## EQUIPMENT LEASE-PURCHASE AGREEMENT

**Lessor:** REGIONS EQUIPMENT FINANCE CORPORATION

**Address:** P.O. Box 11407, Birmingham, Alabama 35246-1001

**Lessee:** CITY OF LAFAYETTE, INDIANA

**Address:** 20 NORTH 6TH STREET, LAFAYETTE, IN 47901

Lessor agrees to lease to Lessee and Lessee agrees to lease from Lessor, the items of Equipment (the "Equipment") described in Exhibit A attached to this Equipment Lease-Purchase Agreement (the "Lease"), upon the following terms and conditions:

**1. Delivery and Acceptance.** Lessee, or if Lessee so requests, Lessor, will cause the Equipment to be delivered to Lessee at the location specified in Exhibit A (the "Equipment Location"). Lessee will pay all transportation and other costs, if any, incurred in connection with the delivery of the Equipment. Lessee will accept the Equipment as soon as it has been delivered and is operational, or in the event that the manufacturer or vendor allows a pre-acceptance test period, as soon as the test period has expired. Lessee will evidence its acceptance of the Equipment by executing and delivering to Lessor an acceptance certificate ("Acceptance Certificate") in the form attached hereto as Exhibit B upon receipt of the Equipment.

**2. Term.** This Lease will become effective upon the execution hereof by Lessee and Lessor. The term of this Lease will commence on the date the Equipment is accepted pursuant to Section 1 above and, unless earlier terminated as expressly provided for in this Lease, will terminate absolutely, without further obligation on the part of the Lessee, at the end of the fiscal year in which this Lease is executed and at the end of each succeeding fiscal year for which it may be renewed as hereinafter provided. The term of this Lease will be automatically renewed for an additional period of one year at the end of each fiscal year unless Lessee gives written notice to Lessor of its intent to terminate the Lease not less than 60 days prior to the end of the fiscal year. If not sooner terminated, the Lease will continue until the Expiration Date set forth in Exhibit C attached hereto (the "Lease Term"). THIS EQUIPMENT LEASE CANNOT BE CANCELED OR TERMINATED EXCEPT AS EXPRESSLY PROVIDED HEREIN.

**3. Rent.** Lessee agrees to pay to Lessor or its assignee the lease payments (the "Lease Payments"), including the interest portion, equal to the aggregate amounts specified in Exhibit C; provided, however, that the Lessee shall be obligated to make such Lease Payments during any fiscal year to the extent that such Lease Payments may be made from current revenues lawfully budgeted and appropriated for such purpose during such year. The Lease Payments will be payable without notice or demand at the office of the Lessor (or such other place as Lessor or its assignee may from time to time designate in writing), and will commence on the first Lease Payment date as set forth in Exhibit C and thereafter on the dates set forth in Exhibit C. Any payments received later than ten days from the due date will bear interest from the due date at the rate of 3% in excess of the rate set forth on Exhibit C or the highest rate permitted by law, whichever is less. Except as specifically provided in Section 4 hereof, the obligation to make the Lease Payments will be absolute and unconditional in all events and will not be subject to any set-off, defense, counterclaim or recoupment for any reason whatsoever. Any and all payment(s) received by Lessor hereunder shall be applied to amounts due hereunder at Lessor's sole discretion notwithstanding any contrary instruction or instrumentation by Lessee. Unless Lessor decides, in its sole discretion, to apply any and all payments(s) received from Lessee in a different manner, then any payments shall be applied in the following order of priority: (i) to repay any reimbursement items due Lessor from Lessee pursuant to the provisions of this Lease; (ii) to pay for any amounts owed by Lessee by virtue of its indemnification obligations under Section 16 hereof; (iii) to any accrued interest owed in connection with a late Lease Payment; (iv) to any accrued interest with respect to any Lease Payments then due; and then (iv) to reduce the principal component(s) of the Lease Payment(s) as and when due hereunder.

Lessee reasonably believes that funds can be obtained sufficient to make all Lease Payments during the Lease Term and hereby covenants that it will do all things lawfully within its power to obtain, maintain and properly request and pursue funds from which the Lease Payments may be made, including making provisions for such payments to the extent necessary in each budget submitted for the purpose of obtaining funding, using its bona fide best efforts to have such portion of the budget approved and exhausting all available administrative reviews and appeals in the event such portion of the budget is not approved. It is Lessee's intent to make Lease Payments for the full Lease Term if funds are legally available therefor and in that regard Lessee represents that the use of the Equipment is essential to its proper, efficient and economic operation.

The total obligation of Lessee for the fiscal year of execution is the sum of the **Annual** payments for such fiscal year as set forth on Exhibit C. The total obligation of Lessee in each fiscal year renewal term is the sum of the **Annual** payments during such fiscal year renewal term as set forth on Exhibit C. A schedule of Lessee's total obligation for the fiscal year of execution and for each fiscal year in which this Lease is renewed is attached hereto as Exhibit C.

