Mayor Roswarski to fill two positions on the Bicycle Pedestrian Advisory Committee

LAFAYETTE, INDIANA – December 17, 2019 – The City of Lafayette is currently looking for applicants for the Bicycle Pedestrian Advisory Committee. This committee serves as a citizen's forum for discussion and recommendations that will improve the quality, safety and accessibility of our community for those who bike, run or walk.

The City is currently looking to fill two vacant slots on this committee for two year terms. All citizens are encouraged to apply. However, the City is in need of people who avidly run and walk. The deadline for applications will be January 10, 2020. Mayor Roswarski will choose the two candidates from the pool of applicants.

To apply please fill out the survey at:

In April 2017, Lafayette City Council passed an ordinance establishing the Lafayette bicycle pedestrian advisory committee framework. The purpose of this committee will be to ensure that the safety and needs of bicyclists, walkers and runners are addressed and are equally considered whenever public improvements are planned. To read the complete ordinance please go to <http://www.lafayette.in.gov/DocumentCenter/View/7208>.
