Trustee in accordance with the terms and conditions of the Indenture, except that such disbursements are expressly limited to the funds deposited in the Project Fund in the amount of \$_____. The Company agrees to direct such requisitions to the Trustee as may be necessary to effect payments out of the Project Fund for Project Costs, all in accordance with Section 4.3 of the Indenture.

(c) The Company agrees that the proceeds of the Bonds made available in the Project Fund as described above and under Section 3.1 and 4.3 of the Indenture shall be the last tranche of financing to construct the Project. The Company will expend all other financing made available to the Company for the costs of the Project, whether by third party financing, equity or otherwise before submitting the Disbursement Request described under Section 4.3 of the Indenture.

(d) The Company agrees that the Project will be constructed in accordance with the Concept Plan attached hereto as Exhibit A.

(e) The Company agrees, for the benefit of the Issuer and the Bondholders and in order to fulfill the purposes of the Act, to complete the construction of the Project and to pay from other funds of the Company that portion of the costs therefor as may be in excess of the moneys available therefor in the Project Fund. The Issuer does not make any warranty, either express or implied, that the moneys, which will be paid into the Project Fund and which under the provisions of this Financing Agreement will be available for payment of the costs of the construction of the Project, will be sufficient to pay all the costs which will be incurred in that connection. The Company shall not be entitled to any reimbursement therefor from the Issuer, the Trustee, or the holders of any of the Bonds.

(f) The Company shall provide a completion certificate with respect to the Project in the manner provided by Section 4.3(d) of the Indenture. Any moneys remaining in the Project Fund after completion of the Project shall be transferred and applied in the manner provided therein.

(g) The Company hereby acknowledges receipt of a copy of the Indenture.

Section 3.8. Investments. The Company and the Issuer agree that all moneys in any fund established by the Indenture may, at the written direction of the Issuer, be invested in Qualified Investments. The Trustee may conclusively rely upon the Issuer's written instructions as to both the suitability and legality of the directed investments and such written direction shall be deemed to be a certification that such directed investments constitute Qualified Investments. The Trustee is hereby authorized to trade with itself in the purchase and sale of securities for such investments. The Trustee shall not be liable or responsible for any loss resulting from any such investment. All such investments shall be held by or under the control of the Trustee and any income resulting therefrom shall be applied in the manner specified in the Indenture.

Section 3.9. Fees and Expenses of Company. The Company hereby covenants and agrees to pay any and all fees, charges and expenses, including legal counsel and financial advisory fees, of the Company incurred in connection with this Financing Agreement to the extent that any such fees, charges and expenses of the Company are not paid or provided for out of the proceeds of the Bonds.

Section 3.10. Property Taxes. As long as the Bonds are outstanding, the Company covenants to pay all property tax bills for the economic development facilities before the tax bills are delinquent. The Company agrees not to contest or appeal any determinations of assessed value on the property where the Project is located or request any deductions from assessed valuation with respect to any redevelopment or rehabilitation on the property where the Project is located as permitted by Indiana Code 6-1.1-12.1 while the Bonds are outstanding.

Section 3.11. Sale, Substitution or Lease of the Project. The Company may sell, lease or transfer or otherwise dispose of the Project or any portion thereof only if the sale, lease or transfer or other disposition shall not relieve the Company from liability from the performance of all of the obligations of this Financing Agreement, except as permitted by Section 3.3 hereof, unless the transferee accepts, agrees and assumes in writing to pay and perform all of the obligations of the Company herein and be bound by all of the agreements of the Company.

Section 3.12. Use of Local Suppliers and Contractors for the Project and Local Person to Fill Positions Created by the Project. The Company agrees to make a meaningful, good-faith effort to use local suppliers, local contractors and/or prevailing wage contractors for the Project. Local suppliers and local contractors are defined as contractors and suppliers that are primarily engaged, reside in or have their principal office in Tippecanoe County or employ a significant number of residents of the City. Additionally, the Company agrees to make a meaningful, good-faith effort to hire qualified individuals who are residents of the City for the new positions that will be created by the Project.

