## **Public Comment**

Public Statement During COVID-19

In accordance with Governor Holcomb's Executive Order 20-09 regarding the COVID-19 public health emergency, Redevelopment Commission meetings are being held as videoconference or teleconference meetings. Public comment from citizens who wish to address items on the agenda will be accepted via email to [WEB-ED@LAFAYETTE.IN.GOV](mailto:WEB-ED@LAFAYETTE.IN.GOV) no less than twenty-four (24) hours in advance of the scheduled start time of the meeting. Such materials will be distributed to the members of the Commission. Virtual options for public attendance and participation will be noted on the agenda found at [HTTP://LAFAYETTE.IN.GOV/AGENDACENTER](http://LAFAYETTE.IN.GOV/AGENDACENTER).

## **Adjournment**

**MINUTES OF THE  
LAFAYETTE REDEVELOPMENT COMMISSION MEETING  
March 26, 2020 11:00 am  
City Council Chambers, City Hall via live-streaming**

Due to the COVID-19 pandemic, Governor Holcomb, ordered shelter-in-place orders beginning Tuesday, March 24. All government offices were closed to in-person public activity until at least April 7, 2020. All non-essential City employees are working remotely whenever possible and are continuing to provide core functions online and by phone. All necessary meetings are being conducted observing safe practices, including conference calls and online streaming.

**Attendance via conference call:**

**Commissioners:** Shelly Henriott, Jos Holman, Don Teder, Jim Terry, T.J. Thieme

**Ex-Officio Members:**

**Absent but excused:** Randy Bond and Dave Moulton

**Staff:** Dennis Carson, Economic Development Director; Jacque Chosnek, Deputy City Attorney; Cindy Murray, City Clerk; Andy Milam, IT Director; Tony Roswarski, Mayor

**Guests:** None

**Welcome and Call to Order**

Jos Holman welcomed everyone to the Redevelopment Commission meeting, noted that a quorum was present and opened the meeting of the Lafayette Redevelopment Commission at 11:00 a.m. Given the unique circumstances of this meeting, all motions will be passed by roll call vote.

**Approval of the Minutes**

Don Teder moved to approve the minutes of the Redevelopment Commission meetings from February 27, 2020. Jim Terry seconded and the motion passed by roll call vote. (Shelly Henriott, yes; Jos Holman, yes; Don Teder, yes; Jim Terry, yes; T.J. Thieme, yes)

**New Business**

***Receive proposals from Construction Managers as Constructors (CMcs) for the redevelopment of the City-owned 6th Street surface parking lot site for a new police station and parking garage.***

Dennis Carson received four proposals for the redevelopment of the 6<sup>th</sup> street parking lot for a new police station and parking garage. Those proposals were from:

Kettelhut Construction and Wilhelm Construction as a joint venture  
Core Construction  
Skillman Corporation  
Pepper Construction

Mayor Roswarski gave an overview of the proposed \$40 million project.

Jos Holman presented a motion to take the proposals under advisement. Jim Terry moved to approve the motion. T.J. Thieme seconded, the motion passed by roll call vote. (Shelly Henriott, yes; Jos Holman, yes; Don Teder, yes; Jim Terry, yes; T.J. Thieme, yes)

### **Director's Report**

The Economic Development office is closed due to Governor Holcomb's shelter-in-place order. Staff members are working remotely. All projects are moving forward.

A Town Hall meeting will be held remotely April 8, 2020 at 7:00pm with MKSK to discuss the change in direction of 3<sup>rd</sup> & 4<sup>th</sup> Streets from one-way to two-way.

### **Claims**

Jim Terry moved to approve the March 2020 claims in the amount of One hundred six thousand, seven hundred twelve dollars and eighty-two cents (\$106,712.82). Shelly Henriott seconded and the motion passed by roll call. (Shelly Henriott, yes; Jos Holman, yes; Don Teder, yes; Jim Terry, yes; T.J. Thieme, yes)

### **Public Comment**

Jos Holman asked for any comments from the public; no comments were made.

### **Adjournment**

T.J. Thieme moved to adjourn the meeting. Shelly Henriott seconded and the meeting of the Lafayette Redevelopment Commission was adjourned at 11:18 a.m.

*Respectfully submitted*  
*Michelle Conwell, Recording Secretary*

Approved,

T.J. Thieme, Secretary  
Lafayette Redevelopment Commission

RESOLUTION NO. LRC-2020-06

LAFAYETTE REDEVELOPMENT COMMISSION

AMENDING DECLARATORY RESOLUTION OF THE LAFAYETTE REDEVELOPMENT  
COMMISSION AMENDING THE CONSOLIDATED PLAN FOR THE CONSOLIDATED  
CREASY/CENTRAL ECONOMIC DEVELOPMENT AREA

WHEREAS, the City of Lafayette (“City”) Redevelopment Commission (the “Commission”), on October 26, 2006, adopted Resolution No. LRC-2006-22 (the “Consolidated Central Declaratory Resolution”) establishing the Consolidated Central Lafayette Redevelopment Area (the “Consolidated Central Area”) and Consolidated Central Allocation Area in accordance with Indiana Code 36-7-14-39 and approving the Consolidated Central Lafayette Redevelopment Plan, as amended (the “Consolidated Central Plan”) for the Consolidated Central Area;

WHEREAS, the Commission adopted Resolution No. LRC-2006-25 on November 16, 2006, as further amended on July 26, 2007 by Resolution No. LRC-2007-06, on May 24, 2012 by Resolution No. LRC-2012-08 and on February 25, 2013 by Resolution No. LRC-2013-06 (collectively, as amended, the “Consolidated Creasy Lane Declaratory Resolution”), establishing and expanding the Consolidated Creasy Lane Economic Development Area (the “Consolidated Creasy Lane Area”) and Consolidated Creasy Lane Allocation Area (the “Consolidated Creasy Lane Allocation Area”) in accordance with Indiana Code 36-7-14-39 and approving the economic development plan for the Consolidated Creasy Lane Area, as amended (the “Consolidated Creasy Lane Plan”);

WHEREAS; the Consolidated Central Plan and the Consolidated Creasy Lane Plan are hereinafter collectively referred to as the “Original Plans”;

WHEREAS, the Commission adopted Resolution No. LRC-2013-06 on February 25, 2013, to, among other matters, (i) expand the Consolidated Creasy Lane Area and Consolidated Creasy Lane Allocation Area by adding approximately 196 new acres to the Consolidated Creasy Lane Area and the Consolidated Creasy Lane Allocation Area; (ii) re-characterize the Consolidated Central Area as an economic development area pursuant Indiana Code 36-7-14-41; (iii) consolidate the Consolidated Central Area and the Consolidated Creasy Lane Area, as therein expanded, into one economic development area to be known as the “Consolidated Creasy/Central Economic Development Area” (the “2013 Consolidated Area”); and (iv) consolidate and amend the Original Plans (the “2013 Consolidated Plan”);

WHEREAS, the Commission adopted Resolution No. LRC-2014-10 on August 28, 2014, to, among other matters, (i) expand the 2013 Consolidated Area (the 2013 Consolidated Area, as so amended, the “Consolidated Area”); and (ii) amend the 2013 Consolidated Plan to add projects thereto (as amended, the “2014 Consolidated Plan”);

WHEREAS, the Commission adopted Resolution No. LRC-2015-4 on July 17, 2015, amending the 2014 Consolidated Plan to add projects thereto (as amended, the “2015 Consolidated Plan”);

WHEREAS, the Commission adopted Resolution No. LRC-2017-1 on July 27, 2017, amending the 2015 Consolidated Plan to add projects thereto (as amended, the “2017 Consolidated Plan”);

WHEREAS, the Commission adopted Resolution No. LRC-2018-10 on August 23, 2018 amending the 2017 Consolidated Plan to add projects thereto (as amended, the “2018 Consolidated Plan”);

WHEREAS, the Commission adopted Resolution No. LRC-2019-09 on December 19, 2019 amending the 2018 Consolidated Plan to add projects thereto (as amended, the “2019 Consolidated Plan”);

WHEREAS, the Consolidated Central Declaratory Resolution, as amended as set forth above, and the Consolidated Creasy Lane Declaratory Resolution, as amended as set forth above, are hereinafter collectively referred to as the “Original Area Resolutions;”

WHEREAS, the Commission now desires to amend the Original Area Resolutions and the 2019 Consolidated Plan, as further described in Exhibit A attached hereto, to include the construction of a five story mixed-use facility with 97 market-rate residential units and 2,000 square feet of office and retail space, together with any necessary appurtenances, related improvements and equipment, to be located at approximately 450 - 499 South Street in the City (collectively, the “2020 Projects”), all in, serving or benefiting the Consolidated Area (the 2019 Consolidated Plan, as amended, hereinafter referred to as the “2020 Consolidated Plan”); and

WHEREAS, Indiana Code 36-7-14-15 authorizes the Commission to amend the Original Area Resolutions and the 2019 Consolidated Plan, after conducting a public hearing, if it finds that:

- (i) The amendment is reasonable and appropriate when considered in relation to the Original Area Resolutions, the 2019 Consolidated Plan and the purposes of Indiana Code 36-7-14; and
- (ii) The Original Area Resolutions and the 2019 Consolidated Plan, with the proposed amendment, confirm to the comprehensive plan for the City;

NOW, THEREFORE, BE IT RESOLVED BY THE LAFAYETTE REDEVELOPMENT COMMISSION THAT:

Section 1. It will be of public utility and benefit to amend the Original Area Resolutions and the 2019 Consolidated Plan to include the 2020 Projects and to continue to develop the Consolidated Area.

Section 2. The Original Area Resolutions and the 2019 Consolidated Plan are hereby amended to include the 2020 Projects. The Commission finds that the 2020 Projects will further the 2019 Consolidated Plan, as amended, and that the 2020 Projects will be located in, serve or benefit

the Consolidated Area.

Section 3. The Commission finds that the public health and welfare will be benefited by the amendment to the Original Area Resolutions and 2019 Consolidated Plan and the implementation of the 2019 Consolidated Plan.

Section 4. The Commission now finds and determines that the amendment described in Section 1 above is reasonable and appropriate when considered in relation to the Original Area Resolutions, the 2019 Consolidated Plan and the economic development purposes set forth in Indiana Code 36-7-14-41. The Commission finds that the 2020 Projects constitute local public improvements and that the Original Area Resolutions and the 2019 Consolidated Plan, as amended herein, conform to the comprehensive plan for the City.

Section 5. The presiding officer of the Commission is hereby authorized and directed to submit this resolution to the Tippecanoe County Area Plan Commission (“Plan Commission”) for its approval. The Commission further directs the presiding officer to submit this resolution and the approving order of the Plan Commission to the Common Council for its approval of the amendment to the Original Area Resolutions and the 2019 Consolidated Plan.

Section 6. Following receipt of the written order of the approval of the Plan Commission and approval of such order by the Common Council of the City, the Commission also directs the presiding officer, to publish notice of the adoption and substance of this resolution in accordance with Indiana Code 5-3-1-4 and to file notice with the Plan Commission, the Board of Zoning Appeals, the building commissioner and any other departments or agencies of the City concerned with unit planning, zoning variances, land use or the issuance of building permits. The notice must state that maps and plats have been prepared and can be inspected at the office of the City’s department of redevelopment and must establish a date when the Commission will receive and hear remonstrances and objections from persons interested in or affected by the proceedings pertaining to the proposed 2020 Projects and will determine the public utility and benefit of the proposed 2020 Projects.

Section 7. The Commission hereby finds that the estimated cost of the 2020 Projects is approximately \$17,700,000.

Section 8. The Commission hereby finds that all property in the Consolidated Area (including the Consolidated Creasy Lane Allocation Area and the Consolidated Central Allocation Area) will positively benefit from the 2020 Projects due to the development which is reasonably expected to encourage the attraction of new business and industry in the Consolidated Area and which it is reasonably believed will be of benefit to all citizens of the City.

Section 9. In all other respects, the Original Area Resolutions, the 2019 Consolidated Plan, as amended, and actions of the Commission consistent with this resolution are hereby ratified and confirmed.

Section 10. This resolution shall be effective upon passage.

ADOPTED AND PASSED by the Lafayette Redevelopment Commission this 23rd day of April, 2020.

EXHIBIT A

**CONSOLIDATED CREASY/CENTRAL TIF  
ECONOMIC DEVELOPMENT AREA PLAN**

The Development and Acquisition Plan for the Consolidated Central Creasy Economic Development Area of the City of Lafayette, Indiana, shall be as follows:

**Property:** The property commonly known as “Queen Anne Courts” located at the southeast corner of Alabama and 4<sup>th</sup> Street, Lafayette, and legally described as follows:

Part of the Northwest Quarter of the Northeast Quarter of Section 29, Township 23 North, Range 4 West, City of Lafayette, Fairfield Township, Tippecanoe County, Indiana, being more particularly described as follows:

Beginning at the intersection of the South Right of Way of Alabama Street with the East Right of Way of Fourth Street being marked by a chiseled “+” in the sidewalk; thence East, along the South Right of Way of Alabama Street, a distance of 161.20 feet to a railroad spike; thence South, an angle to the left from the preceding line 89 degrees 57’ 13”, a distance of 126-92 feet to a 5/8 inch diameter rebar with a plastic cap stamped “RWG 880043”; thence West an angle to the left from the preceding line of 90 degrees 20’ 09’, a distance of 161.16 feet to the East Right of Way line of Fourth Street; thence North, an angle to the left from the preceding line of 89 degrees 40’ 54”, along the East Right of Way line of Fourth Street, a distance of 125.28 feet to the Point of Beginning, containing 0.462 of an acre, more or less.

ALSO:

Parcel I

Lot numbered one (1) in Bixler’s Addition to the City of Lafayette, Indiana, except seventy-five (75) feet and nine (9) inches off the south end thereof;

Also, lot numbered one (1) in M. Peterson’s Addition to the City of Lafayette, Indiana, except twenty-two (22) feet and nine (9) inches off the south end thereof, both of said additions being platted upon the West half of the Northeast Quarter of Section Twenty-nine (29) in Township Twenty-three (23) North, Range Four (4) West; and

Parcel II

All of lot numbered two (2) and seventy-five (75) feet and nine (9) inches off of the south end of lot numbered one (1) in Bixler’s Addition to the City of Lafayette;

Also, twenty-two (22) feet and nine (9) inches off of the south end of lot numbered (1) in M. Peterson’s Addition to the City of Lafayette, Indiana; both of

said additions being platted upon the West half of the Northeast Quarter of Section Twenty-nine (29) in Township Twenty-three (23) North, Range Four (4) West. Located in Fairfield Township, Tippecanoe County, Indiana; and

**Parcel III**

A part of lot numbered two (2) in Peterson's Addition and a part of Lot #3 in Bixler's Addition to the City of Lafayette, Indiana, described as follows:

Twenty-eight (28) feet of even width off of the entire side of lot two (2) in Peterson's Addition and twenty-eight (28) feet of even width off of the entire side of lot numbered three (3) in Bixler's Addition to the City of Lafayette, Indiana; and

**Parcel IV**

A part of lot 2 of Peterson's Addition and a part of lot 3 of Bixler's Addition to the City of Lafayette, Indiana described as follows:

Twenty-two (22) feet of even width off of the entire west side of lot two (2) in Peterson's Addition and twenty-two (22) feet of even width off the entire west side of lot three (3) in Bixler's Addition to the City of Lafayette, Indiana.

**623 Oregon Street**

All of lot numbered twenty-four (24) of Taylor White Peterson & Ellsworth addition to the City of Lafayette with the common address of 623 Oregon Street.

**Project:** Upon acquisition of the Property by the Commission, a redevelopment plan will be created which may include site demolition and any other improvements, services, landscaping, streetscaping, design, traffic and road improvement, equipment and personal property improvement or acquisition, and any other improvement or development necessary to effectuate the redevelopment of the Property at completed herein (the "Project")

**PHASE I** - Identification of existing development and redevelopment opportunities; plan development and Preliminary Engineering.

