

CERTIFICATE OF FINAL COMPLETION

PROJECT NAME: Pearl River Sewer Relocation

OWNER: City of Lafayette, Indiana

CONTRACTOR: Bowen Engineering Corporation

ENGINEER: Butler Fairman & Seufert Engineers

The work performed under this contract has been reviewed and found to be complete. The date of Final Completion of the Project and commencement of applicable warranties required by the Contract Documents and pursuant to Section 14.07 of the General Conditions is hereby established as: **September 10, 2021.**

The Date of Final Completion, Approval and Acceptance of the Work is the Date when the structures, equipment and facilities supplied, installed, modified or constructed under the Contract together with all appurtenances are tested and ready to be placed in continuous satisfactory operation by the Owner in the manner intended.

All of the work under this Agreement has been reviewed and found to be complete in accordance with the Contract Documents. The Contractor certifies that the project has been completed in accordance with the Contract Documents. Signing of this Certificate by the Owner in no way alters the responsibility of the Contractor to have completed all Work in accordance with the Contract Documents or the Engineer's contractual responsibilities to Owner.