Section 3.13. Share in Reduction in Project Costs and Profit Share of the Project. The Company shall enter into a certain Participation Agreement with the City, pursuant to which the Company agrees to (a) make a payment to the City that represents ninety percent (90%) of the difference between the expected costs of the Project and the total Project Costs, minus any

moneys remaining in the Project Fund after completion of the Project and transferred and applied to the benefit of the City in accordance with the Indenture (the “Reduction Amount”), and (b) make annual payments to the City for the longer of either (i) twenty (20) years; or (ii) until final maturity of the Bonds (the “Profit Share Payments”), which Profit Share Payments shall be based upon the profitability of the Project as calculated in the manner and payable to the City as set forth in the Participation Agreement. Specifically, the Participation Agreement shall set forth the method and timing for such Profit Share Payments which shall ensure the City receives twenty percent (20%) of all net operating income in excess of the Participation Net Operating Income as further defined in the Participation Agreement. The Participation Agreement shall also provide for the method and timing in which the City may receive certified accounting reports that calculate the Reduction Amount and the Profit Share Payments.

(iv) Any event of default under Section 7.1 of the Indenture.

(b) During the occurrence and continuance of any event of default hereunder, the Trustee, as assignee of the Issuer pursuant to the Indenture, shall have the rights and remedies hereinafter set forth, in addition to any other remedies herein or provided by law.

No delay or omission of the Trustee to exercise any right or power accruing upon any event of default shall impair any such right or power, or shall be construed to be a waiver of any such event of default or an acquiescence therein; and every power and remedy given by this Financing Agreement to the Trustee may be exercised from time to time and as often as may be deemed expedient by the Trustee.

Section 5.4. Waiver of Extension, Appraisement or Stay Laws. To the extent permitted by law, the Company will not during the continuance of any event of default hereunder insist upon, or plead, or in any manner whatever claim or take any benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants and terms of performance of this Financing Agreement; and the Company hereby expressly waives all benefits or advantage of any such law or laws and covenants not to hinder, delay or impede the execution of any power herein granted or delegated to the Trustee, but to suffer and permit the execution of every power as though no such law or laws had been made or enacted.

Section 5.5. Remedies Subject to Provisions of Law. All rights, remedies and powers provided by this Article may be exercised only to the extent that the exercise thereof does not violate any applicable provision of law in the premises, and all the provisions of this Article are intended to be subject to all applicable mandatory provisions of law which may be controlling in the premises and to be limited to the extent necessary so that they will not render this Financing Agreement invalid or unenforceable under the provisions of any applicable law.

REQUEST MADE, PROPOSED USE, LOCATION:

Petitioners, who own the property and are represented by attorney Tyler Ochs of Ball Law, are requesting a rezoning from R2U to NBU. If rezoned, petitioners plan to add a commercial kitchen to the first floor of the single-family home on site and retain an apartment on the second floor. The kitchen would be used to prepare food that is catered off-site on food trucks. This site is commonly known as 723 North 13th Street, Lafayette, Fairfield 21(SW) 23-4.

ZONING HISTORY AND AREA ZONING PATTERNS:

The property is zoned R2U; the earliest zoning maps show this property with R3 zoning, which was changed to R2U with the adoption of an overall neighborhood rezone for Historic Jeff in 2000 (Z-2046).

Property adjacent to the south and west across 13th is also zoned R2U. A few areas of R3U can be found in the neighborhood, with the closest being south at the northeast corner of Elizabeth and 13th Streets. NBU zoning can be found adjacent to the north of the property in question across the alley on lots fronting Union Street.

AREA LAND USE PATTERNS:

The site in question (only 22' wide) contains a single-family home and a small backyard. Land to the north is used commercially and land to the south is used residentially. West across 13th is the former Washington Elementary school, now utilized by LARA (Lafayette Adult Resource Academy).

TRAFFIC AND TRANSPORTATION:

The site is located on North 13th Street, classified as an urban local road in *The Thoroughfare Plan*. Parking required for the proposed use will be accommodated off-site by way of a recorded off-site parking agreement as approved by the Administrative Officer for Lafayette.

ENVIRONMENTAL AND UTILITY CONSIDERATIONS:

City utilities serve the site. No buffer yard is required if rezoned.

The County Health Department will need to inspect any new commercial kitchen. Compliance with The Indiana State Health Department's "Retail Food Establishment Sanitation Requirements" will need to be met as well as all state and local building codes.

STAFF COMMENTS:

Petitioners plan to convert the first floor of this older home into a commissary for their mobile food truck business while retaining an apartment on the second floor. Currently, the tavern just north of the subject property contains a small kitchen that is used for the food trucks, but the business has outgrown this space.