**PHASE II** - Acquisition of real property, if necessary.

**PHASE III** - Construction and improvement of facilities.

**Future Development:**

Future development activities that have been identified include the acquisition of real property, construction of new facilities, and other appropriate projects. Said activities will be incorporated into the Plan by Amendment.

**Private Improvements/Investment:**

1. Rohrman Acres: Construction of two new automobile dealership locations and a

strip retail development along SR 26. This development will consist of seven commercial lots on about 16 acres.

2. Wal-Mart/Sam's Wholesale Club: Construction of a new shopping center containing four major buildings with a 2,460 car parking lot. Investment estimates at \$12.0 million. This development will provide employment opportunities for about 240 people.
3. Theatre Acres: Construction of a \$2.0 million theater complex by Goodrich Quality Theatres, Inc. with three FT, 35 PT employees. Also involves construction of a \$1.0 million Pizza Hut restaurant and other retail shops.
4. Eastway Plaza: Construction of Phase 3 of a commercial strip center. Investment estimated at \$300,000.
5. Dimension Cable Services: Construction of new office facility along Creasy Lane. Investment estimated at \$800,000.
6. Ivy Tech Community College Expansion and Intersection Connection: The Intersection Connection will locate the Lafayette Family YMCA and Junior Achievement on the existing Ivy Tech Community College Lafayette campus, which already hosts a public library branch and an apprenticeship training center. It will also include new academic buildings such as the Agriculture, Energy and Applied Science Building and the Enterprise Center for Entrepreneurship. The resulting regional hub of interconnected services will align three pillars of regional and state prosperity: higher education and lifelong learning; healthy families and youth; and workforce and economic development. Total Project Cost: \$92,100,000
7. Market Square Shopping Center: Owners are contemplating improvements in real property to add additional retail frontage and parcels for out lot buildings. Private investment in excess of \$1.5 million.
8. Rohrman Acres Phase II: Expansion of auto dealership and development of commercial and residential lots.
9. Commercial/Residential expansion: Apartment complex and commercial development near the intersection of I65 and SR26 off of Frontage Road.
10. The construction of a mixed-use development at 101 Main Street inclusive of wood over podium construction, underground and first floor parking, a bank branch and regional headquarters, and 99 apartments with 4,000 square feet of retail space. The total cost of this project is estimated at \$24,000,000; provided that cost of this project to be funded from the Commission is estimated at \$3,700,000 inclusive of financing costs. The remaining costs of this project will be funded by the developer for the project.
11. The construction of a mixed-use development at 500 South Street inclusive of wood over podium construction, multi-level parking, and 76 apartments with 7,900 square

feet of ground floor commercial/retail space. The total cost of this project is estimated at \$10,500,000; provided that cost of this project to be funded from the Commission is estimated at \$1,289,000 inclusive of financing costs. The developer for the project, Star Crossing LLC, will fund the remaining costs of this project.

12. The construction of a mixed-use development consisting of approximately seventy-six (76) apartments, six thousand (6,000) square feet of retail/office space and structured parking, together with any necessary appurtenances, related improvements equipment, to be located at 200 South Fourth Street in the City, capitalized interest, if any, a debt service reserve, if necessary, and costs of issuance related to the financing. The total cost of this project is estimated at \$16,800,000; provided that cost of this project be funded from the Commission is estimated at \$1,900,000, inclusive of financing costs. The developer for the project, Nova Lafayette, LLC, will fund the remaining costs of this project.
13. The construction of a mixed-use facility with 97 market-rate residential units and 2,000 square feet of office and retail space, together with any necessary appurtenances, related improvements equipment, to be located at approximately 450 - 499 South Street in the City, capitalized interest, if any, a debt service reserve, if necessary, and costs of issuance related to the financing. The total cost of this project is estimated at \$17,700,000; provided that cost of this project be funded from the Commission is estimated at \$4,500,000, inclusive of financing costs. The developer for the project, Rebar Companies, LLC d/b/a Rebar Development, will fund the remaining costs of this project.

#### List of Redevelopment/Economic Development Area Projects

1. Major reconstruction of North 9<sup>th</sup> Street Road and Duncan Road. North 9<sup>th</sup> Street Road will be a 4-laned, divided road between Canal Road and Duncan Road. Duncan Road connects North 9<sup>th</sup> Street Road with U.S. 52.
2. Duncan Road will be extended north of U.S. 52 to provide access to the new Siemens plant. The alignment of the current intersection will be altered and there will be changes in the signalization.
3. A water line serving the Siemens plant will be installed westward from North 9<sup>th</sup> Street north of U.S. 52 to provide service prior to the extension of a water main under U.S. 52 as part of the Duncan Road/North 9<sup>th</sup> Street project.
4. Sewer facilities will be provided by extension of the current facilities.
5. Programs in job training, job enrichment, and basic skill development that are designed to benefit residents and employers in that portion of the Area that is located in the enterprise zone.
6. Extension of Duncan Road past the Siemens entrance to rejoin North 9<sup>th</sup> Street, thereby providing better access to North 9<sup>th</sup> Street from U.S. 52 and a direct route to

the new Prophetstown State Park.

7. Installation and alteration of traffic signals, traffic barriers, signs, striping and other transportation construction necessary within the Area.
8. Purchase any equipment, goods or materials to be located in the Columbia Building to provide access to the Columbia Block Parking Facility through the Columbia Building.
9. The acquisition of real property by donation or other means for redevelopment or economic development purposes and the sale or transfer of land.
11. Capital improvements or equipment purchases for a downtown visitor's center.
12. Traffic improvements to Erie and Ferry Streets.
13. Riverfront Development
14. Streetscape and trail improvements including, but not limited to, sidewalks, lighting, trails, banners, and other public amenities.
  - a. Phase II along 3<sup>rd</sup> Street between Columbia and Main Street and along Main Street between 3<sup>rd</sup> and 4<sup>th</sup> Streets
  - b. Other streetscape improvements and maintenance downtown
15. Landscaping improvements and lawn and landscape maintenance
  - a. Depot and Riehle Plaza
  - b. City Hall
  - c. Columbia Block Parking Garage
  - d. East City Parking Lot
  - e. Erie Street between 18<sup>th</sup> and Underwood Streets
  - f. Old Rail Corridor
  - g. Farmer's Market area on 5<sup>th</sup> Street between Columbia and Main Streets
  - h. Downtown Planters
  - i. City Fuel Station
  - j. Main and 11<sup>th</sup> Street Plaza
  - k. North 9<sup>th</sup> Street Medians
16. Development and/or improvements to commercial, residential and public facilities including, but not limited to, private and public facilities and recreational facilities.
  - a. Columbia Block Parking Garage
  - b. Long Center for the Performing Arts
  - c. Depot and Riehle Plaza
17. Acquire and redevelop property located at 506 Brown Street (Midwest Rental Properties)
18. Acquire and redevelop property located at Southeast corner of Alabama and 4<sup>th</sup> Street (Queen Anne Courts properties)

19. Acquire and redevelop property located at 623 Oregon Street
20. Acquire and redevelop other property as necessary in the Consolidated Central Creasy TIF District.
21. Public Improvements
  - a. Street Improvements: McCarty Lane, Creasy Lane and others.
  - b. Expansion, extension of public improvements, including sanitary and storm sewers, storm drainage, and water supply.
  - c. Improvements to public recreation and park facilities.
22. Construction of an extension of Creasy Lane from State Highway 38 to Brady Lane and appurtenances thereto, including appropriate improvements to the intersections created with State Highway 38 and U.S. Highway 52, a bridge across the Elliot Ditch, and improvements to and relocation of the Branch 13 Regional Drainage Channel.
23. Closure of the existing ingress and egress to Tippecanoe Mall Regional Shopping Center; construction of a new ingress and egress to Tippecanoe Mall Regional Shopping Center.
24. Construction of Maple Point Drive and appurtenances thereto between State Highway 38 and U.S. Highway 52, including appropriate improvements to the intersections created with State Highway 38 and U.S. 52, and construction of necessary utilities with the right- of-way of Maple Point Drive.
25. Closure of the existing intersection of Ross Road and State Highway 38, and construction of an outlet for Ross Road and appurtenances thereto to Maple Point Drive.
26. Relocation of approximately 2,000 linear feet of existing sanitary sewer interceptor line between State Highway 38 and U.S. Highway 52.
27. Relocation of the Wilson Branch Regional Drainage Channel between Ross Road and U.S. Highway 52, including construction of regional storm water detention pond facility.
28. General median maintenance including, but not limited to, mowing and landscaping.
29. The signalization of the intersection of McCarty Lane and 500 E.
30. The construction of an extension of Maple Point Drive and appurtenances thereto between U.S. Highway 52 and Concord Road, including appropriate improvements to the intersections created with U.S. Highway 52 and Concord Road, and construction of necessary utilities with the right-of-way of Maple Point Drive.
31. The reconstruction and widening of CR 350 S from 9<sup>th</sup> Street to Concord Road.

32. The reimbursement of public and private entities for expenses incurred in training employees of industrial facilities that are located in the allocation area and on a parcel of real property that has been classified as industrial property under the rules of the Department of Local Government Finance.
33. Equipment, facilities, relocation and other expenses to support job creation, economic and business development.
34. Comprehensive parking, transportation and development plans for the Area, including feasibility studies of specific sites.
35. Support of and improvements to public transportation.
36. Identification of other redevelopment opportunities and develop plans for specific economic development/redevelopment projects, including those involving acquisition of property and construction.
37. Acquisition of real property, if necessary.
38. Infrastructure improvements for redevelopment or economic development purposes, including, but not limited to, streets, roads, water, sewer, telecommunications, parking facilities and lots, and other utility or infrastructure.
39. Streetscape and trail way improvements including, but not limited to, sidewalks, lighting, trails, banners, and other public amenities.
40. Development and/or improvements to commercial, residential and public facilities including, but not limited to, private and public facilities and recreational facilities.
41. Façade and Interior Building Improvements Program
42. Design, manufacture and installation of wayfinding and other signage.
43. Establish and implement site guidelines for new development.
44. Develop and implement architectural and sign review ordinance.
45. Security for the Area and events.
46. Snow removal.
47. Brownfield assessment and remediation.
48. Projects relating to Ivy Tech Community College and its expansion for Intersection Connection.
49. Projects and redevelopment relating to the former Home Hospital site and

surrounding areas for commercial, housing and public facilities that will include, but not be limited to, public infrastructure improvements such as trails, greenways, sidewalks, roads and utilities.

50. Other projects and redevelopment that the Commission finds that: (i) accomplish the Consolidated Plan of the Consolidated Central Creasy Area that will (a) promote significant opportunities for the gainful employment of its citizens, (b) attract a major new business enterprise to the City, (c) and retain or expand a significant business enterprise existing in the City; (ii) accomplish the 2013 Consolidated Plan in the Consolidated Central Area that benefits the public health, safety, morals and welfare of the citizens of the City; (iii) the 2013 Consolidated Plan cannot be achieved by the regulatory processes or by the ordinary operation of private enterprise without resort to powers under the Act because no regulatory process exists to provide the improvements contemplated by the 2013 Consolidated Plan in the Consolidated Central Creasy Area and private enterprise is unable or unwilling to provide the improvements without assistance by the Commission; and (iv) accomplishment of the 2013 Consolidated Plan will be of public utility and benefit as measured by (a) the attraction or retention of permanent jobs, (b) an increase in the property tax base, and (c) improved diversity of the economic base.
51. Market Square Shopping Center area/Greenbush Avenue/surrounding commercial areas: Public infrastructure needed to facilitate private investment include: new entrance and intersection from Greenbush Avenue with turn lanes and traffic control at the Market Square Shopping Center and Payless Plaza. Also needed are road, sidewalk, bus and other vehicle and pedestrian improvements in and around the area to facilitate private investment and public safety.
52. St. Elizabeth Central Hospital campus and surrounding area: Owners, Sister of St Francis, have chosen to close the emergency room and concentrate services at their new facility outside of this area. As more services move or are transitioned from the area, public and private investment will need to occur for the area to remain viable and not become a blight and tax drain on the neighborhood and community. Private developers have expressed interest in some parcels and property if public support is available.
53. Infrastructure improvements: Road, trail and drainage improvements in and around Rohrman Acres/auto dealership. Median, road and traffic improvements on South Street from Creasy Lane to I65.
54. The construction of infrastructure and related improvements in and around the riverfront and public areas in the downtown. The total cost of this project is estimated at \$900,000 inclusive of financing costs.

Except as expressly amended hereby, the Plan, as previously amended, shall remain in full force and effect.

## **Standard Form of Agreement Between Owner and Architect, Construction Manager as Constructor Edition**

**AGREEMENT** made as of the 23 day of April in the year 2020  
(In words, indicate day, month and year.)

**BETWEEN** the Architect's client identified as the Owner:  
(Name, legal status, address, and other information)

City of Lafayette  
20 North 6<sup>th</sup> Street  
Lafayette, Indiana 47901-1412

and the Architect:  
(Name, legal status, address, and other information)

American Structurepoint, Inc.  
9025 River Road, Suite 200  
Indianapolis, Indiana 46240

for the following Project:  
(Name, location, and detailed description)

City of Lafayette  
New Municipal Building  
City-owned 6th Street surface parking lot site  
Lafayette, Indiana

The Construction Manager (if known):  
(Name, legal status, address, and other information)

Unknown at this time, selection pending.

The Owner and Architect agree as follows.

### **ADDITIONS AND DELETIONS:**

The author of this document has added information needed for its completion. The author may also have revised the text of the original AIA standard form. An *Additions and Deletions Report* that notes added information as well as revisions to the standard form text is available from the author and should be reviewed. A vertical line in the left margin of this document indicates where the author has added necessary information and where the author has added to or deleted from the original AIA text.

This document has important legal consequences. Consultation with an attorney is encouraged with respect to its completion or modification.

This document is intended to be used in conjunction with AIA Documents A201–2017<sup>™</sup>, General Conditions of the Contract for Construction; A133–2019<sup>™</sup> Standard Form of Agreement Between Owner and Construction Manager as Constructor where the basis of payment is the Cost of the Work Plus a Fee with a Guaranteed Maximum Price; and A134–2019<sup>™</sup> Standard Form of Agreement Between Owner and Construction Manager as Constructor where the basis of payment is the Cost of the Work Plus a Fee without a Guaranteed Maximum Price. AIA Document A201<sup>™</sup>–2017 is adopted in this document by reference. Do not use with other general conditions unless this document is modified.

## TABLE OF ARTICLES

1	INITIAL INFORMATION
2	ARCHITECT'S RESPONSIBILITIES
3	SCOPE OF ARCHITECT'S BASIC SERVICES
4	SUPPLEMENTAL AND ADDITIONAL SERVICES
5	OWNER'S RESPONSIBILITIES
6	COST OF THE WORK
7	COPYRIGHTS AND LICENSES
8	CLAIMS AND DISPUTES
9	TERMINATION OR SUSPENSION
10	MISCELLANEOUS PROVISIONS
11	COMPENSATION
12	SPECIAL TERMS AND CONDITIONS
13	SCOPE OF THE AGREEMENT

### ARTICLE 1 INITIAL INFORMATION

§ 1.1 This Agreement is based on the Initial Information set forth in this Section 1.1.

*(For each item in this section, insert the information or a statement such as "not applicable" or "unknown at time of execution.")*

§ 1.1.1 The Owner's program for the Project:

*(Insert the Owner's program, identify documentation that establishes the Owner's program, or state the manner in which the program will be developed.)*

Architect will perform program verification using the RQAW Study (Exhibit B of the RFP) with the exclusion of a Training Center as the program basis. The program verification process/outcome will determine final program and Police Station size.