**4. Nonappropriation of Funds.** In the event no funds or insufficient funds are appropriated and budgeted, or funds are otherwise not available out of current revenues of Lessee by any means whatsoever, in any fiscal period for Lease Payments due under this Lease, then Lessee will immediately notify Lessor or its assignee of such occurrence and this Lease shall terminate on the last day of the fiscal period for which appropriations were received without penalty or expense to Lessee of any kind whatsoever, except as to the portions of Lease Payments herein agreed upon for which funds shall have been appropriated and budgeted or are otherwise available. In the event of such termination, Lessee agrees to peaceably and immediately surrender possession of the Equipment to Lessor or its assignee on the date of such termination, packed for shipment in accordance with manufacturer specifications and freight prepaid and insured to any location in the continental United States designated by Lessor and to execute any and all documents necessary or convenient to memorialize the relinquishment of all of Lessee's rights, title and or interest in such Equipment to Lessor or its successors and assigns. Lessor will have all legal and equitable rights and remedies to take possession of the Equipment.

Notwithstanding the foregoing, Lessee agrees (i) that it will not cancel this Lease under the provisions of this Section if any funds are appropriated to it, or by it, for the acquisition, retention or operation of the Equipment or other equipment performing functions similar to the Equipment for the fiscal period in which such termination occurs or the next succeeding fiscal period thereafter, and (ii) that it will not, during a period of three (3) years after such termination occurs, appropriate funds or otherwise give priority in the application of funds to any other functionally similar equipment. This section will not be construed so as to permit Lessee to terminate this Lease in order to acquire any other equipment or to allocate funds directly or indirectly to perform essentially the same function for which the Equipment is intended.

Notwithstanding any provision to the contrary contained in this Lease, it is expressly understood and agreed that Lease Payments to be made in each fiscal year shall be payable only out of current revenues of Lessee for that fiscal year lawfully budgeted and appropriated during such year.

5. **Limitation on Warranties and Disclaimer.** Lessee acknowledges and agrees that the Equipment is of a size, design and capacity selected by Lessee, that Lessor is neither a manufacturer nor a vendor of such equipment, and that LESSOR HAS NOT MADE, AND DOES NOT HEREBY MAKE, ANY REPRESENTATION, WARRANTY, OR COVENANT, EXPRESS OR IMPLIED, WITH RESPECT TO THE MERCHANTABILITY, CONDITION, QUALITY, DURABILITY, DESIGN, OPERATION, FITNESS FOR USE OR SUITABILITY OF THE EQUIPMENT IN ANY RESPECT WHATSOEVER OR IN CONNECTION WITH OR FOR THE PURPOSES AND USES OF LESSEE, OR ANY OTHER REPRESENTATION, WARRANTY OR COVENANT OF ANY KIND OR CHARACTER, EXPRESS OR IMPLIED, WITH RESPECT THERETO, AND LESSOR SHALL NOT BE OBLIGATED OR LIABLE FOR ACTUAL, INCIDENTAL, CONSEQUENTIAL, OR OTHER DAMAGES OF OR TO LESSEE OR ANY OTHER PERSON OR ENTITY ARISING OUT OF OR IN CONNECTION WITH THE USE OR PERFORMANCE OF THE EQUIPMENT INCLUDING THE MAINTENANCE, INSTALLATION, OPERATION, OR REPAIR THEREOF. Lessee acknowledges that it has selected the equipment based upon its own judgment and expressly disclaims any reliance upon any statements or representations made by Lessor. All Equipment is or will be accepted by Lessee "as is" after inspection by Lessee.

Lessor hereby assigns to Lessee during the Lease Term, so long as no Event of Default (as hereinafter defined) has occurred and is continuing, all manufacturer's warranties, if any, express or implied with respect to the Equipment, and Lessor authorizes Lessee to obtain the customary services furnished in connection with such warranties at Lessee's expense.

6. **Authority and Authorization.** Lessee represents, covenants and warrants, and as requested by Lessor, will deliver an opinion of counsel to the effect that: (i) Lessee is a fully constituted political subdivision, agency or public corporation of the State of Indiana; (ii) the execution, delivery and performance by Lessee of this Lease has been duly authorized by all necessary action on the part of Lessee; (iii) this Lease has been executed on behalf of the Lessee by its duly authorized officers; and (iv) this Lease constitutes a legal, valid and binding obligation of Lessee enforceable in accordance with its terms. Lessee agrees that (i) it will do or cause to be done all things necessary to preserve and keep the Lease in full force and effect; (ii) it has complied with all bidding requirements where necessary and by due notification presented this Lease for approval and adoption as a valid obligation on its part; and (iii) it has sufficient appropriations or other funds available to pay all amounts due hereunder for the current fiscal period.