The alley that borders the northern lot line of the property in this request serves as the boundary between residential and commercial zoning. To the north is property in the *Union/Salem Corridor* plan and to the south is land in the *Historic Jeff Neighborhood Plan*, both adopted as part of *The Comprehensive Plan*. The neighborhood plan recommends commercial areas to remain along the periphery of the neighborhood as they have historically. Based on staff experience, allowing this one small lot to be rezoned commercially will likely lead to a series of other commercial rezones into the interior and can drastically alter the character of the neighborhood. Additionally, staff has concerns about the small size of the lot, 22' wide and 100' deep, and its proximity to adjacent residences if rezoned.

REQUEST MADE, PROPOSED USE, LOCATION:

Petitioner, who is the owner and represented by attorney Ryan Munden of Reiling, Teder & Schrier Law Firm, is requesting a rezone from GB to I2 for a tract of land located at the southeast corner of Schuyler Avenue and North 16th Street. If rezoned, petitioner will locate their candle manufacturing business (SIC 39) at this property that is commonly known as 1611 Schuyler Avenue, Lafayette, Fairfield (Longlois Reserve) 23-4.

ZONING HISTORY AND AREA ZONING PATTERNS:

The property in question is zoned GB as are properties to the north, east and west. Land adjacent to the south is zoned R3.

The site in question is part of the St. Lawrence-McAllister Neighborhood, which was the site of a neighborhood-wide land use plan and rezone request. That rezone petition, approved in 2006, did not change the zoning of the subject site (Z-2288).

AREA LAND USE PATTERNS:

The 1.11-acre tract in question supports a one-story brick commercial building constructed in 1950, per the Assessor's records. The rear of the property is fenced and contains parking and a loading dock. The most recent user of the site was ServPro (water damage restoration). Previously a lumber company occupied the site.

Surrounding uses are mostly commercial with a bowling alley adjacent to the east and a car lot west across N. 16th Street as well as north across Schuyler. Other nearby uses include a laundromat, crematorium and auto repair. Immediately south of the rezone site is Northfield Commons, a residential subdivision of duplexes.

TRAFFIC AND TRANSPORTATION:

The site has frontage along Schuyler Avenue, an urban secondary arterial, and North 16th Street, an urban local road. On-site parking (gravel lot) and a loading berth exist behind the building in a fenced area.

The parking standard for this use is 1 space per 1,000 square feet, plus 1 per 200 square feet of office, sales or similar floor area. According to the Assessor's records the building is 16,098 square feet requiring a minimum of 17 spaces. The lot appears large enough to support the required parking.

ENVIRONMENTAL AND UTILITY CONSIDERATIONS:

The site is served by city utilities. If this rezone is approved, a 'type C' bufferyard 30' in width is required where I2 zoning abuts R3 zoning on the southern property line and a 'type A' bufferyard 20' in width is required where I2 zoning abuts GB on the eastern property line.

STAFF COMMENTS:

In 2006, petitioner received a special exception in the NB zone to operate the candle manufacturing business in a strip center on the east side of town, leasing 2,400 square feet of area (BZA-1947). This use is permitted by special exception in the NB and NBU zone and by right in the GB, CB and CBW zones, but only if the ground floor area is less than 5,000 square feet. It may be increased to 10,000 square feet if a retail element is included, but petitioner sells the product on-line only. However, if this use is located in an industrial zone there is no limitation on the gross floor area, so petitioner has chosen to rezone the subject land to I2. The presence of a loading dock at this location is especially attractive for the business operator.

One of the components of the St. Lawrence/McAllister Neighborhood Plan is to "preserve the commercial area lining...Schuyler Avenue." It was critical to the neighborhood that businesses "not be permitted to intrude into existing residential areas."

This area of Lafayette on Schuyler Avenue has long been home to commercial and industrial users. The earliest zoning maps show this area with Industrial zoning on the north side of Schuyler and commercial zoning along the south side. Staff could support I1 zoning for this site because it can provide better protection to the adjacent residents to the south than the existing GB zone and is more in keeping with the neighborhood plan than a heavier industrial zone. I1 zoning is low in impact because businesses are operated entirely indoors with attached or indoor loading facilities. GB zoning can be more impactful because of potential outdoor storage of materials and outdoor loading and unloading.