§ 1.1.2 The Project's physical characteristics:

*(Identify or describe pertinent information about the Project's physical characteristics, such as size; location; dimensions; geotechnical reports; site boundaries; topographic surveys; traffic and utility studies; availability of public and private utilities and services; legal description of the site, etc.)*

Reference the following Exhibits from the RFP:

1. Exhibit-A\_20200110\_City-of-Lafayette\_South-Parcel\_A
2. Exhibit -B\_ RQAW Police Department Feasibility Study, dated February 5, 2018
3. Exhibit-C\_1\_17074-SURVEY-ALTA-102017
4. Exhibit-D\_Phase-I-Environmental-Site-Assessment-IWM
5. Exhibit-E\_Limited-Phase-II-EAS-Report

§ 1.1.3 The Owner's budget for the Cost of the Work, as defined in Section 6.1:

*(Provide total and, if known, a line item breakdown.)*

The Cost of the Work is anticipated to be Thirty Four Million Dollars (\$34,000,000) our estimate for the individual components follows:

Component	Size	Estimated Cost
Police Headquarter	60,000sf	\$20,270,000
Open Parking Structure(s)	500 spaces	\$11,000,000
Connector	80 lineal feet	\$ 2,000,000
Site (demo & improvements)	+/-1.66 acres	\$ 830,000

§ 1.1.4 The Owner's anticipated design and construction milestone dates:

- .1 Design phase milestone dates, if any:

Projected Schedule

	Design Phases	Construction Phases
May-20	Pre Design	
Jun-20	Pre Design	
Jul-20	Pre Design	
Aug-20	Schematic Design	
Sep-20	Schematic Design	
Oct-20	Schematic Design/Design Dev	
Nov-20	Design Development	
Dec-20	Design Development	
Jan-21	Design Development	
Feb-21	Design Development	
Mar-21	Constr Docs	GMP Bidding
Apr-21	Constr Docs	Construction
May-21	Constr Docs	Construction
Jun-21	Constr Docs	Construction
Jul-21	Constr Docs	Construction
Aug-21		Construction
Sep-21		Construction
Oct-21		Construction
Nov-21		Construction
Dec-21		Construction
Jan-22		Construction
Feb-22		Construction
Mar-22		Construction
Apr-22		Construction
May-22		Construction
Jun-22		Construction
Jul-22		Construction
Aug-22		Construction
Sep-22		Construction
Oct-22		Construction
Nov-22		Construction

- .2 Construction commencement date:

Summer 2021

- .3 Substantial Completion date or dates:

Construction duration, 18 months

.4 Other milestone dates:

§ 1.1.5 The Owner intends to retain a Construction Manager pursuant to the following agreement:  
(Indicate agreement type.)

- AIA Document A133–2019, Standard Form of Agreement Between Owner and Construction Manager as Constructor where the basis of payment is the Cost of the Work Plus a Fee with a Guaranteed Maximum Price.
- AIA Document A134–2019, Standard Form of Agreement Between Owner and Construction Manager as Constructor where the basis of payment is the Cost of the Work Plus a Fee without a Guaranteed Maximum Price.

§ 1.1.6 The Owner's requirements for accelerated or fast-track design and construction, or phased construction are set forth below:  
(List number and type of bid/procurement packages.)

No accelerated or fast-track design and construction. The Architect anticipates one single-bid package

§ 1.1.7 The Owner's anticipated Sustainable Objective for the Project:  
(Identify and describe the Owner's Sustainable Objective for the Project, if any.)

The project will not be LEED Certified nor will it be Park Smart Certified. The Architect is to incorporate sustainable strategies into the building design and Park Smart principles into the parking garage design as the budget allows.

§ 1.1.7.1 If the Owner identifies a Sustainable Objective, the Owner and Architect shall complete and incorporate AIA Document E234™–2019, Sustainable Projects Exhibit, Construction Manager as Constructor Edition, into this Agreement to define the terms, conditions and services related to the Owner's Sustainable Objective. If E234-2019 is incorporated into this Agreement, the Owner and Architect shall incorporate the completed E234–2019 into the agreements with the consultants and contractors performing services or Work in any way associated with the Sustainable Objective.

§ 1.1.8 The Owner identifies the following representative in accordance with Section 5.4:  
(List name, address, and other contact information.)

Debra Kunce  
Core Planning Strategies  
429 N. Pennsylvania Street, Suite 304  
Indianapolis, Indiana 46204  
deb@coreplanningstrategies.com  
Mobile Number: (317) 447-5531

§ 1.1.9 The persons or entities, in addition to the Owner's representative, who are required to review the Architect's submittals to the Owner are as follows:  
(List name, address, and other contact information.)

Tony Roswarski, Mayor of Lafayette  
Dennis Carson, Director of Economic Development

§ 1.1.10 The Owner shall retain the following consultants and contractors:  
(List name, legal status, address, and other contact information.)

- .1 Construction Manager:  
*(The Construction Manager is identified on the cover page. If a Construction Manager has not been retained as of the date of this Agreement, state the anticipated date of retention. If the Architect is to assist the Owner in selecting the Construction Manager, complete Section 4.1.1.1)*

TBD

- .2 Land Surveyor:

TBD

- .3 Geotechnical Engineer:

TBD

- .4 Civil Engineer:

Not Applicable – Service provided by the Architect’s design team

- .5 Other consultants and contractors:  
*(List any other consultants and contractors retained by the Owner.)*

Environmental Engineer - TBD

§ 1.1.11 The Architect identifies the following representative in accordance with Section 2.4:  
*(List name, address, and other contact information.)*

Michael R. Hoopingarner  
American Structurepoint, Inc.  
9025 River Road, Suite 200  
Indianapolis, Indiana 46240  
mhoopingarner@structurepoint.com  
Office: (317) 547-5580  
Mobile: (317) 695-5589

§ 1.1.12 The Architect shall retain the consultants identified in Sections 1.1.12.1 and 1.1.12.2:  
*(List name, legal status, address, and other contact information.)*

§ 1.1.12.1 Consultants retained under Basic Services:

- .1 Structural Engineer:

American Structurepoint, Inc.  
9025 River Road, Suite 200

Indianapolis, Indiana 46240  
(317) 547-5580

.2 Mechanical Engineer:

Applied Engineering Services, Inc.  
5975 Castle Creek Parkway N. Drive, Suite 300  
Indianapolis, Indiana 46250  
(317) 810-4141

.3 Electrical Engineer:

Applied Engineering Services, Inc.  
5975 Castle Creek Parkway N. Drive, Suite 300  
Indianapolis, Indiana 46250  
(317) 810-4141

.4 Police Station Design Expert:

Architects Design Group (ADG)  
333 North Knowles Avenue  
Winter Park, Florida 32789  
(407) 647-1706

§ 1.1.12.2 Consultants retained under Supplemental Services:

Civil Engineer:

American Structurepoint, Inc.  
9025 River Road, Suite 200  
Indianapolis, Indiana 46240  
(317) 547-5580

.2 Park Smart and Parking Controls Consultant:

Tim Haahs  
50 township Line Road, Suite 100  
Blue Bell, Pennsylvania 19422

.3 Landscape Architect:

MKSK  
608 Columbia Street  
Lafayette, Indiana 47901  
(765) 250-9209

§ 1.1.13 Other Initial Information on which the Agreement is based:

Architect's RFP response dated February 26, 2020 and Architect's revised acceptance letter dated April 13, 2020 included as an attachment in Section 13.2.4.

§ 1.2 The Owner and Architect may rely on the Initial Information. Both parties, however, recognize that the Initial Information may materially change and, in that event, the Owner and the Architect shall appropriately adjust the

Architect's services, schedule for the Architect's services, and the Architect's compensation. The Owner shall adjust the Owner's budget for the Cost of the Work and the Owner's anticipated design and construction milestones, as necessary, to accommodate material changes in the Initial Information.

§ 1.3 The parties shall agree upon protocols governing the transmission and use of Instruments of Service or any other information or documentation in digital form. The parties will use AIA Document E203™–2013, Building Information Modeling and Digital Data Exhibit, to establish the protocols for the development, use, transmission, and exchange of digital data.

§ 1.3.1 Any use of, or reliance on, all or a portion of a building information model without agreement to protocols governing the use of, and reliance on, the information contained in the model and without having those protocols set forth in AIA Document E203™–2013, Building Information Modeling and Digital Data Exhibit, and the requisite AIA Document G202™–2013, Project Building Information Modeling Protocol Form, shall be at the using or relying party's sole risk and without liability to the other party and its contractors or consultants, the authors of, or contributors to, the building information model, and each of their agents and employees.

## ARTICLE 2 ARCHITECT'S RESPONSIBILITIES

§ 2.1 The Architect shall provide professional services as set forth in this Agreement. The Architect represents that it is properly licensed in the jurisdiction where the Project is located to provide the services required by this Agreement, or shall cause such services to be performed by appropriately licensed design professionals.

§ 2.2 The Architect shall perform its services consistent with the professional skill and care ordinarily provided by architects practicing in the same or similar locality under the same or similar circumstances. The Architect shall perform its services as expeditiously as is consistent with such professional skill and care and the orderly progress of the Project.

§ 2.3 The Architect shall provide its services in conjunction with the services of a Construction Manager as described in the agreement identified in Section 1.1.5. The Architect shall not be responsible for actions taken by the Construction Manager.

§ 2.4 The Architect shall identify a representative authorized to act on behalf of the Architect with respect to the Project.

§ 2.5 Except with the Owner's knowledge and consent, the Architect shall not engage in any activity, or accept any employment, interest or contribution that would reasonably appear to compromise the Architect's professional judgment with respect to this Project.

§ 2.6 Insurance. The Architect shall maintain the following insurance until termination of this Agreement. If any of the requirements set forth below are in addition to the types and limits the Architect normally maintains, the Owner shall pay the Architect as set forth in Section 11.9.

§ 2.6.1 Commercial General Liability with policy limits of not less than **Two Million Dollars** (\$ 2,000,000 ) for each occurrence and **Two Million Dollars** (\$ 2,000,000 ) in the aggregate for bodily injury and property damage.

§ 2.6.2 Automobile Liability covering vehicles owned, and non-owned vehicles used, by the Architect with policy limits of not less than **One Million Dollars** (\$ 1,000,000 ) per accident for bodily injury, death of any person, and property damage arising out of the ownership, maintenance and use of those motor vehicles, along with any other statutorily required automobile coverage.

*(Paragraph deleted)*

§ 2.6.3 The Architect may achieve the required limits and coverage for Commercial General Liability and Automobile Liability through a combination of primary and excess or umbrella liability insurance, provided such primary and excess or umbrella liability insurance policies result in the same or greater coverage as the coverages required under Sections 2.6.1 and 2.6.2, and in no event shall any excess or umbrella liability insurance provide narrower coverage than the primary policy. The excess policy shall not require the exhaustion of the underlying limits only through the actual payment by the underlying insurers.

§ 2.6.4 Workers' Compensation at statutory limits.

§ 2.6.5 Employers' Liability with policy limits not less than Five Hundred Thousand Dollars (\$ 500,000 ) each accident, Five Hundred Thousand Dollars (\$ 500,000 ) each employee, and Five Hundred Thousand Dollars (\$ 500,000 ) policy limit.

§ 2.6.6 Professional Liability covering negligent acts, errors and omissions in the performance of professional services, with policy limits of not less than Five Million Dollars (\$ 5,000,000 ) per claim and Five Million Dollars (\$ 5,000,000 ) in the aggregate.

§ 2.6.7 **Additional Insured Obligations.** To the fullest extent permitted by law, the Architect shall cause the primary and excess or umbrella policies for Commercial General Liability and Automobile Liability to include the Owner as an additional insured for claims caused in whole or in part by the Architect's negligent acts or omissions. The additional insured coverage shall be primary and non-contributory to any of the Owner's insurance policies and shall apply to both ongoing and completed operations.

§ 2.6.8 The Architect shall provide certificates of insurance to the Owner that evidence compliance with the requirements in this Section 2.6.

### ARTICLE 3 SCOPE OF ARCHITECT'S BASIC SERVICES

§ 3.1 The Architect's Basic Services consist of those described in this Article 3 and include usual and customary structural, mechanical, and electrical engineering services. Services not set forth in this Article 3 are Supplemental or Additional Services.

§ 3.1.1 The Architect shall manage the Architect's services, research applicable design criteria, attend Project meetings, communicate with members of the Project team, and report progress to the Owner.

§ 3.1.2 The Architect shall coordinate its services with those services provided by the Owner, the Construction Manager, and the Owner's consultants. The Architect shall be entitled to rely on, and shall not be responsible for, the accuracy, completeness, and timeliness of, services and information furnished by the Owner, the Construction Manager, and the Owner's consultants. The Architect shall provide prompt written notice to the Owner if the Architect becomes aware of any error, omission, or inconsistency in such services or information.

§ 3.1.3 As soon as practicable after the date of this Agreement, the Architect shall submit, for the Construction Manager's review and the Owner's approval, a schedule for the performance of the Architect's services. The schedule shall include design phase milestone dates, as well as the anticipated dates for the commencement of construction and for Substantial Completion of the Work as set forth in the Initial Information. The schedule shall include allowances for periods of time required for the Owner's review, for the Construction Manager's review, for the performance of the Construction Manager's Preconstruction Phase services, for the performance of the Owner's consultants, and for approval of submissions by authorities having jurisdiction over the Project. Once approved by the Owner, time limits established by the schedule shall not, except for reasonable cause, be exceeded by the Architect or Owner. With the Owner's approval, the Architect shall adjust the schedule, if necessary, as the Project proceeds until the commencement of construction.

§ 3.1.4 The Architect shall submit information to the Construction Manager and participate in developing and revising the Project schedule as it relates to the Architect's services. The Architect shall review and approve, or take other appropriate action upon, the portion of the Project schedule relating to the performance of the Architect's services.

§ 3.1.5 The Architect shall not be responsible for an Owner's directive or substitution, or for the Owner's acceptance of non-conforming work, made or given without the Architect's written approval.

§ 3.1.6 The Architect shall, in coordination with the Construction Manager, contact governmental authorities required to approve the Construction Documents and entities providing utility services to the Project. The Architect shall respond to applicable design requirements imposed by those authorities and entities.

§ 3.1.7 The Architect shall assist the Owner and Construction Manager in connection with the Owner's responsibility for filing documents required for the approval of governmental authorities having jurisdiction over the Project.

§ 3.1.8 Prior to the Owner's acceptance of the Construction Manager's Guaranteed Maximum Price proposal, or the Owner's approval of the Construction Manager's Control Estimate, as applicable, the Architect shall consider the

Construction Manager's requests for substitutions and, upon written request of the Construction Manager, provide clarification or interpretations pertaining to the Drawings, Specifications, and other documents submitted by the Architect. The Architect and Construction Manager shall include the Owner in communications related to substitution requests, clarifications, and interpretations.

### § 3.2 Review of the Construction Manager's Guaranteed Maximum Price Proposal or Control Estimate

§ 3.2.1 At a time to be mutually agreed upon by the Owner and the Construction Manager, the Construction Manager shall prepare, for review by the Owner and Architect, and for the Owner's acceptance or approval, a Guaranteed Maximum Price proposal or Control Estimate. The Architect shall assist the Owner in reviewing the Construction Manager's proposal or estimate. The Architect's review is not for the purpose of discovering errors, omissions, or inconsistencies; for the assumption of any responsibility for the Construction Manager's proposed means, methods, sequences, techniques, or procedures; or for the verification of any estimates of cost or estimated cost proposals. In the event that the Architect discovers any inconsistencies or inaccuracies in the information presented, the Architect shall promptly notify the Owner and Construction Manager.

§ 3.2.2 Upon authorization by the Owner, and subject to Section 4.2.1.14, the Architect shall update the Drawings, Specifications, and other documents to incorporate the agreed upon assumptions and clarifications contained in the Guaranteed Maximum Price Amendment or Control Estimate.

#### 3.2.3 Predesign Phase Services

**3.2.3.1 Program Verification:** The Architect or Architect's Consultant shall review the "RQAW" program with the appropriate personnel to ascertain the validity of the program and establish the "agreed upon" program to guide the design.

**3.2.3.2 Conceptual Design:** The Architect or Architect's Consultant shall commence conceptual design of the police station and the parking structures for use in the preparation of the Multiple Concept "block" Designs.