7. **Title.** Upon acceptance of the Equipment by Lessee hereunder, title to the Equipment will vest in Lessee; subject to reversion to Lessor (i) in the event of termination of this Lease by Lessee pursuant to Section 4 hereinabove; or (ii) upon the occurrence of an Event of Default hereunder related to said Equipment, and as long as such Event of Default is continuing. Lessee (i) shall not sell, assign, subject or otherwise dispose of, or permit legal process or encumbrance upon or against any interest in, this Lease or the Equipment; (ii) shall keep the Equipment free of liens and give immediate written notice to Lessor of any such process or encumbrance; and (iii) shall, at its sole expense, protect and defend Lessor's title and interest against all persons claiming against or through Lessee and indemnify and hold Lessor harmless from and against any loss caused thereby. Lessee shall affix to the Equipment any markings requested by Lessor or execute any and all documents reasonably requested to be signed by Lessee to memorialize Lessor's interest in such Equipment.

Lessee, irrevocably, hereby designates, makes, constitutes and appoints Lessor (and all persons designated by Lessor) as Lessee's true and lawful attorney (and agent-in-fact) with power, at such time of default or non-appropriation or times thereafter as Lessor in its sole and absolute discretion may determine, in Lessee's or Lessor's name, to endorse the name of Lessee upon any Bill of Sale, document, instrument, invoice, freight bill, bill of lading or similar document relating to the Equipment in order to vest title in Lessor and transfer possession to Lessor.

8. **Security Interest.** In order to secure all of its obligations hereunder, Lessee hereby (i) grants to Lessor a first and prior security interest in any and all right, title and interest of Lessee in the Equipment and in all additions, attachments, accessions, and substitutions thereto, and in any proceeds therefrom, (ii) agrees that this Lease or a memorandum of lease may be filed as a financing statement evidencing such security interest, (iii) agrees to execute and deliver all financing statements, certificates of title and other instruments necessary or appropriate to evidence such security interest, and (iv) agrees to pay all fees and charges necessary for filing or recording such instruments or establishing or maintaining such security interest. Lessee acknowledges that only Lessor's original of this Lease constitutes chattel paper for purposes of the Indiana Uniform Commercial Code. No security interest can be perfected by possession of any other counterpart or of the Equipment. Lessee further agrees that if and to the extent that the Indiana Uniform Commercial code is ever determined not be applicable to the foregoing grant of security interest, such security interest nevertheless shall be given effect pursuant to the operation and effect of Indiana Code 5-1-1Y-Y (or any successor statutory provision).

9. **Personal Property.** The Equipment is and will remain personal property and will not be deemed to be affixed to or a part of the real estate on which it may be situated, notwithstanding that the Equipment or any part thereof may be or hereafter become in any manner physically affixed or attached to real estate or any building thereon. If requested by Lessor, Lessee will, at Lessee's expense, furnish a landlord or mortgagee waiver with respect to the Equipment.

10. **Use; Repairs.** Lessee will use the Equipment in a careful manner for the use contemplated by the manufacturer of the Equipment and shall comply with all laws, ordinances, insurance policies and regulations relating to, and will pay all costs, claims, damages, fees and charges arising out of its possession, use or maintenance. Lessee, at its expense, will keep the Equipment in good repair, good operating condition and working order, according to the manufacturer's recommended guidelines or the equivalent and meet any and all recertification requirements and shall furnish proof of such maintenance, if requested by Lessor, and shall furnish all needed servicing and parts, which parts shall become the property of Lessor and part of the Equipment. If the Equipment is such as is customarily covered by a maintenance agreement, Lessee will, at its expense, furnish Lessor upon its reasonable request with a maintenance agreement with a party satisfactory to Lessor.

11. **Alterations.** Lessee will not make any alterations, additions or improvements to the Equipment without Lessor's prior written consent unless such alterations, additions or improvements may be readily removed without damage to the Equipment. Any alteration to the Equipment which cannot be readily removed without damage to the Equipment shall become part of the Equipment and the property of Lessor. Notwithstanding the foregoing, any upgrade, addition or modification added by the Lessee as required by law or under any manufacturer's or service's recommendations shall, without further action, become a part of the Equipment and the sole property of Lessor.

12. **Location; Inspection.** The Equipment will not be removed from, or if the Equipment consists of rolling stock, its permanent base will not be changed from, the Equipment Location without Lessor's prior written consent which will not be unreasonably withheld. Lessor will be entitled to enter upon the Equipment Location or elsewhere during reasonable business hours to inspect the Equipment or observe its use and operation.

13. **Liens and Taxes.** Lessee shall keep the Equipment free and clear of all levies, liens and encumbrances except those created under this Lease. Lessee shall pay, when due, all charges and taxes (local, state and federal) which may now or hereafter be imposed upon the ownership, leasing, rental, sale, purchase, possession or use of the Equipment. If Lessee fails to pay said charges and taxes when due, Lessor shall have the right, but shall not be obligated, to pay said charges and taxes. If Lessor pays any charges or taxes for which Lessee is responsible or liable under this Lease, Lessee shall reimburse Lessor therefor immediately upon demand from Lessor. Lessee agrees to cooperate with Lessor in filing all tax returns and informational statements, if any, required by any federal, state, and/or local governmental agency.

