ANVIL 38 PLANNED DEVELOPMENT
GB TO PDRS**

**Staff Report
January 9, 2020**

REQUEST MADE, PROPOSED USE, LOCATION:

Petitioner, Joseph Blake, with the consent of the owner, the Trustees of Ivy Tech Community College, is requesting PDRS zoning on approximately 7 acres for a two-phase, multi-family development totaling two, four-story apartment buildings containing a total of 307 units (72 studios, 141 1-bedroom, 84 2-bedroom, and 10 3-bedroom units) with up to 411 bedrooms and 218 surface parking spaces. Additional parking is being provided offsite by Ivy Tech (up to 112 spaces) via a parking agreement. The property is located off the south side of SR 38 E just north of its intersection with Haggarty Lane in the City of Lafayette; Wea 2(NW) 22-4.

ZONING HISTORY AND AREA ZONING PATTERNS:

The subject property is currently zoned GB as are all adjacent properties except to the south. R3 zoning is found there. There has been little rezoning or BZA actions in the immediate vicinity for some time. The area surrounding the subject property is largely commercially zoned and developed.

AREA LAND USE PATTERNS:

The subject property is currently unimproved and was once the site of a mobile home park. The new YMCA facility is west of the of the subject property while to the south and southwest is the Vista Pointe residential neighborhood (a manufactured housing community) and Ivy Tech Community College respectively. North and east of the subject property is commercially-developed land. A mix of largely non-residentially developed land with limited residential development of varying types is common in the immediate vicinity.

TRAFFIC AND TRANSPORTATION:

State Road 38 E is classified as an urban divided primary arterial according to the adopted *Thoroughfare Plan*. A new private street is planned to utilize an existing curb cut along the project's limited SR 38 E frontage and connect – through the subject property - to the northeast corner of Ivy Tech Community College's parking lot and network of private drives. Vehicular access could then be made from either Ivy Tech or from SR 38 E. Based on current UZO parking requirements, 487 parking spaces would be required. Given the proposed use and its proximity to Ivy Tech, staff agreed to a total of 330 spaces for the project in new on-site surface parking lots (totaling 218 spaces) and a parking agreement with Ivy Tech (allowing access for up to 112 spaces). CityBus was provided an opportunity to serve the new project via the proposed private street, but elected to not change existing routes instead. Trail and sidewalk connections are planned through the site, connecting the project to both Ivy Tech, the YMCA, SR 38 E (if sidewalks and/or trails are ever constructed by INDOT in its right-of-way), and a new proposed city trail connecting to a point along the project's southern boundary. Bicycle parking is also being provided in the form of outdoor racks and two bike storage rooms (one in each of the two apartment buildings).

ENVIRONMENTAL AND UTILITY CONSIDERATIONS:

Public utilities are available to serve the site.

STAFF COMMENTS:

With the recent removal of the former mobile home park, this infill site adjacent to Ivy Tech Community College and YMCA is perfectly suited for a project like Anvil 38 Planned Development. Ivy Tech's location on the urban fringe and surrounded primarily by commercial and industrial development has relegated the campus of Ivy Tech to being largely a "commuter school". With Anvil 38 Planned Development, potential student residents will be able to easily walk or bike to campus, access the YMCA, and connect to the larger emerging pedestrian network planned for the vicinity.

The project itself is split into two phases consisting, in total, of two four-story multi-family buildings containing, altogether, 307 units and 411 bedrooms. Signage for the site is modest and consists of a small monument sign along the project's SR 38 E frontage and a wall sign near the leasing office. The project's design is centered on a large pedestrian plaza space through which the main pedestrian network runs. The "quad-like" design of this pedestrian-oriented open space is designed to highlight the project's relationship to the adjacent community college.

In its scale, collegiate design, pedestrian-oriented amenities, and robust landscaping, the Anvil 38 Planned Development is a welcome addition to this increasingly busy node of activity surrounding both Ivy Tech Community College and the YMCA.

STAFF RECOMMENDATION:

Approval, contingent on meeting all requirements of UZO 2-28-10 and the following for submission of Final Detailed Plans, signed off by those noted in that section to include:

1. All sheets (other than preliminary plat) that make up the approved Preliminary Plan;
2. Planned Development construction plans per UZO Appendix B-2;
3. A final plat per UZO Appendix B-3 as applicable;
4. Appropriate surety submitted with Final Detailed Plans;
5. Final landscape plan and plant schedule shall be approved by the city's urban forester with the submission of the Final Detailed Plans;
6. Street addressing and private street name applications shall be made with APC prior to the submission of the Final Detailed Plans;
7. Drainage Board approval (relative to the project's plan to drain into F-Lake and/or other County-regulated facilities) shall be secured prior to the submission of the Final Detailed Plans;
8. A copy of the executed and recorded parking agreement with Ivy Tech Community College shall be delivered to APC and the City of Lafayette with the submission of the Final Detailed Plans.

Staff Report
January 9, 2020

REQUEST MADE, PROPOSED USE, LOCATION:

Petitioner, with consent of owner TMS Investments, LLC, and represented by attorney Kevin Riley of Reiling, Teder and Schrier, is requesting rezoning of a lot located on the southwest corner of the T-intersection of Teal Road and S. 22nd Street, specifically, Lot 3 of Shoshone Subdivision, 2111 Teal Road, Lafayette, Fairfield 33 (SE) 23-4. Petitioner, a “non-profit community mental health agency,” would like to build a group home for adults (SIC 836 Residential Care) which would serve up to 15 clients and would be staffed by approximately 7 employees.

ZONING HISTORY AND AREA ZONING PATTERNS:

The lot in question is currently zoned NB, Neighborhood Business. The 1968 city zoning map shows the property zoned LB, Local Business which was the precursor to the NB zone. This 1968 map also showed R1B zoning to the north and east, R3 zoning to the south and LB (now NB) to the west; this is the same zoning pattern in place today. The only differences to the zoning pattern of today are the GB zoning on the northeast corner of Teal and 22nd, and the NB zone to the west which has expanded to the south over the years.

AREA LAND USE PATTERNS:

The site at one time held a banking institution, which was razed a little over a year ago. The property is currently unimproved. The backyards of the single-family homes in the Tecumseh Addition are located adjacent to the east; adjacent to the south are the two other lots within the Shoshone Subdivision both with large apartment buildings. Huntington Bank and Regions Bank are adjacent to the west with the Greater Lafayette Career Academy (the former Lafayette Life Insurance building) beyond them. Just to the south of the banks are a church and a thrift store. Lafayette Tecumseh Junior High School and its grounds are across Teal Road to the north; a BP gas station is located on the northeast corner with the stores in Lafayette Station shopping center beyond that.

TRAFFIC AND TRANSPORTATION:

Teal Road (US 52) is classified as an urban primary arterial by the adopted *Thoroughfare Plan*. Reconstruction of Teal will begin in the spring. No site plan or construction plans for the group home have been submitted (nor are they required at this stage); however, required parking would be “1 space per each employee on the largest shift, plus 1 per each 5 clients; except 1 per 600 sq. ft. of gross floor area if clients are not permitted their

own vehicles.” Required bicycle parking would be “5% of required auto parking spaces but not less than 2.”

ENVIRONMENTAL AND UTILITY CONSIDERATIONS:

The lot is served by city utilities. If the rezone is approved, a 30’ wide, type C bufferyard may be required by the city but only along the east and south lot lines.

STAFF COMMENTS:

According to petitioner’s representative, “Valley Oaks Health (formerly known as Wabash Valley Alliance) is a non-profit community mental health agency that serves Tippecanoe county and eight other counties. Valley Oaks plans to build a group home approximately 7,000 square feet in size on the subject property to serve up to 15 clients. The facility will be open 24 hours a day, 7 days a week, 365 days a year. Clients will receive skills training in areas needed to improve their daily functioning including mood management, interpersonal (social) functioning, and independent living/self-care. Clients receive individual and group-based services, as well as medication support. The facility will be staffed full-time by approximately 7 Valley Oaks employees. It is intended that clients will move out of the facility once they have received the necessary treatment and/or training. This would be the second Valley Oaks’ group home in Tippecanoe County.”

The change from NB to MR is a lateral move as far as intensity of uses allowed in the two zones is concerned. Generally, MR is more limiting than NB; there are fewer uses permitted by right in the MR zone than the NB zone. Many “public administration” offices and most retail uses are not permitted in MR; however multi-family residential uses are permitted in MR but not NB. While there is no other Medical Related zoning nearby, staff believes this zone is a good fit for this property located on a busy arterial, yet adjacent to residential uses on two sides.

An indemnity agreement provided by the Administrative Officer shall be signed by an authorized representative of the Enterprise who is an officer or employee of the Enterprise with authority to legally bind the Enterprise. The indemnity described above shall also be applicable in all respects to any property owner who has an EMPV located on the property owner's premises with or without permission.

An Enterprise issued a permit under this chapter shall, as a condition of the issuance and continued validity of the permit to operate a Mobility System, purchase and maintain a policy of commercial general liability insurance that will protect it and the City from claims for damages because of bodily injury and personal injury, including death, and claims of damages to property which may arise out of or result from the operation, maintenance, or use of the Mobility System and the Enterprise's EMPV.