**3.2.3.3 Multiple Concept "block" Designs:** Provide 3D Diagrams to illustrate the scale and relationship of the Project components and illustrate different configurations on the site for development. The diagrams will show massing, they will not show exterior building material. This exercise is intended to provide visual "3D images" to help the City evaluate and visualize the development possibilities with the site(s) and ultimately, help the City decide whether the site to the east should be purchased and included as part of the project.

**3.2.3.4 Site evaluation and Analysis:** Review available site data to become familiar with property lines, easements, site characteristics, utility locations, traffic patterns and other pertinent site data.

**3.2.3.5** The Architect shall submit the Predesign Documents to the Owner and the Construction Manager. The Architect shall meet with the Construction Manager to review the Predesign Documents.

§ 3.2.3.5 Upon receipt of the Construction Manager's review comments and cost estimate at the conclusion of the Predesign Phase, the Architect shall take action as required under Section 6.4, and request the Owner's approval of the Predesign Documents. If revisions to the Predesign Documents are required to comply with the Owner's budget for the Cost of the Work at the conclusion of the Predesign Phase, the Architect shall incorporate the required revisions in the Schematic Design Phase.

### § 3.3 Schematic Design Phase Services

§ 3.3.1 The Architect shall review information furnished by the Owner and Construction Manager, and shall review laws, codes, and regulations applicable to the Architect's services.

§ 3.3.2 The Architect shall prepare a preliminary evaluation of the Owner's schedule, budget for the Cost of the Work, Project site, and other Initial Information, each in terms of the other, to ascertain the requirements of the Project. The Architect shall notify the Owner of (1) any inconsistencies discovered in the information, and (2) other information or consulting services that may be reasonably needed for the Project.

§ 3.3.3 The Architect shall present its preliminary evaluation to the Owner and Construction Manager and shall discuss with the Owner and Construction Manager alternative approaches to design and construction of the Project. The Architect shall reach an understanding with the Owner regarding the requirements of the Project.

*(Paragraph deleted)*

§ 3.3.5 Based on the Owner's approval of the predesign, the Architect shall prepare Schematic Design Documents for Construction Manager's review and the Owner's approval. The Schematic Design Documents shall consist of drawings and other documents including a site plan, if appropriate, and preliminary building plans, sections and elevations; and may

include some combination of study models, perspective sketches, or digital representations. Preliminary selections of major building systems and construction materials shall be noted on the drawings or described in writing.

§ 3.3.5.1 The Architect shall consider sustainable design alternatives, such as material choices and building orientation, together with other considerations based on program and aesthetics, in developing a design that is consistent with the Owner's program, schedule and budget for the Cost of the Work. The Owner may obtain more advanced sustainable design services as a Supplemental Service under Section 4.1.

§ 3.3.5.2 The Architect shall consider with the Owner and the Construction Manager the value of alternative materials, building systems and equipment, together with other considerations based on program and aesthetics, in developing a design for the Project that is consistent with the Owner's program, schedule, and budget for the Cost of the Work.

§ 3.3.6 The Architect shall submit the Schematic Design Documents to the Owner and the Construction Manager. The Architect shall meet with the Construction Manager to review the Schematic Design Documents.

§ 3.3.7 Upon receipt of the Construction Manager's review comments and cost estimate at the conclusion of the Schematic Design Phase, the Architect shall take action as required under Section 6.4, and request the Owner's approval of the Schematic Design Documents. If revisions to the Schematic Design Documents are required to comply with the Owner's budget for the Cost of the Work at the conclusion of the Schematic Design Phase, the Architect shall incorporate the required revisions in the Design Development Phase.

§ 3.3.8 In the further development of the Drawings and Specifications during this and subsequent phases of design, the Architect shall be entitled to rely on the accuracy of the estimates of the Cost of the Work, which are to be provided by the Construction Manager under the Construction Manager's agreement with the Owner. Subsequent estimates must not exceed preceding estimated by more than 5%, provided the program or the design did not change.

#### § 3.4 Design Development Phase Services

§ 3.4.1 Based on the Owner's approval of the Schematic Design Documents, and on the Owner's authorization of any adjustments in the Project requirements and the budget for the Cost of the Work, the Architect shall prepare Design Development Documents for the Construction Manager's review and the Owner's approval. The Design Development Documents shall be based upon information provided, and estimates prepared by, the Construction Manager and shall illustrate and describe the development of the approved Schematic Design Documents and shall consist of drawings and other documents including plans, sections, elevations, typical construction details, and diagrammatic layouts of building systems to fix and describe the size and character of the Project as to architectural, structural, mechanical and electrical systems, and other appropriate elements. The Design Development Documents shall also include outline specifications that identify major materials and systems and establish in general their quality levels.

§ 3.4.2 Prior to the conclusion of the Design Development Phase, the Architect shall submit the Design Development Documents to the Owner and the Construction Manager. The Architect shall meet with the Construction Manager to review the Design Development Documents.

§ 3.4.3 Upon receipt of the Construction Manager's information and estimate at the conclusion of the Design Development Phase, the Architect shall take action as required under Sections 6.5 and 6.6 and request the Owner's approval of the Design Development Documents.

#### § 3.5 Construction Documents Phase Services

§ 3.5.1 Based on the Owner's approval of the Design Development Documents, and on the Owner's authorization of any adjustments in the Project requirements and the budget for the Cost of the Work, the Architect shall prepare Construction Documents for the Construction Manager's review and the Owner's approval. The Construction Documents shall illustrate and describe the further development of the approved Design Development Documents and shall consist of Drawings and Specifications setting forth in detail the quality levels and performance criteria of materials and systems and other requirements for the construction of the Work. The Owner and Architect acknowledge that, in order to perform the Work, the Construction Manager will provide additional information, including Shop Drawings, Product Data, Samples and other similar submittals, which the Architect shall review in accordance with Section 3.6.4.

§ 3.5.2 The Architect shall incorporate the design requirements of governmental authorities having jurisdiction over the Project into the Construction Documents.

§ 3.5.3 During the development of the Construction Documents, if requested by the Owner, the Architect shall assist the Owner and Construction Manager in the development and preparation of (1) the Conditions of the Contract for Construction (General, Supplementary and other Conditions) and (2) a project manual that includes the Conditions of the Contract for Construction and Specifications, and may include sample forms.

§ 3.5.4 Prior to the conclusion of the Construction Documents Phase, the Architect shall submit the Construction Documents to the Owner and the Construction Manager. The Architect shall meet with the Construction Manager to review the Construction Documents.

§ 3.5.5 Upon receipt of the Construction Manager's information and estimate at the conclusion of the Construction Documents Phase, the Architect shall take action as required under Section 6.7, and request the Owner's approval of the Construction Documents.

## § 3.6 Construction Phase Services

### § 3.6.1 General

§ 3.6.1.1 The Architect shall provide administration of the Contract between the Owner and the Construction Manager as set forth below and in AIA Document A201™–2017, General Conditions of the Contract for Construction. If the Owner and Construction Manager modify AIA Document A201–2017, those modifications shall not affect the Architect's services under this Agreement unless the Owner and the Architect amend this Agreement. The term "Contractor" as used in A201-2017 shall mean the Construction Manager.

§ 3.6.1.2 Subject to Section 4.2, the Architect's responsibility to provide Construction Phase Services commences upon the Owner's acceptance of the Construction Manager's Guaranteed Maximum Price proposal, the Owner's approval of the Construction Manager's Control Estimate, or by a written agreement between the Owner and Construction Manager which sets forth a description of the Work to be performed by the Construction Manager prior to such acceptance or approval. Subject to Section 4.2, and except as provided in Section 3.6.6.5, the Architect's responsibility to provide Construction Phase Services terminates on the date the Architect issues the final Certificate for Payment.

§ 3.6.1.3 The Architect shall advise and consult with the Owner and Construction Manager during the Construction Phase Services. The Architect shall have authority to act on behalf of the Owner only to the extent provided in this Agreement. The Architect shall not have control over, charge of, or responsibility for the construction means, methods, techniques, sequences or procedures, or for safety precautions and programs in connection with the Work, nor shall the Architect be responsible for the Construction Manager's failure to perform the Work in accordance with the requirements of the Contract Documents. The Architect shall be responsible for the Architect's negligent acts or omissions, but shall not have control over or charge of, and shall not be responsible for, acts or omissions of the Construction Manager or of any other persons or entities performing portions of the Work.

### § 3.6.2 Evaluations of the Work

§ 3.6.2.1 The Architect shall visit the site at intervals appropriate to the stage of construction, or as otherwise required in Section 4.2.3, to become generally familiar with the progress and quality of the portion of the Work completed, and to determine, in general, if the Work observed is being performed in a manner indicating that the Work, when fully completed, will be in accordance with the Contract Documents. However, the Architect shall not be required to make exhaustive or continuous on-site inspections to check the quality or quantity of the Work. On the basis of the site visits, the Architect shall keep the Owner reasonably informed about the progress and quality of the portion of the Work completed, and promptly report to the Owner (1) known deviations from the Contract Documents, (2) known deviations from the most recent construction schedule submitted by the Construction Manager, and (3) defects and deficiencies observed in the Work.

§ 3.6.2.2 The Architect has the authority to reject Work that does not conform to the Contract Documents. Whenever the Architect considers it necessary or advisable, the Architect shall have the authority to require inspection or testing of the Work in accordance with the provisions of the Contract Documents, whether or not the Work is fabricated, installed or completed. However, neither this authority of the Architect nor a decision made in good faith either to exercise or not to exercise such authority shall give rise to a duty or responsibility of the Architect to the Construction Manager, Subcontractors, suppliers, their agents or employees, or other persons or entities performing portions of the Work.

§ 3.6.2.3 The Architect shall interpret and decide matters concerning performance under, and requirements of, the Contract Documents on written request of either the Owner or Construction Manager. The Architect's response to such requests shall be made in writing within any time limits agreed upon or otherwise with reasonable promptness.

§ 3.6.2.4 Interpretations and decisions of the Architect shall be consistent with the intent of, and reasonably inferable from, the Contract Documents and shall be in writing or in the form of drawings. When making such interpretations and decisions, the Architect shall endeavor to secure faithful performance by both Owner and Construction Manager, shall not show partiality to either, and shall not be liable for results of interpretations or decisions rendered in good faith. The Architect's decisions on matters relating to aesthetic effect shall be final if consistent with the intent expressed in the Contract Documents.

§ 3.6.2.5 Unless the Owner and Construction Manager designate another person to serve as an Initial Decision Maker, as that term is defined in AIA Document A201–2017, the Architect shall render initial decisions on Claims between the Owner and Construction Manager as provided in the Contract Documents.

### § 3.6.3 Certificates for Payment to Construction Manager

§ 3.6.3.1 The Architect shall review and certify the amounts due the Construction Manager and shall issue certificates in such amounts. The Architect's certification for payment shall constitute a representation to the Owner, based on the Architect's evaluation of the Work as provided in Section 3.6.2 and on the data comprising the Construction Manager's Application for Payment, that, to the best of the Architect's knowledge, information and belief, the Work has progressed to the point indicated, the quality of the Work is in accordance with the Contract Documents, and that the Construction Manager is entitled to payment in the amount certified. The foregoing representations are subject to (1) an evaluation of the Work for conformance with the Contract Documents upon Substantial Completion, (2) results of subsequent tests and inspections, (3) correction of minor deviations from the Contract Documents prior to completion, and (4) specific qualifications expressed by the Architect.

§ 3.6.3.2 The issuance of a Certificate for Payment shall not be a representation that the Architect has (1) made exhaustive or continuous on-site inspections to check the quality or quantity of the Work, (2) reviewed construction means, methods, techniques, sequences or procedures, (3) reviewed copies of requisitions received from Subcontractors and suppliers and other data requested by the Owner to substantiate the Construction Manager's right to payment, or (4) ascertained how or for what purpose the Construction Manager has used money previously paid on account of the Contract Sum.

§ 3.6.3.3 The Architect shall maintain a record of the Applications and Certificates for Payment.

### § 3.6.4 Submittals

§ 3.6.4.1 The Architect shall review the Construction Manager's submittal schedule and shall not unreasonably delay or withhold approval of the schedule. The Architect's action in reviewing submittals shall be taken in accordance with the approved submittal schedule or, in the absence of an approved submittal schedule, with reasonable promptness while allowing sufficient time, in the Architect's professional judgment, to permit adequate review.

§ 3.6.4.2 The Architect shall review and approve, or take other appropriate action upon, the Construction Manager's submittals such as Shop Drawings, Product Data and Samples, but only for the limited purpose of checking for conformance with information given and the design concept expressed in the Contract Documents. Review of such submittals is not for the purpose of determining the accuracy and completeness of other information such as dimensions, quantities, and installation or performance of equipment or systems, which are the Construction Manager's responsibility. The Architect's review shall not constitute approval of safety precautions or construction means, methods, techniques, sequences or procedures. The Architect's approval of a specific item shall not indicate approval of an assembly of which the item is a component.

§ 3.6.4.3 If the Contract Documents specifically require the Construction Manager to provide professional design services or certifications by a design professional related to systems, materials, or equipment, the Architect shall specify the appropriate performance and design criteria that such services must satisfy. The Architect shall review and take appropriate action on Shop Drawings and other submittals related to the Work designed or certified by the Construction Manager's design professional, provided the submittals bear such professional's seal and signature when submitted to the Architect. The Architect's review shall be for the limited purpose of checking for conformance with information given and the design concept expressed in the Contract Documents. The Architect shall be entitled to rely upon, and shall not be

responsible for, the adequacy and accuracy of the services, certifications, and approvals performed or provided by such design professionals.

§ 3.6.4.4 Subject to Section 4.2, the Architect shall review and respond to requests for information about the Contract Documents. The Architect shall set forth, in the Contract Documents, the requirements for requests for information. Requests for information shall include, at a minimum, a detailed written statement that indicates the specific Drawings or Specifications in need of clarification and the nature of the clarification requested. The Architect's response to such requests shall be made in writing within any time limits agreed upon, or otherwise with reasonable promptness. If appropriate, the Architect shall prepare and issue supplemental Drawings and Specifications in response to the requests for information.

§ 3.6.4.5 The Architect shall maintain a record of submittals and copies of submittals supplied by the Construction Manager in accordance with the requirements of the Contract Documents.

### § 3.6.5 Changes in the Work

§ 3.6.5.1 The Architect may order minor changes in the Work that are consistent with the intent of the Contract Documents and do not involve an adjustment in the Contract Sum or an extension of the Contract Time. Subject to Section 4.2, the Architect shall prepare Change Orders and Construction Change Directives for the Owner's approval and execution in accordance with the Contract Documents.

§ 3.6.5.2 The Architect shall maintain records relative to changes in the Work.

### § 3.6.6 Project Completion

§ 3.6.6.1 The Architect shall:

- .1 conduct inspections to determine the date or dates of Substantial Completion and the date of final completion;
- .2 issue Certificates of Substantial Completion;
- .3 forward to the Owner, for the Owner's review and records, written warranties and related documents required by the Contract Documents and received from the Construction Manager; and
- .4 issue a final Certificate for Payment based upon a final inspection indicating that, to the best of the Architect's knowledge, information, and belief, the Work complies with the requirements of the Contract Documents.

§ 3.6.6.2 The Architect's inspections shall be conducted with the Owner to (1) check conformance of the Work with the requirements of the Contract Documents and (2) verify the accuracy and completeness of the list submitted by the Construction Manager of Work to be completed or corrected.

§ 3.6.6.3 When Substantial Completion has been achieved, the Architect shall inform the Owner about the balance of the Contract Sum remaining to be paid the Construction Manager, including the amount to be retained from the Contract Sum, if any, for final completion or correction of the Work.

§ 3.6.6.4 The Architect shall forward to the Owner the following information received from the Construction Manager: (1) consent of surety or sureties, if any, to reduction in or partial release of retainage or the making of final payment; (2) affidavits, receipts, releases and waivers of liens, or bonds indemnifying the Owner against liens; and (3) any other documentation required of the Construction Manager under the Contract Documents.