14. **Risk of Loss; Damage; Destruction.** Lessee assumes all risk of loss of or damage to the Equipment from any cause whatsoever, and no such loss of or damage to the Equipment nor defect therein nor unfitness or obsolescence thereof shall relieve Lessee of the obligation to make Lease Payments or to perform

any other obligation under this Lease. In the event of damage to any item of Equipment, Lessee will immediately place the same in good repair with the proceeds of any insurance recovery applied to the cost of such repair. If Lessor determines that any item of Equipment is lost, stolen, destroyed or damaged beyond repair, Lessee at the option of Lessor will: either (a) replace the same with like equipment in good repair; or (b) on the next Lease Payment date, pay Lessor: (i) all amounts then owed by Lessee to Lessor under this Lease, including the Lease Payment due on such date; and (ii) an amount equal to the applicable Concluding Payment set forth in Exhibit C. In the event that Lessee is obligated to make such payment with respect to less than all of the Equipment, Lessor will provide Lessee with the pro rata amount of the Lease Payment and the Concluding Payment to be made by Lessee with respect to the Equipment which has suffered the event of loss. Lessee hereby appoints Lessor as Lessee's attorney-in-fact to make claim for, receive payments of, negotiate with insurance carrier(s), bring lawsuits, settle claims or suits, and execute and endorse all documents, checks or drafts issued with respect to any loss, damage, destruction, to, or theft of, the Equipment and/or under any insurance policy relating to the Equipment.

**15. Insurance.** Lessee will, at its expense, maintain at all times during the Term, fire and extended coverage, public liability and property damage insurance with respect to the Equipment in such amounts, covering such risks, and with such insurers as shall be satisfactory to Lessor, or, with Lessor's prior written consent, may self-insure against any or all such risks. In no event will the insurance limits be less than the amount of the then applicable Concluding Payment with respect to such Equipment. Each insurance policy will name Lessee as an insured and Lessor or its assigns as an additional insured and loss payee, and will contain a clause requiring the insurer to give Lessor at least 30 days prior written notice of any alteration in the terms of such policy or the cancellation thereof. The proceeds of any such policies will be payable to Lessee and Lessor or its assigns as their interests may appear. Upon acceptance of the Equipment and upon each insurance renewal date, Lessee will deliver to Lessor a certificate evidencing such insurance. In the event that Lessee has been permitted to self-insure, Lessee will furnish Lessor with a letter or certificate to such effect. In the event of any loss, damage, injury or accident involving the Equipment, Lessee will promptly provide Lessor with written notice thereof and make available to Lessor all information and documentation relating thereto. Lessee shall furnish a certificate of insurance or other evidence satisfactory to Lessor that the required insurance coverage is in effect. Lessor shall have no duty to ascertain the existence of or to examine the insurance policies to advise Lessee if the insurance coverage does not comply with the requirements of this Section. If Lessee fails to insure the Equipment as required, Lessor shall have the right, but not the obligation, to obtain such insurance, and the cost of the insurance shall be for the account of Lessee, due as part of the next due Lease Payment. Lessee consents to Lessor's release, upon its failure to obtain appropriate insurance coverage, of any and all information necessary to obtain insurance with respect to the Equipment and/or Lessor's interest therein. Lessor retains the right to substitute its own insurance for any insurance obtained by Lessee in accordance with this Section upon reasonable notice to Lessee with an insurer or through an agent or broker of its choice, at Lessee's sole cost.

**16. Indemnification.** To the extent permitted by applicable law, Lessee indemnifies and agrees to defend and hold Lessor and any successor, assignee or secured party of Lessor, harmless from and against all claims, costs, expenses (including, but not limited to, attorneys' fees and expenses), damages, losses, judgments and liabilities of any nature whatsoever that may be imposed on, incurred by, or asserted against an indemnified party with respect to any item of Equipment or its purchase, acceptance, delivery, ownership, leasing, possession, maintenance, use, operation or transportation, or arising out of this Lease or the transactions contemplated hereby, whether or not other parties are involved, including, without limitation, (a) claims for injury to or death of persons and for damage to property, (b) claims relating to patent, copyright or trademark infringement, and (c) claims relating to latent or other defects in the Equipment whether or not discoverable by Lessor. Lessee agrees to give Lessor prompt notice of any such claim or liability. Any payment made hereunder to Lessor shall include the amount of any taxes required to be paid by Lessor as the result of the receipt of such payment. The provisions of this Section 16 shall survive the termination of this Lease.