- C. The Enterprise shall maintain the following insurance coverages:

ORDINANCE NO. 2020-07

CINDY MURRAY

AN ORDINANCE AUTHORIZING THE CITY OF LAFAYETTE, INDIANA TO ISSUE ITS TAXABLE ECONOMIC DEVELOPMENT SUBORDINATE REVENUE BONDS (NOVA TOWER PROJECT) AND AUTHORIZING AND APPROVING OTHER ACTIONS IN CONNECTION THEREWITH

WHEREAS, the City of Lafayette, Indiana (“City”) is a municipal corporation and political subdivision of the State of Indiana and by virtue of Indiana Code 36-7-11.9 and Indiana Code 36-7-12 (collectively, the “Act”), is authorized and empowered to adopt this ordinance (the “Bond Ordinance”) and to carry out its provisions; and

WHEREAS, Nova Tower, LLC (together with any affiliate or designee thereof, the “Company”) has advised the Lafayette Economic Development Commission (the “Commission”) and the City that it proposes that the City issue certain taxable economic development subordinate revenue bonds, as further described herein, in an amount not to exceed One Million Nine Hundred Thousand Dollars (\$1,900,000) (the “Bonds”) under the Act for the purpose of financing a portion of the costs of the construction of a mixed-use development consisting of approximately seventy-six (76) apartments, six thousand (6,000) square feet of retail/office space and structured parking, together with any necessary appurtenances, related improvements and equipment, to be located at 200 South Fourth Street in the City, in or physically connected to the Consolidated Creasy/Central Economic Development Area, capitalized interest, if any, a debt service reserve, if necessary, and costs of issuance related to the financing (collectively, the “Project”); and

WHEREAS, the financing of a portion of the Project results in the diversification of industry, the creation and retention of jobs, the creation and retention of business opportunities in the City, and will be of public benefit to the health, safety and general welfare of the City and its citizens; and

WHEREAS, on December 19, 2019, the Commission conducted a public hearing in accordance with Act and Indiana Code 5-3-1, and adopted its resolution finding that the financing of a portion of the Project complies with the purposes and provisions of the Act and that such financing will be of benefit to the health and general welfare of the City; and

WHEREAS, the Commission has heretofore approved and recommended the adoption of this form of ordinance by this Council, has considered the issue of adverse competitive effect and has approved the forms of and has transmitted for approval by the Council, the forms of (i) a Financing Agreement, between the City and the Company; (ii) a Trust Indenture, with respect to the Bonds (the “Indenture”), between the City and a trustee to be selected by the City (the “Trustee”) (clauses (i) and (ii), the “Financing Documents”); and (iii) this Bond Ordinance; and

NOW, THEREFORE, BE IT ORDAINED BY THE COMMON COUNCIL OF THE CITY OF LAFAYETTE, INDIANA, THAT:

Section 1. The Council hereby finds and determines that the Project involves the acquisition, construction and equipping of an “economic development facility” as that phrase is

used in the Act; that the Project will create employment opportunities and diversification of economic development in the City, will improve and promote the economic stability, development and welfare in the City, will encourage and promote the expansion of industry, trade and commerce in the City and the location of other new industries in the City; that the public benefits to be accomplished by this Bond Ordinance, intending to overcome insufficient employment opportunities and insufficient diversification of industry, are greater than the cost of public services (as that phrase is used in the Act) which will be required by the Project; and, therefore, that the financing of the Project by the issue of the Bonds under the Act: (i) will be of benefit to the health and general welfare of the City and (ii) complies with the Act.

Section 2. The proposed financing of a portion of the Project, and the financing of certain costs related to the issuance of the Bonds, including capitalized interest, if any, and the funding of a debt service reserve, if necessary, as further described in the Financing Documents, by the issuance of the Bonds under the Act, in the form that such financing was approved by the Commission, is hereby approved. The Bonds shall be payable solely from the TIF Revenues (as defined in the Trust Indenture), on a parity with the Outstanding Parity Obligations and junior and subordinate to the Outstanding Senior Obligations and Taxpayer Payments (each as defined in the Trust Indenture). The Bonds and the interest thereon do not and shall never constitute an indebtedness of, or a charge against the general credit or taxing power of, the City, but shall be special and limited obligations of the City, payable solely from the TIF Revenues.

Forms of the Financing Documents are before this meeting and are by this reference incorporated in this Bond Ordinance, and the Clerk of the City is hereby directed, in the name and on behalf of the City, to insert them into the minutes of the Council and to keep them on file.

The Mayor and the Controller of the City are hereby authorized and directed, to select a financial institution to serve as the Trustee.

Section 7. The Mayor and the Controller of the City are hereby authorized, in the name and on behalf of the City, without further approval of the Council or the Commission, to approve such changes in the Financing Documents as may be permitted by the Act, such approval to be conclusively evidenced by their execution thereof.

Section 9. The provisions of this Bond Ordinance and the Financing Documents shall constitute a binding contract between the City and the holders of the Bonds, and after issuance of the Bonds this Bond Ordinance shall not be repealed or amended in any respect which would adversely affect the rights of the holders of the Bonds as long as the Bonds or interest thereon remains unpaid.

Section 10. All ordinance or parts of ordinances in conflict herewith are hereby repealed.

Section 11. This Bond Ordinance shall be in full force and effect immediately upon adoption.

Section 12. Two copies of the Financing Agreements incorporated into this Bond Ordinance were duly filed in the office of the Controller of the City, and are available for public inspection in accordance with Indiana Code § 36-1-5-4.

Section 2.7. Delivery of Bonds. The Trustee shall authenticate the Bonds and deliver them to the purchasers thereof upon receipt of a copy, duly certified by the Clerk of the Issuer, of the Bond Ordinance authorizing the execution and delivery of the Financing Agreement and this Indenture and the issuance of the Bonds, and delivery of the following.

- (1) An executed counterpart of the Financing Agreement and this Indenture.
- (2) A written request of the Issuer to the Trustee requesting the Trustee to authenticate, or cause to be authenticated, and deliver the Bonds in the Authorized Amount to the purchasers thereof.
- (3) A copy of (a) the ordinance adopted by the Common Council of the Issuer approving the execution and delivery of the Financing Agreement and the Indenture, (b) the

Pledge Resolution and (c) such other documents as the Trustee shall be notified in writing by bond counsel or the Issuer to be required to be delivered to the Trustee.

The proceeds of the Bonds shall be paid over to the Trustee and deposited as hereinafter provided under Section 3.1 hereof.

Section 2.8. Additional Bonds. Additional bonds may be issued on a parity with the original bonds subject to the terms and limitations of this section. Additional bonds may be issued: (i) to refund all or a portion of one or more series of bonds outstanding hereunder, if such bonds may otherwise be refunded and (ii) financing the cost or estimated cost of completing the Project or of acquiring and/or constructing additional improvements to the Project, and, in each case, obtaining additional funds to pay the costs to be incurred in connection with the issuance of such Additional Bonds, to establish reserves with respect thereto and to pay interest during the estimated construction period of completing the additional improvements, if any.

Prior to the delivery by the Issuer of any such Additional Bonds there shall be filed with the Trustee:

(a) A supplement to this Indenture executed by the Issuer and the Trustee authorizing the issuance of such Additional Bonds, specifying the terms thereof, pledging and assigning the Additional Note being then currently issued as security therefor and providing for the disposition of the proceeds of the sale thereof.

(b) Any supplement or amendment to the Financing Agreement.

(c) If Additional Bonds are payable from TIF Revenues, a report or a certificate prepared by an independent certified public accountant or an independent financial advisor selected by the Issuer, supported by appropriate calculations, stating that the requirements for such additional obligations contained in any resolution or ordinance pledging the TIF Revenues shall have been met.

(d) A copy, duly certified by the Controller of the Issuer, of the Bond Ordinance theretofore adopted and approved by the Issuer authorizing the execution and delivery of such supplemental indenture and the issuance of such Additional Bonds.

(e) A written request of the Issuer to the Trustee to authenticate and deliver such Additional Bonds.

(f) An opinion of bond counsel selected by the Issuer to the effect that (i) such supplement to this Indenture has been duly executed by the Issuer and constitutes the valid and binding obligation of the Issuer enforceable against the Issuer in accordance with its terms; and (ii) the Additional Bonds have been duly and validly authorized and issued by the Issuer and constitute the valid and binding limited obligations of the Issuer enforceable against the Issuer in accordance with their terms. The opinion of bond counsel may be qualified as to such matters as are acceptable to the Issuer, and include, without limitation, customary exceptions as to bankruptcy, insolvency and other laws affecting creditors' rights generally and customary exceptions as to principles of equity.

Any Additional Bonds issued in accordance with the terms of this Section 2.8 shall be secured by this Indenture, but such Additional Bonds may bear such date or dates, such interest rate or rates, and with such maturities, redemption dates and premiums as may be agreed upon by the Issuer and the purchaser of such Additional Bonds.

Section 2.9. Mutilated, Lost, Stolen or Destroyed Bonds. In the event any Bond is mutilated, lost, stolen or destroyed, then, in the absence of notice to the Trustee that such Certificate has been acquired by a bona fide purchaser, the Issuer, through the Trustee, may execute and the Trustee may authenticate a new Bond of like date, maturity and denomination as that mutilated, lost, stolen or destroyed; provided that, in the case of any mutilated Bond, such mutilated Bond shall first be surrendered to the Issuer, and in the case of any lost, stolen or destroyed Bond, there shall be first furnished to the Trustee evidence of such loss, theft or destruction satisfactory to the Trustee, together with indemnity satisfactory to it.