STAFF RECOMMENDATION:

Denial; however

Approval, if the request is amended to I1

Staff Report

REQUEST MADE, PROPOSED USE, LOCATION:

Petitioner, with signed consent from Jon Caron, member and manager, represented by attorney Christopher Shelmon, is requesting rezoning to legitimize an existing four-unit apartment building in order to renovate the building. The property is located on the east side of S. 8th Street, specifically 9 South 8th Street, Lafayette, Fairfield 29 (NE) 23-4.

ZONING HISTORY AND AREA ZONING PATTERNS:

Residential zoning (R2U and R3U) is prevalent in the immediate vicinity. NB zoning is located northeast of the subject property. The most recent rezoning activity includes Z-2555 (PDCC to CB) and Z-2689 (NBU to CB) in 2013 and 2017 respectively.

AREA LAND USE PATTERNS:

The subject property contains an existing grandfathered four-unit apartment building, though it was originally constructed as a duplex. A diverse mix of single, duplex, and multi-family residential uses are found adjacent to the subject property with commercial and mixed-uses found to the north.

TRAFFIC AND TRANSPORTATION:

South 8th Street is an urban local road, according to the *Thoroughfare Plan*. Vehicular parking is currently found in a lot on the rear of the subject property with driveway access onto South 8th Street.

ENVIRONMENTAL AND UTILITY CONSIDERATIONS:

City utilities are available to serve the site.

STAFF COMMENTS:

The future land use plan for the *Ellsworth-Romig Historic Neighborhood Amendment* to the *Comprehensive Plan of Tippecanoe County* has designated this section of South 8th Street "Residential, Moderate Density". This land use category is defined in the plan as being "...typified by single-family and two-family housing...". The plan's recommendation for new multi-family housing is also tightly focused on "...the 100 block of S. 3rd and the 100, 200 and 300 blocks of S. 4th..." and having the character of being "...above a non-residential ground floor...", a mixed-use environment with residential atop commercial ground-floors.

The current building, originally constructed as a duplex, is generally in keeping with the historic architectural character of the neighborhood. If rezoned to a multi-family district, there are no guarantees for the neighborhood that any new multi-family construction, even if there are no immediate plans to redevelop, will serve Goal 1, Objective A of the plan which states:

"Maintain the Character of the Neighborhood – Since the Neighborhood has a Victorian, early 1900's workers' cottages, and some bungalows from the 1920's, members of the SNIC (Southside Neighborhood Improvement Coalition) feel that any newly constructed buildings should be in harmony with these historic structures."

While staff understands petitioner's desire to legitimize a grandfathered use and respects the fact that they are seeking to currently maintain the existing historic structure, there are no guarantees that this building's status, if the rezone is approved, will continue. And since no commitments can be approved, by ordinance and statute, which would prohibit demolishing this building and redeveloping in a style against the policies of the neighborhood plan and the fact that the neighborhood plan also expressly prohibits multi-family residential uses in this part of the neighborhood, staff cannot support this rezone petition.

REQUEST MADE, PROPOSED USE, LOCATION:

Petitioner, with consent of the owners (City of Lafayette Board of Parks and Recreation and the Lafayette Parks Foundation, Inc.) and represented by attorney Dan Teder, is requesting rezoning of Lots 7 and 8 in Crosser Commons Phase 1 on the east side of Powder House Lane, specifically 2211 & 2217 Powder House Lane, north of Elston Road in Lafayette, Fairfield 31 (SE) 23-4.

ZONING HISTORY AND AREA ZONING PATTERNS:

These two lots are zoned Planned Development-Residential (PDRS), as are the six lots adjoining to the south. The PDRS zoning was approved in 2004 as Crosser Commons Planned Development (Z-2156). This development originally covered 22 acres and was planned for 82 single-family lots. The only remaining PDRS zoned land from this development is this row of platted lots along the east side of Powder House Lane; the rest of the Crosser Commons land to the east and north was rezoned from PDRS to R2 in 2014 (Z-2568) after the unplatted 14.4 acres of the planned development fell into abandonment. To the west and farther south is a large area of R1 zoning. In 2017, at the northwest corner of Powder House Lane and Walker Lane, Habitat for Humanity rezoned a 1.07 acre site from R1 to R1B (Z-2688) in order to plat a 7-lot subdivision called Koinonia Ridge. Farther to the northwest, I3 (Industrial) zoning has existed since the inception of zoning in the county.