**17. Purchase Option.** Upon 30 days prior written notice from Lessee to Lessor, and provided that there is no Event of Default, or an event which with notice or lapse of time, or both, could become an Event of Default, then existing, Lessee will have the right to purchase Lessor's interest in, to the extent thereof, the Equipment on the Lease Payment dates set forth in Exhibit C by paying to Lessor, on such date, the Lease Payment then due together with the Concluding Payment amount set forth opposite such date. Upon satisfaction by Lessee of such purchase conditions, Lessor will transfer any and all of its right, title and interest in the Equipment to Lessee as is, without warranty, express or implied, except that Lessor will warrant to Lessee that the Equipment is free and clear of any liens created by Lessor. Unless Lessee exercises an option to purchase the Equipment or renews the terms of this Lease as provided in any Exhibit to this Lease and except as otherwise provided in this Lease, upon expiration of the Term as to each item of Equipment or upon demand of Lessor pursuant to this section, Lessee, at its own risk and expense, including, but not limited to the expense of maintaining all insurance thereon, shall either (a) provide adequate and suitable storage space at the place where the Equipment was delivered hereunder or to which it was moved in accordance with this Lease, and shall permit Lessor to store such Equipment free of charge, and at the risk of Lessee for public liability and physical damage exposure, for a period not to exceed one hundred eighty (180) days, during which period Lessor will be allowed reasonable access thereto; or (b) immediately assemble, prepare for shipment, and return the Equipment to Lessor in the same condition as delivered, ordinary wear and tear excepted, and meeting all recertification requirements, with all damaged or missing parts replaced, at such location within the United States as Lessor shall designate. Lessee agrees to provide to Lessor written notice at least one hundred eighty (180) days prior to the end of the Term of the Lease if Lessee intends to return the Equipment to Lessor (the "Return Notice"). In the event Lessee fails to deliver to Lessor the Return Notice at least one hundred eighty (180) days prior to the end of the Term of the Lease, the Term shall be extended automatically for one hundred eighty (180) days and Lessee shall continue to pay Lease Payments as agreed to by the Lessor and Lessee at such time.

**18. Assignment.** Without Lessor's prior written consent, Lessee shall not (i) assign, transfer, pledge, hypothecate, grant any security interest in or otherwise dispose of this Lease or the Equipment or any interest in this Lease or the Equipment, or (ii) sublet or lend the Equipment or permit it to be used by anyone other than Lessee or Lessee's employees or agents. Lessee shall remain primarily liable on this Lease. Lessor may assign its right, title and interest in and to this Lease, the Equipment and any other documents executed with respect to this Lease and/or grant or assign a security interest in this Lease and the Equipment, in whole or in part. Lessee agrees that any such assignment shall not materially change Lessee's duties or obligations under this Lease. Any such assignees shall have all the rights of Lessor under this Lease. No assignment or reassignment of any of Lessee's right, title or interest in this Lease or the Equipment shall be effective unless and until Lessor shall have consented to such assignment and Lessor has received a duplicate original counterpart of the document by which the assignment or reassignment is made, disclosing the name and address of each such assignee. DURING THE LEASE TERM LESSEE SHALL KEEP A COMPLETE AND ACCURATE RECORD OF ALL SUCH ASSIGNMENTS IN FORM NECESSARY TO COMPLY WITH SECTION 149(a) OF THE INTERNAL REVENUE CODE OF 1986, OR ANY SUCCESSOR PROVISION THERETO, AND THE REGULATIONS, PROPOSED OR EXISTING, FROM TIME TO TIME PROMULGATED THEREUNDER. Subject to the foregoing, this Lease inures to the benefit of and is binding upon the successors and assigns of the parties hereto. No further action will be required by Lessor or by Lessee to evidence the assignment, but Lessee will acknowledge such assignments in writing if so requested.

**19. Events of Default.** The term "Event of Default", as used herein, means the occurrence of any one or more of the following events:

- (a) Lessee fails to make any Lease Payment (or any other payment including insurance premiums required hereunder) when due in accordance with the terms of this Lease, and any such failure continues for ten days;
- (b) Lessee fails to perform or observe any other covenant, condition or agreement to be performed or observed by it hereunder and such failure is not cured within 20 days after written notice thereof by Lessor; or
- (c) The discovery by Lessor that any statement, representation or warranty made by Lessee in this Lease or in any writing ever delivered by Lessee pursuant hereto or in connection herewith is false, misleading or erroneous in any material respect;

- (d) Lessee shall attempt to abandon, remove, sell, encumber or sublet any item of Equipment or to assign any rights under or interest in this Lease; or
- (e) Lessee fails to appropriate sufficient funds to pay all Lease Payments due or to become due for the then-current fiscal year; or
- (f) Lessee shall become insolvent or make an assignment for the benefit of creditors, or a trustee or receiver shall be appointed for Lessee or for a substantial part of its assets, or bankruptcy, reorganization or insolvency proceedings shall be instituted by or against Lessee; or
- (g) Lessee shall suffer a material adverse change in its financial conditions or operations; or
- (h) Lessee shall be in default under any other agreement with Lessor or any of its affiliates or any other lender.