In the event any such Bond shall have matured, instead of issuing a duplicate Bond the Issuer may pay the same without surrender thereof; provided, however, that in the case of a lost, stolen or destroyed Bond, there shall be first furnished to the Trustee evidence of such loss, theft or destruction satisfactory to the Trustee; together with indemnity satisfactory to it. The Trustee may charge the holder or owner of such Bond with their reasonable fees and expenses in this connection. Any Bond issued pursuant to this Section 2.9 shall be deemed part of the original series of Bonds in respect of which it was issued and an original additional contractual obligation of the Issuer.

Section 2.10. Registration and Exchange of Bonds: Persons Treated as Owners. The Issuer shall cause books for the registration and for the transfer of the Bonds as provided in this Indenture to be kept by the Trustee which is hereby constituted and appointed the registrar of the Issuer. Upon surrender for transfer of any fully registered Bond at the corporate trust office of the Trustee, duly endorsed by, or accompanied by a written instrument or instruments of transfer in form satisfactory to the Trustee and duly executed by the registered owner or his attorney duly authorized in writing, the Issuer shall execute and the Trustee shall authenticate and deliver in the name of the transferee or transferees a new fully registered Bond or Bonds of the same series and the same maturity for a like aggregate principal amount. The execution by the Issuer of any fully registered Bond without coupons of any denomination shall constitute full and due authorization of such denomination, and the Trustee shall thereby be authorized to authenticate and deliver such registered Bond. The costs of such transfer or exchange shall be borne by the Issuer. The Trustee shall not be required to transfer or exchange any fully registered Bond during the period between the Record Date and any interest payment date of such Bond, nor to transfer or exchange any Bond after the mailing of notice calling such Bond for redemption has been made, nor during a period of fifteen (15) days next preceding mailing of a notice of redemption of any Bonds.

Section 2.11. Registered Owners of Bonds; Book-Entry. As to any fully registered Bond without coupons, the person in whose name the same shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of principal or interest thereon, shall be made only to or upon the order of the registered owner thereof or his legal representative, but such registration may be changed as hereinabove provided. All such payments

shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

[In the event the Issuer determines that it is beneficial to have the Bonds held by a central depository system pursuant to an agreement between the Issuer and The Depository Trust Company and have transfers of the bonds affected by book-entry on the books of the central depository system, then the bonds shall be initially issued in the form of a separate single authenticated fully registered bond for the aggregate principal amount of each separate maturity of the bonds. Upon initial issuance, the ownership of such bonds shall be registered in the register kept by the Registrar in the name of CEDE & CO., as nominee of The Depository Trust Company.

With respect to the bonds registered in the register kept by the Paying Agent in the name of CEDE & CO., as nominee of The Depository Trust Company, the Issuer and the Paying Agent shall have no responsibility or obligation to any other holders or owners (including any beneficial owner ("Beneficial Owner") of the bond with respect to (i) the accuracy of the records of The Depository Trust Company, CEDE & CO., or any Beneficial Owner with respect to ownership questions, (ii) the delivery to any bondholder (including any Beneficial Owner) or any other person, other than The Depository Trust Company, of any notice with respect to the bond including any notice of redemption, or (iii) the payment to any bondholder (including any Beneficial Owner) or any other person, other than The Depository Trust Company, of any amount with respect to the principal of, or premium, if any, or interest on the bond except as otherwise provided herein.

No person other than The Depository Trust Company shall receive an authenticated bond evidencing an obligation of the Issuer to make payments of the principal of and premium, if any, and interest on the bond pursuant to the Indenture. The Issuer and the Registrar and Paying Agent may treat as and deem The Depository Trust Company or CEDE & CO. to be the absolute bondholder of each of the bonds for the purpose of (i) payment of the principal of and premium, if any, and interest on such bond; (ii) giving notices of redemption and other notices permitted to be given to bondholders with respect to such bond; (iii) registering transfers with respect to such bond; (iv) obtaining any consent or other action required or permitted to be taken of or by bondholders; (v) voting; and (vi) for all other purposes whatsoever. The Paying Agent shall pay all principal of and premium, if any, and interest on the bond only to or upon the order of The Depository Trust Company, and all such payments shall be valid and effective fully to satisfy and discharge the Issuer's and the Paying Agent's obligations with respect to principal of and premium, if any, and interest on the bond to the extent of the sum or sums so paid. Upon delivery by The Depository Trust Company to the Issuer of written notice to the effect that The Depository Trust Company has determined to substitute a new nominee in place of CEDE & CO., and subject to the provisions herein with respect to consents, the words "CEDE & CO." in this Indenture shall refer to such new nominee of The Depository Trust Company. Notwithstanding any other provision hereof to the contrary, so long as any bond is registered in the name of CEDE & CO as nominee of The Depository Trust Company, all payments with respect to the principal of and premium, if any, and interest on such bond and all notices with respect to such bond shall be made and given, respectively, to The Depository Trust Company as provided in a representation letter from the Issuer to The Depository Trust Company.

Upon receipt by the Issuer of written notice from The Depository Trust Company to the effect that The Depository Trust Company is unable or unwilling to discharge its responsibilities and no substitute depository willing to undertake the functions of The Depository Trust Company hereunder can be found which is willing and able to undertake such functions upon reasonable and customary terms, then the bond shall no longer be restricted to being registered in the register of the Issuer kept by the Registrar in the name of CEDE & CO., as nominee of The Depository Trust Company, but may be registered in whatever name or names the bondholders transferring or exchanging bond shall designate, in accordance with the provisions of the Indenture.

If the Issuer determines that it is in the best interest of the bondholders that they be able to obtain certificates for the fully registered bond, the Issuer may notify The Depository Trust Company and the Registrar, whereupon The Depository Trust Company will notify the Beneficial Owners of the availability through The Depository Trust Company of certificates for the bond. In such event, the Registrar shall prepare, authenticate, transfer and exchange certificates for the bond as requested by The Depository Trust Company and any Beneficial Owners in appropriate amounts, and whenever The Depository Trust Company requests the Issuer and the Registrar to do so, the Registrar and the Issuer will cooperate with The Depository Trust Company by taking appropriate action after reasonable notice (i) to make available one or more separate certificates evidencing the fully registered bond of any Beneficial Owner's Depository Trust Company account or (ii) to arrange for another securities depository to maintain custody of certificates for and evidencing the bond.

If the bond shall no longer be restricted to being registered in the name of a depository trust company, the Registrar shall cause the bond to be printed in blank in such number as the Registrar shall determine to be necessary or customary; provided, however, that the Registrar shall not be required to have such bond printed until it shall have received from the Issuer indemnification for all costs and expenses associated with such printing.

In connection with any notice or other communication to be provided to bondholders by the Issuer or the Registrar with respect to any consent or other action to be taken by bondholders, the Issuer or the Registrar, as the case may be, shall establish a record date for such consent or other action and give The Depository Trust Company notice of such record date not less than fifteen (15) calendar days in advance of such record date to the extent possible.

So long as the bonds are registered in the name of The Depository Trust Company or CEDE & CO. or any substitute nominee, the Issuer and the Registrar and Paying Agent shall be entitled to request and to rely upon a certificate or other written representation from the Beneficial Owners of the bond or from The Depository Trust Company on behalf of such Beneficial Owners stating the amount of their respective beneficial ownership interests in the bond and setting forth the consent, advice, direction, demand or vote of the Beneficial Owners as of a record date selected by the Registrar and The Depository Trust Company, to the same extent as if such consent, advice, direction, demand or vote were made by the bondholders for purposes of this Indenture and the Issuer and the Registrar and Paying Agent shall for such purposes treat the Beneficial Owners as the bondholders. Along with any such certificate or representation, the Registrar may request The Depository Trust Company to deliver, or cause to be delivered, to the

Registrar a list of all Beneficial Owners of the bond, together with the dollar amount of each Beneficial Owner's interest in the bond and the current addresses of such Beneficial Owners.

If the Book-Entry System is no longer in effect, registered owners of bonds may, upon surrender thereof at the principal corporate trust office of the Trustee with a written instrument of transfer satisfactory to the Trustee, exchange a bond or bonds for a bond or Bonds of equal aggregate principal amount of the same maturity and interest rate of any authorized denominations. For every exchange or transfer of bonds, the Trustee may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer, which shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer. The cost of preparing each new bond upon each exchange or transfer, and any other expenses of the Trustee incurred in connection therewith (except any applicable tax, fee or other governmental charge) shall be paid by the Issuer. The Trustee shall not be obliged to make any transfer or exchange of any bond called for redemption within thirty days of the redemption date.]

(b) On or before each February 1 and August 1, following the issuance of the Bonds, there shall be deposited in the Bond Fund, as and when received, pledged TIF Revenues in an amount sufficient to first (i) pay any interest currently due and outstanding, plus Trustee fees coming due within the next six (6) months with respect to the Bonds and (ii) pay as much principal as possible due on the Bonds on the next February 1 or August 1. The Issuer hereby covenants and agrees that so long as any of the Bonds issued hereunder are outstanding it will deposit, or cause to be paid to the Trustee for deposit in the Bond Fund for its account, sufficient sums from revenues and receipts derived from the TIF Revenues, on a parity with the Outstanding Parity Obligations and junior and subordinate to the Outstanding Senior Obligations, and Taxpayer Payments, promptly to meet and pay the principal of and interest on the Bonds as the same become due and payable together with such Trustee fees. Nothing herein should be construed as requiring the Issuer to deposit or cause to be paid to Trustee for deposit in the Bond Fund funds from any source other than receipts derived from the TIF Revenues and Taxpayer Payments.