*(Paragraph deleted)*

## ARTICLE 4 SUPPLEMENTAL AND ADDITIONAL SERVICES

### § 4.1 Supplemental Services

§ 4.1.1 The services listed below are not included in Basic Services but may be required for the Project. The Architect shall provide the listed Supplemental Services only if specifically designated in the table below as the Architect's responsibility, and the Owner shall compensate the Architect as provided in Section 11.2. Unless otherwise specifically addressed in this Agreement, if neither the Owner nor the Architect is designated, the parties agree that the listed Supplemental Service is not being provided for the Project.

*(Designate the Architect's Supplemental Services and the Owner's Supplemental Services required for the Project by indicating whether the Architect or Owner shall be responsible for providing the identified Supplemental Service. Insert a*

description of the Supplemental Services in Section 4.1.2 below or attach the description of services as an exhibit to this Agreement.)

Supplemental Services	Responsibility <i>(Architect, Owner, or not provided)</i>
§ 4.1.1.1 Assistance with Selection of Construction Manager	Not Provided
§ 4.1.1.2 Predesign – Police Program Verification and Conceptual Planning of the Police Station	Architect *
<i>(Row deleted)</i>	
§ 4.1.1.3 Predesign - Multiple Concept "block" Designs: Provide 3D Diagrams to illustrate how the Police Station, Parking Garage(s) and Connector can be configured on the site for development. This is intended to help the City evaluate and visualize the possibilities with the site(s) and decide whether the site to the east should be purchased and included as part of the project.	Architect *
<i>(Row deleted)</i>	
§ 4.1.1.4 Measured drawings (defined in Section 4.1.2.2)	Owner
§ 4.1.1.5 Existing facilities surveys	Not Provided
§ 4.1.1.6 Predesign - Site Evaluation and Analysis	Architect *
<i>(Row deleted)</i>	
§ 4.1.1.7 Building Information Model management responsibilities	Architect *
§ 4.1.1.8 Development of Building Information Models for post construction use	Not Provided
§ 4.1.1.9 Civil engineering	Architect *
§ 4.1.1.10 Landscape design	Architect *
§ 4.1.1.11 Architectural interior design	Architect *
§ 4.1.1.12 Value analysis	Architect *
§ 4.1.1.13 Cost estimating	Not Provided
§ 4.1.1.14 On-site project representation	Not Provided
§ 4.1.1.15 Conformed documents for construction	Not Provided
§ 4.1.1.16 As-designed record drawings	Not Provided
§ 4.1.1.17 As-constructed record drawings from contractor job-site markups/redlines	Architect *
§ 4.1.1.18 11-Month Warranty Evaluation	Architect
<i>(Row deleted)</i>	
§ 4.1.1.19 Facility support services	Not Provided
§ 4.1.1.20 Tenant-related services	Not Provided
§ 4.1.1.21 Architect’s coordination of the Owner’s consultants	Architect *
§ 4.1.1.22 Telecommunications/data design	Architect *
§ 4.1.1.23 Security evaluation and planning	Architect *
§ 4.1.1.24 Commissioning	If Provided, it will be by Owner
§ 4.1.1.25 Sustainable Project Services pursuant to Section 4.1.3	Not Provided
§ 4.1.1.26 Historic preservation	Not Provided
§ 4.1.1.27 Furniture, furnishings, and equipment design	Not Provided
§ 4.1.1.28 Other services provided by specialty Consultants, Parking Consultant to assist with Park Smart Requirements and Parking Controls	Architect *
<i>(Row deleted)</i>	

Init.

§ 4.1.1.29 Other Supplemental Services	
4.1.1.30 Renderings (3 exterior & 2 interior)	Architect
4.1.1.31 Geotechnical Investigation	Owner
4.1.1.32 Environmental Services	Owner
4.1.1.33 Land Surveyor	Owner

(\*) In the Supplemental Services Table above, the asterisk after the term Architect denotes Supplemental Services that have been included in Basic Services at the request of the owner; fees for these services are not supplemental, and are included in the Basic Services fee listed in Section 11.1.

**§ 4.1.2 Description of Supplemental Services**

**§ 4.1.2.1** A description of each Supplemental Service identified in Section 4.1.1 as the Architect’s responsibility is provided below.

*(Describe in detail the Architect’s Supplemental Services identified in Section 4.1.1 or, if set forth in an exhibit, identify the exhibit. The AIA publishes a number of Standard Form of Architect’s Services documents that can be included as an exhibit to describe the Architect’s Supplemental Services.)*

**4.1.1.18** 11-month warranty evaluation. Walk through the facility to identify deficiencies in the construction/operation of the facility for the contractor to address prior to the expiration of the CMc’s 1-year warranty. Attendees will prepare a written summary of items for the CMc to address and issue the summary to CMc, Owner and Attendees. Attendees at the walk-thru are anticipated to be the following:

1. Project Architect (ASI)
2. Security/AV/Data Consultant
3. Structural Engineer (ASI)
4. Mechanical Engineer (Applied Engineering Services)
5. Electrical Engineer (Applied Engineering Services)
6. Plumbing Engineer (Applied Engineering Services)

Fee shown is for individual time, travel costs will be invoiced as reimbursable expense.

**4.1.1.30** Renderings (3 exterior & 2 interior) Architect will prepare full color, 3-dimensional representation of the exterior and the interior of the building using the Architect’s existing rendering software, such as Lumion or equivalent. The Architect will not be required to purchase new software or learn new software in the production of these renderings. The Architect will consult with the Owner to select desired views /locations for the renderings.

**§ 4.1.2.2** A description of each Supplemental Service identified in Section 4.1.1 as the Owner’s responsibility is provided below.

*(Describe in detail the Owner’s Supplemental Services identified in Section 4.1.1 or, if set forth in an exhibit, identify the exhibit.)*

**4.1.1.4** Measured drawings: the Owner will furnish available drawings and information of the existing City Hall building to the Architect for the Architect and Engineers to design the "connection" of the enclosed, overhead pedestrian bridge to the existing City Hall Building. This information will be provided after the predesign phase if the overhead, pedestrian bridge remains in the project scope of work. If the information provided is insufficient for the Architect and Engineer, the Architect will provide the field measuring of the existing City Hall as an Additional Service.

**4.1.31** Geotechnical Investigation: the Owner will employ the services of a reputable Geotechnical Engineer to investigate subsurface soil conditions and make foundation recommendations to guide the design team in the design of the foundation system.

**4.1.32** Environmental Services: Preparation of an Underground Storage Tank (UST) Closure Report, Thirty (30) Day Notification for Intent to Close form, and subsequent soil and groundwater sampling and laboratory analysis for the removal of one (1) UST and related UST system piping.

**4.1.1.33** Land Surveyor: ALTA/NSPS Land Title Survey & Topographic Survey of all land to be part of the project.

**§ 4.1.3** If the Owner identified a Sustainable Objective in Article 1, the Architect shall provide, as a Supplemental Service, the Sustainability Services required in AIA Document E234™–2019, Sustainable Projects Exhibit, Construction Manager

as Constructor Edition, attached to this Agreement. The Owner shall compensate the Architect as provided in Section 11.2.

**4.1.3.1** No sustainable objectives other than to incorporate Park Smart principles into the parking structures. There will be no certifications required for this project.

#### **§ 4.2 Architect's Additional Services**

The Architect may provide Additional Services after execution of this Agreement without invalidating the Agreement. Except for services required due to the fault of the Architect, any Additional Services provided in accordance with this Section 4.2 shall entitle the Architect to compensation pursuant to Section 11.3 and an appropriate adjustment in the Architect's schedule.

**§ 4.2.1** Upon recognizing the need to perform the following Additional Services, the Architect shall notify the Owner with reasonable promptness and explain the facts and circumstances giving rise to the need. The Architect shall not proceed to provide the following Additional Services until the Architect receives the Owner's written authorization:

- .1 Services necessitated by a change in the Initial Information, previous instructions or recommendations given by the Construction Manager or the Owner, approvals given by the Owner, or a material change in the Project including size, quality, complexity, the Owner's schedule or budget for Cost of the Work, or bid packages in addition to those listed in Section 1.1.6;
- .2 Making revisions in Drawings, Specifications, or other documents (as required pursuant to Section 6.7), when such revisions are required because the Construction Manager's estimate of the Cost of the Work, Guaranteed Maximum Price proposal, or Control Estimate exceeds the Owner's budget, except where such excess is due to changes initiated by the Architect in scope, capacities of basic systems, or the kinds and quality of materials, finishes, or equipment;
- .3 Services necessitated by the enactment or revision of codes, laws, or regulations, including changing or editing previously prepared Instruments of Service;
- .4 Changing or editing previously prepared Instruments of Service necessitated by official interpretations of applicable codes, laws or regulations that are either (a) contrary to specific interpretations by the applicable authorities having jurisdiction made prior to the issuance of the building permit, or (b) contrary to requirements of the Instruments of Service when those Instruments of Service were prepared in accordance with the applicable standard of care;
- .5 Services necessitated by decisions of the Owner or Construction Manager not rendered in a timely manner or any other failure of performance on the part of the Owner or the Owner's consultants or contractors;
- .6 Preparing digital models or other design documentation for transmission to the Owner's consultants and contractors, or to other Owner- authorized recipients;
- .7 Preparation of design and documentation for alternate bid or proposal requests proposed by the Owner or Construction Manager;
- .8 Preparation for, and attendance at, a public presentation, meeting or hearing;
- .9 Preparation for, and attendance at, a dispute resolution proceeding or legal proceeding, except where the Architect is party thereto;
- .10 Consultation concerning replacement of Work resulting from fire or other cause during construction; or
- .11 Assistance to the Initial Decision Maker, if other than the Architect;
- .12 Services necessitated by replacement of the Construction Manager or conversion of the Construction Manager as constructor project delivery method to an alternative project delivery method;
- .13 Services necessitated by the Owner's delay in engaging the Construction Manager;
- .14 Making revisions to the Drawings, Specifications, and other documents resulting from agreed-upon assumptions and clarifications included in the Guaranteed Maximum Price Amendment or Control Estimate; and
- .15 Making revisions to the Drawings, Specifications, and other documents resulting from substitutions included in the Guaranteed Maximum Price Amendment or Control Estimate.

**§ 4.2.2** To avoid delay in the Construction Phase, the Architect shall provide the following Additional Services, notify the Owner with reasonable promptness, and explain the facts and circumstances giving rise to the need. If, upon receipt of the Architect's notice, the Owner determines that all or parts of the services are not required, the Owner shall give prompt written notice to the Architect of the Owner's determination. The Owner shall compensate the Architect for the services provided prior to the Architect's receipt of the Owner's notice:

- .1 Reviewing a Construction Manager's submittal out of sequence from the submittal schedule approved by the Architect;

- .2 Responding to the Construction Manager's requests for information that are not prepared in accordance with the Contract Documents or where such information is available to the Construction Manager from a careful study and comparison of the Contract Documents, field conditions, other Owner-provided information, Construction Manager-prepared coordination drawings, or prior Project correspondence or documentation;
- .3 Preparing Change Orders, and Construction Change Directives that require evaluation of the Construction Manager's proposals and supporting data, or the preparation or revision of Instruments of Service;
- .4 Evaluating an extensive number of Claims as the Initial Decision Maker; or
- .5 Evaluating substitutions proposed by the Owner or Construction Manager and making subsequent revisions to Instruments of Service resulting therefrom.

§ 4.2.3 The Architect shall provide Construction Phase Services exceeding the limits set forth below as Additional Services. When the limits below are reached, the Architect shall notify the Owner:

- .1 Two ( 2 ) reviews of each Shop Drawing, Product Data item, sample and similar submittals of the Construction Manager
- .2 Thirty six ( 36 ) visits to the site by the Architect during construction. (20-month construction duration)
- .3 One ( 1 ) inspections for any portion of the Work to determine whether such portion of the Work is substantially complete in accordance with the requirements of the Contract Documents
- .4 One ( 1 ) inspections for any portion of the Work to determine final completion

§ 4.2.4 Except for services required under Section 3.6.6.5 and those services that do not exceed the limits set forth in Section 4.2.3, Construction Phase Services provided more than 60 days after (1) the date of Substantial Completion of the Work or (2) the initial date of Substantial Completion identified in the agreement between the Owner and Contractor, whichever is earlier, shall be compensated as Additional Services to the extent the Architect incurs additional cost in providing those Construction Phase Services.

§ 4.2.5 If the services covered by this Agreement have not been completed within Thirty Six ( 36 ) months of the date of this Agreement, through no fault of the Architect, extension of the Architect's services beyond that time shall be compensated as Additional Services.

## ARTICLE 5 OWNER'S RESPONSIBILITIES

§ 5.1 Unless otherwise provided for under this Agreement, the Owner shall provide information in a timely manner regarding requirements for and limitations on the Project, including a written program which shall set forth the Owner's objectives; schedule; constraints and criteria, including space requirements and relationships; flexibility; expandability; special equipment; systems; and site requirements.

§ 5.2 The Owner shall retain a Construction Manager to provide services, duties, and responsibilities as described in the agreement selected in Section 1.1.5.

§ 5.3 The Owner shall establish the Owner's budget for the Project, including (1) the budget for the Cost of the Work as defined in Section 6.1; (2) the Owner's other costs; and, (3) reasonable contingencies related to all of these costs. The Owner shall update the Owner's budget for the Project as necessary throughout the duration of the Project until final completion. If the Owner significantly increases or decreases the Owner's budget for the Cost of the Work, the Owner shall notify the Architect and Construction Manager. The Owner and the Architect, in consultation with the Construction Manager, shall thereafter agree to a corresponding change in the Project's scope and quality.

§ 5.3.1 The Owner acknowledges that accelerated, phased or fast-track scheduling provides a benefit, but also carries with it associated risks. Such risks include the Owner incurring costs for the Architect to coordinate and redesign portions of the Project affected by procuring or installing elements of the Project prior to the completion of all relevant Construction Documents, and costs for the Construction Manager to remove and replace previously installed Work. If the Owner selects accelerated, phased or fast-track scheduling, the Owner agrees to include in the budget for the Project sufficient contingencies to cover such costs.

§ 5.4 The Owner shall identify a representative authorized to act on the Owner's behalf with respect to the Project. The Owner shall render decisions and approve the Architect's submittals in a timely manner in order to avoid unreasonable delay in the orderly and sequential progress of the Architect's services.

§ 5.5 The Owner shall furnish surveys to describe physical characteristics, legal limitations and utility locations for the site of the Project, and a written legal description of the site. The surveys and legal information shall include, as applicable, grades and lines of streets, alleys, pavements and adjoining property and structures; designated wetlands; adjacent drainage; rights-of-way, restrictions, easements, encroachments, zoning, deed restrictions, boundaries and contours of the site; locations, dimensions, and other necessary data with respect to existing buildings, other improvements and trees; and information concerning available utility services and lines, both public and private, above and below grade, including inverts and depths. All the information on the survey shall be referenced to a Project benchmark.

§ 5.6 The Owner shall furnish services of geotechnical engineers, which may include test borings, test pits, determinations of soil bearing values, percolation tests, evaluations of hazardous materials, seismic evaluation, ground corrosion tests and resistivity tests, including necessary operations for anticipating subsoil conditions, with written reports and appropriate recommendations.

§ 5.7 The Owner shall provide the Supplemental Services designated as the Owner's responsibility in Section 4.1.1.

§ 5.8 If the Owner identified a Sustainable Objective in Article 1, the Owner shall fulfill its responsibilities as required in AIA Document E234™–2019, Sustainable Projects Exhibit, Construction Manager as Constructor Edition, attached to this Agreement. (No sustainable objectives identified)

§ 5.9 The Owner shall coordinate the services of its own consultants with those services provided by the Architect. Upon the Architect's request, the Owner shall furnish copies of the scope of services in the contracts between the Owner and the Owner's consultants. The Owner shall furnish the services of consultants other than those designated as the responsibility of the Architect in this Agreement, or authorize the Architect to furnish them as an Additional Service, when the Architect requests such services and demonstrates that they are reasonably required by the scope of the Project. The Owner shall require that its consultants and contractors maintain insurance, including professional liability insurance, as appropriate to the services or work provided.

