The City will require owners, developers, and sponsors of properties that contain CDBG / HOME-assisted housing units (hereinafter referred to as “Grantee”) to implement the affirmative marketing goal of the City of Lafayette to assure that individuals who normally might not apply for CDBG / HOME-assisted units because of their race, color, ethnicity, religion, sex, handicap, or familial status: a) know of the availability of such units, b) feel welcome to apply, and c) have the opportunity to own and/or rent the units.

Agencies and Grantees using CDBG / HOME funds for housing acquisition, rehabilitation, or down payment assistance will inform the public and potential owners and/or renters of CDBG / HOME-assisted units by the use of the Equal Housing Opportunity logo or slogan in press releases, solicitations and written communications to all groups, and by posting the Equal Housing Opportunity logo in each project building or rental office.

2. Inform Public, Potential Owners and/or Renters about Available Units.

Legally binding agreements will require the Grantee to market CDBG / HOME-assisted units in an affirmative manner in order to attract renters or owners who might not normally apply to own or rent such properties, regardless of their race, color, ethnicity, religion, sex, handicap, or familial status.

While soliciting owners or renters, the Grantee shall conduct outreach efforts to reach persons least likely to apply for the housing. The solicitations and advertising shall include the Equal Housing Opportunity logo, slogan, or statement. The Fair Housing poster shall be displayed where visible to applicants. Locations or contacts for outreach include, but are not limited to:

- A. Social service agencies
- B. Neighborhood groups and associations
- C. Local media
- D. Community contacts (groups/organizations located within the housing market area)
- E. Newsletters for senior citizens, disability or other special needs groups
- F. Community centers
- G. Places of worship

Marketing Plan Submission

For all housing projects with five (5) or more HOME-assisted units, Grantee must submit a Marketing Plan in writing to the Lafayette Community Development Department for approval within sixty (60) days of the date of the executed contract and before the first draw is released. The Marketing Plan must include the following:

1. Methods for informing the public, owners and potential tenants about fair housing laws.
2. Description of what Grantee will do to affirmatively market housing assisted with HOME funds.
3. Identification of groups in the housing market area who are least likely to apply for the housing because of its location or other factors without special outreach.
4. Description of what Grantee will do to inform persons not likely to apply for housing without special outreach.

Record Keeping

To document implementation of the Affirmative Marketing Program activities, Grantees will meet the record-keeping requirements of 24 CFR 92.508(a)5(i) and (ii) and 92.351 concerning racial, ethnic, and gender characteristics, and maintain the following records:

1. Complete demographic characteristics of all applicants.
2. Grantee's written acknowledgement of fair housing notice and laws.
3. Record of contact with applicants.
4. Copies of notices to social service agencies, neighborhood and other groups specified above.
5. Copies of press releases, media coverage, mailings, and other pertinent information.

Assessment and Corrective Action

The City will assess the affirmative marketing efforts for effectiveness using the following steps. If corrective action is necessary, the City will work closely with the Grantee until the issues are resolved.

1. To determine if good faith efforts have been made, the City will periodically compare the information contained in the records with actions taken to implement the affirmative marketing efforts.
2. To determine results, the City will examine whether persons from all racial and ethnic groups in the community either were aware of or applied for units that were affirmatively marketed.
3. The City may periodically perform ownership and/or tenant surveys to determine the source of referrals.
4. If it is determined that the Grantee has not affirmatively marketed the program, corrective actions may be required. These may include an initial conference to discuss required changes, possible disqualification from future participation in CDBG / HOME programs and/or legal action.