20. **Remedies.** Upon the occurrence of an Event of Default, and so long as such Event of Default is continuing, Lessor may, at its option, exercise any one or more of the following remedies:

- (a) the Lessor may, at its option, declare all installments of the Lease Payments, payable until the end of the Term of the Lease, to be immediately due and payable, whereupon the same shall become immediately due and payable. If Lessor elects to exercise the remedy afforded in this Section 20(a) and accelerates all Lease Payments payable until the end of the Term of this Lease, the amount then due and payable by the Lessee as accelerated rents shall be the sum of (1) the aggregate Lease Payments due until the end of the Term of this Lease, (2) the Concluding Payment specified as due at the end of the Term of this Lease, less the net amount realized by the Lessor upon disposition of the Equipment, and (3) any other amounts which may be owing to the Lessor pursuant to this Lease;
- (b) the Lessor may, without demand or legal process, take possession of the Equipment with or without terminating this Lease and without any liability to the Lessee for such repossession, and lease or sell the Equipment;
- (c) release or sell any or all of the Equipment at a public or private sale on such terms and notices as Lessor shall deem reasonable and, in addition to reclaiming the total proceeds received from such lease or sale, recover from Lessee damages, not as a penalty, but liquidated for all purposes and in an amount equal to the sum of (i) any accrued and unpaid Lease Payments, and other amounts due hereunder, as of the later of (A) the date of the Event of Default, the date that Lessor has obtained possession of the Equipment or such other date as Lessee has made an effective tender of possession of the Equipment back to Lessor ("Default Date"); plus Lease Payments (at the periodic rate provided for in this Lease) for the additional period (but in no event longer than six (6) months) that it takes Lessor to resell or re-let all of the Equipment, plus interest at the rate per annum charged by the Internal Revenue Service for the late payment of tax; (ii) the difference between the monthly Lease Payments for the remainder of the Term as they become due and the net proceeds, if any, of any reletting of the Equipment after deducting all of Lessor's expenses in connection with such reletting, including without limitation, all repossession costs, broker's commissions, attorney's fees and expenses, and alteration costs and expenses of preparing the Equipment for reletting; and (iii) any indemnity under Section 16 hereunder, if then determinable, plus interest at the same rate per annum charged by the Internal Revenue Service for the late payment of tax, LESS the amount received by Lessor upon such public or private sale or re-lease of such items of Equipment, if any; and
- (d) the Lessor may require the Lessee to furnish copies of all books and records of the Lessee pertaining to the Equipment; and
- (e) the Lessor may exercise any other right, remedy or privilege which may be available to it under applicable laws of the State of Indiana or any other applicable laws including, without limitation, the rights of a secured party under the Indiana Uniform Commercial Code, or proceed by appropriate court action to enforce the terms of this Lease or to recover damages for the breach of this Lease or to rescind this Lease as to any or all of the Equipment.

In addition, Lessee will remain liable for all covenants and indemnities under this Lease and for all legal fees and other costs and expenses, including court costs and reasonable attorney's fees, incurred by Lessor with respect to the enforcement of any of the remedies listed above or any other remedy available to Lessor. A cancellation hereunder shall occur only upon notice by Lessor and only as to such Items of Equipment as Lessor specifically elects to cancel, and this Lease shall continue in full force and effect as to the remaining items of Equipment, if any. Lessee shall be liable for and shall pay to Lessor all attorneys' fees and expenses and other costs incurred by Lessor in exercising Lessor's remedies, including placing any Equipment in the condition required by Section 10 hereof. If this Lease is deemed at any time to be one intended as security as set forth in Section 8, Lessee agrees that the Equipment shall secure, in addition to the indebtedness herein, all other indebtedness at any time owing by Lessee to Lessor. No remedy referred to in this Lease is intended to be exclusive, but each shall be in addition to any other remedy referred to or otherwise available to Lessor at law or in equity. No express or implied waiver by Lessor of any Default shall constitute a waiver of any other Default by Lessor or a waiver of any of Lessor's rights and no delay by Lessor in enforcing any right or requiring performance of any provisions of this Lease by Lessee shall be a waiver of such right or affect the right of Lessor to enforce such provision.

Notwithstanding any provision of this Section to the contrary, the Lessee may terminate this Lease as provided in Section 4, and the Lessee shall not be liable under this Lease for any Lease Payments in excess of the amount otherwise due under Section 3.

21. **Notices.** All notices to be given under this Lease shall be made in writing and mailed by certified mail, return receipt requested, to the other party at its address set forth herein or at such address as the party may provide in writing from time to time. Any such notice shall be deemed to have been received five days subsequent to mailing if mailed in accordance with this Section.

22. **Section Headings.** All section headings contained herein are for convenience of reference only and are not intended to define or limit the scope of any provision of this Lease.

23. **Governing Law.** This Lease shall be construed in accordance with, and governed by the laws of, the State of Indiana.

24. **Delivery of Related Documents.** Lessee will execute or provide, as requested by Lessor, such other documents and information as are reasonably necessary with respect to the transaction contemplated by this Lease. At the request of Lessor, Lessee will furnish Lessor annual financial statements of Lessee within 120 days after the end of Lessee's fiscal year.