(c) The Controller of the Issuer shall set aside immediately upon receipt the TIF Revenues into the Allocation Fund created under Indiana Code 36-7-14 and the Taxpayer Payments and transfer the TIF Revenues and Taxpayer Payments in the amount thereof specified in subsection (b) above to the Trustee for application in accordance with this Indenture. The Trustee is hereby directed to deposit such TIF Revenues and Taxpayer Payments into the Bond Fund in the manner prescribed in this Section 4.2 and in Section 4.4. Moneys in the Bond Fund shall be used by the Trustee to pay the interest on and principal of the Bonds as the same becomes due together with the Trustee fees described in subsection (a). Taxpayer Payments shall be applied to the payment of debt service due on the Bonds on the next payment date. Any amounts of principal and interest on the Bonds not paid due to insufficient TIF Revenues shall not be deemed an Event of Default.

Section 4.3. Project Fund. The Issuer shall establish and maintain a separate fund to be known as the “Nova Tower Project Fund” (the “Project Fund”) in the custody of the Trustee, to the credit of which deposits are to be made as required by the provisions of Section 3.1 hereof. (c) Except as set for in subparagraph (a) of this Section 4.3, moneys on deposit in the Construction Account shall be disbursed by the Trustee in accordance with the provisions of this Section 4.3 to pay the costs of the Project. Subject to the provisions below and to any applicable representations, warranties and covenants contained in the Indenture or the Financing Agreement, disbursements from the Project Fund shall be made only to pay (or to reimburse the Company for payment of) Project Costs described below, upon receipt by the Trustee of the written request in the form attached hereto as Exhibit B and signed by the Authorized Representative of the Company [and approved by an Authorized Representative of the Issuer] (the “Disbursement Request”). Each such written request shall be consecutively numbered and accompanied by invoices or other documentation supporting the payments or reimbursements requested.

Any disbursements from the Construction Account described above to pay such fees, costs or expenses (or to reimburse the Company for the payment of such fees, costs or expenses) will be made by the Trustee only upon receipt of the Disbursement Request of an Authorized Representative of the Company [and approved by an Authorized Representative of the Issuer]. The Trustee will not make any disbursements from the Construction Account without such a written request.

The Trustee shall cause to be kept and maintained accurate records pertaining to the Project Fund and all disbursements therefrom. If requested by the Company or the Issuer, the Trustee shall file copies of the records pertaining to the Project Fund and all disbursements from such fund with the Issuer and the Company.

(d) Following the completion of the Project, the Issuer will file a written completion certificate with the Trustee along with a certificate of the Authorized Representative of the Company, within fifteen (15) days after the completion of the Project, stating:

(i) that the Project has been constructed and/or acquired, delivered and installed on the Project site and the date of completion;

(ii) that the Company has made such investigation of such sources of information as are deemed by the Company to be necessary and is of the opinion that the Project has been fully paid for and that no claim or claims exist against the Company or the Issuer or against the properties of either out of which a lien based on furnishing labor or material for the Project exists or might ripen; provided, however, there may be excepted from the foregoing statement any claim or claims out of which a lien exists or might ripen in the event that the Company or the Issuer intends to contest such claim or claims, in which event such claim or claims shall be described; provided, further, however, that it shall be stated that funds are on deposit in the Project Fund sufficient to make payment of the full amount which might in any event be payable in order to satisfy such claim or claims.

If such certificate shall state that there is a claim or claims in controversy which create or might ripen into a lien, there shall be filed with the Issuer and the Trustee a certificate of the Company or Issuer when and as such claim or claims shall have been fully paid.

If, after payment of all costs of the Project requested by the Company, there shall remain any balance of moneys in the Project Fund, the Issuer shall transfer all moneys then in such Project Fund to the Bond Fund. The Company shall provide the Trustee with written notice when all costs of the Project payable from the Project Fund have been paid.

On the date of delivery of the Bonds, the Issuer will deposit proceeds of the bonds in the amount of \$_____ to satisfy the Reserve Requirement, and will invest such funds pursuant to the Indenture. The Trustee shall maintain the Debt Service Reserve Fund and shall disburse the funds held in the Debt Service Reserve Fund solely for the timely payment of interest on and principal of the bonds, and only if moneys in the Bond Fund are insufficient to pay principal of and interest on the bonds after taking into account available funds on deposit in the Bond Fund and after making all transfers required to be made under the Indenture. Such disbursement shall be on the date which is two (2) business days prior to the next preceding Interest Payment Date.

The Bonds are redeemable at the option of the Issuer, but no sooner than one (1) year after the date of their issuance, and thereafter on any date, upon thirty (30) days' notice, in whole or in part, in order of maturity determined by Issuer and by lot within maturities, at face value, plus accrued interest to the date fixed for redemption, and without any premium, plus in each case accrued interest to the date fixed for redemption. The exact redemption dates shall be established by the City, with the advice of the City's municipal advisor, prior to the sale of the Bonds.

If fewer than all of the Bonds at the time outstanding are to be called for redemption, the maturities of Bonds or portions thereof to be redeemed shall be selected by the Trustee at the direction of the Issuer. If fewer than all of the Bonds within a maturity are to be redeemed, the Trustee shall apply moneys available for redemption on a pro rata basis, based on the respective portion of the principal amount of Bonds held by the respective owners of the Bonds within such maturity that shall be redeemed.

[The Bonds maturing on _____ are subject to mandatory sinking fund redemption prior to maturity as set forth in Section 2.2 hereof.]

Section 5.2. Notice of Redemption. In the case of redemption of Bonds pursuant to Section 5.1 hereof, notice of the call for any such redemption identifying the Bonds, or portions of fully registered Bonds, to be redeemed shall be given by mailing a copy of the redemption notice by first class mail not less than thirty (30) days nor more than forty-five (45) days prior to the date fixed for redemption to the registered owner of each Bond to be redeemed at the address shown on the registration books. Such notice of redemption shall specify, in the event of a partial redemption, the Bond numbers and called amounts of each Bond, the redemption date, redemption price, interest rate, maturity date and the name and address of the Trustee; provided, however, that failure to give such notice by mailing, or any defect therein, with respect to any such registered Bond shall not affect the validity of any proceedings for the redemption of other Bonds. With respect to any notice provided in accordance with this Section 5.2, such notice may state that such redemption shall be conditional upon the receipt by the Trustee, on or prior to the date fixed for such redemption, of moneys sufficient to pay the principal of, and premium, if any, and interest on, such Bonds to be redeemed, and that if such moneys shall not have been so received said notice shall be of no further force and effect and the Issuer shall not be required to redeem such Bonds. In the event that such notice of redemption contains such a condition and such moneys are not so received, the redemption shall not be made and the Trustee shall promptly thereafter give notice to such holders, in the manner in which the notice of redemption was given, that such moneys were not so received.

On and after the redemption date specified in the aforesaid notice, such Bonds, or portions thereof, thus called shall not bear interest, shall no longer be protected by this Indenture and shall not be deemed to be outstanding under the provisions of this Indenture, and the holders

thereof shall have the right only to receive the redemption price thereof plus accrued interest thereon to the date fixed for redemption.

Section 5.3. Cancellation. All Bonds which have been redeemed in whole shall be canceled and cremated or otherwise destroyed by the Trustee and shall not be reissued and a counterpart of the certificate of cremation or other destruction evidencing such cremation or other destruction shall, upon request, be furnished by the Trustee to the Issuer.

Section 5.4. Redemption Payments. Prior to the date fixed for redemption in whole, funds shall be deposited with Trustee to pay, and Trustee is hereby authorized and directed to apply such funds to the payment of the Bonds or portions thereof called, together with accrued interest thereon to the redemption date. Upon the giving of notice and the deposit of funds for redemption, interest on the Bonds thus called shall no longer accrue after the date fixed for redemption. No payment shall be made by the Trustee upon any Bond until such Bond shall have been delivered for payment or cancellation or the Trustee shall have received the items required by Section 2.8 hereof with respect to any mutilated, lost, stolen or destroyed Bond.

Section 5.5. Partial Redemption of Bonds. If fewer than all of the Bonds at the time outstanding are to be called for redemption, the maturities of Bonds or portions thereof to be redeemed shall be selected by the Trustee at the direction of the Issuer. If fewer than all of the Bonds within a maturity are to be redeemed, the Trustee shall apply moneys available for redemption on a pro rata basis, based on the respective portion of the principal amount of Bonds held by the respective owners of the Bonds within such maturity that shall be redeemed. The Trustee shall call for redemption in accordance with the foregoing provisions as many Bonds or portions thereof as will, as nearly as practicable; exhaust the moneys available therefor.

If less than the entire principal amount of any registered Bond then outstanding is called for redemption, then upon notice of redemption given as provided in Section 5.2 hereof, the owner of such registered Bond shall forthwith surrender such Bond to the Trustee in exchange for (a) payment of the redemption price of, plus accrued interest on the principal amount called for redemption and (b) a new Bond or Bonds of like series in an aggregate principal amount equal to the unredeemed balance of the principal amount of such registered Bond, which shall be issued without charge therefor.