§ 5.10 The Owner shall furnish tests, inspections and reports required by law or the Contract Documents, such as structural, mechanical, and chemical tests, tests for air and water pollution, and tests for hazardous materials.

§ 5.11 The Owner shall furnish all legal, insurance and accounting services, including auditing services, that may be reasonably necessary at any time for the Project to meet the Owner's needs and interests.

§ 5.12 The Owner shall provide prompt written notice to the Architect and Construction Manager if the Owner becomes aware of any fault or defect in the Project, including errors, omissions or inconsistencies in the Architect's Instruments of Service.

§ 5.13 The Owner shall include the Architect in all communications with the Construction Manager that relate to or affect the Architect's services or professional responsibilities. The Owner shall promptly notify the Architect of the substance of any direct communications between the Owner and the Construction Manager otherwise relating to the Project. Communications by and with the Architect's consultants shall be through the Architect.

§ 5.14 The Owner shall coordinate the Architect's duties and responsibilities set forth in the Agreement between the Owner and the Construction Manager with the Architect's services set forth in this Agreement. The Owner shall provide the Architect a copy of the executed agreement between the Owner and Construction Manager, including the General Conditions of the Contract for Construction.

§ 5.15 The Owner shall provide the Architect access to the Project site prior to commencement of the Work and shall obligate the Construction Manager to provide the Architect access to the Work wherever it is in preparation or progress.

§ 5.16 Within 15 days after receipt of a written request from the Architect, the Owner shall furnish the requested information as necessary and relevant for the Architect to evaluate, give notice of, or enforce lien rights.

## ARTICLE 6 COST OF THE WORK

§ 6.1 For purposes of this Agreement, the Cost of the Work shall be the total cost to the Owner to construct all elements of the Project designed or specified by the Architect and shall include the Construction Manager's general conditions costs,

overhead, and profit. The Cost of the Work also includes the reasonable value of labor, materials, and equipment, donated to, or otherwise furnished by, the Owner. The Cost of the Work does not include the compensation of the Architect; the compensation of the Construction Manager for Preconstruction Phase services; the costs of the land, rights-of-way, financing, or contingencies for changes in the Work; or other costs that are the responsibility of the Owner.

§ 6.2 The Owner's budget for the Cost of the Work is provided in the Initial Information, and shall be adjusted throughout the Project as required under Sections 5.3 and 6.4. Evaluations of the Owner's budget for the Cost of the Work represent the Architect's judgment as a design professional.

§ 6.3 The Owner shall require the Construction Manager to include appropriate contingencies for design, bidding or negotiating, price escalation, and market conditions in estimates of the Cost of the Work. The Architect shall be entitled to rely on the accuracy and completeness of estimates of the Cost of the Work the Construction Manager prepares as the Architect progresses with its Basic Services. The Architect shall prepare, as an Additional Service, revisions to the Drawings, Specifications or other documents required due to the Construction Manager's inaccuracies or incompleteness in preparing cost estimates, or due to market conditions the Architect could not reasonably anticipate. The Architect may review the Construction Manager's estimates solely for the Architect's guidance in completion of its services, however, the Architect shall report to the Owner any material inaccuracies and inconsistencies noted during any such review.

§ 6.3.1 If the Architect is providing cost estimating services as a Supplemental Service, and a discrepancy exists between the Construction Manager's cost estimates and the Architect's cost estimates, the Architect and the Construction Manager shall work together to reconcile the cost estimates.

6.3.1.1 The Owner did not select the architect's supplemental service for cost estimates

§ 6.4 If, prior to the conclusion of the Design Development Phase, the Construction Manager's estimate of the Cost of the Work exceeds the Owner's budget for the Cost of the Work, the Architect, in consultation with the Construction Manager, shall make appropriate recommendations to the Owner to adjust the Project's size, quality or budget for the Cost of the Work, and the Owner shall cooperate with the Architect in making such adjustments.

6.4.1.1 The Construction Manager's estimate of the Cost of the Work prior to the conclusion or the Design Development phase or at the conclusion of the Design Development stage shall not exceed the Schematic Design estimate by more than 5%

§ 6.5 If the Construction Manager's estimate of the Cost of the Work at the conclusion of the Design Development Phase exceeds the Owner's budget for the Cost of the Work, the Owner shall

- .1 give written approval of an increase in the budget for the Cost of the Work;
- .2 terminate in accordance with Section 9.5;
- .3 in consultation with the Architect and Construction Manager, revise the Project program, scope, or quality as required to reduce the Cost of the Work; or
- .4 implement any other mutually acceptable alternative.

§ 6.6 If the Owner chooses to proceed under Section 6.5.3, the Architect, as an Additional Service per Section 6.3, shall incorporate the revisions in the Construction Documents Phase as necessary to comply with the Owner's budget for the Cost of the Work at the conclusion of the Design Development Phase Services, or the budget as adjusted under Section 6.5.1. The Architect's revisions in the Construction Documents Phase shall be the limit of the Architect's responsibility under this Article 6.

§ 6.7 After incorporation of modifications under Section 6.6, the Architect shall, as an Additional Service, make any required revisions to the Drawings, Specifications or other documents necessitated by the Construction Manager's subsequent cost estimates, the Guaranteed Maximum Price proposal, or Control Estimate that exceed the Owner's budget for the Cost of the Work, except when the excess is due to changes initiated by the Architect in scope, basic systems, or the kinds and quality of materials, finishes or equipment.

## ARTICLE 7 COPYRIGHTS AND LICENSES

§ 7.1 The Architect and the Owner warrant that in transmitting Instruments of Service, or any other information, the transmitting party is the copyright owner of such information or has permission from the copyright owner to transmit such information for its use on the Project.

§ 7.2 The Architect and the Architect's consultants shall be deemed the authors and owners of their respective Instruments of Service, including the Drawings and Specifications, and shall retain all common law, statutory and other reserved rights, including copyrights. Submission or distribution of Instruments of Service to meet official regulatory requirements or for similar purposes in connection with the Project is not to be construed as publication in derogation of the reserved rights of the Architect and the Architect's consultants.

§ 7.3 The Architect grants to the Owner a nonexclusive license to use the Architect's Instruments of Service solely and exclusively for purposes of constructing, using, maintaining, altering and adding to the Project, provided that the Owner substantially performs its obligations under this Agreement, including prompt payment of all sums due, pursuant to Article 9 and Article 11. The Architect shall obtain similar nonexclusive licenses from the Architect's consultants consistent with this Agreement. The license granted under this section permits the Owner to authorize the Construction Manager, Subcontractors, Sub-subcontractors, and suppliers, as well as the Owner's consultants and separate contractors, to reproduce applicable portions of the Instruments of Service, subject to any protocols established pursuant to Section 1.3, solely and exclusively for use in performing services or construction for the Project. If the Architect rightfully terminates this Agreement for cause as provided in Section 9.4, the license granted in this Section 7.3 shall terminate.

§ 7.3.1 In the event the Owner uses the Instruments of Service without retaining the authors of the Instruments of Service, the Owner releases the Architect and Architect's consultant(s) from all claims and causes of action arising from such uses. The Owner, to the extent permitted by law, further agrees to indemnify and hold harmless the Architect and its consultants from all costs and expenses, including the cost of defense, related to claims and causes of action asserted by any third person or entity to the extent such costs and expenses arise from the Owner's use of the Instruments of Service under this Section 7.3.1. The terms of this Section 7.3.1 shall not apply if the Owner rightfully terminates this Agreement for cause under Section 9.4.

§ 7.4 Except for the licenses granted in this Article 7, no other license or right shall be deemed granted or implied under this Agreement. The Owner shall not assign, delegate, sublicense, pledge or otherwise transfer any license granted herein to another party without the prior written agreement of the Architect. Any unauthorized use of the Instruments of Service shall be at the Owner's sole risk and without liability to the Architect and the Architect's consultants.

§ 7.5 Except as otherwise stated in Section 7.3, the provisions of this Article 7 shall survive the termination of this Agreement.

## ARTICLE 8 CLAIMS AND DISPUTES

### § 8.1 General

§ 8.1.1 The Owner and Architect shall commence all claims and causes of action against the other and arising out of or related to this Agreement, whether in contract, tort, or otherwise, in accordance with the requirements of the binding dispute resolution method selected in this Agreement and within the period specified by applicable law, but in any case not more than 10 years after the date of Substantial Completion of the Work. The Owner and Architect waive all claims and causes of action not commenced in accordance with this Section 8.1.1.

§ 8.1.2 To the extent damages are covered by property insurance, the Owner and Architect waive all rights against each other and against the contractors, consultants, agents and employees of the other for damages, except such rights as they may have to the proceeds of such insurance as set forth in AIA Document A201-2017, General Conditions of the Contract for Construction. The Owner or the Architect, as appropriate, shall require of the Construction Manager, contractors, consultants, agents and employees of any of them, similar waivers in favor of the other parties enumerated herein.

§ 8.1.3 The Architect shall indemnify and hold the Owner and the Owner's officers and employees harmless from and against damages, losses and judgments arising from claims by third parties, including reasonable attorneys' fees and expenses recoverable under applicable law, but only to the extent they are caused by the negligent acts or omissions of the Architect, its employees and its consultants in the performance of professional services under this Agreement. The Architect's obligation to indemnify and hold the Owner and the Owner's officers and employees harmless does not include a duty to defend. The Architect's duty to indemnify the Owner under this Section 8.1.3 shall be limited to the available proceeds of the insurance coverage required by this Agreement.

§ 8.1.4 The Architect and Owner waive consequential damages for claims, disputes, or other matters in question arising out of or relating to this Agreement. This mutual waiver is applicable, without limitation, to all consequential damages due to either party's termination of this Agreement, except as specifically provided in Section 9.7.

**§ 8.2 Mediation**

**§ 8.2.1** Any claim, dispute, or other matter in question arising out of or related to this Agreement shall be subject to mediation as a condition precedent to binding dispute resolution. If such matter relates to or is the subject of a lien arising out of the Architect's services, the Architect may proceed in accordance with applicable law to comply with the lien notice or filing deadlines prior to resolution of the matter by mediation or by binding dispute resolution.

**§ 8.2.2** The Owner and Architect shall endeavor to resolve claims, disputes and other matters in question between them by mediation, which, unless the parties mutually agree otherwise, shall be administered by the American Arbitration Association in accordance with its Construction Industry Mediation Procedures in effect on the date of this Agreement. A request for mediation shall be made in writing, delivered to the other party to this Agreement, and filed with the person or entity administering the mediation. The request may be made concurrently with the filing of a complaint or other appropriate demand for binding dispute resolution but, in such event, mediation shall proceed in advance of binding dispute resolution proceedings, which shall be stayed pending mediation for a period of 60 days from the date of filing, unless stayed for a longer period by agreement of the parties or court order. If an arbitration proceeding is stayed pursuant to this section, the parties may nonetheless proceed to the selection of the arbitrator(s) and agree upon a schedule for later proceedings.

**§ 8.2.3** The parties shall share the mediator's fee and any filing fees equally. The mediation shall be held in the place where the Project is located, unless another location is mutually agreed upon. Agreements reached in mediation shall be enforceable as settlement agreements in any court having jurisdiction thereof.

**§ 8.2.4** If the parties do not resolve a dispute through mediation pursuant to this Section 8.2, the method of binding dispute resolution shall be the following:

*(Check the appropriate box.)*

- Arbitration pursuant to Section 8.3 of this Agreement
- Litigation in a court of competent jurisdiction in Tippecanoe County, Indiana
- Other: *(Specify)*

If the Owner and Architect do not select a method of binding dispute resolution, or do not subsequently agree in writing to a binding dispute resolution method other than litigation, the dispute will be resolved in a court of competent jurisdiction.

*(Paragraphs deleted)*

§

**ARTICLE 9 TERMINATION OR SUSPENSION**

§ 9.1 If the Owner fails to make payments to the Architect in accordance with this Agreement, such failure shall be considered substantial nonperformance and cause for termination or, at the Architect’s option, cause for suspension of performance of services under this Agreement. If the Architect elects to suspend services, the Architect shall give seven days’ written notice to the Owner before suspending services. In the event of a suspension of services, the Architect shall have no liability to the Owner for delay or damage caused the Owner because of such suspension of services. Before resuming services, the Owner shall pay the Architect all sums due prior to suspension and any expenses incurred in the interruption and resumption of the Architect’s services. The Architect’s fees for the remaining services and the time schedules shall be equitably adjusted.

§ 9.2 If the Owner suspends the Project, the Architect shall be compensated for services performed prior to notice of such suspension. When the Project is resumed, the Architect shall be compensated for expenses incurred in the interruption and resumption of the Architect’s services. The Architect’s fees for the remaining services and the time schedules shall be equitably adjusted.

§ 9.3 If the Owner suspends the Project for more than 90 cumulative days for reasons other than the fault of the Architect, the Architect may terminate this Agreement by giving not less than seven days’ written notice.

§ 9.4 Either party may terminate this Agreement upon not less than seven days’ written notice should the other party fail substantially to perform in accordance with the terms of this Agreement through no fault of the party initiating the termination.

§ 9.5 The Owner may terminate this Agreement upon not less than seven days’ written notice to the Architect for the Owner’s convenience and without cause.

§ 9.6 If the Owner terminates this Agreement for its convenience pursuant to Section 9.5, or the Architect terminates this Agreement pursuant to Section 9.3, the Owner shall compensate the Architect for services performed prior to termination, Reimbursable Expenses incurred, and costs attributable to termination, including the costs attributable to the Architect’s termination of consultant agreements.

§ 9.7 In addition to any amounts paid under Section 9.6, if the Owner terminates this Agreement for its convenience pursuant to Section 9.5, or the Architect terminates this Agreement pursuant to Section 9.3, the Owner shall pay to the Architect the following fees:

*(Set forth below the amount of any termination or licensing fee, or the method for determining any termination or licensing fee.)*

.1 Termination Fee:

NA

.2 Licensing Fee if the Owner intends to continue using the Architect’s Instruments of Service:

NA

§ 9.8 Except as otherwise expressly provided herein, this Agreement shall terminate one year from the date of Substantial Completion.

§ 9.9 The Owner’s rights to use the Architect’s Instruments of Service in the event of a termination of this Agreement are set forth in Article 7 and Section 9.7.

**ARTICLE 10 MISCELLANEOUS PROVISIONS**

§ 10.1 This Agreement shall be governed by the law of the place where the Project is located, excluding that jurisdiction’s choice of law rules. If the parties have selected arbitration as the method of binding dispute resolution, the Federal Arbitration Act shall govern Section 8.3.

§ 10.2 Terms in this Agreement shall have the same meaning as those in AIA Document A201–2017, General Conditions of the Contract for Construction, except as modified in this Agreement. The term "Contractor" as used in A201–2017 shall mean the Construction Manager.

§ 10.3 The Owner and Architect, respectively, bind themselves, their agents, successors, assigns, and legal representatives to this Agreement. Neither the Owner nor the Architect shall assign this Agreement without the written consent of the other, except that the Owner may assign this Agreement to a lender providing financing for the Project if the lender agrees to assume the Owner's rights and obligations under this Agreement, including any payments due to the Architect by the Owner prior to the assignment.

§ 10.4 If the Owner requests the Architect to execute certificates, the proposed language of such certificates shall be submitted to the Architect for review at least 14 days prior to the requested dates of execution. If the Owner requests the Architect to execute consents reasonably required to facilitate assignment to a lender, the Architect shall execute all such consents that are consistent with this Agreement, provided the proposed consent is submitted to the Architect for review at least 14 days prior to execution. The Architect shall not be required to execute certificates or consents that would require knowledge, services, or responsibilities beyond the scope of this Agreement.

§ 10.5 Nothing contained in this Agreement shall create a contractual relationship with, or a cause of action in favor of, a third party against either the Owner or Architect.

§ 10.6 Unless otherwise required in this Agreement, the Architect shall have no responsibility for the discovery, presence, handling, removal or disposal of, or exposure of persons to, hazardous materials or toxic substances in any form at the Project site.