25. **Entire Agreement; Waiver.** This Lease, together with the Acceptance Certificate and other attachments hereto, and other documents or instruments executed by Lessee and Lessor in connection herewith, constitute the entire agreement between the parties with respect to the lease of the Equipment, and this Lease shall not be modified, amended, altered or changed except with the written consent of Lessee and Lessor. Any provision of this Lease found to be invalid or unenforceable shall be ineffective to the extent of such invalidity or unenforceability without invalidating the remainder of this Lease. The waiver by Lessor of any breach by Lessee of any term, covenant or condition hereof shall not operate as a waiver of any subsequent breach thereof.

26. **Covenant Regarding Tax-Exempt Interest.** The Lessee represents and warrants that the interest portion of each Lease Payment will not be includible in gross income of the Lessor. The Lessee covenants and agrees that it will not take any action, or fail to take any action, if such action or failure to act would cause the interest portion of each Lease Payment to be or become includible in gross income of the Lessor for purposes of federal income taxation. Without limiting the generality of the preceding sentence, the Lessee covenants and agrees that, to the extent necessary for the interest portion of each Lease Payment to be so excludable from gross income,

(a) the Equipment shall not be used in any private business use; the Lease Payments shall not be secured by, or derived from, property used in a private business use; no portion of the proceeds of this Lease shall be used to make or finance loans to persons other than governmental units; and proceeds of this Lease shall not be used in any manner that would cause this Lease to be or become a "private activity bond", as defined in Section 141 of the Code; and

(b) the Lessee shall submit to the Secretary of the Treasury a statement or report with respect to the execution and delivery of this Lease as required by Section 149(e) of the Code.

If Lessor determines in good faith (which determination shall be supported by an opinion of nationally recognized bond counsel) or if the Internal Revenue Service shall claim in writing that the interest portion of the Lease Payments is includible in the gross income of Lessor or any former Lessor ("Taxable"), then the interest rate hereunder shall be adjusted to the Prime Rate plus 1.0%, determined daily according to the Prime Rate in effect for such date, effective as to the earliest date that such interest was Taxable. Any additional amount of interest due for the period prior to the date Lessee was notified that interest was Taxable and began making payments at the adjusted rate shall be paid by Lessee, at the option of Lessor, (i) within thirty (30) days after the date Lessee is notified of the amount due, or (ii) on such other payment schedule as shall be satisfactory to Lessor. "Prime Rate" shall mean the rate of interest announced by Regions Bank (the "Bank") as its prime rate, with the understanding that the Bank's prime rate is one of its base rates established from time to time for lending purposes and is not necessarily the best or lowest rate offered by the Bank and is evidenced by the recording thereof after its announcement in such internal publication or publications as the Bank may designate.

27. **Representations of Lessee.** Lessee represents and warrants that: (i) Lessee is a duly constituted, organized and validly existing political subdivision existing under the laws of the State of Indiana and is authorized to lease personal property and to sell or lease or otherwise dispose of personal property; (ii) Lessee has full power, authority, and legal right to execute, deliver and perform the agreements on its part contained in this Lease; (iii) the person or persons executing this Lease on behalf of Lessee have been duly authorized under the laws of the State of Indiana and a duly adopted resolution of Lessee's governing body is in full force and effect on the date hereof to execute this Lease on behalf of Lessee and to obligate Lessee hereunder; (iv) Lessee has taken all necessary steps or complied with all procedures required for the authorization and execution of this Lease; (v) all Lease Payments which are to be made hereunder will be paid out of funds which are legally available for such purpose; (vi) Lessee has obtained or made, or does not require, the approval of or the giving of notice to any Federal, State, local or foreign governmental authority in order to enter into this Lease; (vii) Lessee is not required to submit this Lease to Lessee's electorate for approval; (viii) Lessee, by entering into this Lease, does not violate any law binding on Lessee or contravene any indenture, credit Lease, or any other agreement under which Lessee is a party or by which it is bound; (ix) this Lease constitutes a legal, valid and binding obligation of Lessee, enforceable in accordance with its terms; (x) there are no pending or threatened actions or proceedings before any court, administrative agency or other tribunal or body or judgments which may materially adversely affect Lessee's financial condition or operations; (xi) the Equipment is personal property and is not now nor will it become either real property or a fixture or inventory; (xii) the use of the Equipment is essential, necessary, useful, and appropriate to the lawful purposes of Lessee and in the discharge of its duties as a governmental body; (xiii) the Lease application (if any) is true and is not misleading; (xiv) the execution of this Lease does not constitute a default in any other agreement of Lessee; (xv) there is not existing, and Lessee will not directly or indirectly create, incur, assume or suffer to exist, any mortgage, security interest, pledge, lien, charge, encumbrance or claim on or with respect to the Equipment, title thereto or any interest therein, except the respective rights of Bank and Lessee under this Lease and further excepting any mortgage, security interest, pledge, lien or encumbrance granted by Bank; (xvi) the Equipment is of size, design, capacity and manufacture selected by Lessee and will be suitable for Lessee's purposes; (xvii) Lessee will cause to be done, executed, acknowledged and delivered all such further acts, instruments, conveyances and assurances as Bank shall require for accomplishing the purposes of this Lease; (xviii) Lessee, upon delivery of the Equipment under this Lease, shall cause said Equipment to be duly registered, and at all times thereafter to remain duly registered, in the name of Bank, or at Bank's request shall furnish to Bank such information as may be required to enable Bank to make application for such registration, and shall promptly furnish to Bank such information as may be required to enable Bank to timely file any reports required to be filed by it under this Lease with any governmental authority; (xix) Lessee has complied with insurance provisions of Section 15; (xx) Lessee will execute or file any reports or tax forms required by State or Federal authorities; (xxi) Lessee and its governing body reasonably believe that Lessee shall have sufficient available funds during each fiscal year through the maximum term to elect to appropriate monies to make the Lease Payments hereunder; and (xxii) all actions of the governing body of the Lessee and its members concerning this Lease have been taken in accordance with the laws of the State of Indiana.