The Bonds do not grant the owners or holders thereof any right to have the Issuer, the State of Indiana or its General Assembly, or any political subdivision or taxing authority of the State of Indiana, levy any taxes or appropriate any funds for the payment of the principal of or interest on the Bonds. The Issuer has no taxing power with respect to the Bonds. Section 6.2. Performance of Covenants. The Issuer covenants that it will faithfully perform at all times any and all covenants, undertakings, stipulations and provisions contained in this Indenture, in any and every Bond executed, authenticated and delivered hereunder and in all proceedings of its members pertaining thereto. The Issuer represents that it is duly authorized under the constitution and laws of the State of Indiana to issue the Bonds authorized hereby and to execute this Indenture, pledge the TIF Revenues, on a parity with the Outstanding Parity Obligations and junior and subordinate to the Outstanding Senior Obligations, and the Taxpayer Payments in the manner and to the extent herein set forth; that all action on its part for the issuance of the Bonds and the execution and delivery of this Indenture has been duly and

effectively taken, and that the Bonds in the hands of the holders and owners thereof are and will be valid and enforceable obligations of the Issuer according to the import thereof.

Section 6.3. Filing of Indenture and Security Instruments. The Issuer shall cause this Indenture and all supplements thereto as well as such other security instruments, financing statements and all supplements thereto and other instruments as may be required from time to time to be filed in such manner and in such places as may be required by law in order to fully preserve and protect the lien hereof and the security of the holders and owners of the Bonds and the rights of the Trustee hereunder. This Section 6.3 shall impose no duty to record or file the instruments noted above where filing or recordation is not required by law in order to perfect a security interest. Continuation of financing statements may be filed without consent of the debtor parties thereto.

Section 6.4. Inspection of Books. The Issuer covenants and agrees that all books and documents in its possession relating to the Project shall at all times be open to inspection by such accountants or other agents as the Trustee may from time to time designate.

Section 6.5. List of Bondholders. The Trustee will keep on file at the principal office of the Trustee a list of names and addresses of the holders of all Bonds. At reasonable times and under reasonable regulations established by the Trustee, said list may be inspected and copied by the holders and/or owners (or a designated representative thereof) of [25%] or more in principal amount of Bonds then outstanding, such ownership and the authority of any such designated representative to be evidenced to the satisfaction of the Trustee.

Section 6.6. Rights Under Financing Agreement. The Issuer agrees that the Trustee in its name or in the name of the Issuer may enforce all rights of the Issuer and all obligations of the Company under and pursuant to the Financing Agreement (except the rights reserved to the Issuer therein) for and on behalf of the Bondholders, whether or not the Issuer is in default hereunder.

Section 6.7. Investment of Funds. With respect to any moneys held by the Trustee under any Fund established hereunder, the funds may be invested in Qualified Investments at the written direction of the Issuer. In the absence of such direction from the Issuer, the Trustee shall hold such amounts uninvested in cash, with no liability for interest. The Trustee may conclusively rely upon the Issuer's written instructions as to both the suitability and legality of the directed investments and such written direction shall be deemed to be a certification that such directed investments constitute Qualified Investments. The Trustee has no investment discretion. Ratings of Qualified Investments shall be determined at the time of initial purchase of such Qualified Investments and without regard to ratings subcategories and the Trustee shall have no shall have no responsibility to monitor the ratings of Qualified Investments after the initial purchase of such Qualified Investments, including at the time of reinvestment of earnings thereof. With respect to any moneys held by the Issuer under any Fund established by this Indenture, the Issuer may invest such moneys in Qualified Investments as it deems appropriate. Investments of moneys in the Bond Fund shall mature or be redeemable at the option of the Trustee at the times and in the amounts necessary to provide moneys to pay the principal of and interest on the Bonds by redemption or otherwise. All income derived from the investment of moneys on deposit in such Fund shall be deposited in or credited to and any loss resulting from

such investment will be charged to the corresponding Fund from which such investment was made.

The Trustee is hereby authorized to trade with itself in the purchase and sale of securities for investments. Neither the Trustee nor the Issuer shall be liable or responsible for any loss resulting from any investment. All such investments shall be held by or under the control of the Trustee or the Issuer, as applicable, and any income resulting therefrom shall be applied in the manner specified in this Indenture.

Although the Company and the Issuer each recognize that they may obtain a broker confirmation or written statement containing comparable information at no additional cost, the Company and the Issuer each hereby agree that confirmations of investments are not required to be issued by the Trustee for each month in which a monthly statement is rendered. Unless otherwise requested by the Company or the Issuer, as the case may be, no statement need be rendered for any fund or account if no activity occurred in such fund or account during such month

The Trustee may elect, but shall not be obligated, to credit the funds and accounts held by it with moneys representing income or principal payments due on, or sales proceeds due in respect of, Qualified Investments in such funds and accounts, or to credit to Qualified Investments intended to be purchased with such moneys, in each case before actually receiving the requisite moneys from the payment source, or to otherwise advance funds for account transactions. The Company and the Issuer each acknowledge that the legal obligation to pay the purchase price of any Qualified Investments arises immediately at the time of the purchase. Notwithstanding anything else in this Indenture, (i) any such crediting of funds or assets shall be provisional in nature, and the Trustee shall be authorized to reverse any such transactions or advances of funds in the event that it does not receive good funds with respect thereto, and (ii) nothing in this Indenture shall constitute a waiver of any of the Trustee's rights as a securities intermediary under Uniform Commercial Code §9-206.

Section 6.8. Non-presentment of Bonds. In the event any Bond shall not be presented for payment when the principal thereof becomes due, either at maturity, or at the date fixed for redemption thereof (other than in connection with a mandatory sinking fund payment), or otherwise, if funds sufficient to pay any such Bond shall have been made available to Trustee for the benefit of the holder or holders thereof, all liability of Issuer to the holder thereof for the payment of such Bond shall forthwith cease, determine and be completely discharged, and thereupon it shall be the duty of Trustee to hold such funds for four (4) years without liability for interest thereon; for the benefit of the holder of such Bond, who shall thereafter be restricted exclusively to such funds, for any claim of whatever nature on his part under this Indenture or on, or with respect to, such Bond.

Any moneys so deposited with and held by the Trustee not so applied to the payment of Bonds within four (4) years after the date on which the same shall become due shall be repaid by Trustee to the Issuer and thereafter Bondholders shall be entitled to look only to the Issuer for payment, and then only to the extent of the amount so repaid.

(v) No waiver of any event of default hereunder, whether by the Trustee or by the Bondholders, shall extend to or shall affect any subsequent event of default or shall impair any rights or remedies consequent thereon.

Section 7.3. Right of Bondholders to Direct Proceedings. The Requisite Bondholders shall have the right, at any time, by an instrument or instruments in writing executed and delivered to the Trustee, to direct the time, the method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of this Indenture, or for the appointment of a receiver or any other proceedings hereunder; provided, that such direction shall not be otherwise than in accordance with the provisions of law and of this Indenture.

Section 7.4. Application of Moneys. All moneys received by the Trustee pursuant to any right given or action taken under the provisions of this Article and any other moneys held as part of the Trust Estate shall, after payment of the cost and expenses of the proceedings resulting in the collection of such moneys and of the expenses, liabilities and advances incurred or made by the Trustee or the Issuer, and the creation of a reasonable reserve for anticipated fees, costs and expenses, be deposited in the Bond Fund and all moneys in the Bond Fund shall be applied as follows:

First: To the payment to the persons entitled thereto of all installments of interest then due on the Bonds, in the order of the maturity of the installments of such interest, and if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installment, to the persons entitled thereof, without any discriminations or privilege; and

Second: To the payment to the persons entitled thereto of the unpaid principal of the Bonds which shall have become due (other than Bonds called for redemption for the payment of which moneys are held pursuant to the provisions of this Indenture), in the order of their due dates, with interest on such Bonds from the respective dates upon which they become due, and if the amount available shall not be sufficient to pay in full Bonds due on any particular date, together with such interest, then to the payment ratably, according to the amount of principal due on such date, to the persons entitled thereto without any discrimination or privilege.

Third: To the payment of the balance, if any, to the Issuer or to whomsoever may be lawfully entitled to receive the same upon its written request, or as any court of competent jurisdiction may direct.

Whenever moneys are to be applied pursuant to the provisions of this Section, such moneys shall be applied at such times, and from time to time, as the Trustee shall determine, having due regard to the amount of such moneys available for application and the likelihood of additional moneys becoming available for such application in the future. Whenever the Trustee shall apply such funds, it shall fix the date (which shall be an interest payment date unless it shall deem another date more suitable) upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such dates shall cease to accrue. The Trustee shall give such notice as it may deem appropriate of the deposit with it of any such moneys and of the fixing of any such date and shall not be required to make payment to the holder of any

Bond until such Bond shall be presented to the Trustee for appropriate endorsement or for cancellation if fully paid.

