New Business

Kettelhut Construction- Public Safety Building/Parking Garage Guaranteed Maximum Price – Bid Package #1 Structural/Earthwork- Alex Gonzalez of Kettelhut Construction presented the first of three Guaranteed Maximum Price bid amendment packages for the Public Safety Building and Parking Garage Project. This first bid amendment package, in the amount of \$14,250,933.00, is for Structural & Earthwork. The package includes: demolition, site earthwork & utilities; earth retention; geo-piers; structural cast in place concrete; structural & misc. steel; plumbing & HVAC – early site utilities; electrical/communications/security – early site utilities and elevators. Alex outlined the need for various CMC site services; specifically, vibration monitoring for the historic homes on South Street. Mr. Gonzalez continued to highlight different portions of the bid package including dismantling of the historic façade of 625 Columbia Street for future re-use; earth retention along the alley and associated traffic control; geo-piers, a specialty foundation injected for design pressure, to create a stable base on which to build; structural steel, bid early to preserve price and have available in September; elevators, also bid early, to ensure delivery when needed. Traffic adjustments and placement of barricades have begun on adjacent streets. Kettelhut’s site office will be in the former Tempest Homes building located at 7th and South Streets. Site demolition will begin in June with foundation construction expected to begin in July. Jim Terry moved to approve. Shelly Henriott seconded and the motion passed unanimously.
