The Lafayette Historic Preservation Commission is a nine-member board who meets monthly to review the COA applications that are subject to commission review.

The Lafayette Historic Preservation Commission cannot render judgment nor process an Application without the specific documentation listed below. It is the Applicant/Owner who must provide comprehensive documentation of the proposed project with adequate information so that there is a complete understanding of the project for the commissioners and staff when rendering a decision. Applications will NOT be processed without all required or requested documentation. An incomplete COA application may delay the COA review process.

These items must have been completed before submitting application: (Please check yes or no below)

1. Are all zoning approvals met and in compliance for the proposed work? Yes ___ No ___
2. Are there any Variances pending or necessary for the proposed work? Yes ___ No ___

Documentation to be submitted with application: (Minimum requirements for all COA Applications)

APPLICATIONS AND DOCUMENTATION:

Applicant must provide 13 copies of the completed and signed COA Application and all documentation noted to be submitted with COA Application including: Materials to be used, detailed written description of the project with dimensions, drawings to scale, construction methods, finishes, manufacturing brochures and specifications as well as clearly labeled photographs of the building and affected areas. Plus any additional documentation as requested by Staff or the COA Committee. Electronic versions may be submitted if available in addition to the 13 copies noted above. The copies will be supplied to each Commissioner and the City Staff for the Lafayette Historic Preservation meeting.

The Commission follows the Secretary of Interior's Standards for Rehabilitation and Guidelines for Rehabilitation Historic Buildings when reviewing applications. Applications should follow these standards and guidelines when applicable. Additional guidelines, Preservation Briefs, Bulletins and "The Resource Guide", can be accessed on line at www.Lafayette.in.gov

Certain work in a Historic District may be approved by the Staff in lieu of being reviewed by the Lafayette Historic Preservation Commission, but the applicant will still be required to submit this application for Staff review with all documentation as noted for the proposed project.

Staff is authorized to approve the following: Signs that comply with the guidelines, Installation of storm windows, Installation of re-skinning of canvas awnings and canopies of a simple design, Installation of historically appropriate hand rails, Temporary removal of historic building components for the purpose of repair, Replacement of roof sheathing when there are no structural changes, Removal of chimneys that are only visible from the rear of a structure, Installation of stained or leaded glass windows, Installation of appropriate historical shutters, Removal of a non-original addition or alteration to a structure, and Extension of an approved COA for up to one additional year if the project scope has not changed. If questionable, please contact Staff to determine whether your project must be reviewed by the Lafayette Historic Preservation Commission.
