

Neighborhood Signage Project

The Cities of Lafayette and West Lafayette have recognized their strong neighborhoods. One of the ways this has been done is through the installation of custom neighborhood signage. In Lafayette, the signs pictured to the left have already been installed in the neighborhoods. This is an on-going process with new neighborhood groups forming and asking to come into the program.

- St. Mary's Historic Neighborhood
- Jefferson Historic Neighborhood
- Historic Ninth Street Hill Neighborhood
- Vinton Neighborhood
- Lincoln Historic Neighborhood
- Historic Centennial Neighborhood
- Valley Center Neighborhood
- Perrin Historic Neighborhood