Section 7.5. Remedies Vested In Trustee. All rights of action (including the right to file proof of claims) under this Indenture or under any of the Bonds may be enforced by the Trustee without the possession of any of the Bonds or the production thereof in any trial or other proceedings relating thereto, and any such suit or proceeding instituted by the Trustee shall be brought in its name as Trustee without the necessity of joining as plaintiffs or defendants any holders of the Bonds, and any recovery of judgment shall, subject to the provisions of Section 7.4 hereof, be for the equal benefit of the holders of the outstanding Bonds.

Section 7.6. Rights and Remedies of Bondholders. No holder of any Bond shall have any right to institute any suit, action or proceeding in equity or at law for the enforcement of this Indenture or for the execution of any trust thereof or for the appointment of a receiver or any other remedy hereunder, unless a default has occurred of which the Trustee has been notified as provided in subsection (g) of Section 8.1, or of which by said subsection it is deemed to have notice, nor unless also such default shall have become an event of default and the Requisite Bondholders shall have made written request to the Trustee and shall have offered reasonable opportunity either to proceed to exercise the powers hereinbefore granted or to institute such action, suit or proceeding in its own name, nor unless also they have offered to the Trustee indemnity as provided in Section 8.1 hereof, nor unless the Trustee shall thereafter fail or refuse to exercise the powers hereinbefore granted, or to institute such action, suit or proceeding in its, his, or their own name or names. Such notification, request and offer of indemnity are hereby declared in every case at the option of the Trustee to be conditions precedent to the execution of the powers and trusts of this Indenture, and to any action or cause of action for the enforcement of this Indenture, or for the appointment of a receiver or for any other remedy hereunder; it being understood and intended that no one or more holders of the Bonds shall have any right in any manner whatsoever to affect, disturb or prejudice the lien of this Indenture by its, his or their action or to enforce any right hereunder except in the manner herein provided, and that all proceedings at law or in equity shall be instituted, had and maintained in the manner herein provided and for the equal benefit of the holders of all Bonds then outstanding. Nothing in this Indenture contained shall, however, affect or impair the right of any Bondholder to enforce the covenants of the Issuer to pay the principal of and interest on each of the Bonds issued hereunder to the respective holders thereof at the time, place, from the source and in the manner in said Bonds expressed.

Section 7.7. Termination of Proceedings. In case the Trustee shall have proceeded to enforce any right under this Indenture by the appointment of a receiver, or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case the Issuer, the Company and the Trustee shall be restored to their former positions and rights hereunder, and all rights, remedies and powers of the Trustee shall continue as if no such proceedings had been taken.

Section 7.8. Waivers of Events of Default. The Trustee may in its discretion waive any event of default hereunder and its consequences and rescind any declaration of maturity of principal of and interest on the Bonds, and shall do so upon the written request of the holders of (1) all the Bonds then outstanding in respect of which default in the payment of principal or

interest exists, or (2) all Bonds then outstanding in the case of any other default; provided, however, that there shall not be waived without the consent of all Bondholders (a) any event of default in the payment of the principal of any outstanding Bonds at the date of maturity specified therein, or (b) any default in the payment when due of the interest on any such Bonds unless prior to such waiver or rescission, arrears of interest, with interest (to the extent permitted by law) at the rate borne by the Bonds in respect of which such default shall have occurred on overdue installments of interest or all arrears of payments of principal when due, as the case may be, and all expenses of the Trustee in connection with such default (including extraordinary services) shall have been paid or provided for, and in case of any such waiver or rescission, or in case any proceeding taken by the Trustee on account of any such default shall have been discontinued or abandoned or determined adversely, then and in every such case the Issuer, the Trustee and the Bondholders shall be restored to their former positions and rights hereunder, respectively, but no such waiver or rescission shall extend to any subsequent or other default, or impair any right consequent thereon.

ARTICLE VIII.

THE TRUSTEE

Section 8.1. Acceptance of the Trusts. The Trustee hereby accepts the trusts imposed upon it by this Indenture, and agrees to perform such duties and only such duties as are specifically set forth in this Indenture and no implied covenants or obligation shall be read into this Indenture against the Trustee. If any event of default under this Indenture shall have occurred and be continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture and shall use the same degree of care as a prudent person would exercise or use in the circumstance in the conduct of such person's own affairs.

(a) The Trustee may execute any of the trusts or powers hereof and perform any of its duties by or if appointed through attorneys, agents, receivers or employees but shall not be answerable for the conduct of the same in accordance with the standard specified above, and shall be entitled to advice of counsel concerning all matters of trusts hereof and the duties hereunder, and may in all cases pay such reasonable compensation to all such attorneys, agents, receivers and employees as may reasonably be employed in connection with the trusts hereof. The Trustee may act upon the opinion or advice of any attorney (who may be the attorney or attorneys for the Issuer or the Company). The Trustee shall not be responsible for any loss or damage resulting from any action or non-action in good faith in reliance upon such opinion or advice.

(b) The Trustee shall not be responsible for any recital herein, or in the Bonds (except in respect to the certificate of the Trustee endorsed on the Bonds), or for insuring the property herein conveyed or collecting any insurance moneys, or for the validity of the execution by the Issuer of this Indenture or of any supplements thereto or instruments of further assurance, or for the sufficiency of the security for the Bonds issued hereunder or intended to be secured hereby, or for the value or title of the property herein conveyed or otherwise as to the maintenance of the security hereof; and the Trustee shall not be bound to ascertain or inquire as to the performance or observance of any covenants, conditions or agreements on the part of the Issuer or on the part of the Company under the Financing Agreement; but the Trustee may require of the Issuer or the Company full information and advice as to the performance of the covenants, conditions and agreements aforesaid as to the condition of the property herein conveyed. The Trustee shall have no obligation to perform any of the duties of the Issuer under the Financing Agreement, and the Trustee shall not be responsible or liable for any loss suffered in connection with any investment of funds made by it in accordance with the provisions of this Indenture.

(c) The Trustee shall not be accountable for the use of any Bonds authenticated by it or delivered hereunder. The Trustee may become the owner of Bonds secured hereby with the same rights which it would have if not Trustee.

(d) The Trustee shall be protected in acting upon any notice, request, consent, certificate, order, affidavit, letter, telegram or other paper or document believed to be genuine and correct and to have been signed or sent by the proper person or persons. Any action taken by the Trustee pursuant to this Indenture upon the request or authority or consent of any person who

at the time of making such request or giving such authority or consent is the owner of any Bonds, shall be conclusive and binding upon all future owners of the same Bond and upon Bonds issued in exchange therefor or in place thereof.

(e) As to the existence or non-existence of any fact or as to the sufficiency or validity of any instrument, paper or proceeding, the Trustee shall be entitled to rely upon a certificate signed on behalf of the Issuer or the Company by its duly authorized officers as sufficient evidence of the facts therein contained and prior to the occurrence of a default of which the Trustee has been notified as provided in subsection (g) of this Section, or of which said subsection it is deemed to have notice, shall also be at liberty to accept a similar certificate to the effect that any particular dealing, transaction or action is necessary or expedient, but may at its discretion secure such further evidence deemed necessary or advisable, but shall in no case be bound to secure the same. The Trustee may accept a certificate of the Issuer or the Company under its seal to the effect that an ordinance or resolution in the form therein set forth has been adopted by the Issuer or the Company as conclusive evidence that such ordinance or resolution has been duly adopted, and is in full force and effect.

(f) The duties and obligations of the Trustee shall be determined solely by the express provisions of this Indenture, and the Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee.

(g) The Trustee shall not be required to take notice or be deemed to have notice of any event of default hereunder (other than payment of the principal and interest on the Bonds) unless a Responsible Officer of the Trustee shall be specifically notified in writing of such default by the Issuer or by the holders of at least [twenty-five percent (25%)] in aggregate principal amount of all Bonds then outstanding and all notices or other instruments required by this Indenture to be delivered to the Trustee must, in order to be effective, be delivered at the principal corporate trust office of the Trustee, and in the absence of such notice so delivered, the Trustee may conclusively assume there is no default except as aforesaid.

(h) At any and all reasonable times and upon reasonable prior written notice, the Trustee, and its duly authorized agents, attorneys, experts, engineers, accountants and representatives, shall have the right fully to inspect the Project, and to take such memoranda from and in regard thereto as may be desired.

(i) The Trustee shall not be required to give any Bonds or surety in respect of the execution of the said trusts and powers or otherwise in respect of the premises.

(j) Notwithstanding anything elsewhere in this Indenture contained, the Trustee shall have the right, but shall not be required, to demand, in respect of the authentication of any Bonds, the withdrawal of any cash, the release of any property, or any action whatsoever within the purview of this Indenture, any showings, certificates, opinions, appraisals or other information, or corporate action or evidence thereof, in addition to that by the terms hereof required as a condition of such action by the Trustee, deemed desirable for the authentication of any Bonds, the withdrawal of any cash, or the taking of any other action by the Trustee.

(k) Before taking any action under this Section 8.1 the Trustee may require that a satisfactory indemnity bond be furnished for the reimbursement of all expenses to which it may be put and to protect it against all liability, except liability which is adjudicated to have resulted from its gross negligence or willful misconduct in connection with any action so taken. Such indemnity shall survive the termination of this Indenture.

(l) All moneys received by the Trustee shall, until used or applied or invested as herein provided, be held in trust for the purposes for which they were received but need not be segregated from other funds except to the extent required by law. The Trustee shall not be under any liability for interest on any moneys received hereunder.