§ 10.7 The Architect shall have the right to include photographic or artistic representations of the design of the Project among the Architect's promotional and professional materials. The Architect shall be given reasonable access to the completed Project to make such representations. However, the Architect's materials shall not include the Owner's confidential or proprietary information if the Owner has previously advised the Architect in writing of the specific information considered by the Owner to be confidential or proprietary. The Owner shall provide professional credit for the Architect in the Owner's promotional materials for the Project. This Section 10.7 shall survive the termination of this Agreement unless the Owner terminates this Agreement for cause pursuant to Section 9.4.

§ 10.8 If the Architect or Owner receives information specifically designated as "confidential" or "business proprietary," the receiving party shall keep such information strictly confidential and shall not disclose it to any other person except as set forth in Section 10.8.1. This Section 10.8 shall survive the termination of this Agreement.

§ 10.8.1 The receiving party may disclose "confidential" or "business proprietary" information after 7 days' notice to the other party, when required by law, arbitrator's order, or court order, including a subpoena or other form of compulsory legal process issued by a court or governmental entity, or to the extent such information is reasonably necessary for the receiving party to defend itself in any dispute. The receiving party may also disclose such information to its employees, consultants, or contractors in order to perform services or work solely and exclusively for the Project, provided those employees, consultants and contractors are subject to the restrictions on the disclosure and use of such information as set forth in this Section 10.8.

§ 10.9 The invalidity of any provision of the Agreement shall not invalidate the Agreement or its remaining provisions. If it is determined that any provision of the Agreement violates any law, or is otherwise invalid or unenforceable, then that provision shall be revised to the extent necessary to make that provision legal and enforceable. In such case the Agreement shall be construed, to the fullest extent permitted by law, to give effect to the parties' intentions and purposes in executing the Agreement.

## ARTICLE 11 COMPENSATION

§ 11.1 For the Architect's Basic Services described under Article 3, the Owner shall compensate the Architect as follows:

.1 Stipulated Sum  
(Insert amount)

Pre-design: \$ 85,000

**Basic Services: \$2,040,000**  
 Total: \$2,125,000

.2 Percentage Basis  
*(Insert percentage value)*

( )% of the Owner’s budget for the Cost of the Work, as calculated in accordance with Section 11.6.

.3 Other  
*(Describe the method of compensation)*

§ 11.2 For the Architect’s Supplemental Services designated in Section 4.1.1 and for any Sustainability Services required pursuant to Section 4.1.3, the Owner shall compensate the Architect as follows:  
*(Insert amount of, or basis for, compensation. If necessary, list specific services to which particular methods of compensation apply.)*

Renderings: \$ 6,000  
**Post Occupancy Warranty Inspection: \$14,000**  
 Total: \$20,000

§ 11.3 For Additional Services that may arise during the course of the Project, including those under Section 4.2, the Owner shall compensate the Architect as follows:  
*(Insert amount of, or basis for, compensation.)*

TBD depending on scope/magnitude of the additional service required.

§ 11.4 Compensation for Supplemental and Additional Services of the Architect’s consultants when not included in Sections 11.2 or 11.3, shall be the amount invoiced to the Architect plus Five percent ( 5 %), or as follows:  
*(Insert amount of, or basis for computing, Architect’s consultants’ compensation for Supplemental or Additional Services.)*

§ 11.5 When compensation for Basic Services is based on a stipulated sum or a percentage basis, the proportion of compensation for each phase of services shall be as follows:

Pre-design Phase	\$85,000
Schematic Design Phase	\$408,000
Design Development Phase	\$612,000
Construction Documents Phase	\$571,200
Construction Phase	\$448,800
Supplemental Services	\$20,000
<b>Total Compensation</b>	<b>\$2,145,000</b>

The Owner acknowledges that with an accelerated Project delivery, multiple bid package process, or Construction Manager as constructor project delivery method, the Architect may be providing its services in multiple Phases simultaneously. Therefore, the Architect shall be permitted to invoice monthly in proportion to services performed in each Phase of Services, as appropriate.

§ 11.6 When compensation identified in Section 11.1 is on a percentage basis, progress payments for each phase of Basic Services shall be calculated by multiplying the percentages identified in this Article by the Owner’s most recent budget for the Cost of the Work. Compensation paid in previous progress payments shall not be adjusted based on subsequent updates to the Owner’s budget for the Cost of the Work.

§ 11.6.1 When compensation is on a percentage basis and any portions of the Project are deleted or otherwise not constructed, compensation for those portions of the Project shall be payable to the extent services are performed on those

portions. The Architect shall be entitled to compensation in accordance with this Agreement for all services performed whether or not the Construction Phase is commenced.

§ 11.7 The hourly billing rates for services of the Architect and the Architect’s consultants are set forth below. The rates shall be adjusted in accordance with the Architect’s and Architect’s consultants’ normal review practices. (If applicable, attach an exhibit of hourly billing rates or insert them below.)

**ARCHITECTURE CATEGORY HOURLY RATES**

<b>EMPLOYEE CLASSIFICATION</b>	<b>HOURLY RATE</b>
Principal	\$290/hr
Senior Project Manager	\$250/hr
Project Manager	\$230/hr
Senior Project Architect/Engineer/Planner	\$190/hr
Project Architect/Engineer/Planner	\$150/hr
*Project Coordinator/Staff Architect, Engineer or Planner	\$120/hr
Senior Designer	\$160/hr
Designer	\$125/hr
*Technician	\$105/hr
Senior Interior Designer	\$140/hr
Interior Designer	\$120/hr
Senior Landscape Architect	\$155/hr
Landscape Architect	\$130/hr
Staff/Design Engineer	\$105/hr
Senior Registered Land Surveyor	\$180/hr
Registered Land Surveyor	\$150/hr
*Survey Crew Member (1)	\$85/hr
Intern	\$75/hr

(\*) Rates for these classifications are subject to overtime premium of an additional 0.16 x hourly rate.

Hourly rates are subject to an annual increase effective July 1 of each subsequent calendar year.

## § 11.8 Compensation for Reimbursable Expenses

§ 11.8.1 Reimbursable Expenses are in addition to compensation for Basic, Supplemental, and Additional Services and include expenses incurred by the Architect and the Architect's consultants directly related to the Project, as follows:

- .1 Transportation and authorized out-of-town travel and subsistence;
- .2 Long distance services, dedicated data and communication services, teleconferences, Project web sites, and extranets;
- .3 Permitting and other fees required by authorities having jurisdiction over the Project;
- .4 Printing, reproductions, plots, and standard form documents;
- .5 Postage, handling, and delivery;
- .6 Expense of overtime work requiring higher than regular rates, if authorized in advance by the Owner;
- .7 Renderings, physical models, mock-ups, professional photography, and presentation materials requested by the Owner or required for the Project;
- .8 If required by the Owner, and with the Owner's prior written approval, the Architect's consultants' expenses of professional liability insurance dedicated exclusively to this Project, or the expense of additional insurance coverage or limits in excess of that normally maintained by the Architect's consultants;
- .9 All taxes levied on professional services and on reimbursable expenses;
- .10 Site office expenses;
- .11 Registration fees and any other fees charged by the Certifying Authority or by other entities as necessary to achieve the Sustainable Objective; and
- .12 Other similar Project-related expenditures.

§ 11.8.2 For Reimbursable Expenses the compensation shall be the expenses incurred by the Architect and the Architect's consultants plus Ten percent ( 10 %) of the expenses incurred.

§ 11.9 Architect's Insurance. If the types and limits of coverage required in Section 2.6 are in addition to the types and limits the Architect normally maintains, the Owner shall pay the Architect for the additional costs incurred by the Architect for the additional coverages as set forth below:

*(Insert the additional coverages the Architect is required to obtain in order to satisfy the requirements set forth in Section 2.6, and for which the Owner shall reimburse the Architect.)*

No additional insurance required

## § 11.10 Payments to the Architect

### § 11.10.1 Initial Payments

§ 11.10.1.1 An initial payment of Zero (\$ 0 ) shall be made upon execution of this Agreement and is the minimum payment under this Agreement. It shall be credited to the Owner's account in the final invoice.

§ 11.10.1.2 If a Sustainability Certification is part of the Sustainable Objective, an initial payment to the Architect of (\$ ) shall be made upon execution of this Agreement for registration fees and other fees payable to the Certifying Authority and necessary to achieve the Sustainability Certification. The Architect's payments to the Certifying Authority shall be credited to the Owner's account at the time the expense is incurred.

### § 11.10.2 Progress Payments

§ 11.10.2.1 Unless otherwise agreed, payments for services shall be made monthly in proportion to services performed. Payments are due and payable upon presentation of the Architect's invoice. Amounts unpaid Forty Five ( 45 ) days after the invoice date shall bear interest at the rate entered below, or in the absence thereof at the legal rate prevailing from time to time at the principal place of business of the Architect.

*(Insert rate of monthly or annual interest agreed upon.)*

1 % per month

§ 11.10.2.2 The Owner shall not withhold amounts from the Architect's compensation to impose a penalty or liquidated damages on the Architect, or to offset sums requested by or paid to contractors for the cost of changes in the Work, unless the Architect agrees or has been found liable for the amounts in a binding dispute resolution proceeding.

§ 11.10.2.3 Records of Reimbursable Expenses, expenses pertaining to Supplemental and Additional Services, and services performed on the basis of hourly rates shall be available to the Owner at mutually convenient times.

## ARTICLE 12 SPECIAL TERMS AND CONDITIONS

Special terms and conditions that modify this Agreement are as follows:  
(Include other terms and conditions applicable to this Agreement.)

§ 12.1 The Owner recognizes that all structures are subject to wear and tear and environmental and man-made exposures. As a result, all structures require regular and frequent monitoring and maintenance by the Owner to prevent damage and deterioration. Additionally, the nature of the construction process will expose the construction to water infiltration and moisture in the structure. Further, the Construction Documents are diagrammatic in nature, depicting design intent, and are not intended to depict every detail that will be required to prevent water infiltration, which is the responsibility of the Contractor.

§ 12.2 Compliance with IC 22-5-1.7 – E-Verify Program. Architect must enroll in and verify the work eligibility status of all newly hired employees of the Architect through the E-Verify program operated by the United States Department of Homeland Security. If the E-Verify program ceases to exist, Architect will not be required to verify the work eligibility status of newly hired employees through the E-Verify program. Architect shall execute an affidavit affirming that Architect does not knowingly employ an unauthorized alien.

§ 12.3 Investment in Iran. Pursuant to Indiana Code 5-22-16.5, Architect hereby certifies under penalties of perjury that it does not engage in investment activities in Iran as more particularly described in Indiana Code 5-22-16.5.

§ 12.4 In recognition of the relative risks and benefits of the Project to both the Owner and the Architect, the risks have been allocated such that the Owner agrees, to the fullest extent permitted by law, to limit the liability of the Architect and Architect's officers, directors, partners, employees, shareholders, owners and subconsultants for any and all claims, losses, costs, damages of any nature whatsoever or claims expenses from any cause or causes, including attorneys' fees and costs and expert-witness fees and costs, so that the total aggregate liability of the Architect and Architect's officers, directors, partners, employees, shareholders, owners and subconsultants shall not exceed the available proceeds under any General Liability (including automobile) and Professional Liability Insurance required to be carried by Architect under this Agreement. It is intended that this limitation apply to any and all liability or cause of action however alleged or arising, unless otherwise prohibited by law.

## ARTICLE 13 SCOPE OF THE AGREEMENT

§ 13.1 This Agreement represents the entire and integrated agreement between the Owner and the Architect and supersedes all prior negotiations, representations or agreements, either written or oral. This Agreement may be amended only by written instrument signed by both the Owner and Architect.

§ 13.2 This Agreement is comprised of the following documents identified below:

- .1 AIA Document B133™–2019, Standard Form Agreement Between Owner and Architect, Construction Manager as Constructor Edition
- .2 AIA Document E203™–2013, Building Information Modeling and Digital Data Exhibit, dated as indicated below, if completed, or the following:  
(Insert the date of the E203-2013 incorporated into this agreement.)

April 23, 2020

- .3 Exhibits:  
(Check the appropriate box for any exhibits incorporated into this Agreement.)

Other Exhibits incorporated into this Agreement:

*(Clearly identify any other exhibits incorporated into this Agreement, including any exhibits and scopes of services identified as exhibits in Section 4.1.2.)*

.4 Other documents:

*(List other documents, if any, forming part of the Agreement.)*

1. City of Lafayette Request for Proposal dated 01/30/2020 and referenced Exhibits
  - a. Exhibit-A\_20200110\_City-of-Lafayette\_South-Parcel\_A
  - b. Exhibit B – RQAW Police Department Feasibility Study, dated February 5, 2018
  - c. Exhibit-C\_1\_17074-SURVEY-ALTA-102017
  - d. Exhibit-D\_Phase-I-Environmental-Site-Assessment-IWM
  - e. Exhibit-E\_Limited-Phase-II-EAS-Report
2. City of Lafayette Request for Proposal, Addendum #1 dated February 12, 2020.
3. Architect's initial response to the RFP titled, "Architecture and Engineering Services , City of Lafayette New Municipal Building, submitted February 26, 2020.
4. Architect's revised Acceptance Letter dated April 13, 2020

This Agreement entered into as of the day and year first written above.

§ 2.6.1 Commercial General Liability with policy limits of not less than Two Million Dollars (\$ 2,000,000 ) for each occurrence and Two Million Dollars (\$ 2,000,000 ) in the aggregate for bodily injury and property damage.

§ 2.6.2 Automobile Liability covering vehicles owned, and non-owned vehicles used, by the Architect with policy limits of not less than One Million Dollars (\$ 1,000,000 ) per accident for bodily injury, death of any person, and property damage arising out of the ownership, maintenance and use of those motor vehicles, along with any other statutorily required automobile coverage.

~~§ 2.6.3 The Architect may achieve the required limits and coverage for Commercial General Liability and Automobile Liability through a combination of primary and excess or umbrella liability insurance, provided such primary and excess or umbrella liability insurance policies result in the same or greater coverage as the coverages required under Sections 2.6.1 and 2.6.2, and in no event shall any excess or umbrella liability insurance provide narrower coverage than the primary policy. The excess policy shall not require the exhaustion of the underlying limits only through the actual payment by the underlying insurers.~~

§ 2.6.3 The Architect may achieve the required limits and coverage for Commercial General Liability and Automobile Liability through a combination of primary and excess or umbrella liability insurance, provided such primary and excess or umbrella liability insurance policies result in the same or greater coverage as the coverages required under Sections 2.6.1 and 2.6.2, and in no event shall any excess or umbrella liability insurance provide narrower coverage than the primary policy. The excess policy shall not require the exhaustion of the underlying limits only through the actual payment by the underlying insurers.

§ 2.6.5 Employers' Liability with policy limits not less than Five Hundred Thousand Dollars (\$ 500,000 ) each accident, Five Hundred Thousand Dollars (\$ 500,000 ) each employee, and Five Hundred Thousand Dollars (\$ 500,000 ) policy limit.

§ 2.6.6 Professional Liability covering negligent acts, errors and omissions in the performance of professional services, with policy limits of not less than Five Million Dollars (\$ 5,000,000 ) per claim and Five Million Dollars (\$ 5,000,000 ) in the aggregate.

PAGE 9

### 3.2.3 Predesign Phase Services

3.2.3.1 Program Verification: The Architect or Architect's Consultant shall review the "RQAW" program with the appropriate personnel to ascertain the validity of the program and establish the "agreed upon" program to guide the design.

3.2.3.2 Conceptual Design: The Architect or Architect's Consultant shall commence conceptual design of the police station and the parking structures for use in the preparation of the Multiple Concept "block" Designs.

3.2.3.3 Multiple Concept "block" Designs: Provide 3D Diagrams to illustrate the scale and relationship of the Project components and illustrate different configurations on the site for development. The diagrams will show massing, they will not show exterior building material. This exercise is intended to provide visual "3D images" to help the City evaluate and visualize the development possibilities with the site(s) and ultimately, help the City decide whether the site to the east should be purchased and included as part of the project.