AREA LAND USE PATTERNS:

The larger south lot (2217 Powder House) is occupied by a single-family home. The north lot (2211 Powder House) is vacant. Directly east is the parking lot for the new Lafayette City park - Crosser Sports Complex. To the northeast are four softball fields. To the south, west and northwest are mostly single-family homes. Farther northwest is an asphalt - concrete paving business and a temporary batch plant.

TRAFFIC AND TRANSPORTATION:

The *Thoroughfare Plan* classifies Powder House Lane as an urban local road, which is paved with curb and gutter and is in good condition.

ENVIRONMENTAL AND UTILITY CONSIDERATIONS:

City sanitary sewer and water serves this property.

STAFF COMMENTS:

If this rezone petition is successful, petitioner intends to demolish the existing house and file a subdivision application for two lots, plus one outlet. The two lots will each be the standard R1B width of 50-ft. This will leave approximately 40-ft for the outlet at the north end. Petitioner intends to transfer ownership of the outlet to the adjoining city park. The current PDRS recorded planned development plans do not permit this type of replatting as a minor modification and if revised would require a more complex planned development rezone process. The end result of the proposed R1B rezone and subdivision processes will not add any new building lots, but will allow the lots to be reconfigured and simplify the transfer of surplus land to the adjacent park. Staff feels that the R1B zone standards are compatible with the adjacent PDRS zoned lots to the south.

REQUEST MADE, PROPOSED USE, LOCATION:

Petitioner, represented by attorney Sarah Wyatt, is requesting rezoning of three lots at the southwest corner of Teal Road and South 18th Street to expand an existing dentists' office. The site's address is 1709 Teal Road, Lafayette, Fairfield 33 (SW) 23-4.

ZONING HISTORY AND AREA ZONING PATTERNS:

This property is currently zoned R1B and is shown as R1B on the 1965 Lafayette City zoning maps. There have been no rezone requests in the area for the last 30 years. Property to the north, south and west is also zoned R1B. Land to the east across 18th Street is zoned NB, Neighborhood Business.

AREA LAND USE PATTERNS:

The existing structure was granted a special exception for a chiropractor's office in 1973, (BZA-0215). This site has been in use as a medical professional office since this approval. The dental business was opened in 1984 and currently covers the eastern two lots. The third lot in this request on the west side was purchased by petitioner in 2016. Although it has a single-family house, petitioner has been using this lot, to the rear and on the west side of the house for paved employee parking.

Single-family homes are located adjacent to the west and south. North across Teal is a city fire station, the county fair grounds and Tecumseh Middle and Lafayette Jefferson High Schools. East across 18th Street is the former Lafayette Life building that has since been purchased by the Lafayette School Corporation and converted to a career center.

A nonbinding site plan was submitted with the filing (see attachment) that shows the existing house would be razed and an 834-square foot addition would be constructed on the west side of the existing building.

TRAFFIC AND TRANSPORTATION:

Both Teal Road and South 18th Street are classified as primary arterials requiring 60' setbacks. The existing structure is 45' from the right-of-way line of Teal and 40' from the right-of-way at the intersection. The parking for this use is 1 space per treatment room or dentist chair, plus 1 space per each employee, or dentist.

The western lot that is currently a single-family home has driveway access onto Teal Road. Based on the submitted site plan, petitioner proposes to close this driveway and that all the parking spaces on site will gain access from the existing 18th Street entrance.

ENVIRONMENTAL AND UTILITY CONSIDERATIONS:

A 30' type C bufferyard is required when NB land is redeveloped adjacent to R1B.

STAFF COMMENTS:

Based on the current use and zone this site is considered a nonconforming use. According to the ordinance, the dental center can continue to operate if it's not abandoned or the building expanded. The petitioner is proposing to increase the size of the building to provide additional treatment rooms. If the rezone is approved the structure would still be considered a nonconforming structure because it does not meet the setbacks along the frontage. The use could be expanded but the addition would need to meet the current standards; the proposed expansion based on the site plan would need at least one setback variance.

Staff would normally make an argument that rezoning this site could lead to additional unwanted expansion of the business zone along Teal Road to the west. But because this has been a medical establishment for over 40 years and no "commercial creep" has happened, staff feels the residences to the west are safe and this request can be supported. Additionally, rezoning this site would allow for an expansion of an established and low intensity use.