Section 8.2. Fees, Charges and Expenses of the Trustee. The Trustee shall be entitled to payment and/or reimbursement for reasonable fees for its services rendered hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust) and all advances, counsel fees and other expenses reasonably and necessarily made or incurred by the Trustee in connection with such services and, in the event that it should become necessary for the Trustee to perform extraordinary services, the Trustee shall be entitled to reasonable additional compensation therefor and to reimbursement for reasonable and necessary extraordinary expenses in connection therewith (including without limitation attorney's fees and expenses); provided that if such extraordinary services or extraordinary expenses are occasioned by the gross negligence or willful misconduct of the Trustee it shall not be entitled to compensation or reimbursement therefor. Upon an event of default, but only upon an event of default, the Trustee shall have a right of payment prior to payment on account of interest on or principal of any Bond for the foregoing advances, fees, costs and expenses incurred.

Section 8.3. Notice to Bondholders if Default Occurs. If an event of default occurs of which the Trustee is by subsection (g) of Section 8.1 hereof required to take notice or if notice of an event of default be given as in said subsection (g) provided, then the Trustee shall give written notice thereof by registered or certified mail to the last known holders of all Bonds then outstanding shown by the list of Bondholders required by the terms of this Indenture to be kept at the office of the Trustee.

Section 8.4. Intervention by Trustee. In any judicial proceeding to which the Issuer is a party and which in the reasonable judgment of the Trustee and its counsel has a substantial bearing on the interests of holders of the Bonds, the Trustee may intervene on behalf of Bondholders and, subject to the provisions of Section 8.1(k), shall do so if requested in writing by the Requisite Bondholders. The rights and obligations of the Trustee under this Section are subject to the approval of a court of competent jurisdiction.

Section 8.5. Successor Trustee. Any corporation or association into which the Trustee may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer its municipal corporate trust business and assets as a whole or substantially as a whole, or any corporation or association resulting from any such conversion, sale, merger, consolidation or transfer to which it is a party, ipso facto, shall be and become successor Trustee hereunder and vested with all of the title to the whole property or trust estate and all the trusts, powers, discretions, immunities, privileges and all other matters as was its predecessor, without the

execution or filing of any instrument or any further act, deed or conveyance on the part of any of the parties hereto, anything herein to the contrary notwithstanding.

Section 8.6. Resignation by the Trustee. The Trustee and any successor Trustee may at any time resign from the trusts hereby created by giving thirty days' written notice to the Issuer and the Company and by registered or certified mail to each registered owner of Bonds then outstanding and to each holder of Bonds as shown by the list of Bondholders required by this Indenture to be kept at the office of the Trustee, and such resignation shall take effect at the end of such thirty (30) days, or upon the earlier appointment of a successor Trustee by the Bondholders or by the Issuer. Such notice to the Issuer and the Company may be served personally or sent by registered or certified mail.

Section 8.7. Removal of the Trustee. The Trustee may be removed at any time upon thirty days' written notice by an instrument or concurrent instruments in writing delivered to the Trustee and to the Issuer and signed by all the Bondholders.

Section 8.8. Appointment of Successor Trustee by the Bondholders; Temporary Trustee. In case the Trustee hereunder shall resign or be removed, or be dissolved, or shall be in course of dissolution or liquidation, or otherwise become incapable of acting hereunder, or in case it shall be taken under control of any public officer or officers, or of a receiver appointed by a court, a successor may be appointed by the owners of a majority in aggregate principal amount of Bonds then outstanding, by an instrument or concurrent instruments in writing signed by such owners, or by their attorneys-in-fact, duly authorized; provided, nevertheless, that in case of such vacancy, the Issuer, by an instrument executed by one of its duly authorized officers, may appoint a temporary Trustee to fill such vacancy until a successor Trustee shall be appointed by the Bondholders in the manner above provided; and any such temporary Trustee so appointed by the Issuer shall immediately and without further act be superseded by the Trustee so appointed by such Bondholders. Every such Trustee appointed pursuant to the provisions of this Section shall be a trust company or Bank, having a reported capital and surplus of not less than Fifty Million Dollars (\$50,000,000) if there be such an institution willing, qualified and able to accept the trust upon reasonable or customary terms.

Section 8.9. Concerning Any Successor Trustees. Every successor Trustee appointed hereunder shall execute, acknowledge and deliver to its predecessor and also to the Issuer and the Company an instrument in writing accepting such appointment hereunder, and thereupon such successor, without any further act, deed or conveyance, shall become fully vested with all the estates, properties, rights, powers, trusts, duties and obligations of its predecessor; but such predecessor shall, nevertheless, on the written request of the Issuer, or of its successor, execute and deliver an instrument transferring to such successor Trustee all the estates, properties, rights, powers and trusts of such predecessor hereunder; and every predecessor Trustee shall deliver all securities and moneys held by it as Trustee hereunder to its successor. Should any instrument in writing from the Issuer be required by any successor Trustee for more fully and certainly vesting in such successor the estate, rights, powers and duties hereby vested or intended to be vested in the predecessor any and all such instruments in writing shall, on request, be executed, acknowledged and delivered by the Issuer. The resignation of any Trustee and the instrument or instruments removing any Trustee and appointing a successor hereunder, together with all other

instruments provided for in this Article shall be filed by the successor Trustee in each office, if any, where the Indenture shall have been filed.

Section 8.10. Trustee Protected in Relying Upon Resolutions, etc. Subject to the conditions contained herein, the resolutions, ordinances, opinions, certificates and other instruments provided for in this Indenture may be accepted by the Trustee as conclusive evidence of the facts and conclusions stated therein and shall be full warrant, protection and authority to the Trustee for the release of property and the withdrawal of cash hereunder.

ARTICLE IX.

SUPPLEMENTAL INDENTURES

Section 9.1. Supplemental Indentures Not Requiring Consent of Bondholders. The Issuer and the Trustee may without the consent of, or notice to, any of the Bondholders, enter into an indenture or indentures supplemental to this Indenture; as shall not be inconsistent with the terms and provisions hereof, for any one or more of the following purposes:

- (a) To cure any ambiguity or formal defect or omission in this Indenture;
- (b) To grant to or confer upon the Trustee for the benefit of the Bondholders any additional rights, remedies, powers or authority that may lawfully be granted to or conferred upon the Bondholders or the Trustee or any of them;
- (c) To subject to this Indenture additional revenues, properties or collateral;
- (d) To make any other change in this Indenture which is not to the prejudice of the Issuer or the holders of the Bonds or, in the judgment of the Trustee, is not to the prejudice of the Trustee;
- (e) To modify, amend or supplement the Indenture in such manner as required to permit the qualification thereof under the Trust Indenture Act of 1939, as amended, or any similar Federal statute hereafter in effect, and, if they so determine, to add to the Indenture such other terms, conditions and provisions as may be required by said Trust Indenture Act of 1939, as amended, or similar federal statute; or
- (f) To issue Additional Bonds in accordance with the provisions of Section 2.8 hereof.

Section 9.2. Supplemental Indentures Requiring Consent of Bondholders. Exclusive of supplemental indentures covered by Section 9.1 hereof, and subject to the terms and provisions contained in this Section, and not otherwise, the Requisite Bondholders shall have the right, from time to time, anything contained in this Indenture to the contrary notwithstanding, to consent to and approve the execution by the Issuer and the Trustee of such other indenture or indentures supplemental hereto as shall be deemed necessary and desirable by the Issuer for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in this Indenture or in any supplemental indenture; provided however, that nothing in this section contained shall permit or be construed as permitting (except as otherwise permitted in this Indenture) (a) an extension of the stated maturity or reduction in the principal amount of, or reduction in the rate or extension of the time of paying of interest on, any Bonds, without the consent of the holder of such Bond, or (b) a reduction in the amount or extension of the time of any payment required by any sinking fund applicable to any Bonds without the consent of the holders of all the Bonds which would be affected by the action to be taken, or (c) a reduction in the aforesaid aggregate principal amount of Bonds the holders of which are required to consent to any such supplemental indenture, without the consent of the holders of all the Bonds at the time outstanding which would be affected by the action to be taken, or (d) a

modification of the rights, duties or immunities of the Trustee, without the written consent of the Trustee, or (e) a privilege or priority of any Bond over any other Bonds, or (f) deprive the owners of any Bonds then outstanding of the lien thereby created.

Anything herein to the contrary notwithstanding, a supplemental indenture under this Article which affects any rights of the Company shall not become effective unless and until the Company shall have consented in writing to the execution and delivery of such supplemental indenture. In this regard, the Trustee shall cause notice of the proposed execution and delivery of any such supplemental indenture together with a copy of the proposed supplemental indenture to be mailed by certified or registered mail to the Company at least fifteen (15) days prior to the proposed date of execution and delivery of any such supplemental indenture.

Section 9.3. Opinion with Respect to Supplemental Indentures. The Trustee shall be provided with, and shall be fully protected in relying upon, the opinion of any counsel approved by it who may be counsel for the Company, as conclusive evidence that any proposed supplemental indenture complies with the provisions of this Indenture, and that it is proper for the Trustee, under the provisions of this Article, to join in the execution of such supplemental indenture.

ARTICLE X.