3.2.3.4 Site evaluation and Analysis: Review available site data to become familiar with property lines, easements, site characteristics, utility locations, traffic patterns and other pertinent site data.

3.2.3.5 The Architect shall submit the Predesign Documents to the Owner and the Construction Manager. The Architect shall meet with the Construction Manager to review the Predesign Documents.

§ 3.2.3.5 Upon receipt of the Construction Manager's review comments and cost estimate at the conclusion of the Predesign Phase, the Architect shall take action as required under Section 6.4, and request the Owner's approval of the Predesign Documents. If revisions to the Predesign Documents are required to comply with the Owner's budget for the Cost of the Work at the conclusion of the Predesign Phase, the Architect shall incorporate the required revisions in the Schematic Design Phase.

§ 3.3.1 The Architect shall review the program, and other information furnished by the Owner and Construction Manager, and shall review laws, codes, and regulations applicable to the Architect's services.

§ 3.3.2 The Architect shall prepare a preliminary evaluation of the Owner's program, schedule, budget for the Cost of the Work, Project site, and other Initial Information, each in terms of the other, to ascertain the requirements of the

Project. The Architect shall notify the Owner of (1) any inconsistencies discovered in the information, and (2) other information or consulting services that may be reasonably needed for the Project.

...

~~§ 3.3.4~~ Based on the Project requirements agreed upon with the Owner, the Architect shall prepare and present, to the Owner and Construction Manager, for the Owner's approval, a preliminary design illustrating the scale and relationship of the Project components.

§ 3.3.5 Based on the Owner's approval of the preliminary design, ~~pre-design~~, the Architect shall prepare Schematic Design Documents for Construction Manager's review and the Owner's approval. The Schematic Design Documents shall consist of drawings and other documents including a site plan, if appropriate, and preliminary building plans, sections and elevations; and may include some combination of study models, perspective sketches, or digital representations. Preliminary selections of major building systems and construction materials shall be noted on the drawings or described in writing.

PAGE 10

§ 3.3.8 In the further development of the Drawings and Specifications during this and subsequent phases of design, the Architect shall be entitled to rely on the accuracy of the estimates of the Cost of the Work, which are to be provided by the Construction Manager under the Construction Manager's agreement with the Owner. Subsequent estimates must not exceed preceding estimated by more than 5%, provided the program or the design did not change.

PAGE 13

~~§ 3.6.6.5~~ Upon request of the Owner, and prior to the expiration of one year from the date of Substantial Completion, the Architect shall, without additional compensation, conduct a meeting with the Owner to review the facility operations and performance.

<u>4.1.1.30</u> Renderings (3 exterior & 2 interior)	<u>Architect</u>
<u>4.1.1.31</u> Geotechnical Investigation	<u>Owner</u>
<u>4.1.1.32</u> Environmental Services	<u>Owner</u>
<u>4.1.1.33</u> Land Surveyor	<u>Owner</u>

(\* In the Supplemental Services Table above, the asterisk after the term Architect denotes Supplemental Services that have been included in Basic Services at the request of the owner; fees for these services are not supplemental, and are included in the Basic Services fee listed in Section 11.1.

...

4.1.1.18 11-month warranty evaluation. Walk through the facility to identify deficiencies in the construction/operation of the facility for the contractor to address prior to the expiration of the CMC's 1-year warranty. Attendees will prepare a written summary of items for the CMC to address and issue the summary to CMC, Owner and Attendees. Attendees at the walk-thru are anticipated to be the following:

1. Project Architect (ASI)
2. Security/AV/Data Consultant
3. Structural Engineer (ASI)
4. Mechanical Engineer (Applied Engineering Services)
5. Electrical Engineer (Applied Engineering Services)
6. Plumbing Engineer (Applied Engineering Services)

Fee shown is for individual time, travel costs will be invoiced as reimbursable expense.

4.1.1.30 Renderings (3 exterior & 2 interior) Architect will prepare full color, 3-dimensional representation of the exterior and the interior of the building using the Architect's existing rendering software, such as Lumion or equivalent. The Architect will not be required to purchase new software or learn new software in the production of these renderings. The Architect will consult with the Owner to select desired views /locations for the renderings.

...

4.1.1.4 Measured drawings: the Owner will furnish available drawings and information of the existing City Hall building to the Architect for the Architect and Engineers to design the "connection" of the enclosed, overhead pedestrian bridge to the existing City Hall Building. This information will be provided after the predesign phase if the overhead, pedestrian bridge remains in the project scope of work. If the information provided is insufficient for the Architect and Engineer, the Architect will provide the field measuring of the existing City Hall as an Additional Service.

4.1.31 Geotechnical Investigation: the Owner will employ the services of a reputable Geotechnical Engineer to investigate subsurface soil conditions and make foundation recommendations to guide the design team in the design of the foundation system.

4.1.32 Environmental Services: Preparation of an Underground Storage Tank (UST) Closure Report, Thirty (30) Day Notification for Intent to Close form, and subsequent soil and groundwater sampling and laboratory analysis for the removal of one (1) UST and related UST system piping.

4.1.1.33 Land Surveyor: ALTA/NSPS Land Title Survey & Topographic Survey of all land to be part of the project.

PAGE 16

4.1.3.1 No sustainable objectives other than to incorporate Park Smart principles into the parking structures. There will be no certifications required for this project.

PAGE 17

- .1 Two ( 2 ) reviews of each Shop Drawing, Product Data item, sample and similar submittals of the Construction Manager
- .2 Thirty six ( 36 ) visits to the site by the Architect during construction. (20-month construction duration)
- .3 One ( 1 ) inspections for any portion of the Work to determine whether such portion of the Work is substantially complete in accordance with the requirements of the Contract Documents

.4 One ( 1 ) inspections for any portion of the Work to determine final completion

...

§ 4.2.5 If the services covered by this Agreement have not been completed within Thirty Six ( 36 ) months of the date of this Agreement, through no fault of the Architect, extension of the Architect's services beyond that time shall be compensated as Additional Services.

PAGE 18

§ 5.8 If the Owner identified a Sustainable Objective in Article 1, the Owner shall fulfill its responsibilities as required in AIA Document E234™-2019, Sustainable Projects Exhibit, Construction Manager as Constructor Edition, attached to this Agreement. (No sustainable objectives identified)

PAGE 19

6.3.1.1 The Owner did not select the architect's supplemental service for cost estimates

...

6.4.1.1 The Construction Manager's estimate of the Cost of the Work prior to the conclusion or the Design Development phase or at the conclusion of the Design Development stage shall not exceed the Schematic Design estimate by more than 5%

...

§ 6.6 If the Owner chooses to proceed under Section 6.5.3, the Architect, ~~without additional compensation, as an Additional Service per Section 6.3,~~ shall incorporate the revisions in the Construction Documents Phase as necessary to comply with the Owner's budget for the Cost of the Work at the conclusion of the Design Development Phase Services, or the budget as adjusted under Section 6.5.1. The Architect's revisions in the Construction Documents Phase shall be the limit of the Architect's responsibility under this Article 6.

### ~~§ 8.3 Arbitration~~

~~§ 8.3.1 If the parties have selected arbitration as the method for binding dispute resolution in this Agreement, any claim, dispute or other matter in question arising out of or related to this Agreement subject to, but not resolved by, mediation shall be subject to arbitration, which, unless the parties mutually agree otherwise, shall be administered by the American Arbitration Association in accordance with its Construction Industry Arbitration Rules in effect on the date of this Agreement. A demand for arbitration shall be made in writing, delivered to the other party to this Agreement, and filed with the person or entity administering the arbitration.~~

~~§ 8.3.1.1 A demand for arbitration shall be made no earlier than concurrently with the filing of a request for mediation, but in no event shall it be made after the date when the institution of legal or equitable proceedings based on the claim, dispute or other matter in question would be barred by the applicable statute of limitations. For statute of limitations purposes, receipt of a written demand for arbitration by the person or entity administering the arbitration shall constitute the institution of legal or equitable proceedings based on the claim, dispute or other matter in question.~~

~~§ 8.3.2 The foregoing agreement to arbitrate, and other agreements to arbitrate with an additional person or entity duly consented to by parties to this Agreement, shall be specifically enforceable in accordance with applicable law in any court having jurisdiction thereof.~~

~~§ 8.3.3 The award rendered by the arbitrator(s) shall be final, and judgment may be entered upon it in accordance with applicable law in any court having jurisdiction thereof.~~

~~§ 8.3.4 Consolidation or Joinder~~

~~§ 8.3.4.1~~ Either party, at its sole discretion, may consolidate an arbitration conducted under this Agreement with any other arbitration to which it is a party provided that (1) the arbitration agreement governing the other arbitration permits consolidation; (2) the arbitrations to be consolidated substantially involve common questions of law or fact; and (3) the arbitrations employ materially similar procedural rules and methods for selecting arbitrator(s).

~~§ 8.3.4.2~~ Either party, at its sole discretion, may include by joinder persons or entities substantially involved in a common question of law or fact whose presence is required if complete relief is to be accorded in arbitration, provided that the party sought to be joined consents in writing to such joinder. Consent to arbitration involving an additional person or entity shall not constitute consent to arbitration of any claim, dispute or other matter in question not described in the written consent.

~~§ 8.3.4.3~~ The Owner and Architect grant to any person or entity made a party to an arbitration conducted under this Section 8.3, whether by joinder or consolidation, the same rights of joinder and consolidation as the Owner and Architect under this Agreement.

~~§ 8.4~~ The provisions of this Article 8 shall survive the termination of this Agreement.

1 % per month

PAGE 27

§ 12.1 The Owner recognizes that all structures are subject to wear and tear and environmental and man-made exposures. As a result, all structures require regular and frequent monitoring and maintenance by the Owner to prevent damage and deterioration. Additionally, the nature of the construction process will expose the construction to water infiltration and moisture in the structure. Further, the Construction Documents are diagrammatic in nature, depicting design intent, and are not intended to depict every detail that will be required to prevent water infiltration, which is the responsibility of the Contractor.

§ 12.2 Compliance with IC 22-5-1.7 – E-Verify Program. Architect must enroll in and verify the work eligibility status of all newly hired employees of the Architect through the E-Verify program operated by the United States Department of Homeland Security. If the E-Verify program ceases to exist, Architect will not be required to verify the work eligibility status of newly hired employees through the E-Verify program. Architect shall execute an affidavit affirming that Architect does not knowingly employ an unauthorized alien.

§ 12.3 Investment in Iran. Pursuant to Indiana Code 5-22-16.5, Architect hereby certifies under penalties of perjury that it does not engage in investment activities in Iran as more particularly described in Indiana Code 5-22-16.5.

§ 12.4 In recognition of the relative risks and benefits of the Project to both the Owner and the Architect, the risks have been allocated such that the Owner agrees, to the fullest extent permitted by law, to limit the liability of the Architect and Architect's officers, directors, partners, employees, shareholders, owners and subconsultants for any and all claims, losses, costs, damages of any nature whatsoever or claims expenses from any cause or causes, including attorneys' fees and costs and expert-witness fees and costs, so that the total aggregate liability of the Architect and Architect's officers, directors, partners, employees, shareholders, owners and subconsultants shall not exceed the available proceeds under any General Liability (including automobile) and Professional Liability Insurance required to be carried by Architect under this Agreement.. It is intended that this limitation apply to any and all liability or cause of action however alleged or arising, unless otherwise prohibited by law.

General Liability, Automobile Liability and Employers Liability policies. Umbrella is follow form.

RE: 002019.01460 New Municipal building, City-owned 6th Street surface parking lot site

Where required by contract or agreement requiring insurance, City of Lafayette is included as additional insured with respects to the General Liability policy. The General Liability policy is primary & noncontributory, with respects to the additional insured, when required by written contract or written agreement. Where required by written contract executed prior to loss, a waiver of subrogation in favor of City of Lafayette applies with respects to the Employers Liability policy.

**CONTRACT FOR PROFESSIONAL SERVICES  
BY AND BETWEEN  
THE CITY OF LAFAYETTE, INDIANA  
AND  
TIPPECANOE ARTS FEDERATION**

This Agreement is made and entered into this 23rd day of April, 2020, by and between the City of Lafayette, Indiana (hereinafter referred to as “City”) and Tippecanoe Arts Federation, (hereinafter referred to as “Contractor”).

WHEREAS, the City desires project administration and artist curation services related to the Wabash Avenue Crosswalk Project;

WHEREAS, the City desires to employ Contractor to perform said services;

NOW THEREFORE, in consideration of the mutual promises set forth below the parties agree as follows:

1. Scope of Work. Contractor agrees to administer, select, manage, and pay project artists and supplies. Contractor will hold neighborhood community meetings with the artists to gain input on subject matter and potential themes for the project to blend art imagery with the Wabash Avenue history. All proposed crosswalk designs shall be submitted to the Project Manager in the City Economic Development Office for review.

2. Compensation.

A. Amount of Payment. For those services performed by Contractor, the City agrees to pay Contractor as follows: up to and not to exceed \$15,000 payable after submission of an invoice. Ten percent or an amount not to exceed \$1,500 will be paid when project is complete and all requirements are satisfied.

B. Method of Payment. Contractor shall submit an invoice to the City at the time of the project commencing. Payments shall be made by the City within 30 days of receipt of invoice.

3. Personnel. All services required hereunder will be performed by Contractor or its agent and all individuals engaged in the work shall be fully qualified and shall be authorized or permitted under state and local law to perform such services.

4. Indemnification and Insurance. Contractor shall indemnify, defend and hold harmless the City and their agents, assignees, invitees and employees from and against all claims, damages, losses and expenses, including but not limited to attorney's fees, for personal injury, death, property damage or otherwise arising out of or resulting from Contractor's performance of Contractor's Scope of Work. This duty to indemnify shall not include indemnification for the active or passive negligence of the City. In all such cases where this indemnity agreement applies, Contractor, and/or its insurer shall, upon demand by the City, provide a competent defense of all claims covered by this indemnity and shall remain responsible for all of the costs of defense of the claim, and any damages awarded to the claimant by settlement, mediation, arbitration, litigation or otherwise. Contractor waives all claims against City for any injuries, damages, losses or claims which arise during or result from serving as contractor, regardless of whether or not caused in whole or part by the negligence or other fault of the City. Contractor agrees to indemnify and hold harmless City from losses, liabilities, damages, costs or expenses (including but not limited to reasonable attorneys' fees and other litigation costs and expenses) incurred by Contractor for any claims arising out of this Agreement.

Contractor shall provide insurance coverage as follows:

- General Liability (including automobile) with a combined single limit of \$2,000,000.
- Worker's Compensation at the statutory limit.
- The Contractor shall provide to City Certificates of Insurance indicating the aforesaid coverage.

5. Standard of Care. In providing services under this Agreement, Contractor will endeavor to perform in a manner consistent with that degree of care and skill ordinarily exercised by members of the same profession currently practicing under similar circumstances.

6. Attorney Fees. In the event any litigation arising from or related to this Agreement, the prevailing party shall be entitled to recover from the non-prevailing party all reasonable costs and attorney fees.

7. Successors and Assigns. Contractor and the City each binds himself, his partners, successors, assigns and legal representatives to the other party to this Agreement and to the partners, successors, assigns and legal representatives of such party in respect to all covenants of this Agreement. Neither Contractor nor the City shall assign, sublet or transfer his interest in this Agreement without the written consent of the other.

8. Amendments. This Agreement may be modified and changed by mutual agreement by written addenda to this Agreement.

9. E-Verify. Consultant must enroll in and verify the work eligibility status of all newly hired employees of the Consultant through the E-Verify program operated by the United States Department of Homeland Security. If the E-Verify program ceases to exist, the Consultant will not be required to verify the work eligibility status of newly hired employees through the E-Verify program. The Consultant affirms that the Consultant does not knowingly employ an unauthorized alien.

10. Investing in Iran. Pursuant to Indiana Code 5-22-16.5, Consultant hereby certifies under penalties of perjury that it does not engage in investment activities in Iran as more particularly described in Indiana Code 5-22-16.5.
