Lafayette Extending Fresh Air Eats Promotion Through November 15. Warmer weather expected this week to assist with outdoor dining.

LAFAYETTE, INDIANA – November 3, 2020 – The City of Lafayette will be extending the Fresh Air Eats promotion through **November 15** due to expected warmer weather the coming weeks. The City will continue with the underwriting costs for street closures, extra security, and picnic tables for the Main Street businesses to expand their dining footprint. The added outdoor space will give patrons less wait time for a table at their favorite eateries due to the COVID-19 pandemic guidelines.

Parking on Main Street will be limited during the promotion from 2 pm on Fridays to 7 am on Mondays. Street closures will include:

- Main Street between 10th and 11th Streets
- Main Street between 6th and 8th Streets
- Main Street between 5th and 6th Streets
- 5th Street between Main and Columbia
- Main Street from 2nd and 3rd Street
- Second Street from the north side of the MARQ parking entrance to Ferry Street

“We are expecting warmer weather this weekend and we hope it will continue through November 15”, states Mayor Tony Roswarski. “If the weather turns colder the weekend of November 13, we will cancel the outdoor dining. Extending this promotion to support our

restaurant/bar community makes perfect sense and we hope you will enjoy the warm fall days ahead.”

Fresh Air Eats will run on Friday nights from 4-10 pm; Saturdays, 9 am to 10 pm; and Sundays, 9 am to 9 pm. Make plans now to get downtown and support our local eateries and pubs.
