FOR IMMEDIATE RELEASE
October 15, 2019

Lane Restrictions on Schuyler Avenue Will Affect Event Traffic

LAFAYETTE, INDIANA – October 15, 2019 – Lane restrictions on Schuyler Avenue between the railroad underpass and Conservation Club Road will affect event traffic between Sagamore Parkway and Interstate 65. In order to bore two sanitary sewer force mains and one water main under the road, traffic will be reduced to one lane in each direction at times. Restrictions are expected last through Purdue's home football game season.

We appreciate your patience as we work on this important improvement to our infrastructure in our community. Please take extra precaution when traveling to the game and leave extra time for traffic.