28. **Arbitration.** Lessee represents to Lessor that its business and affairs constitute substantial interstate commerce and that it contemplates using the Equipment in substantial interstate commerce. Except as otherwise specifically set forth below, any action, dispute, claim, counterclaim or controversy ("Dispute" or "Disputes"), between or among Lessor, Lessee or any guarantor, including any claim based on or arising from an alleged tort, shall be resolved by arbitration as set forth below. As used herein, Disputes shall include all actions, disputes, claims, counterclaims or controversies arising in connection with this Lease (including all Exhibits and other addenda), any extension of or amendments to this Lease, any security or collateral given to Lessor, any action taken (or any omission to take any action) in connection with any of the foregoing, any part, present and future agreement between or among Lessor, Lessee or any guarantor (including this Lease and any related guaranty agreement), and any past, present or future transactions between or among Lessor, Lessee or any guarantor.

All Disputes shall be resolved by binding arbitration in accordance with Title 9 of the U.S. Code and the Commercial Arbitration Rules of the American Arbitration Association (the "AAA") in Noblesville, Indiana. Defenses based on statutes of limitations, estoppel, waiver, laches and similar doctrines, that would otherwise be applicable to an action brought by a party, shall be applicable in any such arbitration proceeding, and the commencement of an arbitration proceeding with respect to this Lease shall be deemed the commencement of an action for such purposes.

Whenever an arbitration is required hereunder, the arbitrator shall be selected in accordance with the Commercial Arbitration Rules of the AAA. The AAA shall designate a panel of 10 potential arbitrators knowledgeable in the subject matter of the Dispute. Each of Lessor and Lessee shall designate, within thirty (30) days of the receipt of the list of potential arbitrators, one of the potential arbitrators to serve, and the two arbitrators so designed shall select a third arbitrator from the eight remaining potential arbitrators. The panel of three arbitrators shall determine the resolution of the Dispute.

29. **No Agency.** Lessee acknowledges and agrees that neither the manufacturer, the supplier, nor any salesman, representative or other agent of the manufacturer or supplier, is an agent of Lessor. No salesman, representative or agent of the manufacturer or supplier is authorized to waive or alter any term of condition of this Lease and no representation as to the Equipment or any other matter by the manufacturer or supplier shall in any way affect Lessee's duty to pay Lease Payments and perform its other obligations as set forth in this Lease.

30. **Finance Lease.** Lessee acknowledges that for purposes of the Indiana Uniform Commercial Code (the "UCC") this Lease is a finance lease and Lessor is not an agent of the manufacturer or vendor of the equipment. Lessee acknowledges that Lessee has selected the supplier of the equipment and directed Lessor to purchase the equipment from the supplier. Lessee knows that it is entitled under Article 2A of the UCC to all warranties and other rights provided to Lessee by the supplier of the equipment and to contact the supplier for an accurate and complete statement of any such express warranties and other rights and any disclaimers or limitations of such rights or of remedies.

31. **Waivers of Lessee.** To the extent permitted by Indiana law, Lessee waives any and all rights and remedies conferred by the UCC, including, without limitation, any rights to (a) cancel or repudiate the Lease, (b) reject or revoke acceptance of the Equipment, (c) recover damages from the Lessor for breach of warranty or for any other reason, (d) claim a security interest in any rejected Equipment in the Lessee's possession or control, (e) deduct from rent all or any part of any claimed damages resulting from the Lessor's default under the Lease, (f) accept partial delivery of the Equipment, (g) "cover" by making any purchase or lease of substitute equipment, (h) recover from the Lessor or any assignee of the Lessor any general, special, incidental or consequential damages for any reason whatsoever, and (i) specific performance, replevin or the like for any of the Equipment. The Lessee also waives any statutory right it may have now or in the future to require the Lessor to sell or re-lease the Equipment or otherwise to mitigate damages.

32. **Additional Provisions.** Any additional provisions and modifications, if any, to the standard language of this Lease are set forth in Exhibit D attached hereto.