**RESOLUTION 2020-03
CONSOLIDATED CREASY/CENTRAL EDA-TIF:
AN AMENDMENT TO ADD ELLSWORTH PROJECT TO THE DEVELOPMENT PLAN**

**STAFF REPORT
May 14, 2020**

"We can expect a more compact Downtown, centered along Main Street to its intersection with [the former rail corridor east of 9th Street]. Main Street's position as a shopping district of regional significance should be enhanced by the elimination of railroad right-of-way, and by moving through-traffic to Columbia and South Streets."

This project continues what the **Land Use Plan** envisioned in 1981 and the downtown's evolution to match that vision. Of additional importance to the downtown is that this project provides infill that supports the expansion of downtown to the south. Of equal importance is that this project will be constructed on what is currently a surface parking lot, the most inefficient use of downtown real estate.

In the 2011 updated **Housing Element** of the comprehensive plan various policy statements encourage downtown housing and the infrastructure to support it:

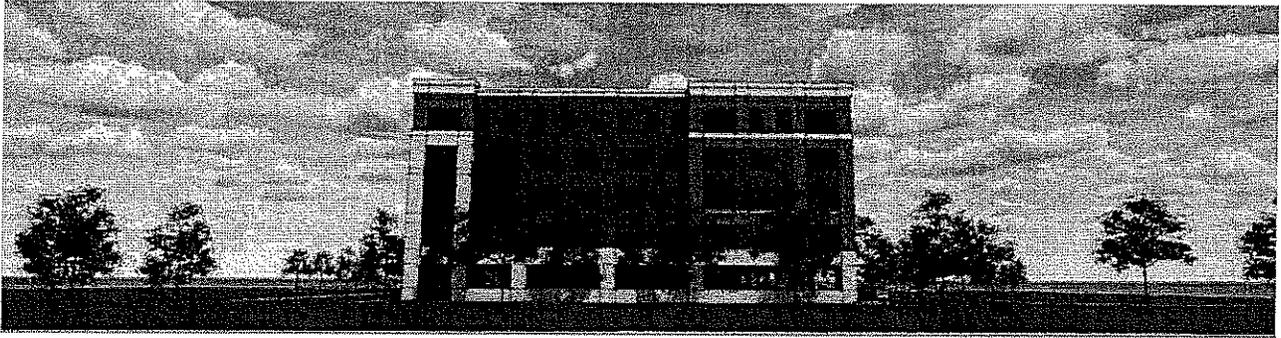

- #14 Create land use plans that...support growth in Downtown Lafayette....
- #23 Significant new residential construction...is to be constructed only in the presence of, or in conjunction with, sufficient levels of public services, facilities and all modes of transportation.

The 97 proposed residential units, supported with 2000 sq. ft. of ground floor office and retail, implements those policy statements.

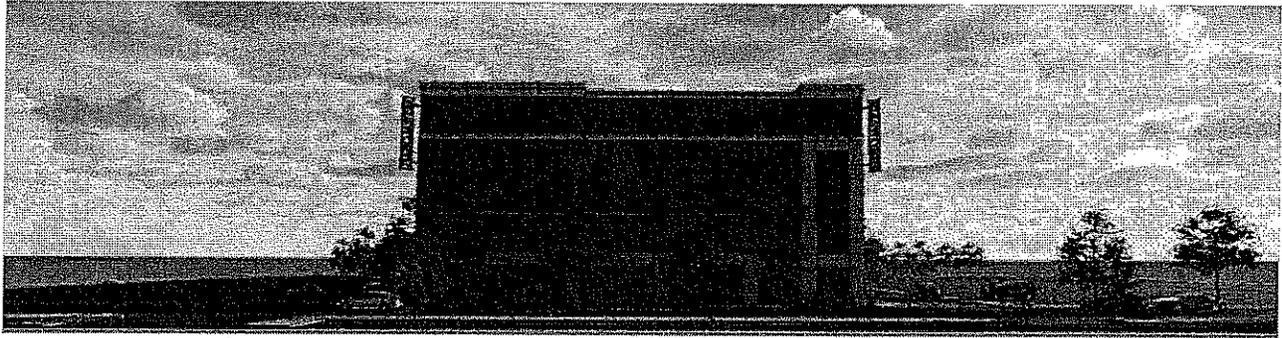

Staff is satisfied that the project amendment to the Consolidated Creasy/Central Economic Development Area Plan conforms to the adopted **Comprehensive Plan for Tippecanoe County** which includes the City of Lafayette.
