(i) Tapping Fees

Each User, at the time he is connected with the waterworks system, shall pay a charge to cover the costs of tapping the main, furnishing and laying service pipe, corporation and stop cocks, service and meter box and installing the meter.

The charge for a 5/8 or 3/4 inch meter shall be \$600.00.

The charge for a tap larger than 5/8 or 3/4 inch meter tap will be the cost of labor and materials but not less than \$600.00.

(j) Reconnection Charge

To establish new service connection	\$12.00
To re-establish service	24.00

When the service is turned off for non-payment of bill, or whenever for any reason beyond the control of the waterworks a re-establishment of services is required by any one customer, the charge will be made by the waterworks to cover the cost of discontinuance and re-establishment of service. The charge, together with any arrears due the waterworks, shall be paid by the customer before service will be re-established.

(k) Bad Check Charge

There shall be a charge of \$12.00 for any check returned for insufficient funds or because the check is written on a non-existent bank account.

(l) Customer Meter Deposit

Tenant or purchaser of property on contract	\$20.00
Commercial customer	35.00

Said deposit shall be made by the customer making application for the respective service, and who shall be responsible for the monthly billings. Said respective deposits, less the amount of any current and/or delinquent bills owing, shall be refunded to said customer at such time as said customer requests disconnection or termination of the respective service.