AMENDMENTS TO THE FINANCING AGREEMENT

Section 10.1. Amendments etc., to Financing Agreement Not Requiring Consent of Bondholders. The Issuer and the Company, and in accordance with Section 5.1 of the Financing Agreement, shall, without the consent of or notice to the Bondholders consent to any amendment, change or modification of the Financing Agreement as may be required (i) by the provisions of the Financing Agreement and this Indenture, or (ii) for the purpose of curing any ambiguity or formal defect or omission therein, or (iii) in connection with any other change therein which is not to the prejudice of the Issuer or the holders of the Bonds; or, in the judgment of the Trustee, is not to the prejudice of the Trustee.

ARTICLE XI.

MISCELLANEOUS

Section 11.1. Satisfaction and Discharge. All rights and obligations of the Issuer and the Company under this Indenture shall terminate, and such instruments shall cease to be of further effect, and the Trustee shall execute and deliver all appropriate instruments evidencing and acknowledging the satisfaction of this Indenture, and shall assign and deliver to the Company any moneys and investments in the Project Fund and shall assign and deliver to the Issuer any moneys and investments held in any other Fund under this Indenture when:

- (a) all fees and expenses of the Trustee shall have been paid;
 - (b) the Issuer shall have performed all of its covenants and promises in this Indenture;
- and

(c) all Bonds theretofore authenticated and delivered (i) have become due and payable, or (ii) are to be retired or called for redemption under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee at the expense of the Issuer, or (iii) have been delivered to the Trustee canceled or for cancellation; and, in the case of (i) and (ii) above, there shall have been deposited with the Trustee either cash in an amount which shall be sufficient, or investments (but only to the extent that the full faith and credit of the United States of America are pledged to the timely payment thereof) the principal of and the interest on which when due will provide moneys which, together with the moneys, if any, deposited with the Trustee, shall be sufficient, to pay when due the principal or redemption price, if applicable, and interest due and to become due on the Bonds and prior to the redemption date or maturity date thereof, as the case may be.

Section 11.2. Defeasance. Any bond shall be deemed to be paid and no longer outstanding within the meaning of this Article and for all purposes of this Indenture when (a) payment of the principal and interest of and premium, if any, on such Bond either (i) shall have been made or caused to be made in accordance with the terms thereof, or (ii) shall have been provided for by irrevocably depositing with the Trustee in trust and irrevocably set aside exclusively for such payment, (1) cash sufficient to make such payment, (2) Government Obligations, maturing as to principal and interest in such amounts and at such times as will insure the availability of sufficient moneys to make such payment, or (3) a combination of cash and such Government Obligations, and (b) all necessary and proper fees, compensation, indemnities and expenses of the Trustee and the Issuer pertaining to the Bonds with respect to which such deposit is made shall have been paid or the payment thereof provided for. At such time as a Bond shall be deemed to be paid hereunder, as aforesaid, such Bond shall no longer be secured by or entitled to the benefits of this Indenture, except for the purposes of any such payment from such moneys or Government Obligations.

Notwithstanding the foregoing, no deposit under clause (a)(ii) of the immediately preceding paragraph shall be deemed payment of such bonds as aforesaid until (a) proper notice of redemption of such bonds shall have been previously given in accordance with Section 4.4 of

this Indenture, or if the Bonds are not by their terms subject to redemption within the next succeeding sixty (60) days, until the Issuer shall have given the Trustee in form satisfactory to the Trustee irrevocable instructions to notify, as soon as practicable, the owners of the bonds then outstanding, that the deposit required by the preceding paragraph has been made with the Trustee and that the Bonds are deemed to have been paid in accordance with this Section 11.2 and stating the maturity or redemption date upon which moneys are to be available for the payment of the principal of and the applicable redemption premium, if any, on said Bonds, plus interest thereon to the due date thereof; or (b) the maturity of such Bonds.

All moneys so deposited with the Trustee as provided in this Section 11.2 may also be invested and reinvested, at the written direction of the Issuer, in Government Obligations, maturing in the amounts and at the times as hereinbefore set forth, and all income from all Government Obligations in the hands of the Trustee pursuant to this Section 11.2 which is not required for the payment of principal of the Bonds and interest and premium, if any, thereon with respect to which such moneys shall have been so deposited shall be deposited in the Bond Fund as and when realized and collected for use and application as are other moneys deposited in the Bond Fund.

Notwithstanding any provision of any other Article of this Indenture which may be contrary to the provisions of this Section 11.2, all moneys or Government Obligations set aside and held in trust pursuant to the provisions of this Section 11.2 for the payment of Bonds (including premium thereon, if any) shall be applied to and used solely for the payment of the particular Bonds (including the premium thereon, if any) with respect to which such moneys or Government Obligations have been so set aside in trust.

Anything in Article 9 hereof to the contrary notwithstanding, if moneys or Government Obligations have been deposited or set aside with the Trustee pursuant to this Section 11.2 for the payment of Bonds and such Bonds shall not have in fact been actually paid in full, no amendment to the provisions of this Section 11.2 shall be made without the consent of the owner of each Bond affected thereby.

The right to register the transfer of or to exchange Bonds shall survive the discharge of this Indenture.

Section 11.3. Application of Trust Money. All money or investments deposited with or held by the Trustee pursuant to Section 11.1 shall be held in trust for the holders of the Bonds, and applied by it, in accordance with the provisions of the Bonds and this Indenture, to the payment, either directly or through the Trustee, to the persons entitled thereto, of the principal and interest for whose payment such money has been deposited with the Trustee; but such money or obligations need not be segregated from other funds except to the extent required by law.

Section 11.4. Consents, etc., of Bondholders. Any consent, request, direction, approval, objection or other instrument required by this Indenture to be executed by the Bondholders may be in any number of concurrent writings of similar tenor and may be executed by such Bondholders in person or by agent appointed in writing. Provided, however, that wherever this Indenture requires that any such consent or other action be taken by the holders of a specified

percentage, fraction or majority of the Bonds outstanding, any such Bonds held by or for the account of the Issuer shall not be deemed to be outstanding hereunder for the purpose of determining whether such requirement has been met. Proof of the execution of any such consent, request, direction, approval, objection or other instrument or of the writing appointing any such agent and of the ownership of Bonds; if made in the following manner, shall be sufficient for any of the purposes of this Indenture, and shall be conclusive in favor of the Trustee with regard to any action taken under such request or other instrument, namely:

(a) The fact and date of the execution by any person of any such writing may be proved by the certificate of any officer in any jurisdiction who by law has power to take acknowledgments within such jurisdiction that the person signing such writing acknowledged before him the execution thereof, or by affidavit of any witness to such execution.

(b) The fact of the holding by any person of Bonds transferable by delivery and the amounts and numbers of such Bonds, and the date of the holding of the same, may be proved by a certificate executed by any trust company, Bank or Bankers, wherever situated, stating that at the date thereof the party named therein did exhibit to an officer of such trust company or Bank or to such Banker, as the property of such party, the Bonds therein mentioned if such certificate shall be deemed by the Trustee to be satisfactory. The Trustee may, in its discretion, require evidence that such Bonds have been deposited with a Bank, Bankers or trust company, before taking any action based on such ownership. In lieu of the foregoing, the Trustee may accept other proofs of the foregoing as it shall deem appropriate.

For all purposes of this Indenture and of the proceedings for the enforcement hereof, such person shall be deemed to continue to be the holder of such Bonds until the Trustee shall have received notice in writing to the contrary.

Section 11.5. Limitation of Rights. With the exception of rights herein expressly conferred, nothing expressed or mentioned in or to be implied from this Indenture, or the Bonds is intended or shall be construed to give to any person other than the parties hereto, and the Company, and the holders of the Bonds, any legal or equitable right, remedy or claim under or in respect to this Indenture or any covenants, conditions and provisions herein contained, this Indenture and all of the covenants, conditions and provisions hereof being intended to be and being for the sole and exclusive benefit of the parties hereto and the Company and the holders of the Bonds as herein provided.

Section 11.6. Severability. If any provision of this Indenture shall be held or deemed to be or shall, in fact, be inoperative or unenforceable as applied in any particular case in any jurisdiction or jurisdictions or in all jurisdictions, or in all cases because it conflicts with any other provision or provisions hereof or any constitution or statute or rule of public policy, or for any other reason, such circumstances shall not have the effect of rendering the provision in question inoperative or unenforceable in any other case or circumstance, or of rendering any other provision or provisions herein contained invalid, inoperative, or unenforceable to any extent whatever.

The invalidity of any one or more phrases, sentences, clauses or Sections in this Indenture contained, shall not affect the remaining portions of this Indenture, or any part thereof.

Section 11.7. Notices. (iv) Any event of default under Section 7.1 of the Indenture.

(b) During the occurrence and continuance of any event of default hereunder, the Trustee, as assignee of the Issuer pursuant to the Indenture, shall have the rights and remedies hereinafter set forth, in addition to any other remedies herein or provided by law.

Section 5.4. Waiver of Extension, Appraisal or Stay Laws. To the extent permitted by law, the Company will not during the continuance of any event of default hereunder insist upon, or plead, or in any manner whatever claim or take any benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants and terms of performance of this Financing Agreement; and the Company hereby expressly waives all benefits or advantage of any such law or laws and covenants not to hinder, delay or impede the execution of any power herein granted or delegated to the Trustee, but to suffer and permit the execution of every power as though no such law or laws had been made or enacted.

Section 5.5. Remedies Subject to Provisions of Law.
