Available with the **Parks Department**:

POSITION:

Part-time year around Safety and Security Officer

LOCATION:

Lafayette Parks Department

HOURS:

Part-time including evenings, weekends and holidays

SALARY:

Starting at \$16.00 per hour

DESCRIPTION:

Serves as year around part-time safety and security officer for the Parks and Recreation Department. Is responsible for maintaining safety and security of all City Parks. Interacts with Park patrons to ensure public safety and the safe use of the facilities. Communicates with department personnel to coordinate and resolve problems as needed. Secures park buildings and facilities as required. Routinely performs safety inspections on playground equipment. Responds to incidents and accidents within the Parks and prepares detailed reports on such. Interacts and cooperates with local law enforcement, fire and emergency management agencies. Performs related duties as assigned.

REQUIREMENTS:

High School Diploma with previous safety and security experience is preferred. Certification in First Aid, and CPR preferred. Possession of a valid driver's license and demonstrated safe driving record. Ability to maintain accurate records, prepare and submit detailed reports as required. Ability to understand and follow written and oral instructions, work alone and with others in a team environment with minimum supervision. Ability to work on several tasks at the same time and complete assignments effectively amidst frequent distractions and interruptions.

PHYSICAL EFFORT:

Incumbent's duties may involve continuous physical exertion, such as standing/walking for long periods, working in awkward positions for long periods, safely lifting/carrying objects weighing 25 pounds, climbing ladders, bending, reaching, crouching, kneeling, safely pushing/pulling objects weighing more than 25 pounds. Vision and hearing are required for driver's and work crew's safety. Incumbent performs duties both in and out of doors, in varying weather conditions and is periodically exposed to excessive, noise, dirt, dust and combustible fuels and chemicals from vehicles and equipment. Safety precautions must be used at all times to avoid injury to self and others.
