

**Petition to Eliminate 2-Hour Parking**  
**Enforcement Zone**  
**on the West Side of N. 11<sup>th</sup> Street**  
**Between the Alleys**

April 6, 2021

Dear Lafayette Downtown Parking Committee,

- Would you please consider removing the 2hr parking on 11<sup>th</sup> Street from Columbia to Ferry? The main businesses that would need 11<sup>th</sup> Street parking are Ripple & Co and Eastend Grill and both of these businesses have a parking lot. Allowing 11<sup>th</sup> to be open parking folks that live in apartments and business owners would having parking off of Main Street.
- Would you consider the \$20 parking ticket to be for 2hr parking not for 24 hours? People in apartments just build this into their monthly rent. The parking ticket needs to be reoccurring to detour cars being left on Main St all day.
- Could we start talking about Saturday being 2hr parking? If the purpose of 2hr parking is to support the businesses and we are open on Saturdays then we need parking? People in apartments park on Main Street at 3pm on Friday and leave their vehicles until Monday morning. The cost of having it monitored on Saturdays would be off set with tickets.

Thank you,  
Alicia Dunbar
